Mmh~ Maho. ♡
You're so cute today~ ♡
きゃっ
きゃっ
Geez~ Hikari...
SHADOW LOVE
おはは
You're really lovey-dovey.
We sure are. ♡
Hey, hey, we're in the classroom, you two.

Giggle
Right, Maho!?
Yup, Hikari~♪

Sure.
Miho... teach Yu-chan how to tie her hair.
Ai,
what is it?
I wonder why...
I feel Ai is always looking at me these days.
She gives off a pretty smug, sarcastic vibe...
I don't really like it...

I'm talking about that lover-like mockery you two have going on.
Hikari... aren't you tired?
...Eh?
I mean, Maho is...
dating
Miyako, didn't you know?

That stupid Ai.
Why does she know that...!?

Hikari!
I don't like her.
Are you fine knowing that your cute "girl-friend" is getting all lovey-dovey...
making out with another girl? You sure are a good girl, Hikari.

Knock it off!
Chuckle Chuckle
What do you think Maho stayed in this classroom for?
?
Kiss
Suck

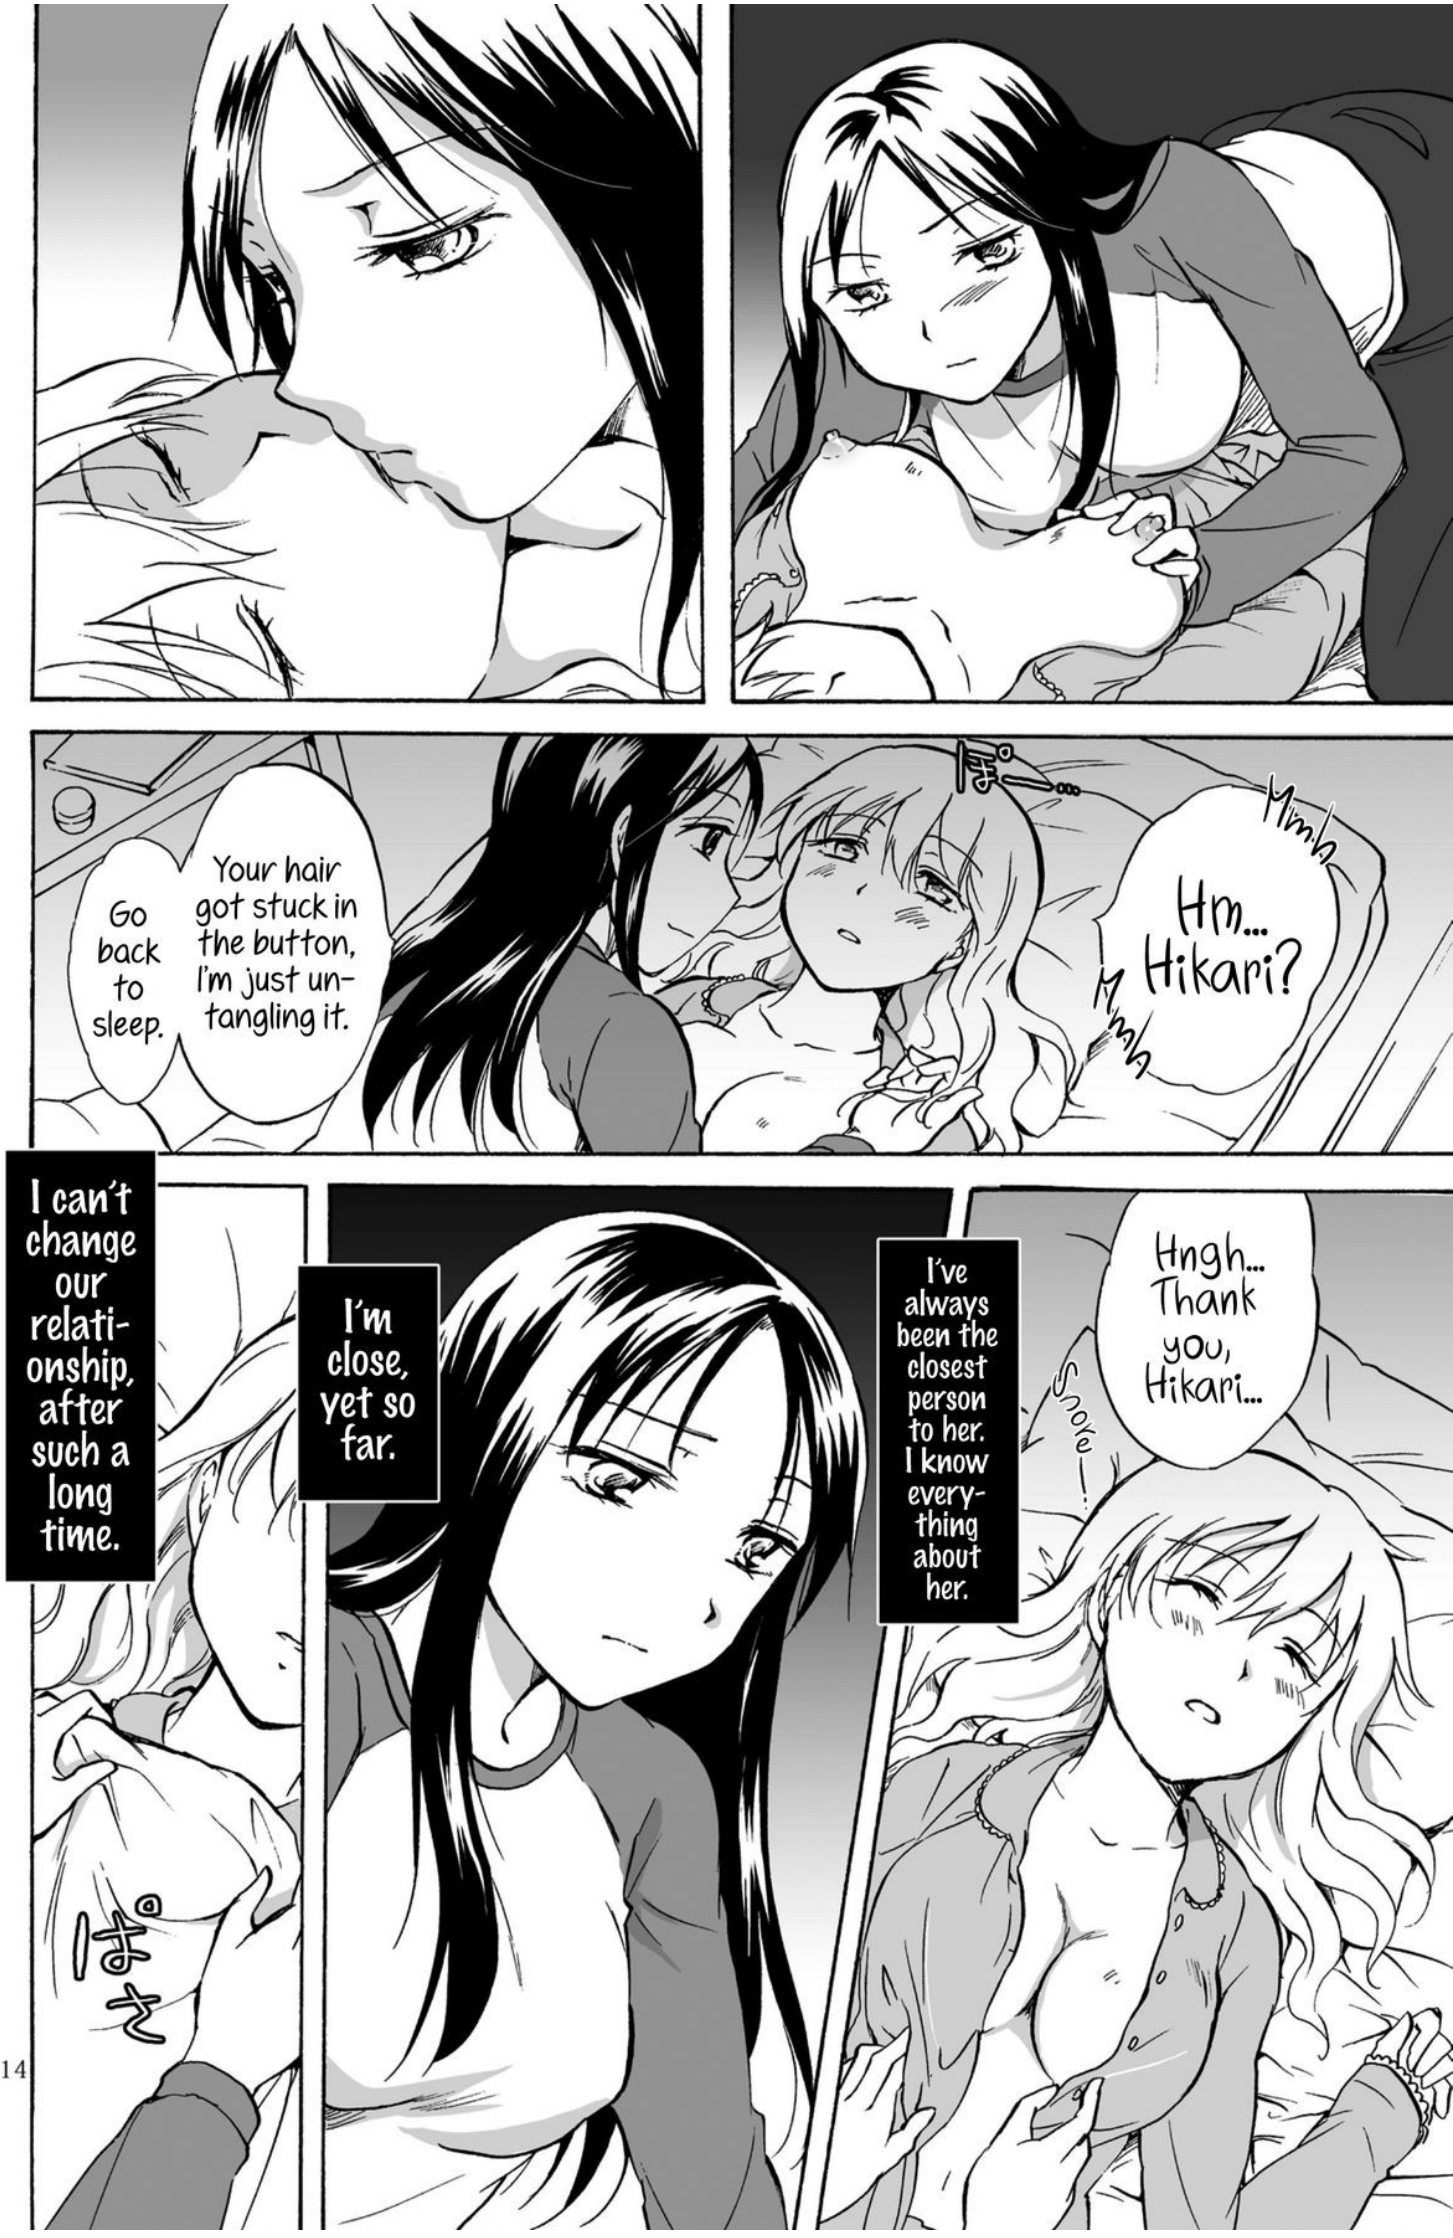
In this small town...
We've been together all the way through elementary, middle and high-school...
We've been true friends even before we entered kindergarten.
Maho's my neighbor.
What's wrong?
It's been a while since we had a sleepover.
Uh~ well...
Seeing my parents today was a bit hard for me...

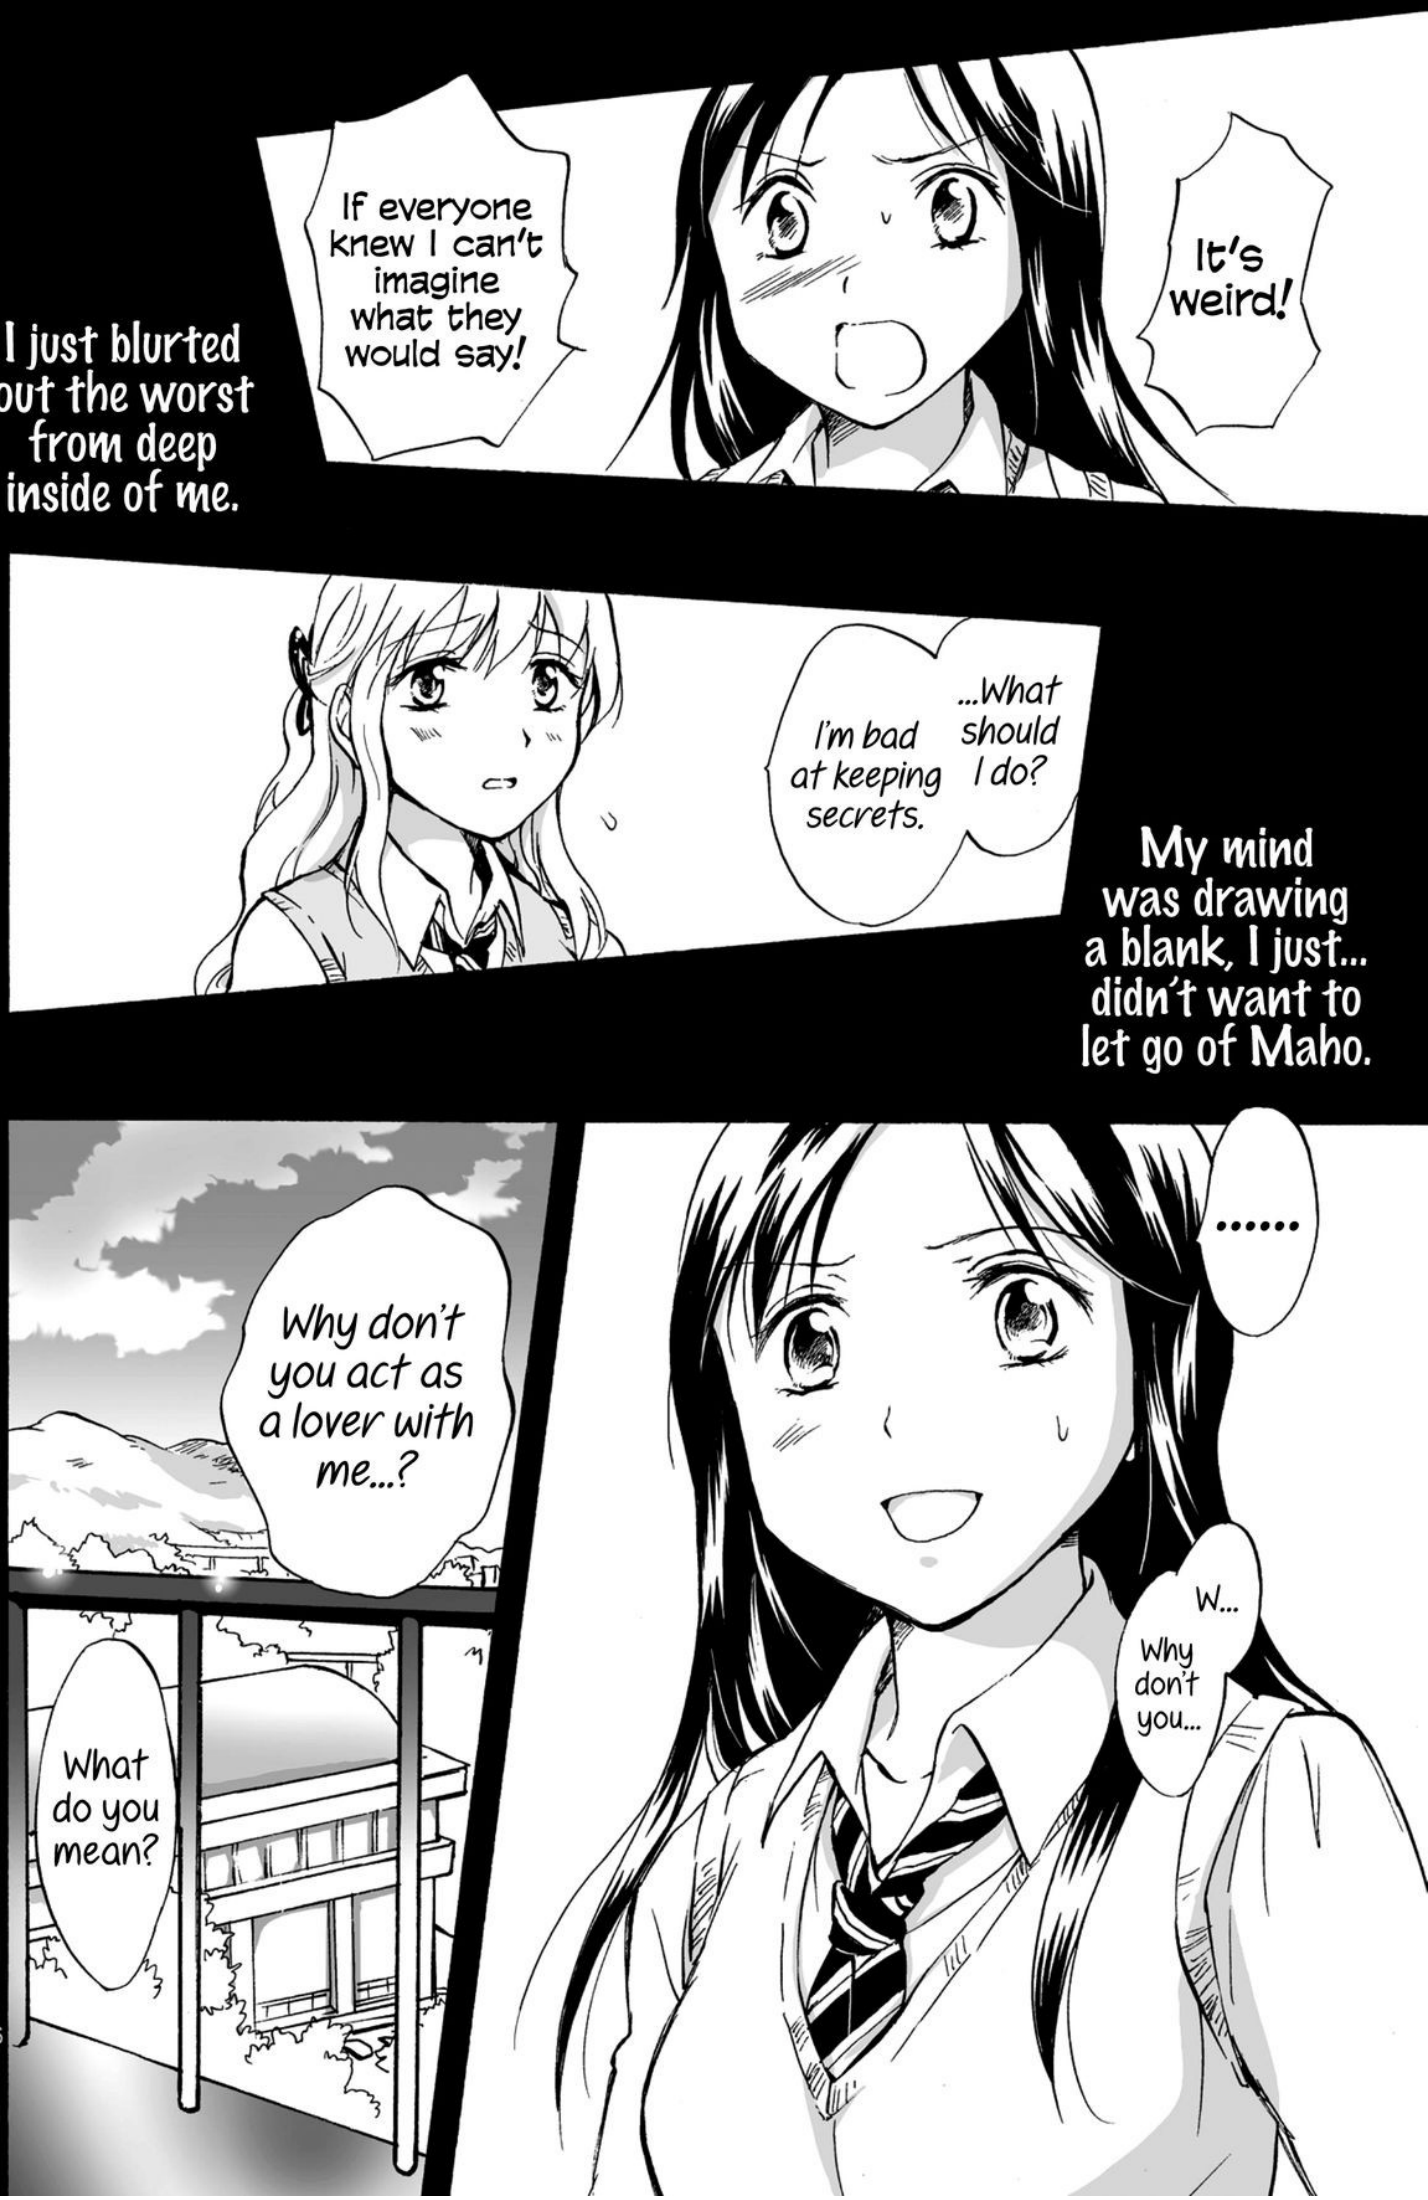
What is it? Feeling guilty about something?
かぁっ
Rather than guilty...
...
Did you and Miyako...
The mood was kinda good so I kinda... erm...!
T-Today was my first time...
It was just a little bit...
...Uhm,
Keep it a secret from everyone, no matter what.
I'm telling you because you're my best friend, Hikari.

I want to take the pajamas off like this.
All of these little kiss marks...
I want to replace them all with mine.
RUB



Hm... Hikari?
Mmh
Mmh
Your hair got stuck in the button, I'm just untangling it.
Go back to sleep.
Hngh... Thank you, Hikari...
Snore!
I've always been the closest person to her. I know everything about her.
I'm close, yet so far.
I can't change our relationship, after such a long time.
ぱさ

Why didn't you choose me...
Maho?
When she opened her heart to me and told me she was going out with Miyako...
She's an extremely kind person, for real.
Miyako-chan... does look a little cold at first, but...
I was surprised
Miyako always seemed like a girl out of place since she doesn't have any close friends in the class.
Eh? You think so? I don't really mind...
B-But...
going out with a girl is just weird, don't you think...?

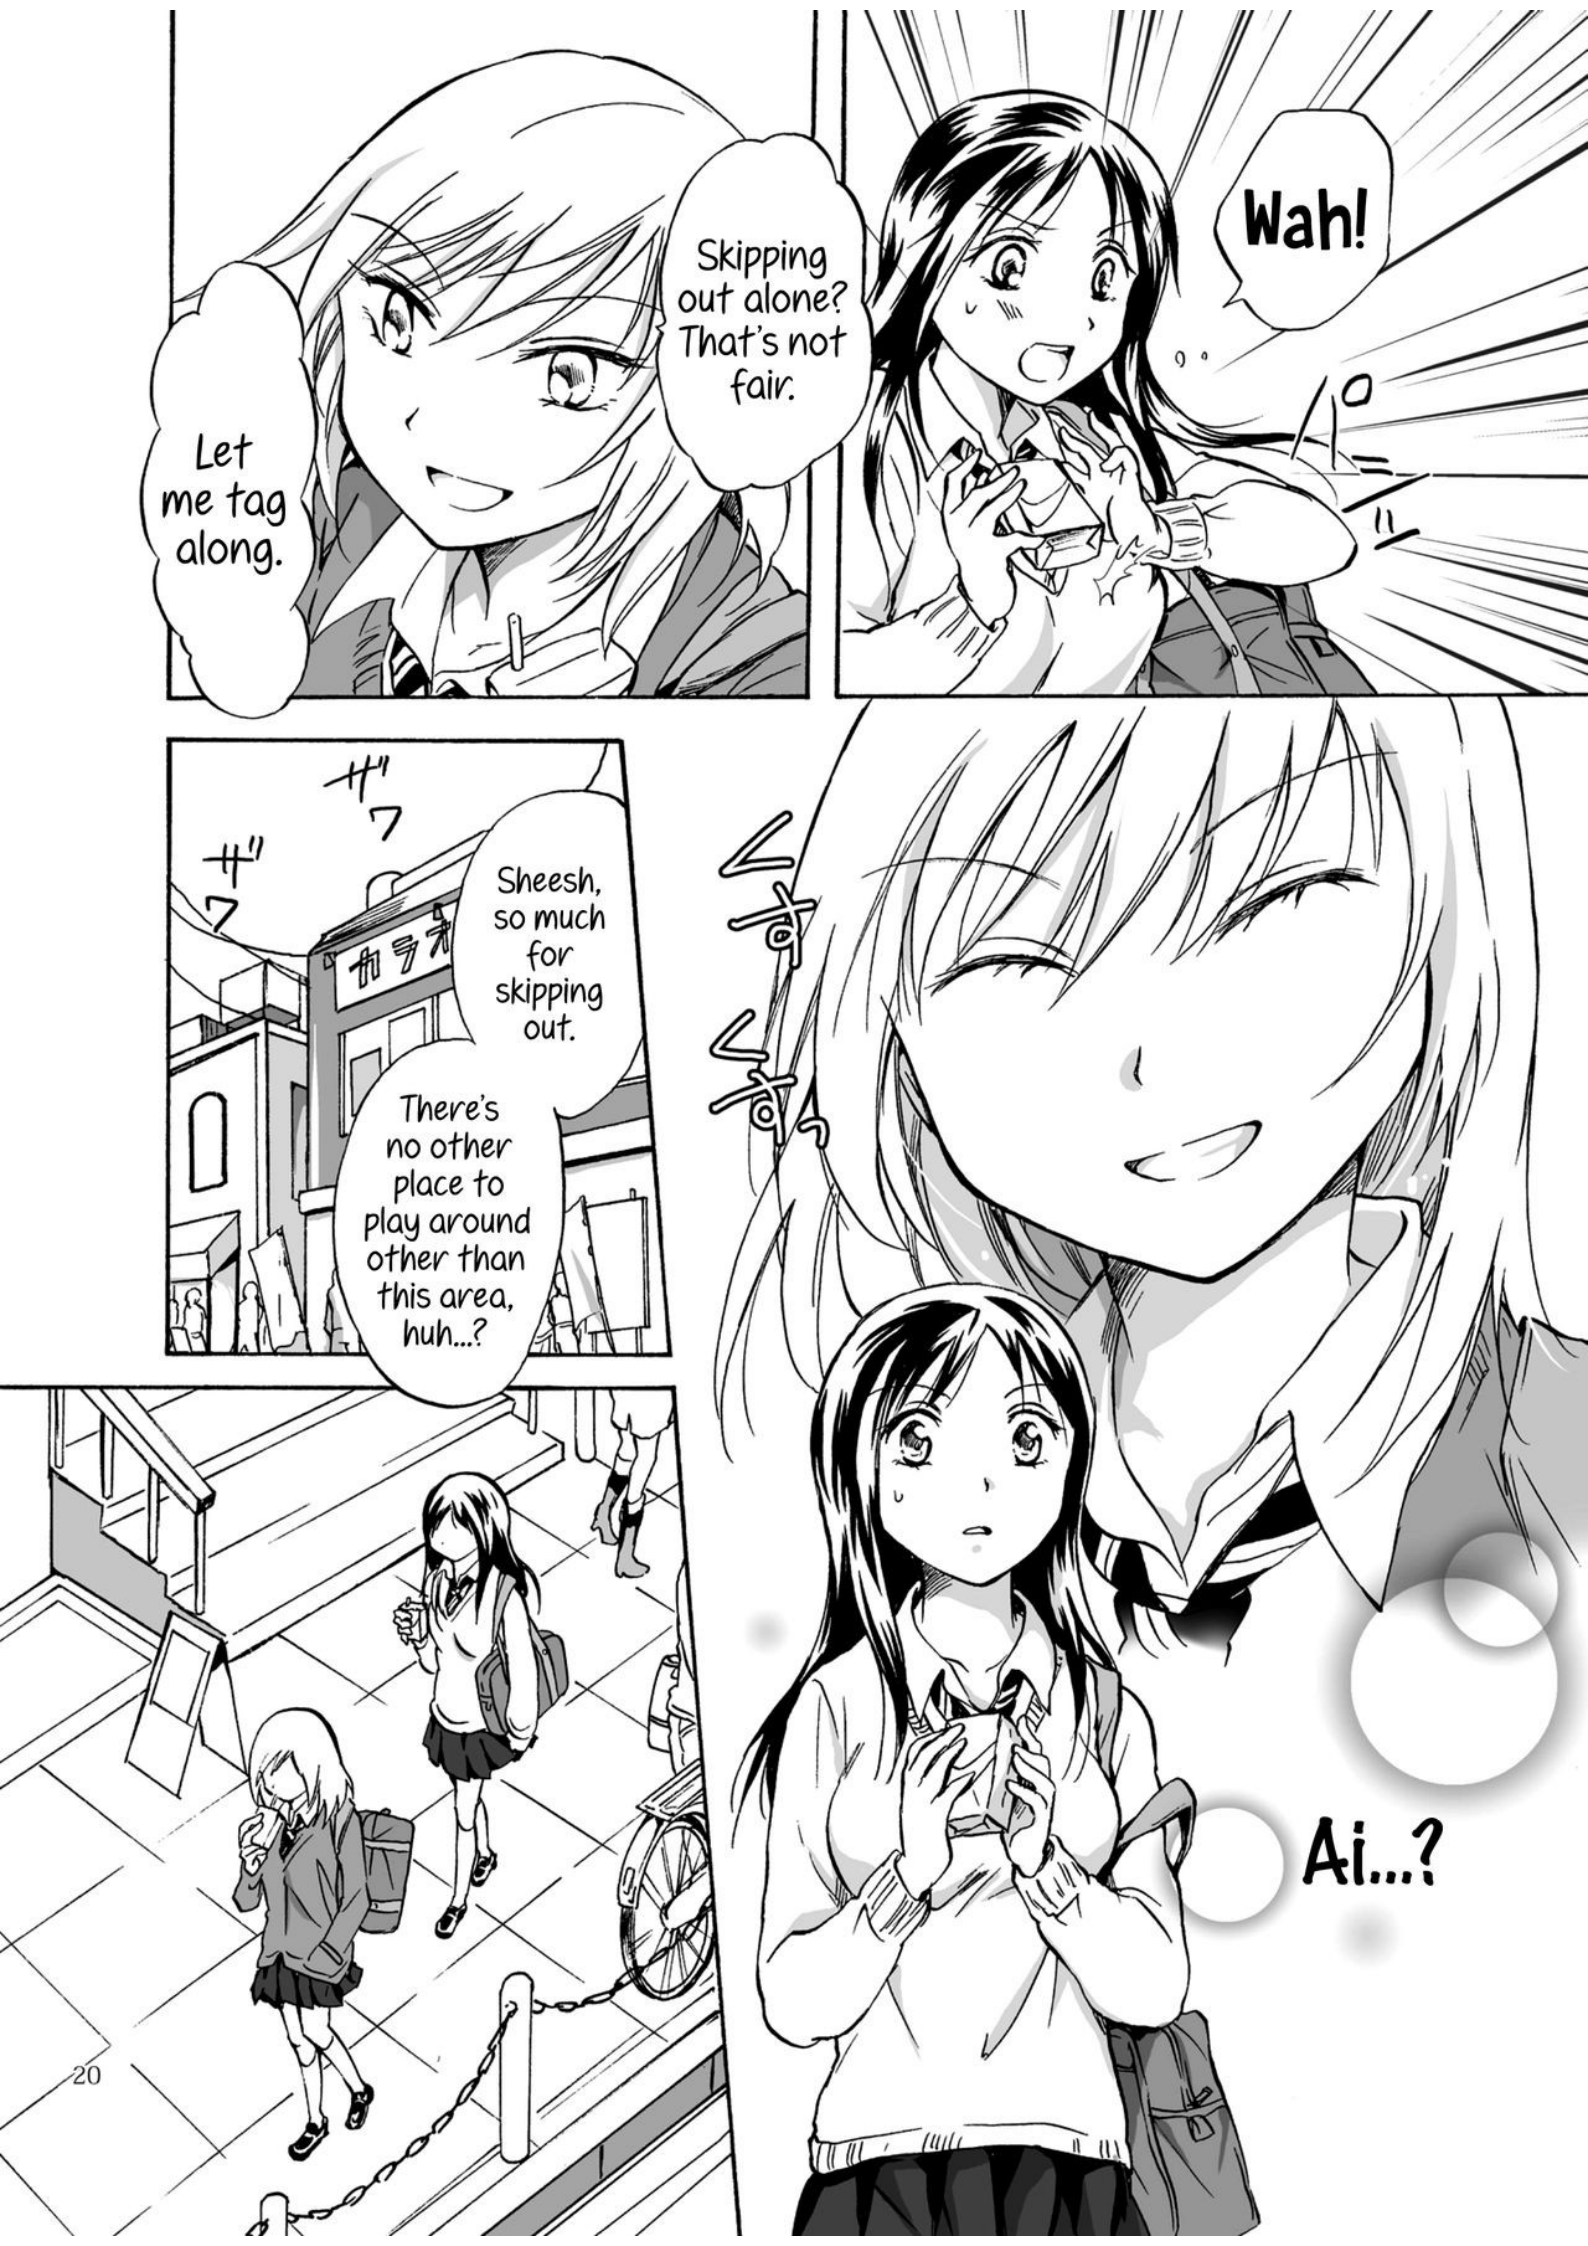


It's weird!
If everyone knew I can't imagine what they would say!
I just blurted out the worst from deep inside of me.
...What should I do?
I'm bad at keeping secrets.
My mind was drawing a blank, I just... didn't want to let go of Maho.
.....
W...
Why don't you...
Why don't you act as a lover with me...?
What do you mean?

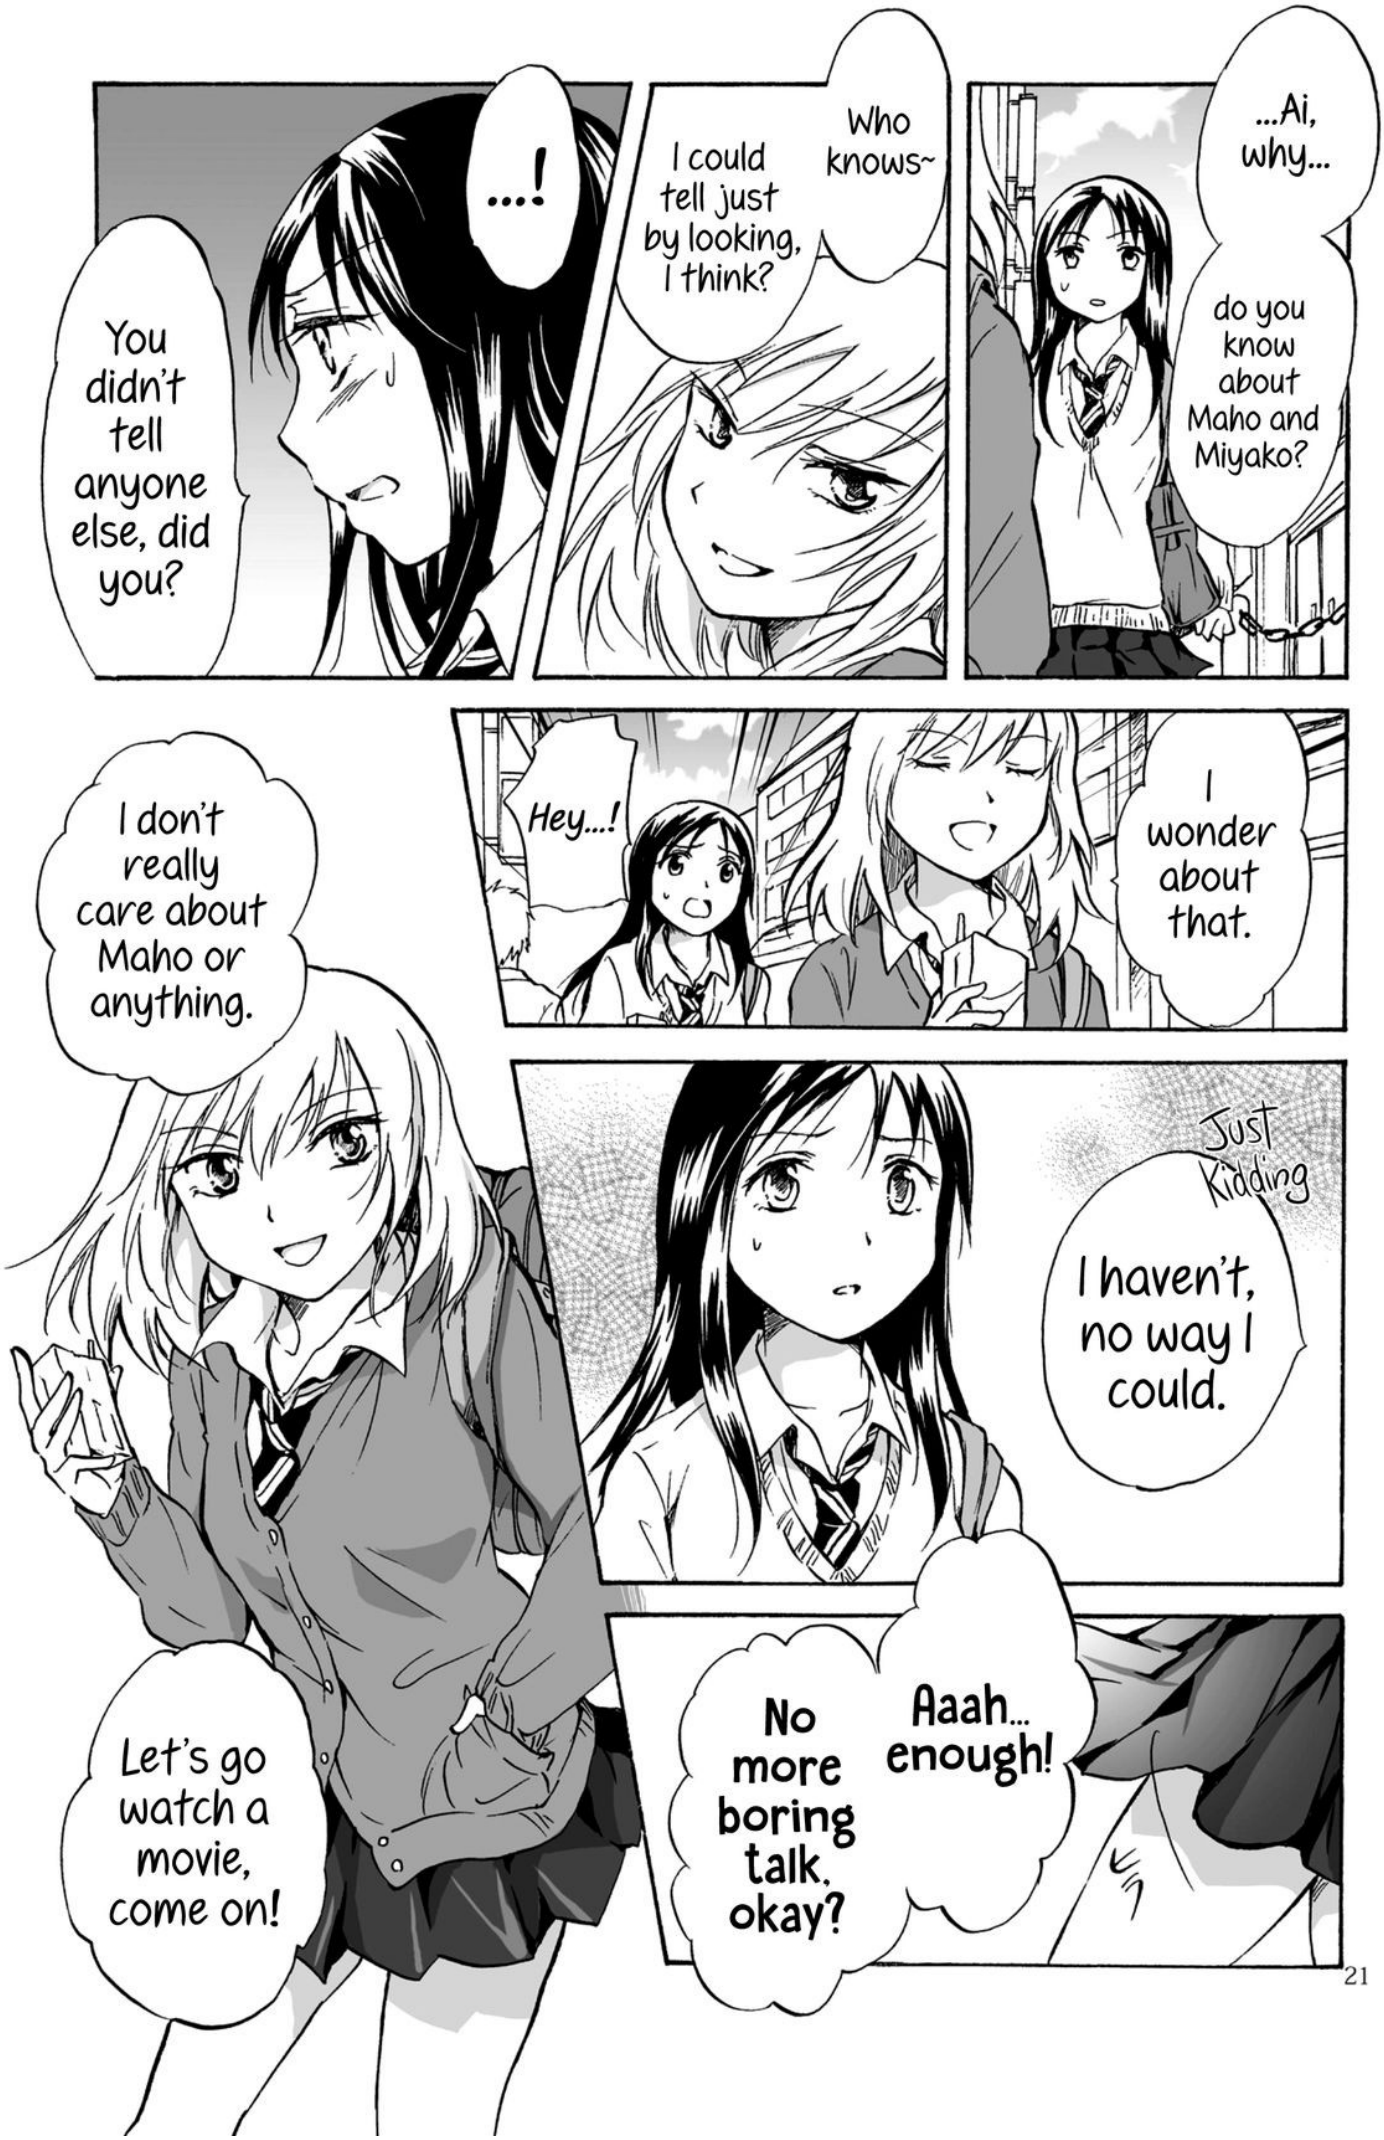
Camouflage! You just have to behave like we're even closer than usual.
We have to make them look at us and go "Are you two really going out?" and stuff.
If we do that, then everyone will be looking our way.
And they won't even think that you're going out with Miyako.
Closer than usual?
Are you sure... Hikari?
You're such a good girl, Hikari.
Giggle
Giggle
Ai... she...
What's with her? Why should she know that?
What does she want from me?
She noticed ...
I love Maho.
Are you fine knowing your cute "girlfriend" is getting all lovey-dovey with another girl?
Giggle

Hikari!
You should get up soon~
I'll go on ahead to school, okay?
Ma'am, thanks for having me!
I'm going now!
Take care out there♪
We used to go together to school every day.
Now she goes to a place no one will see her early in the morning...
To meet Miyako.
Maho~! Hikari won't come? The class is about to start.
Eh?
I'm sure I woke her up...

I don't wanna go to that classroom...
Ah!
Hikari!
Ai...!?



Wah!
Skipping out alone? That's not fair.
Let me tag along.
Sheesh, so much for skipping out.
There's no other place to play around other than this area, huh...?
Ai...?



...Ai, why...
do you know about Maho and Miyako?
Who knows~
I could tell just by looking, I think?
...!
You didn't tell anyone else, did you?
I wonder about that.
Hey...!
I don't really care about Maho or anything.
Just Kidding
I haven't, no way I could.
Aaah... enough!
No more boring talk, okay?
Let's go watch a movie, come on!

It'll be fine, the place's usually deserted this time of the day.
There's that new Bruce Willis action movie that came out days ago, right?
Ai, you're too pushy...!
You don't care...? what's that supposed to...
Hey...!

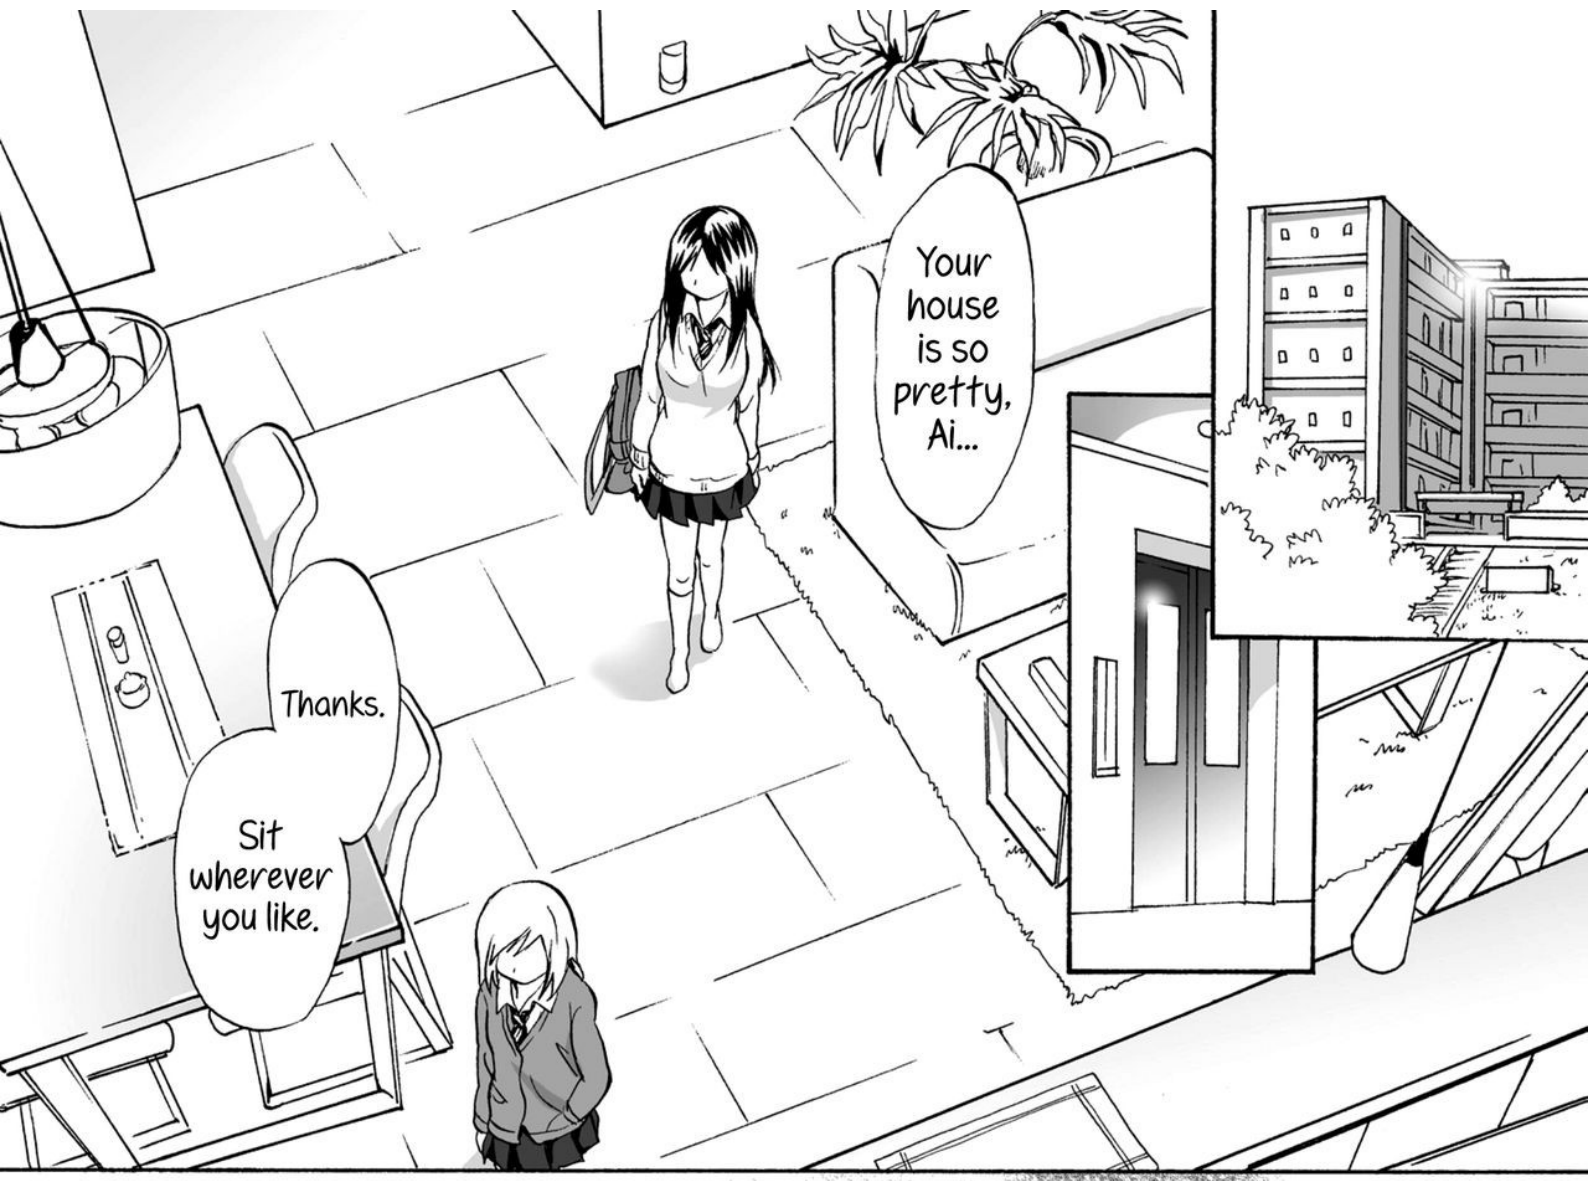
I... do want to watch it... but...
Ugh!

Even though all you like is western action movies with explosions all over the place.
It's nothing but love movies every time you go with Maho, right?

EH!?
Why do you know something like that!?
When you were looking at a magazine with everyone back at school.
You were so focused on reading an article about it.
Did Ai notice something like that?
The fact that I always try to match Maho's hobbies...

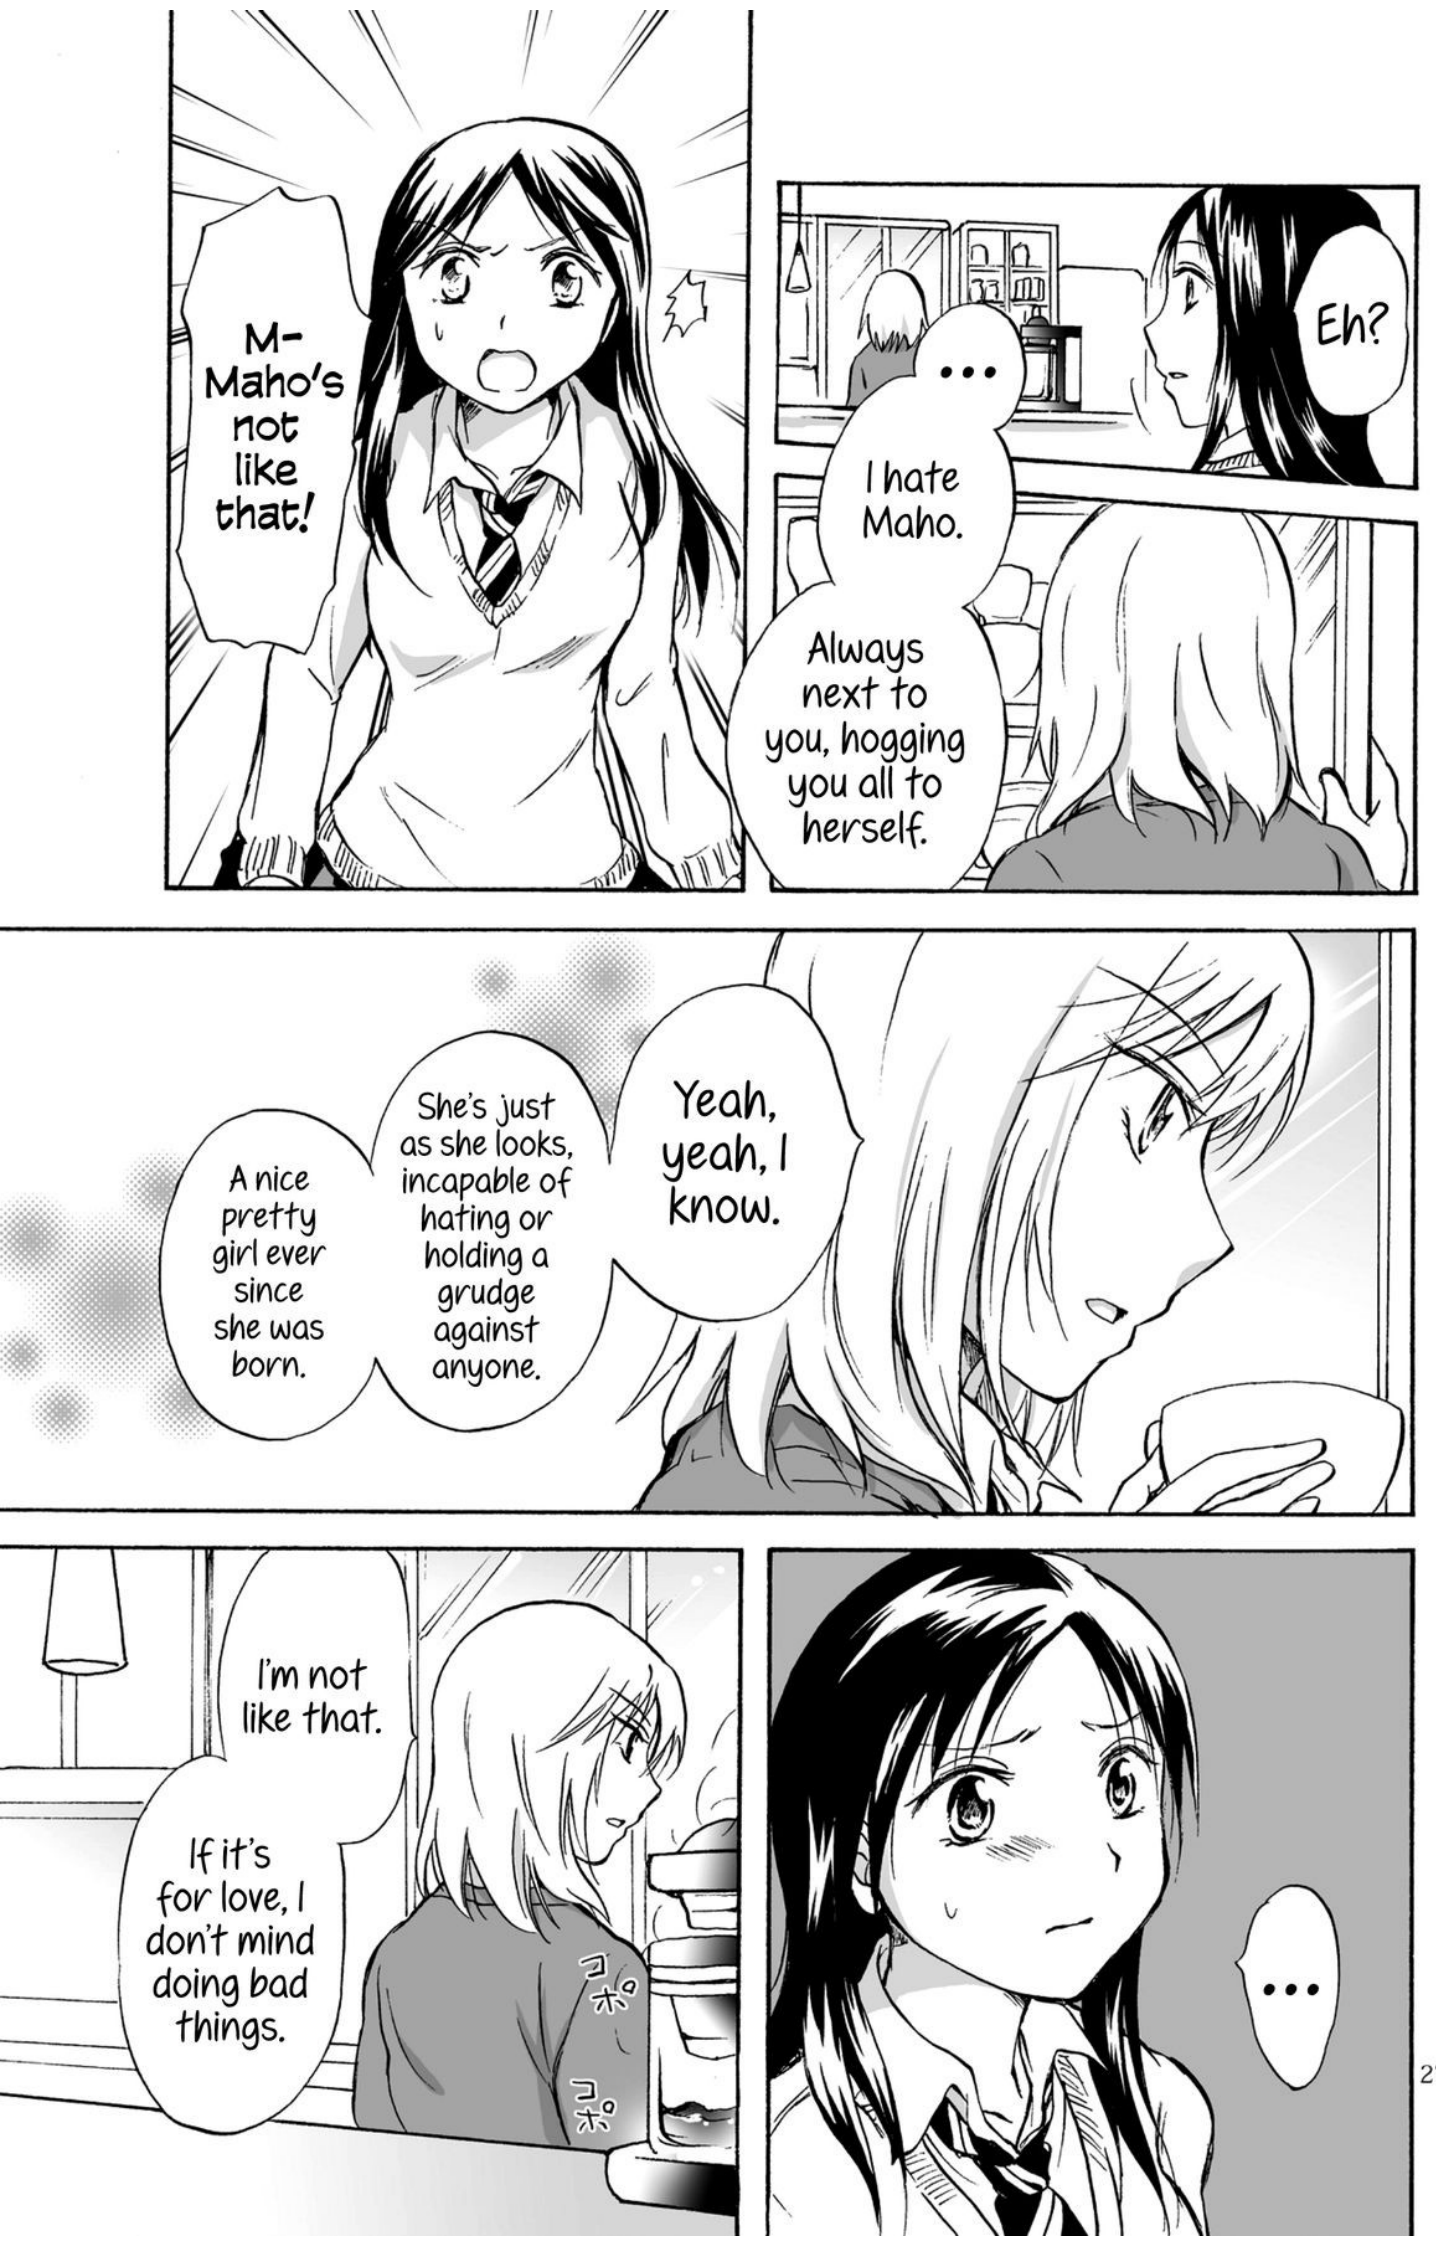
BOOM...
RUUMBLE
Ai, why are you...
skipping out with me today?

Hey, let's do it some more...
Hikari.
...
...
A...
Ai...
!?
Let's catch up with Maho and Miyako...
Okay, Hikari?



Your house is so pretty, Ai...
Thanks.
Sit wherever you like.

Always together with that girl, you're like her shadow.
カチャ
It's because...
Maho's not with me any more.
Why... did I follow her all the way here?



M-Maho's not like that!
Eh?
...
I hate Maho.
Always next to you, hogging you all to herself.
Yeah, yeah, I know.
She's just as she looks, incapable of hating or holding a grudge against anyone.
A nice pretty girl ever since she was born.
...
I'm not like that.
If it's for love, I don't mind doing bad things.

On second thought, I think the coffee will have to wait 'til the next visit.
KYAA!
I won't stop.
Stop...
Ai!

Hikari...
I love you.
Forget about Maho.
Maho!
Kuh Nmh...
Maho!
Ah!

...
Hikari?
...My feelings
...won't reach Maho.

You're so deep...
Ai...
So deep!
HAAH!
You're reaching... all the way inside!
SO GOOD!
Hi...
kari...!
AAAH!

I'm doing it with Ai right now...
The thing I always wished to do with Maho...

Hikari!♪
Hehe~
You skipped out yesterday, didn't you? Where did you go~?
Ahaha!
That's no good... Maho won't let that one slide!
...
Erm~ It's a Seee-creet!
EEH!? Not fair~!
Are you feeling well, Ai?
You left so early, yesterday.
Looks like I just got a little fever, I'm fine now.
Thank you.

...Ma

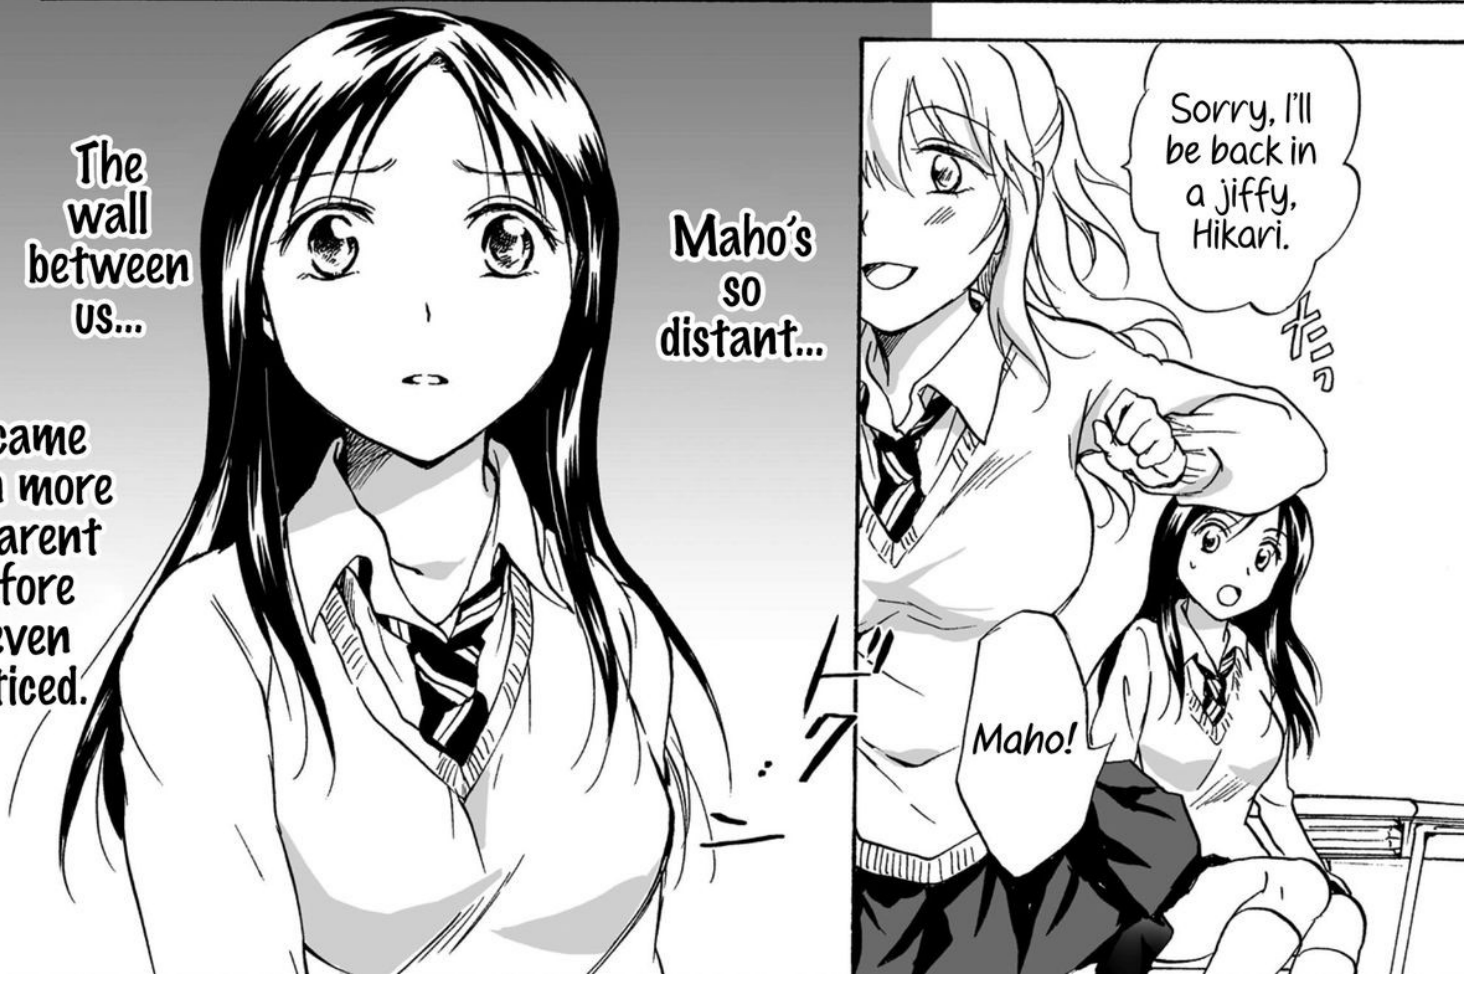
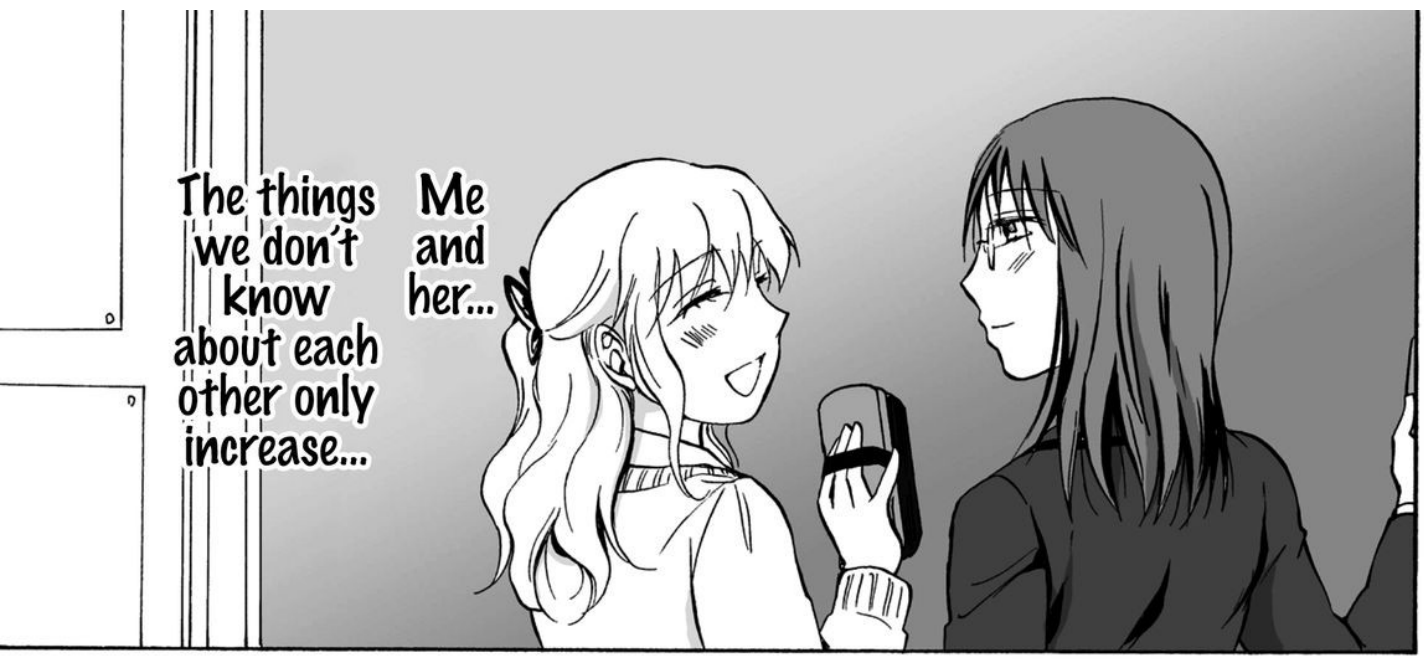
Ah.



Sorry, I'll be back in a jiffy, Hikari.
たっ
Maho!
Maho's so distant...
The wall between us...
Became even more apparent before I even noticed.



Me joining the circle of girls and talking with them like this...

Everything is thanks to Maho.

But Maho... probably doesn't care about any of that.
I've always been so thankful to her for this.
If everyone disliked me in a town as tiny as this. I don't know how lonely I would have been.
What hap-pened?
Maho was always so feminine and gentle.
I was more confident and used to get into fights with my friends right away...
Even when we were kids, I used to act like a boy.
She always laughed things off and helped me smooth things out.
Hikari.
Isn't Maho getting along well with Miyako lately?
She's helping her with the day duties.
Oh, yeah.
Hikari...?
Even though she's my childhood friend, my closest friend...
Even though I was suppos-ed to be the one closest to her...

I wonder why...

Maho never...

noticed me...

I'm sorry, Hikari, don't get mad!

My mouth is...

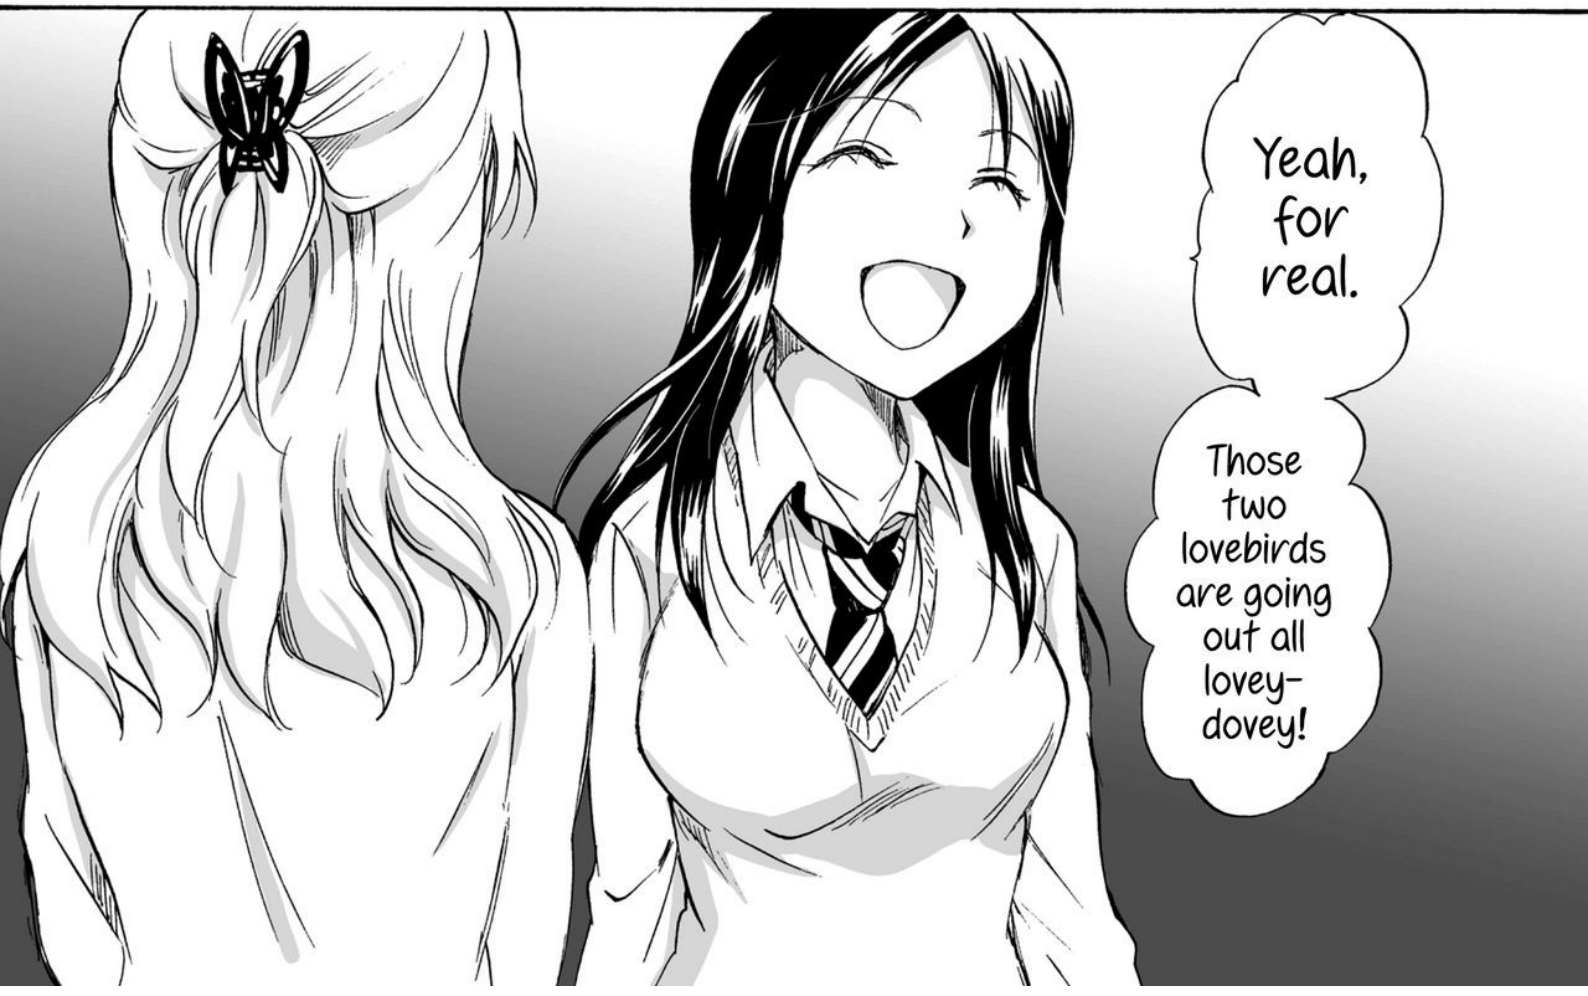
It's okay.

You can stop it already, Maho.

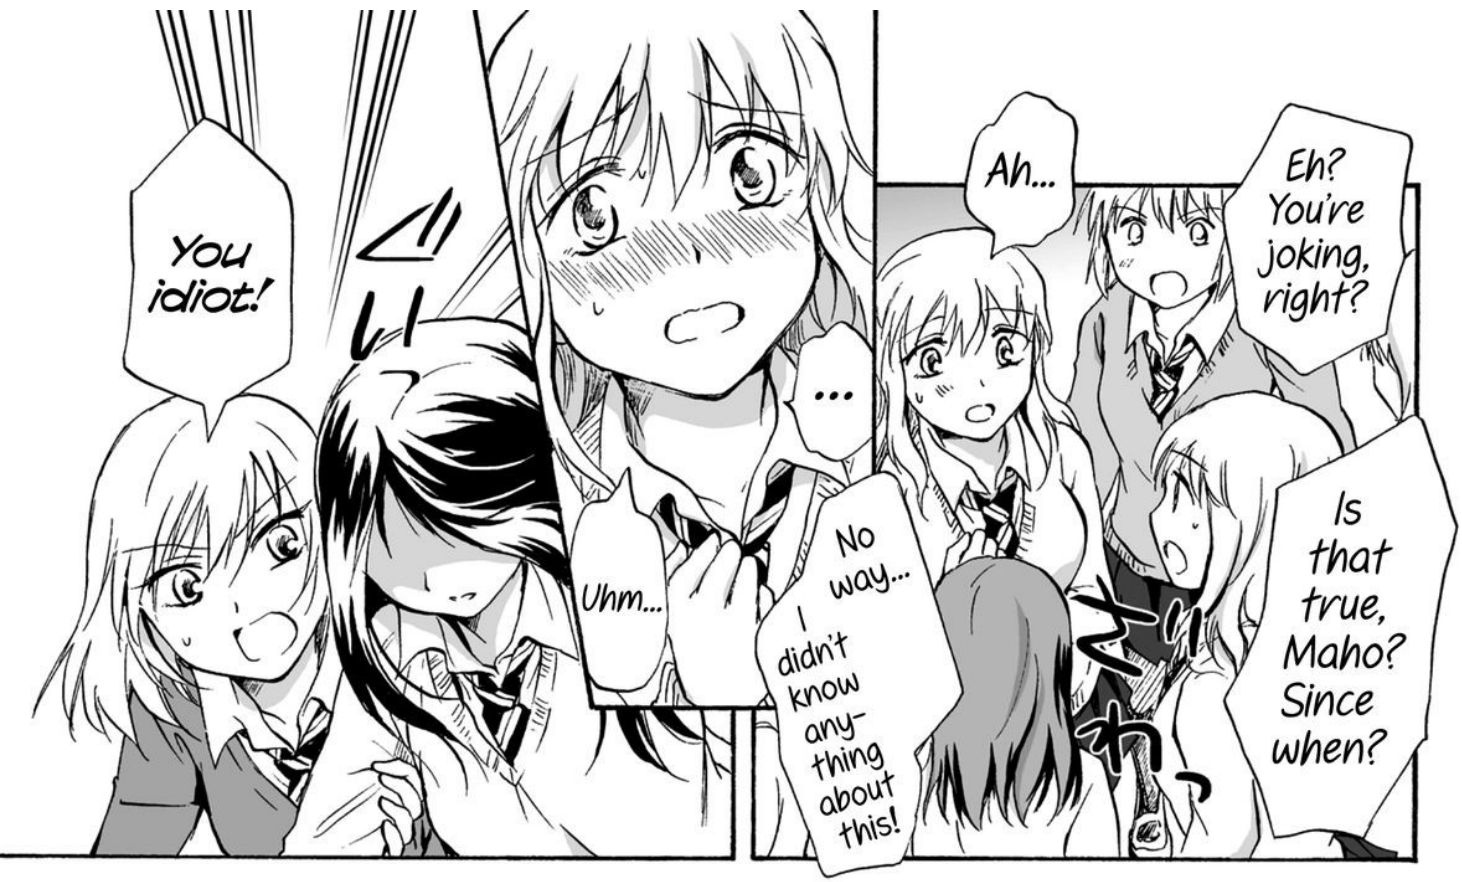
talking on its own again.

I'm... the worst.
Can't you just ask Miyako if you wanna go shopping?
JOLT
Hika-ri...!
You two are going out, after all~
Right ?

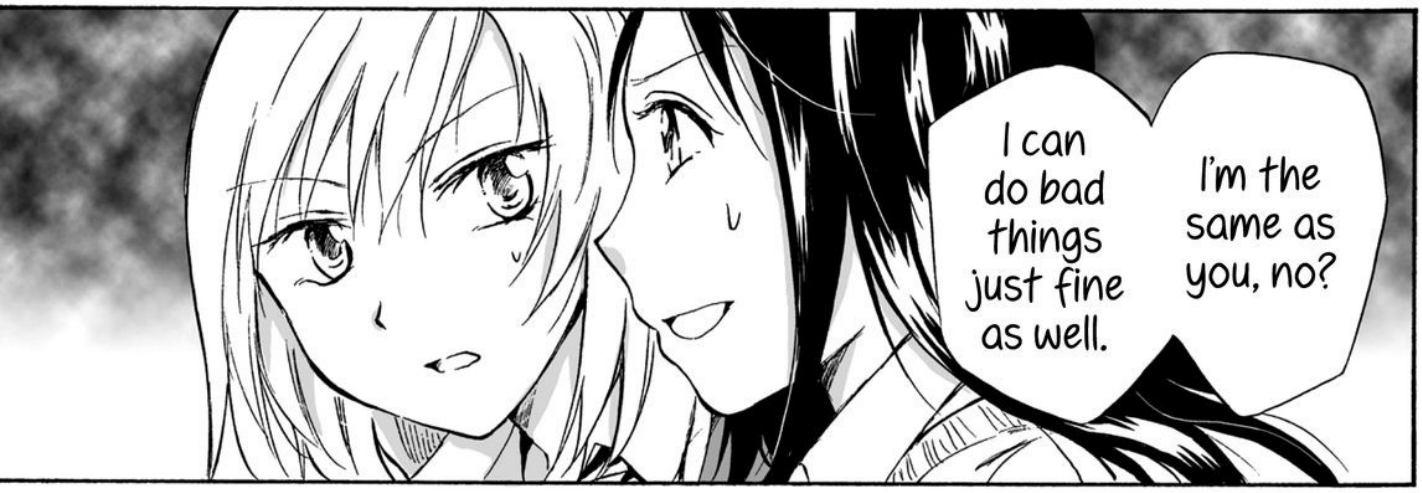
Huh? What's that about?
ニヤニヤ
Going out as in... lovers?
...Eh?
No way!



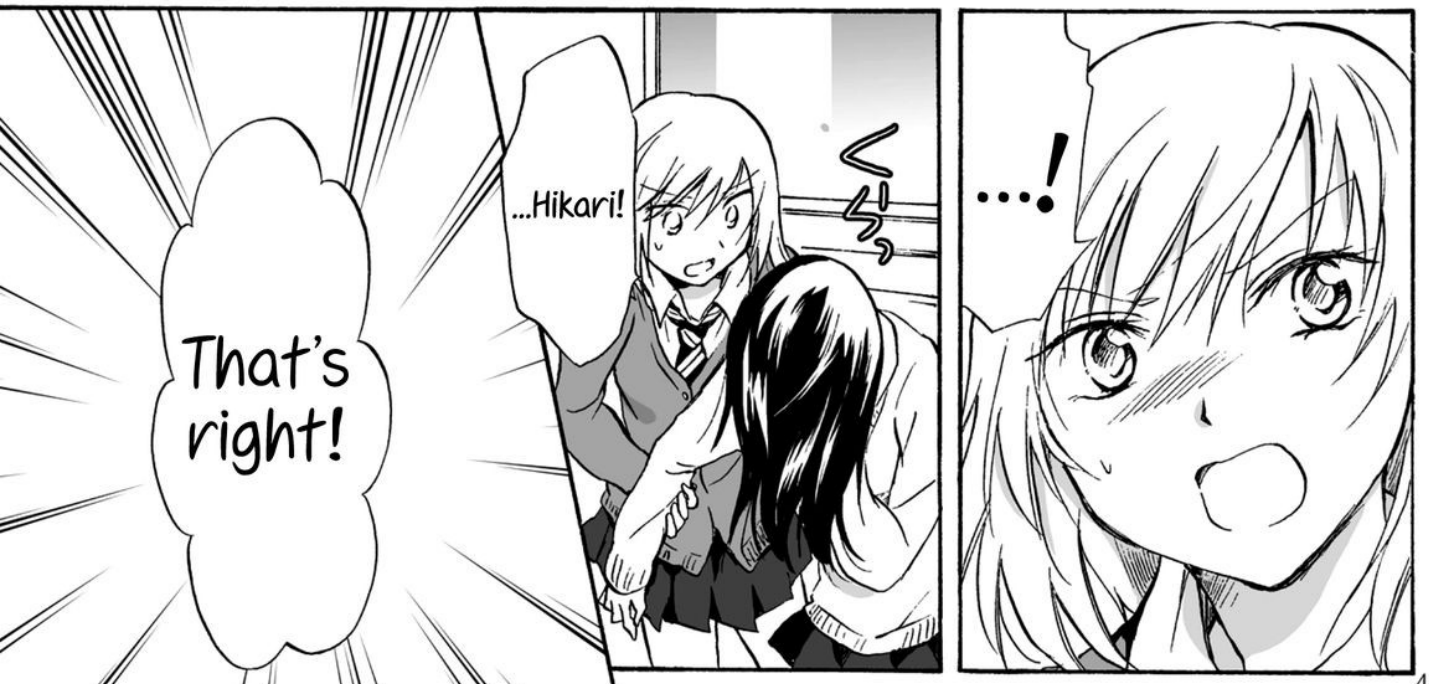
Yeah, for real.
Those two lovebirds are going out all lovey-dovey!



Eh? You're joking, right?
Ah...
Is that true, Maho? Since when?
No way... I didn't know anything about this!
...
Uhm...
You idiot!

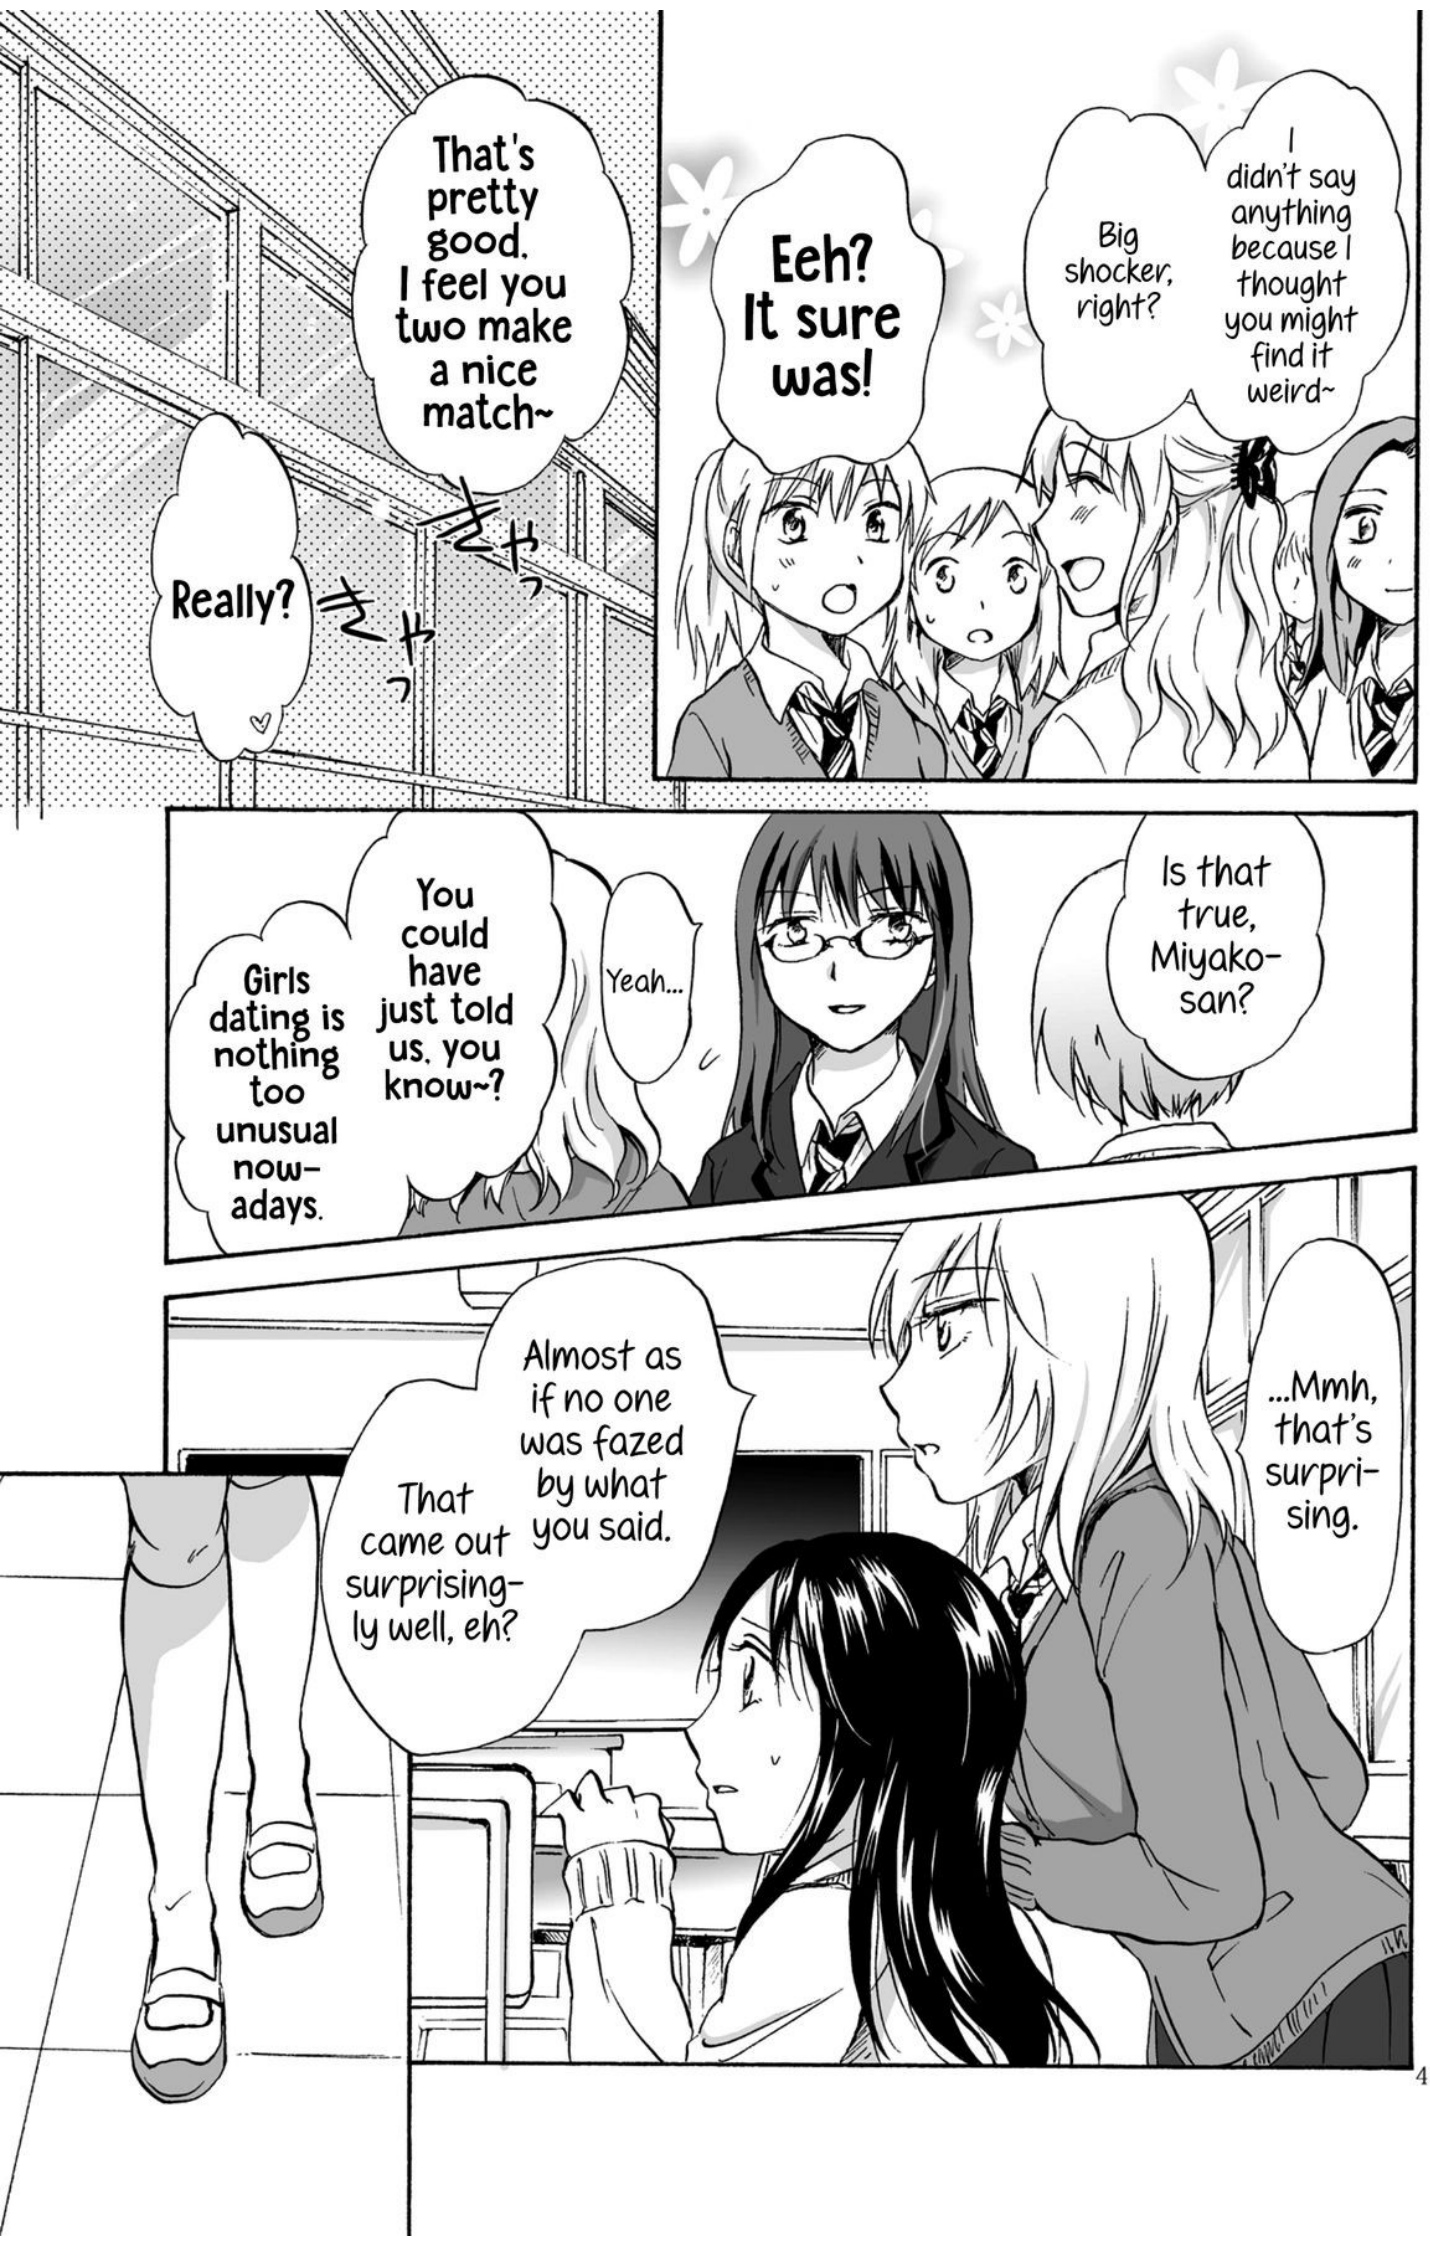


I'm the same as you, no?
I can do bad things just fine as well.

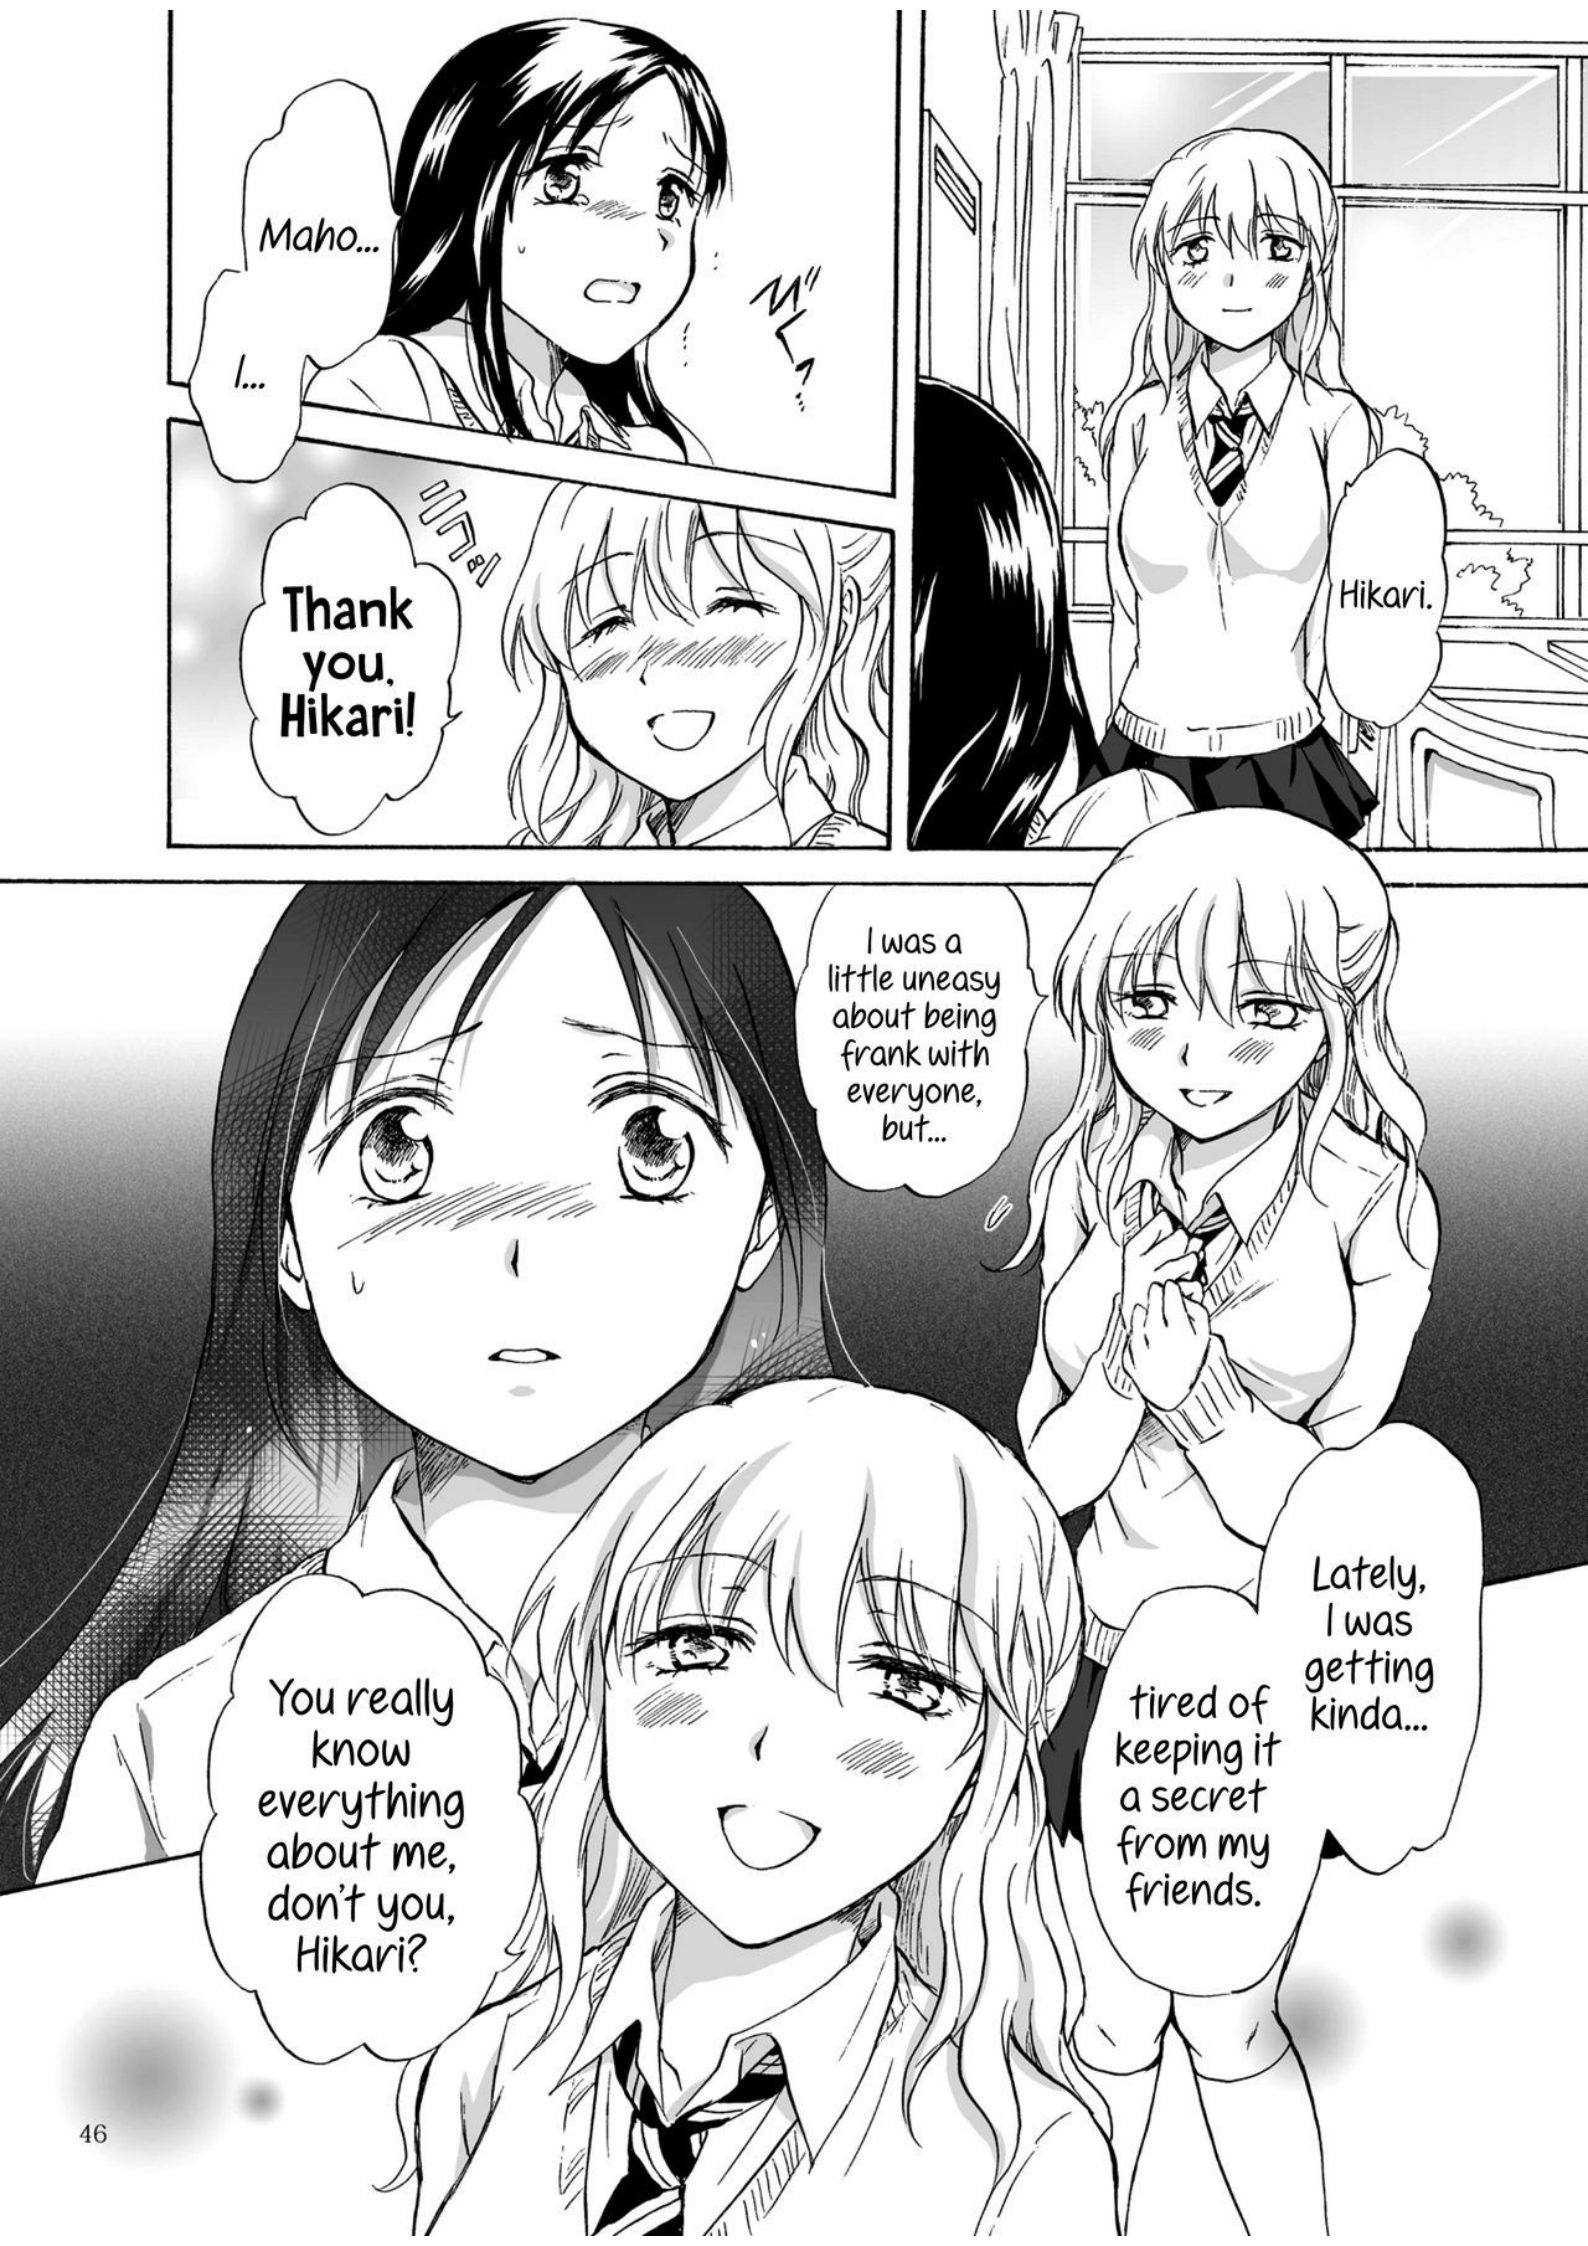


...!
...Hikari!
That's right!

We're dating.
I love Miyako-chan.
I'm sorry for keeping it a secret.



I didn't say anything because I thought you might find it weird~
Big shocker, right?
Eeh? It sure was!
That's pretty good. I feel you two make a nice match~
きゃっ
Really?
きゃっ
Is that true, Miyako-san?
Yeah...
You could have just told us, you know~?
Girls dating is nothing too unusual now-adays.
...Mmh, that's surpri-sing.
Almost as if no one was fazed by what you said.
That came out surprising-ly well, eh?

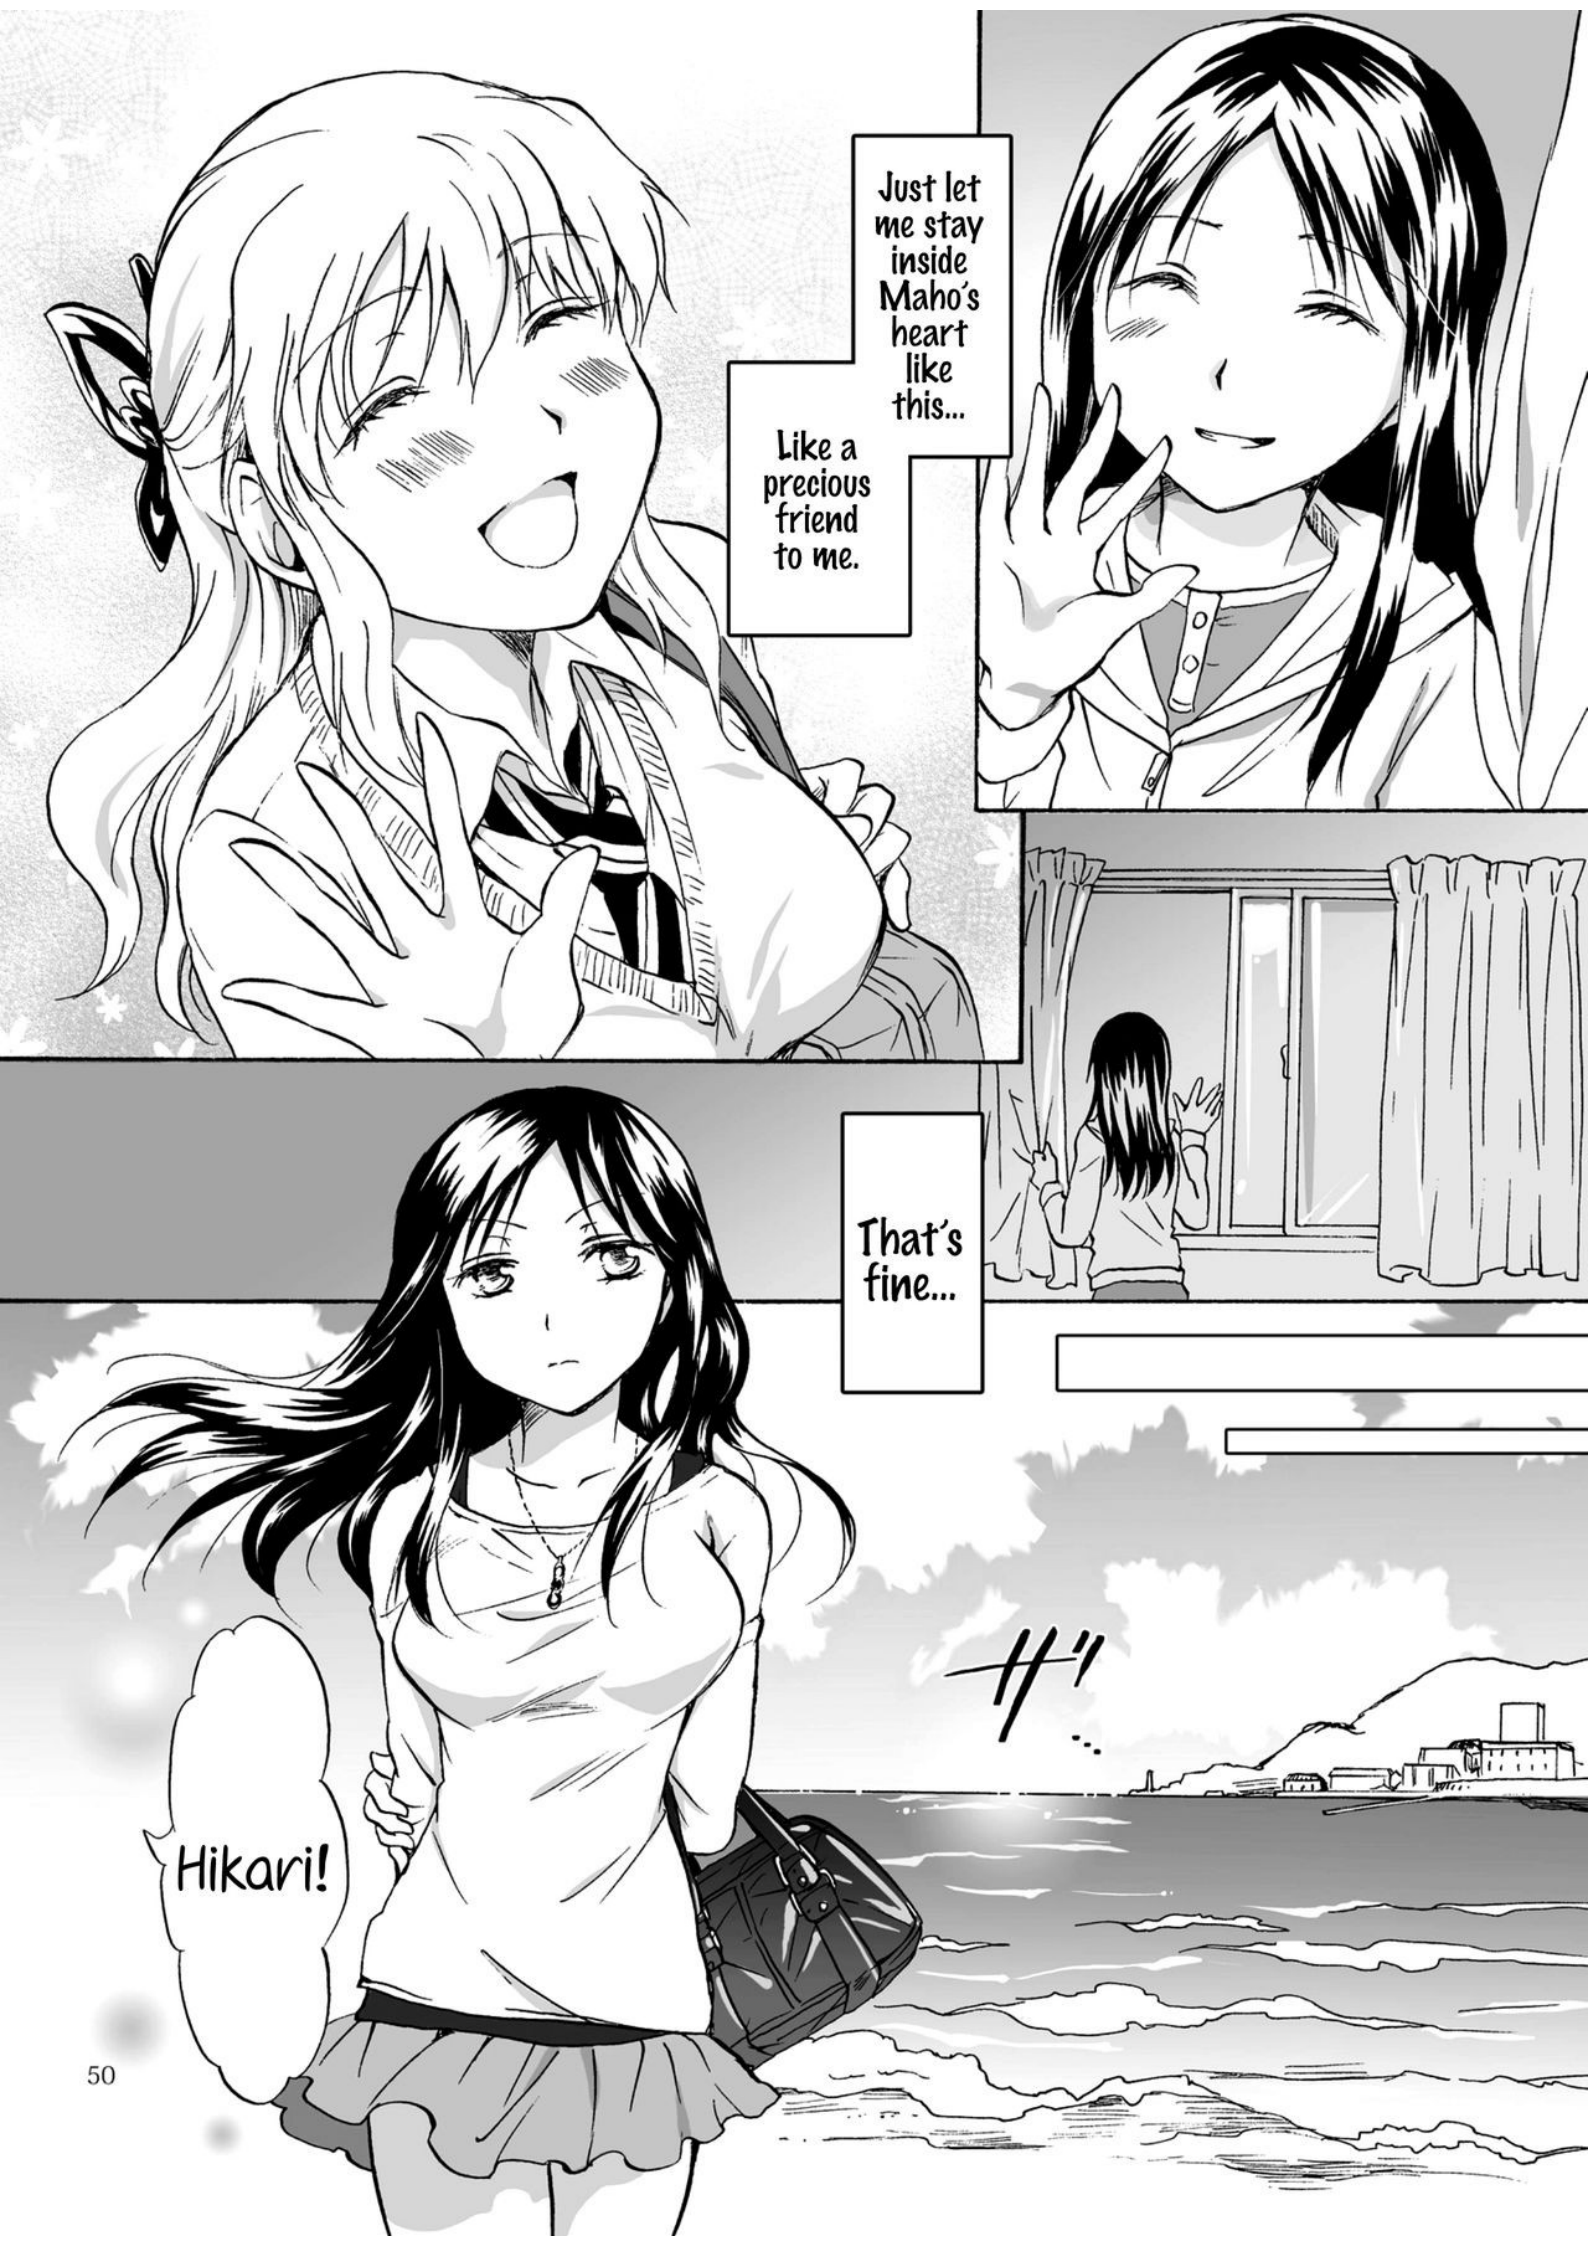


Maho...
I...
Thank you, Hikari!
Hikari.
I was a little uneasy about being frank with everyone, but...
Lately, I was getting kinda...
tired of keeping it a secret from my friends.
You really know everything about me, don't you, Hikari?

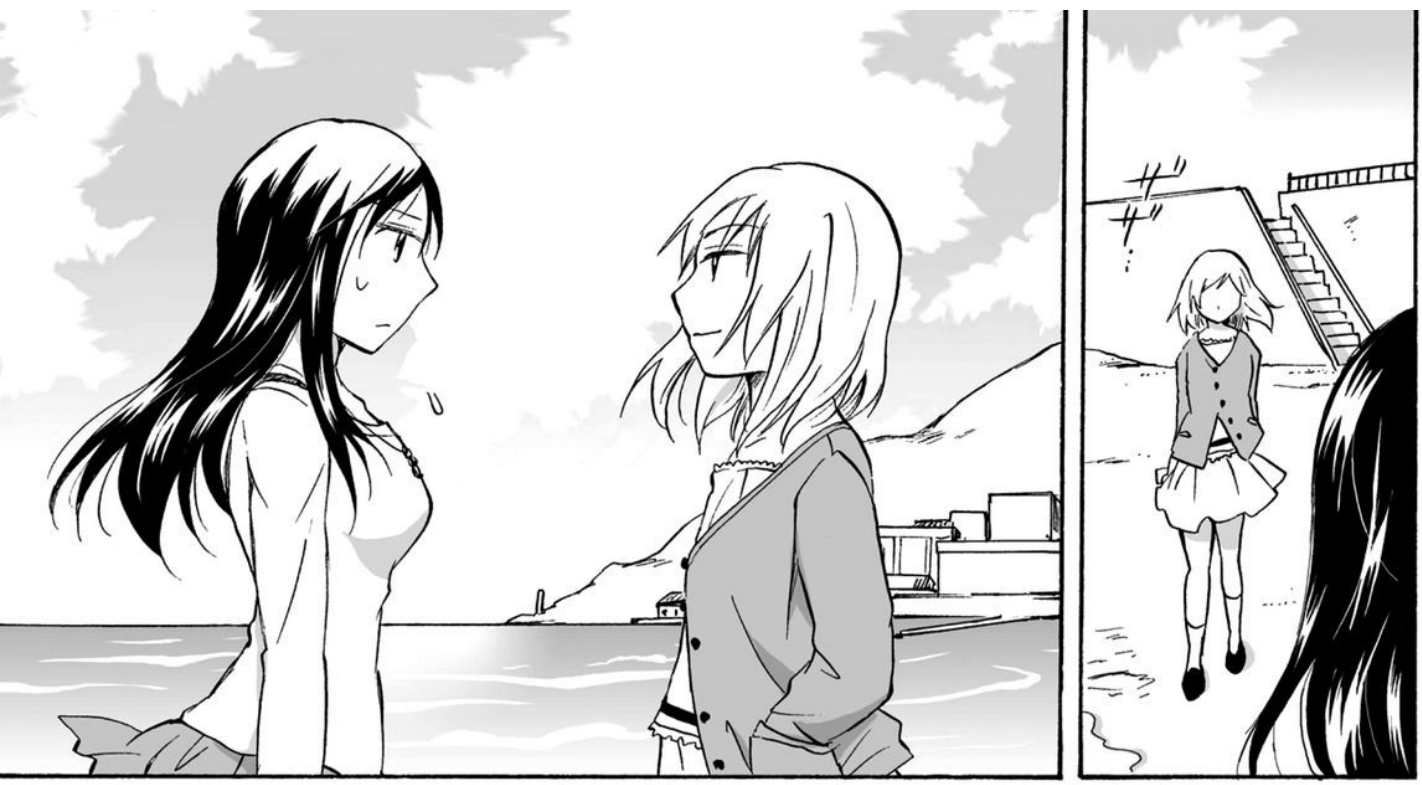
I really love you!
You're truly my best friend ever, Hikari.
SIGH
SOB
SIGH
Maho's personality is really bad,
A natural evil airhead.
I'm not consoling you.
You're the one at fault here.
SOB
Don't say that...

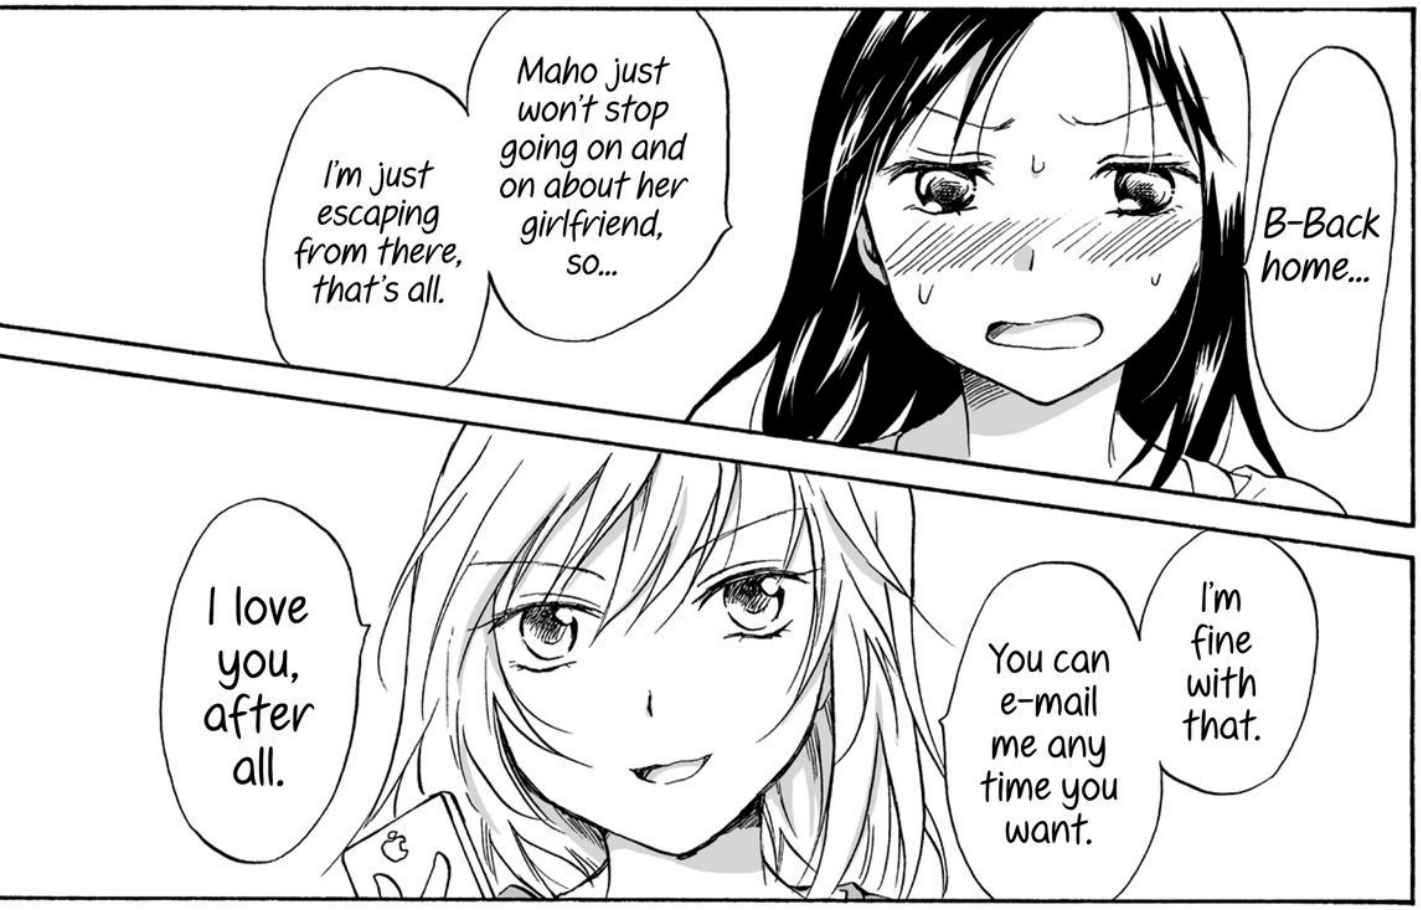
I know!
Every-thing... Every-thing!
It's my fault, I'm the only one to blame here...!
Didn't you say you weren't consol-ing me?
You're gonna get all wet like that, I'm just wiping it off.

...I wonder why...
the one that understood me was...
Ai.

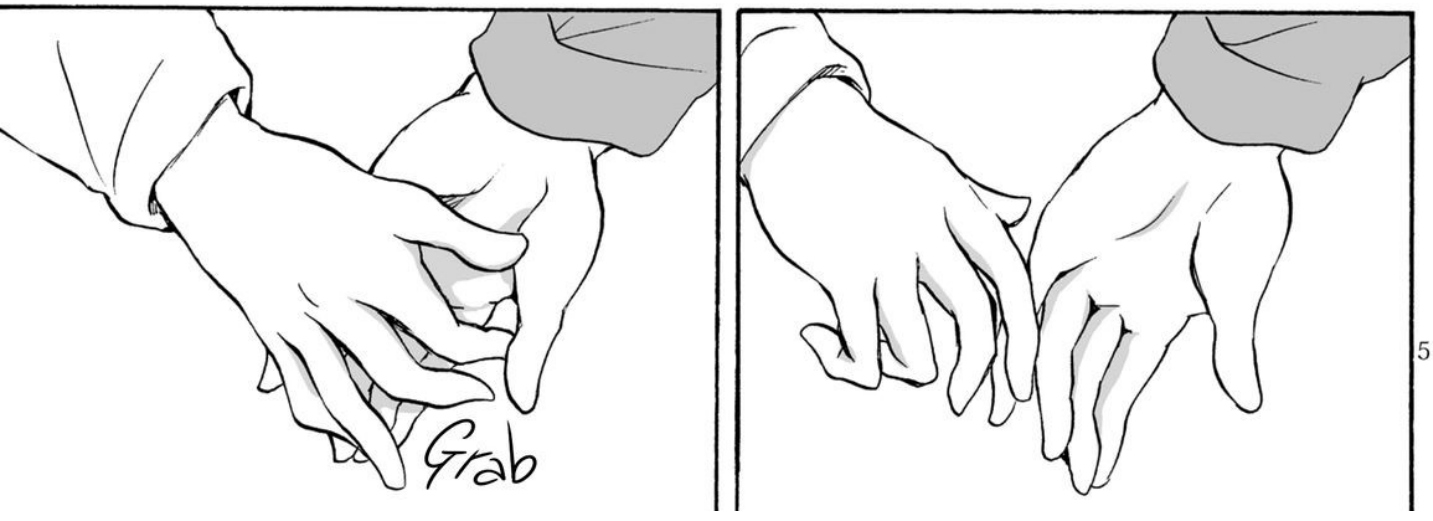


Just let me stay inside Maho's heart like this...
Like a precious friend to me.
That's fine...
Hikari!



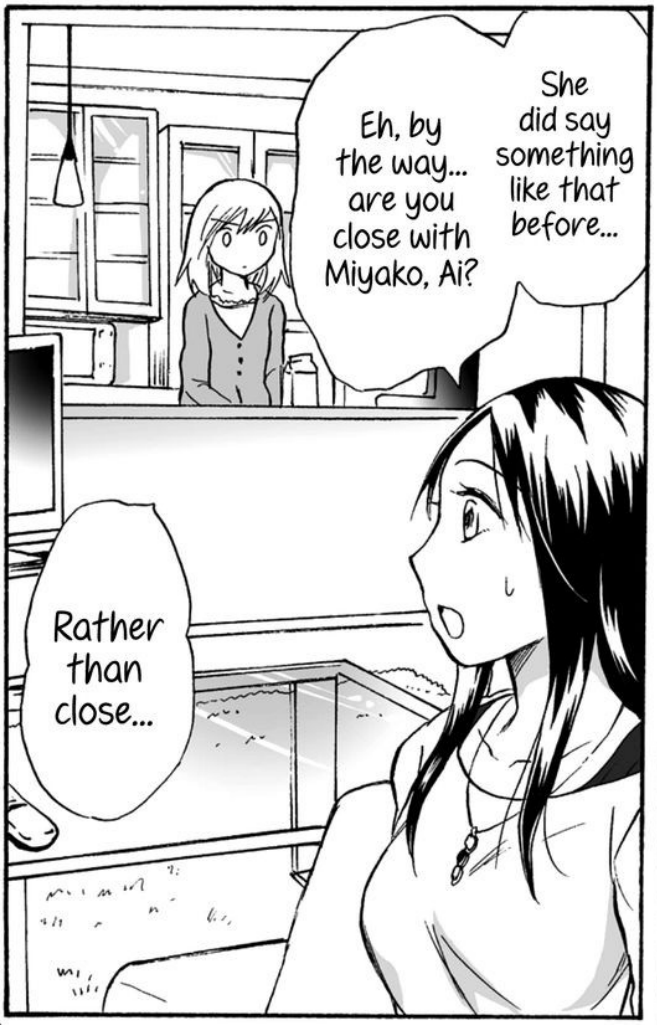


B-Back home...
Maho just won't stop going on and on about her girlfriend, so...
I'm just escaping from there, that's all.
I'm fine with that.
You can e-mail me any time you want.
I love you, after all.

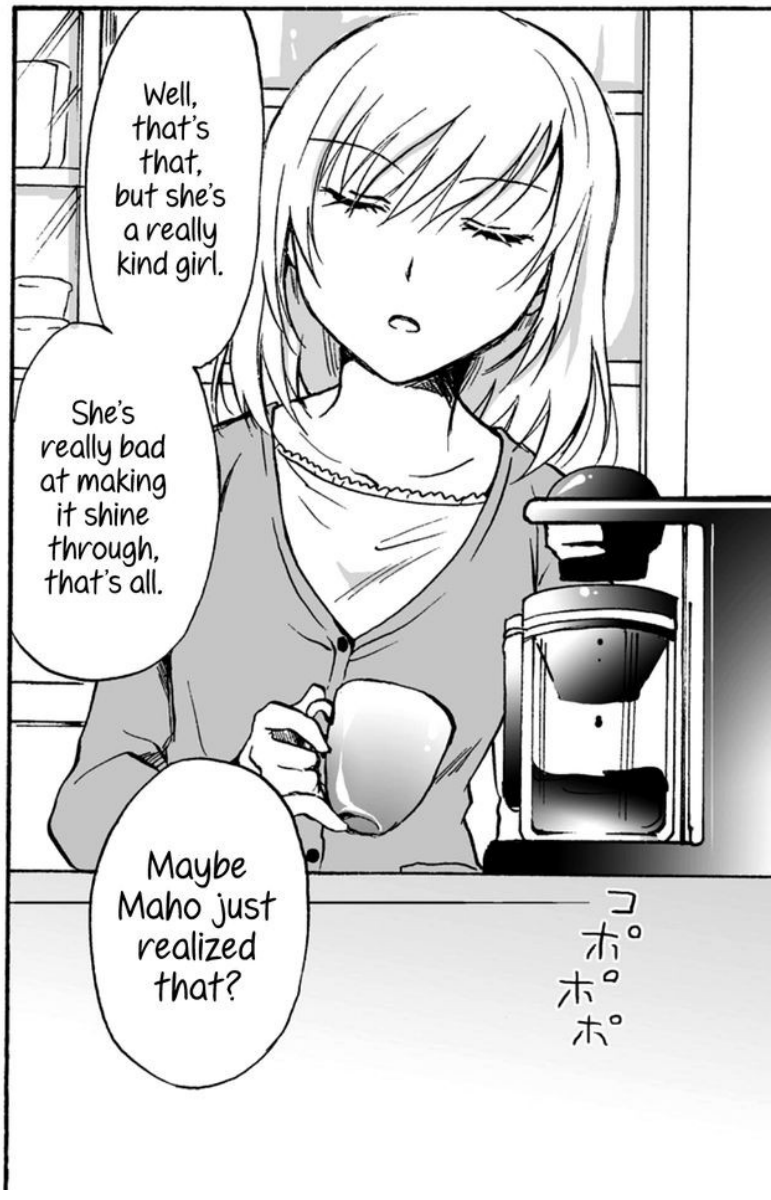


Grab

About Miyako...
She doesn't really let anyone get too close to her... She's really hard to get a grip on, no?
I don't really know what kind of person she is.
I wonder, why does Maho love her that much...?



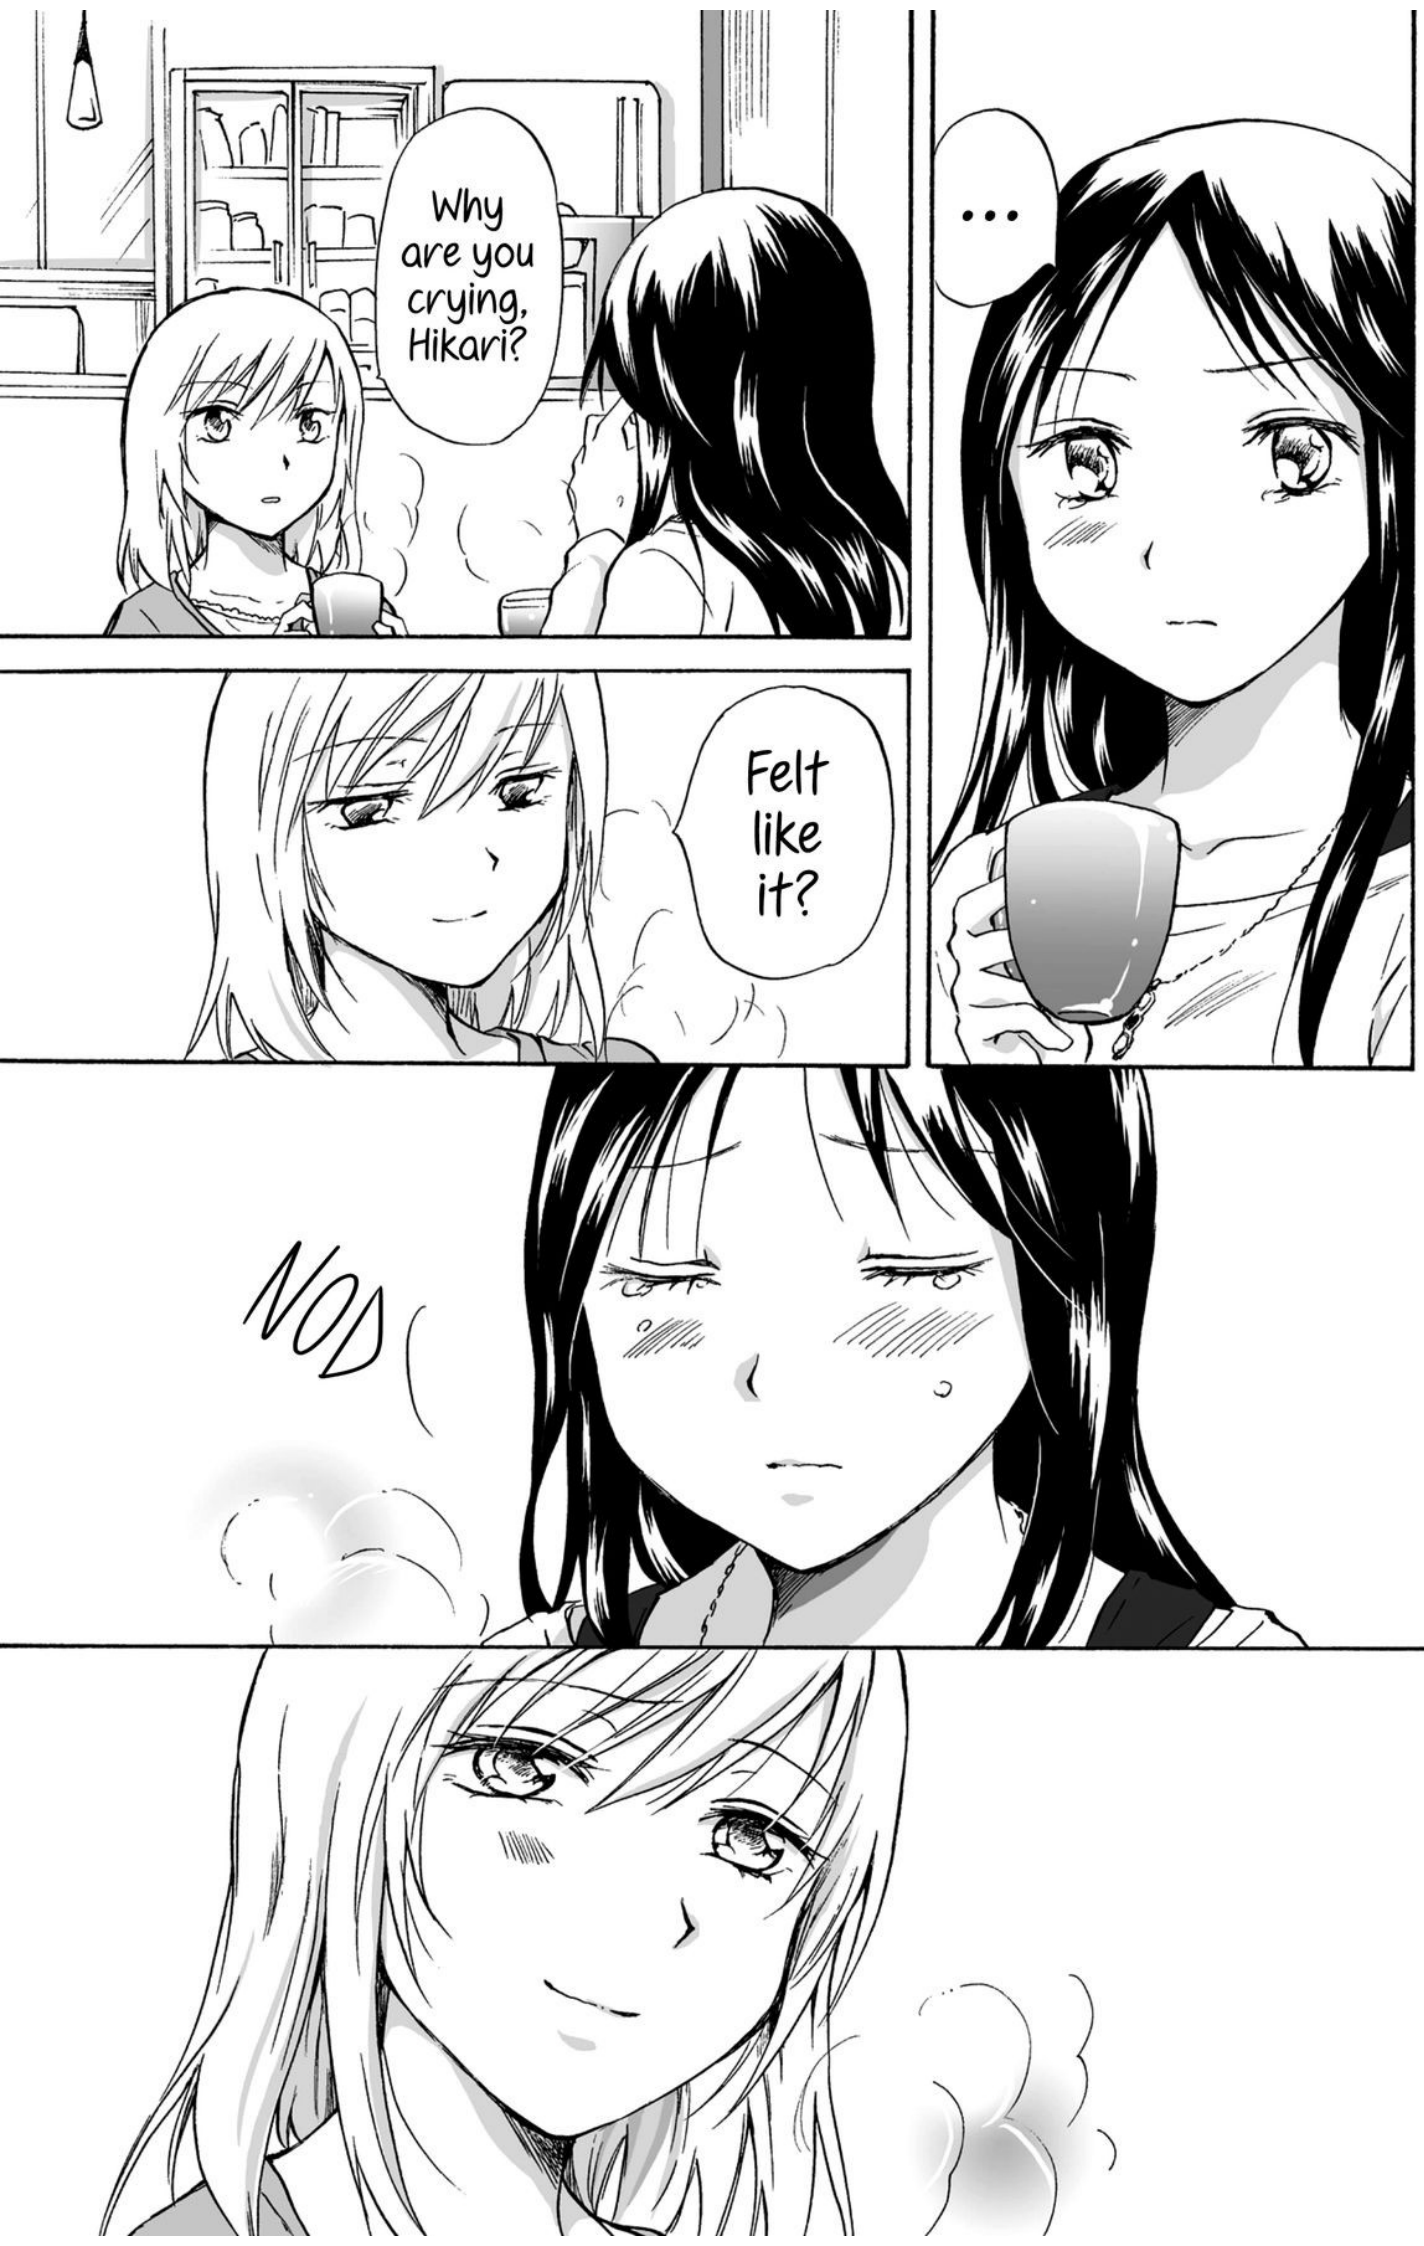
She did say something like that before...
Eh, by the way... are you close with Miyako, Ai?
Rather than close...



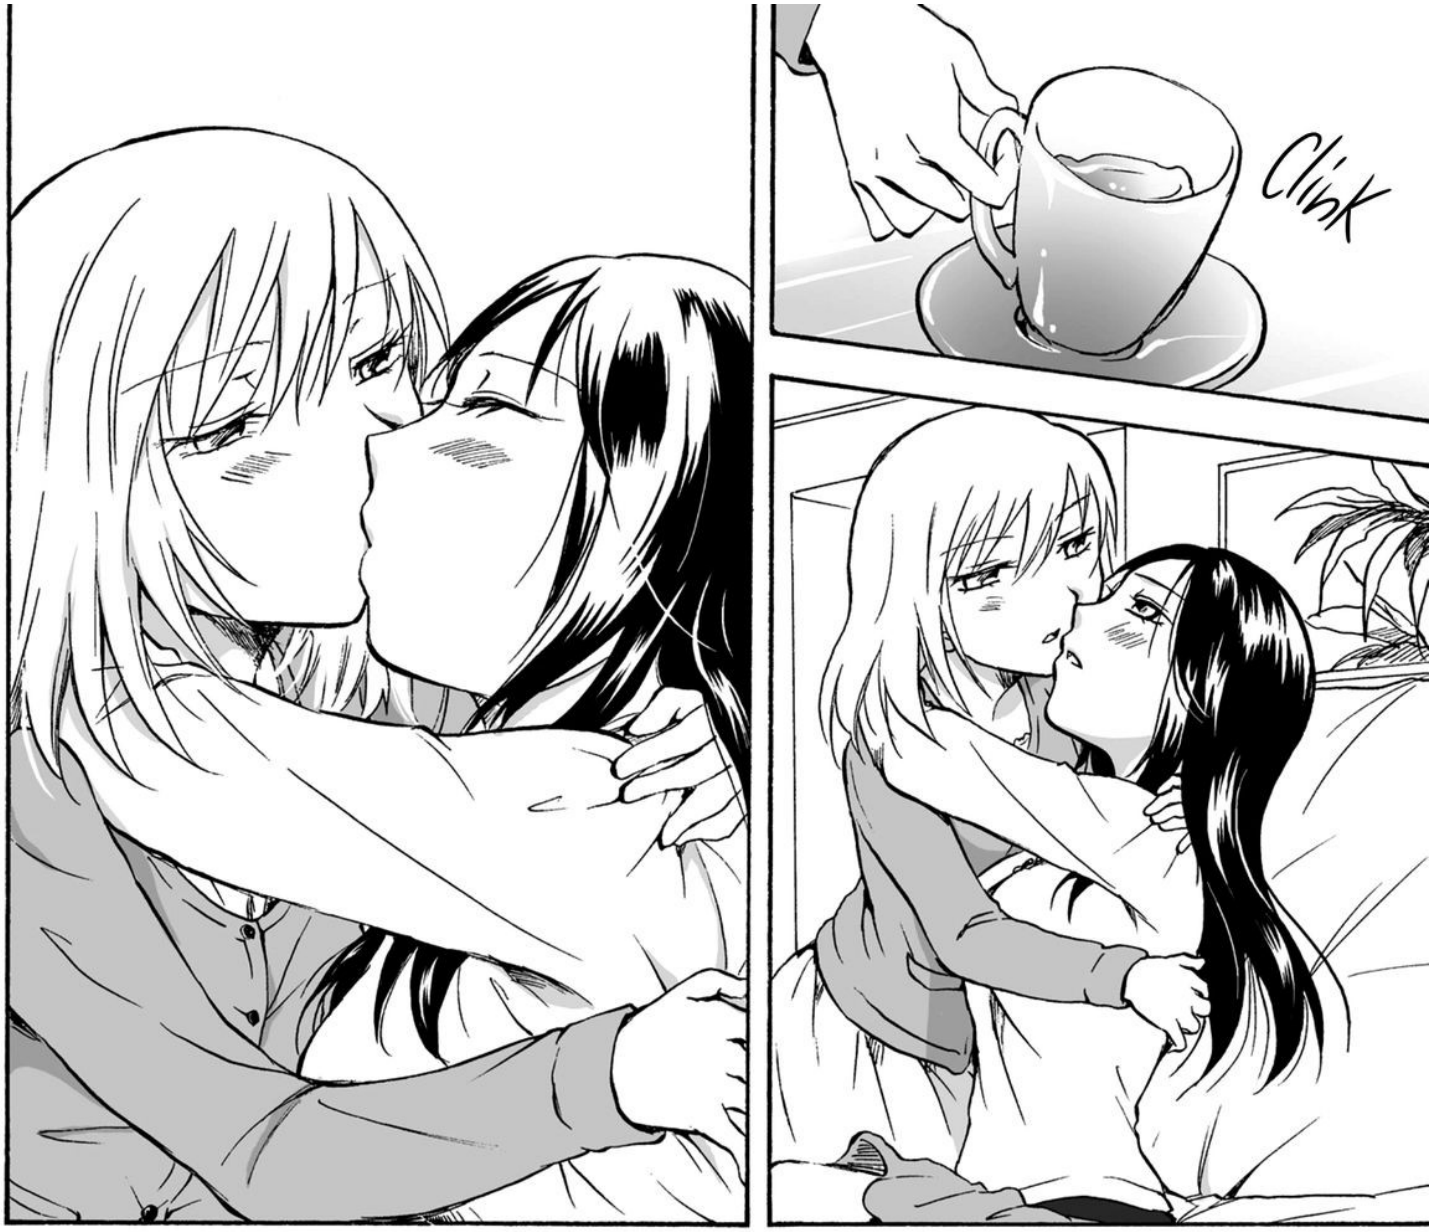
Well, that's that, but she's a really kind girl.
She's really bad at making it shine through, that's all.
Maybe Maho just realized that?
コポポポ

I... see.
We were in the same class all the way back in elementary school.
That's why...
Sip
Wow! Amaz-ing!
Gulp
Your coffee is delicious, Ai!
Right? I've always wanted to let you try it out.
Hehe!

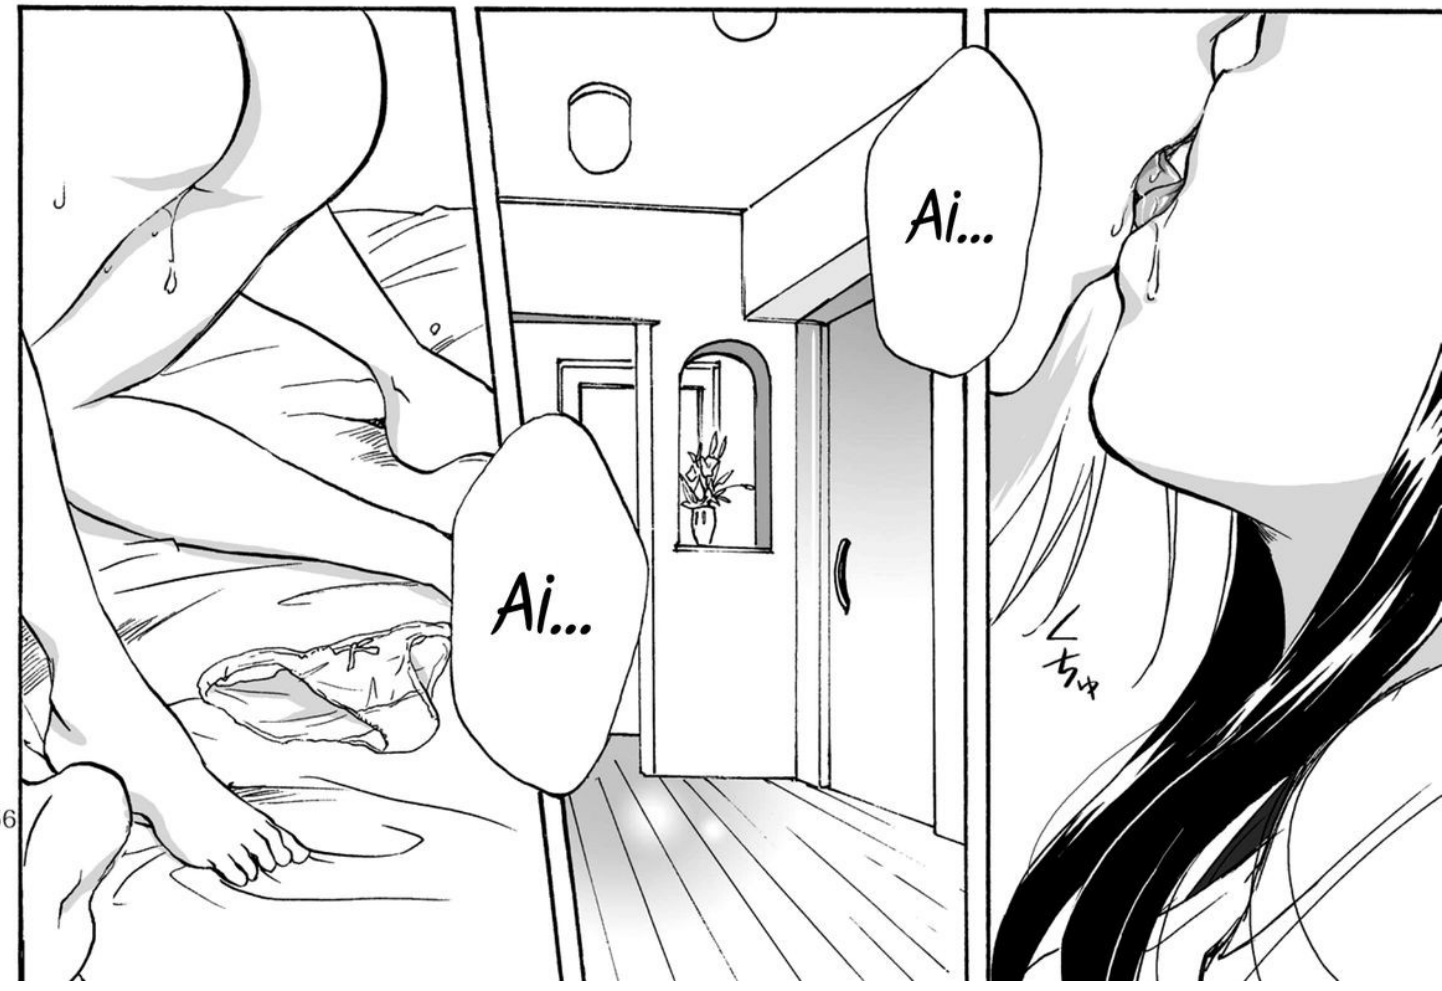
...Ai just acts blunt on the outside...
But deep down, she's a really delicate person.
Just like this beautiful house, so pure and gentle...
She can really tell how people feel.



Why are you crying, Hikari?
...
Felt like it?
NOD



Clink



Ai...
Ai...

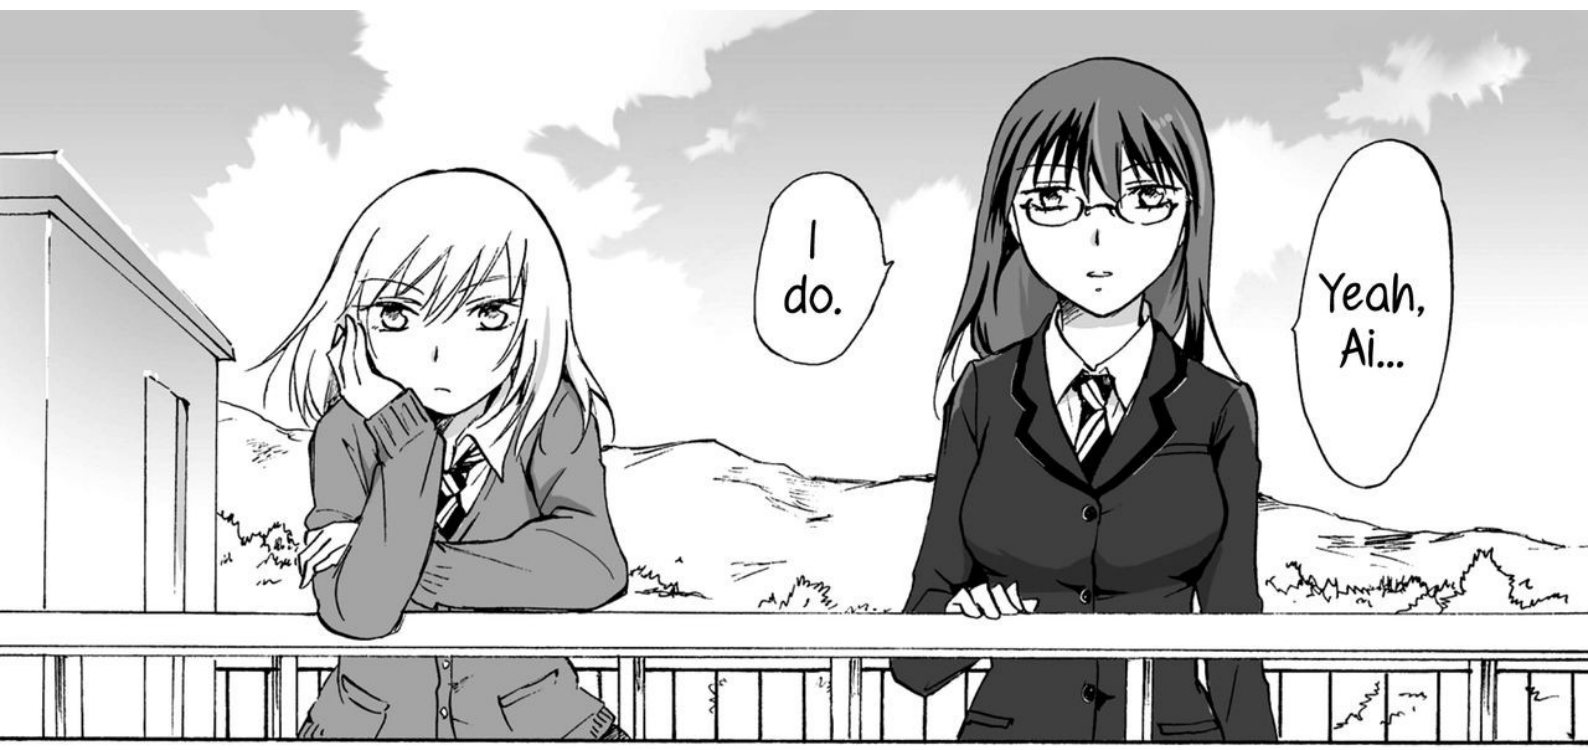
Ai!
Ai!
Ai...!
No...
Ah!
Hikari...
don't...!

No!
...
Let me see it, Hikari...
You're so cute, Hikari.
Hm?
Not fair... Show me yours too, Ai...
...Yeah.
PANT
...Is it fine like this?
HA
HA!

Hikari!
Hikari ...!
Ai...!
A-
Aa
A...H!!

Would you wait for me a little more...?
I...
Ai...
I love you, Hikari...
Sure.
ちゅっ

Thank you, Ai,
for loving me.
?
I'm the one that should be thanking you.
Miyako.
Do you remember...
when we kissed back then?



Yeah, Ai...
I do.

Mom saw us.
I cried when she slapped me.
Haha!
Your mom has always been so strict, eh...?
It's been about five... or six years by now?
We were little kiddies back then...
Well, we're still kids now!

I decided I would never fall in love again that time,
because I wouldn't be able to love anything but girls.
I already realized that back then.

But you fell in love again, didn't you?
When you...
told me you were in love with Maho...
I was really happy about it.
Be-cause...
She was always wagging her tail behind her like a dog, Hikari was an annoying nuisance.
It made me kinda mad.
STARED
Ai, don't tell me... you made a move on Hikari-san...?
Ahaha!

At first, I was really pulling my hair out thinking on how to go about it, but...
as I watched her...
...More and more...
The feelings of that clumsy Hikari...

I thought it wouldn't be bad if she...
grew to love another clumsy mess, like me.
Back then, when you told me we couldn't even play around together anymore,
I took it incredibly well, I thought something like "I guess that makes sense".
I also thought something along the lines of "Ah... love sure is a pain in the ass, huh?"
You're still the same when it comes to saying horrible stuff.
Giggle
Giggle
But, right now...

If Hikari ever said something like "I don't really wanna go out with a girl"
or "Let's break up" even if just as a joke...
I would snap.
I would probably lash out and tie her down or something.
Don't go around saying dangerous stuff like that too much, geez.
That's why people misunderstand you, Ai.
...Honestly,
When I think about Hikari-san...
I can't see anything but a pathetic girl that can't even tell her true feelings to the person she loves.
If you ask me about Maho, I can't see anything but a woman with an awful personality that's way too dense and insensitive.
Those two might have said similar things about us as well.
Giggle
Probably...
Ahaha!
Ah, an e-mail from Hikari.
