SHE SOILS HERSELF AS INTENSE PLEASURE RUSH THROUGH HER WHOLE BODY. COVERED IN LOVE FLUIDS, PEE AND SALIVA, THE MOTHER DROWNS IN SATISFACTION IN FRONT OF HER OWN SON. BECAUSE NEARLY ALL OF HER WEIGHT IS CARRIED BY HIM, THE TIP OF HIS PENIS IS PRESSING INTO THE OPENING OF HER WOMB, HIS SEMEN POURING DIRECTLY INSIDE. HER STOMACH SWELLING FROM THE LARGE AMOUNT OF SEMEN POURING INTO HER WOMB, THE THOUGHT OF GETTING PREGNANT FILLS HER WOMB WITH SATISFACTION.

"LISTEN SHUN, DO YOU WANT A BROTHER OR A MAYBE A SISTER?"

SHIZUE ASKED AS SHE SUDDENLY REMEMBERED THAT FEELING...

"WHAT?... AH, IF IT'S MOMMY'S CHILD THEN YES. BUT WHO'D BE THE FATHER?"  
SHE SHOOTS A SEDUCTIVE LOOK AT HER ANXIOUS SON.

"OF COURSE YOU! WHO ELSE?" ♥

"HUH?... WHAT!? ME? REALLY?"

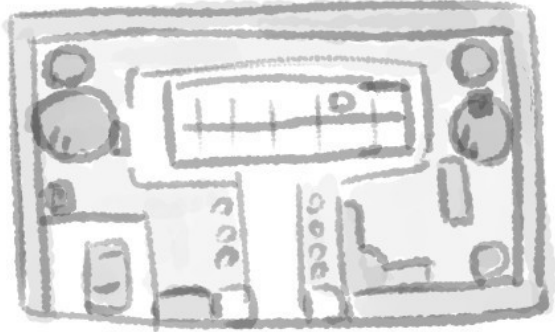

"YOU DON'T WANT TO...?"

"OF COURSE I DO! I WANT TO BECOME A DADDY!  
I WANT YOU TO BEAR MY CHILD!"

"THAT'S WHAT I THOUGHT. THANK YOU SHUN... WELL THEN, FROM NOW ON  
WE MUST INDULGE IN LOT OF SEX, ARE YOU PREPARED FOR THIS?"

"OF COURSE!" "AAH, NOT HERE... AH, GEEZ SHUN... AH ♥"

★ Erotically, this is pretty trivial

★ A rough sketch of the Hoshino house

Along with the "Christmas version", I attempted for the very first time to show the layout of the whole house. It was hard to do... the direction of the door openings got me in trouble every time, especially in relation to the windows, so there were minor mistakes. I'm still not used to this (--;

The concept of the house is both Japanese and western style without air conditioning. It's not traditional construction, but when you open the doors and windows, you can feel the breeze passing through every nook of the house. It is an open, compact house, easily accessible for the future.

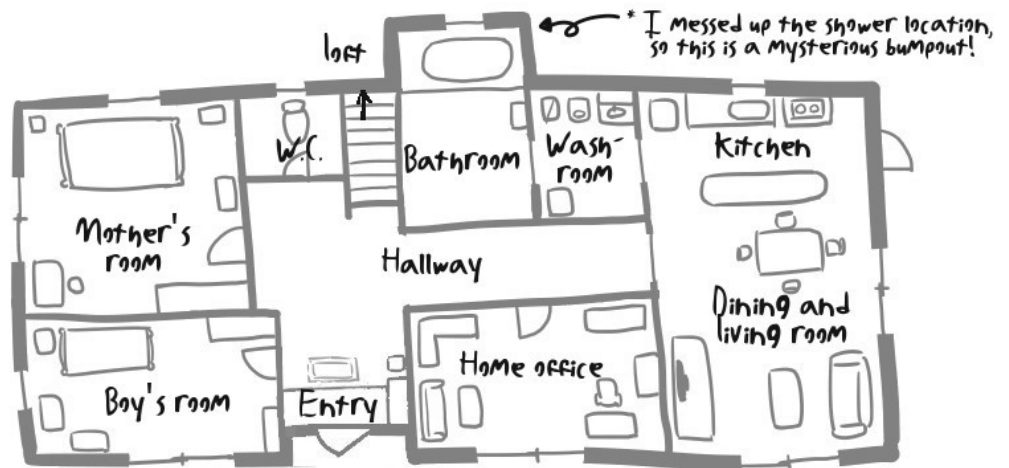

Compared to the rest of the neighborhood, the house is rather small, making the garden wide.

The distance between neighboring houses provides privacy protection in this layout.

Concrete walls along with 3 to 4 meters of shrubbery in various important places not only provide additional privacy but also help to keep the place cool.

Lawns and trees that surround the house keep the air cool and nobody can see in from the outside, this way any lewd activities won't be exposed!

The mother and son couple takes care of the house, so I had to make it small, it's a tiny love nest... just kidding!

\* This is a little different from the Christmas volume

### Afterword

So how was "At home"? It's arousing having the mother and son pair having sex other than in their bed, so I thought I would try to draw their sex play throughout the house. I was finally able to complete my aspiration. Almost like cataloguing all these possible locations of sex play, I don't think I was able to show all possibilities. As usual, due to excluding any obscene details, this entire heartwarming sex story isn't overly erotic, but I would be happy if it provided a pleasant break. Well, to all you mama-shota lovers out there, let's have a cheer! Now then, tits♥!tits♥!
