

However,
there's
nothing
to fear.
Every-
thing will
be okay.

He died
in a
traffic
acci-
dent. The
entire
incident
was very
sudden...

My
beloved
passed
away.

傷だらけの身体で眠る
愛しの彼を抱きしめ……

Because
I can
revive
the
dead...

but now
the time
has come
for my
sorcery
to see the
ultimate
use, all for
my
beloved...

I've
tested
out
various
kinds of
spells
and
rituals,

Naturally,
we don't
work with
the super-
natural
anymore,
but using
the old
books I
found lying
around the
house, I
was able to
teach myself
sorcery.

My
family has
worked
in the field
of sor-
cery for
gener-
ations.

No! I
can't
think
like
that!
I will
suc-
ceed!

That
being
said, I've
never
tried
some-
thing as
sub-
stantial
as reviv-
ing the
dead.

Will I
even
be able
to suc-
ceed...?

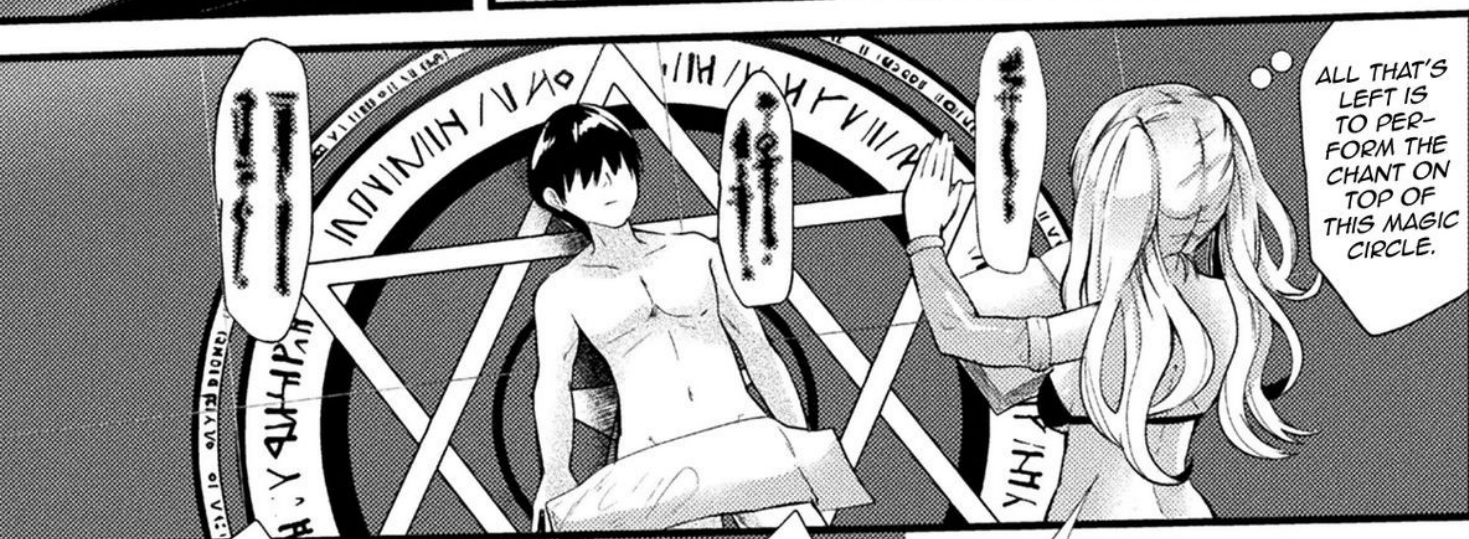

THANK
GOOD-
NESS
WE'RE
THE SAME
BLOOD
TYPE...

OKAY,
THE
BODY
IS COM-

BUT I HAVE TO TRY MY BEST FOR HIS SAKE!

What must I do to completely revive him...?

WHAT SHOULD I DO? THIS IS MY FIRST TIME DOING SOMETHING LIKE THIS... CAN I DO IT CORRECTLY?

WAKING HIS CONSCIOUSNESS WITH SEXUAL STIMULATION...

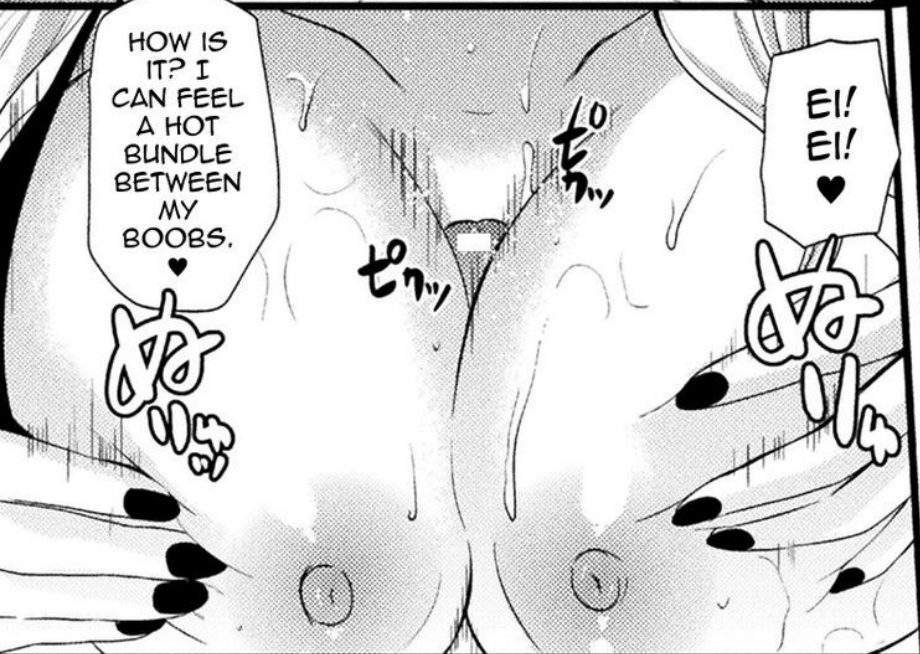

I'LL ENVELOPE YOU GENTLY, OKAY?

IT DOESN'T HURT, DOES IT?

I'VE GOT SOME CONFIDENCE IN MY CHEST. ♥
