OOPS...

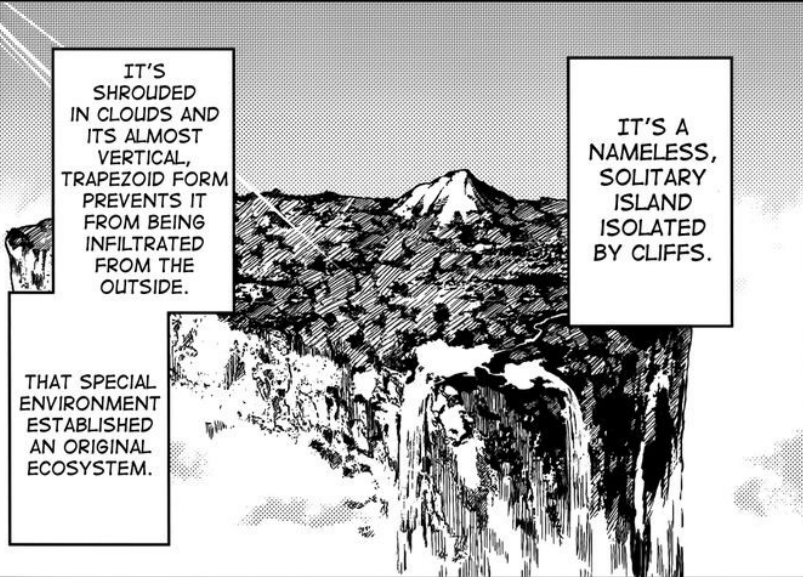

THE RESULT OF THE INVESTIGATION FROM THE OTHER DAY: I HAVE DISCOVERED TWO ENDEMIC SPECIES OF INSECTS... PROCURED SAMPLES.

THE ISLAND ENTERED THE STORMY SEASON. TAKING INTO ACCOUNT COMMUNICATION DIFFICULTIES, I DECIDED TO REPORT IT AFTERWARDS.

NO ABNORMALITIES IN ANY OF THE FACILITY EQUIPMENT OR THE ENERGY CONVERSION SYSTEM.

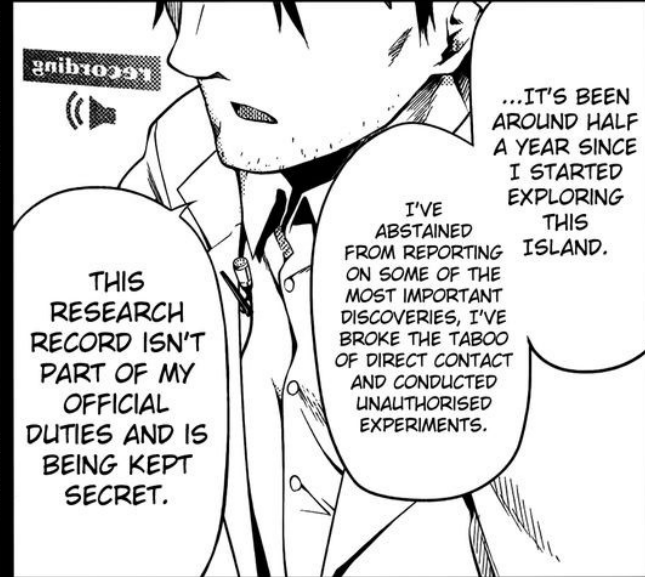

RE-SEARCH REPORT, DAY 153.

IT'S SHROUDED IN CLOUDS AND ITS ALMOST VERTICAL, TRAPEZOID FORM PREVENTS IT FROM BEING INFILTRATED FROM THE OUTSIDE.

IT'S A NAMELESS, SOLITARY ISLAND ISOLATED BY CLIFFS.

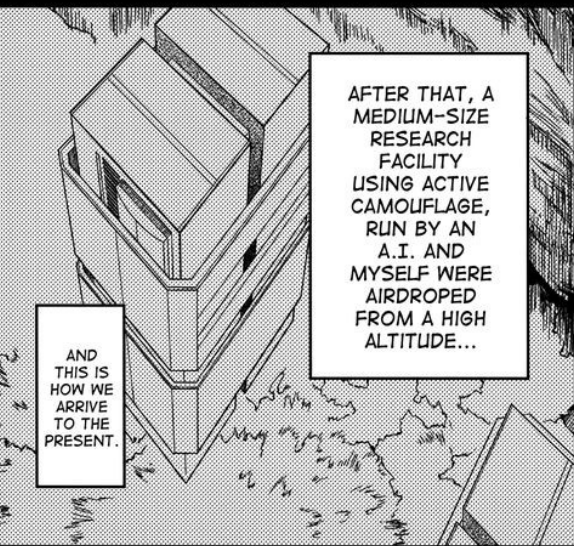

THAT SPECIAL ENVIRONMENT ESTABLISHED AN ORIGINAL ECOSYSTEM.

THIS RESEARCH RECORD ISN'T PART OF MY OFFICIAL DUTIES AND IS BEING KEPT SECRET.

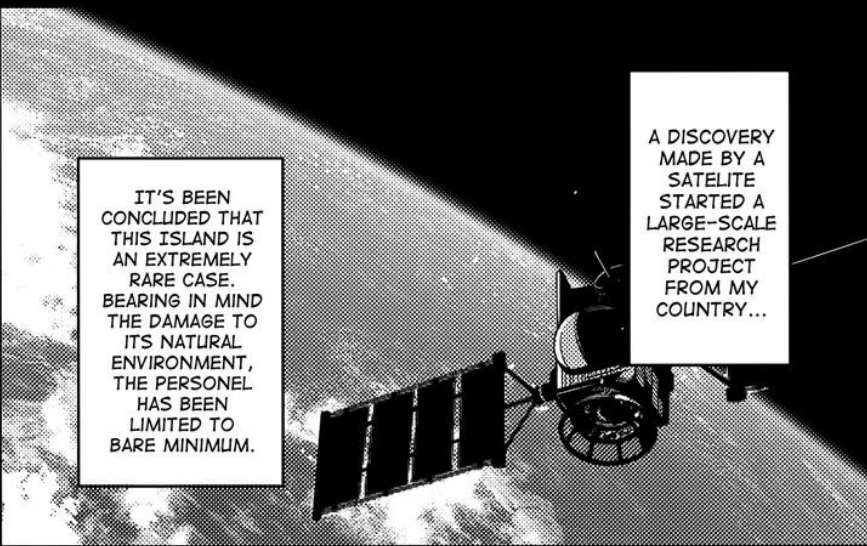

I'VE ABSTAINED FROM REPORTING ON SOME OF THE MOST IMPORTANT DISCOVERIES, I'VE BROKE THE TABOO OF DIRECT CONTACT AND CONDUCTED UNAUTHORISED EXPERIMENTS.

...IT'S BEEN AROUND HALF A YEAR SINCE I STARTED EXPLORING THIS ISLAND.

AFTER THAT, A MEDIUM-SIZE RESEARCH FACILITY USING ACTIVE CAMOUFLAGE, RUN BY AN A.I. AND MYSELF WERE AIRDROPPED FROM A HIGH ALTITUDE...

AND THIS IS HOW WE ARRIVE TO THE PRESENT.

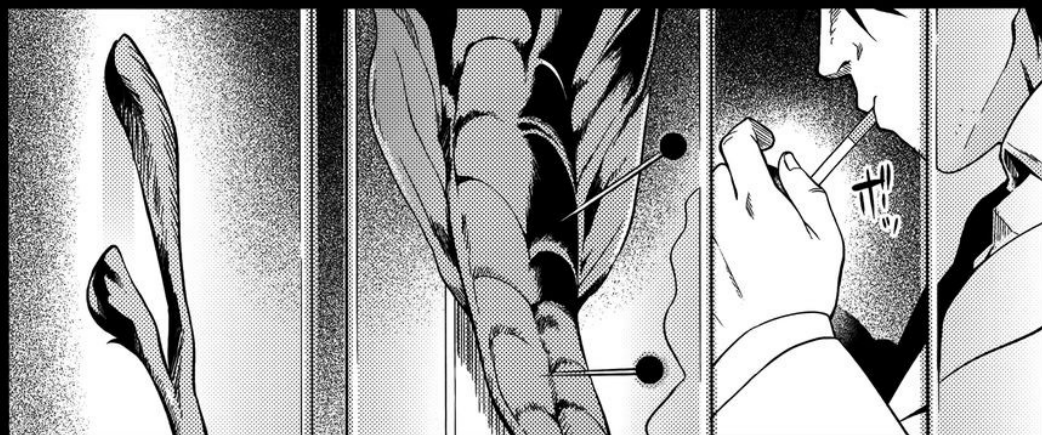

IT'S BEEN CONCLUDED THAT THIS ISLAND IS AN EXTREMELY RARE CASE. BEARING IN MIND THE DAMAGE TO ITS NATURAL ENVIRONMENT, THE PERSONEL HAS BEEN LIMITED TO BARE MINIMUM.

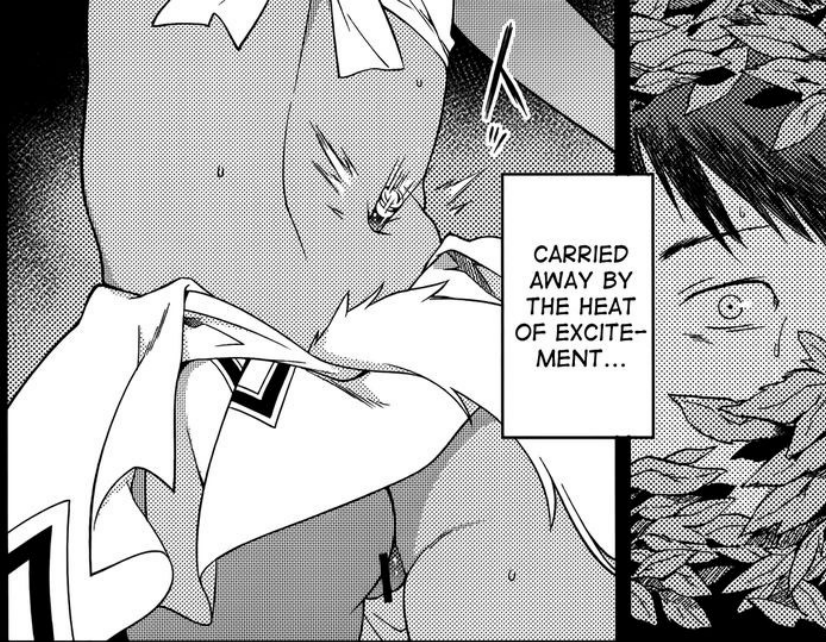

A DISCOVERY MADE BY A SATELITE STARTED A LARGE-SCALE RESEARCH PROJECT FROM MY COUNTRY...

AND TWO MONTHS AFTER STARTING THE EXPLORATION...

I'VE WITNESSED SOMETHING THAT MADE ME QUESTION MY OWN EYES.

CARRIED AWAY BY THE HEAT OF EXCITEMENT...

"THERIAN-TROPIES", "LOUPS GAROU".

I'VE DISCOVERED "BEASTMEN" WITH ANIMAL EARS AND A TAIL, THAT WERE CONSIDERED MYTHOLOGICAL CREATURES.

AND USING A SMALL TRACKING DRONE AND NANO-MACHINES, I STARTED OBSERVING HER.

I BROKE THE RULES AND CAPTURED ONE FEMALE...

ANIMAL-LIKE ...

HUMAN UNDERSTANDING OF HYGIENE.

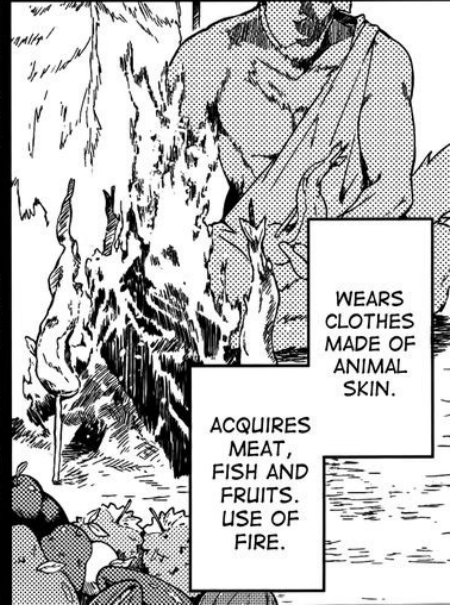

BESTIAL SPEECH CLOSE TO ANCIENT LANGUAGE. COMMUNICATION THROUGH HOWLING.

TERRITORIAL MARKING.

SETTLEMENT FORMATION.

WEARS CLOTHES MADE OF ANIMAL SKIN.

ACQUIRES MEAT, FISH AND FRUITS. USE OF FIRE.

TIREI

SO BEAUTIFUL...
THEIR EXISTANCE UPSETS THE THEORY OF EVOLUTION AT ITS FOUNDATION.

I CALL SPECIMEN NO.1 "TIREI".

THAT'S WHAT OTHER BEASTMEN CALL HER, SO IT'S PROBABLY HER NAME.

ALL KINDS OF ORGANIZATIONS WILL INTERFERE...

THEIR EXISTANCE IS NOT OUR OWN PROBLEM.

A NEW (ANCIENT) HUMAN RACE WITH BOTH HUMAN AND ANIMAL TRAITS...

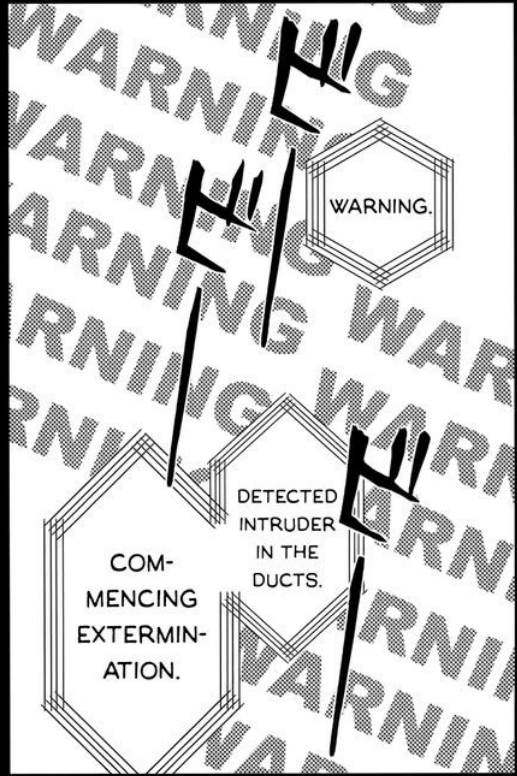

OF HANDING IT OVER TO ANYONE ELSE!

SUCH A FASCINATING RESEARCH OBJECT. I HAVE NO INTENTION...

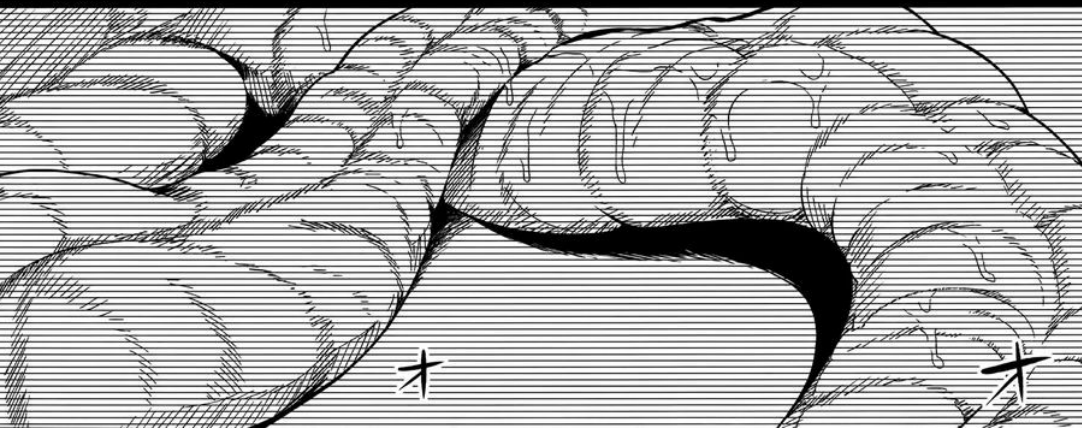

MONITOR.

...AGAIN, HUH? VIVI, STOP THE ALARM.

COMMENCING EXTERMINATION.

DETECTED INTRUDER IN THE DUCTS.

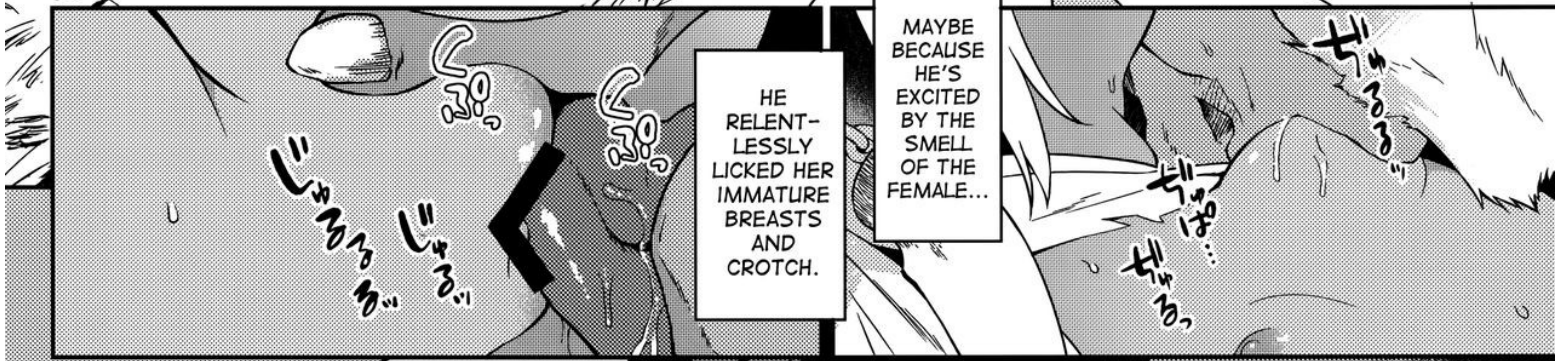

...COLLECT IT AND INCINERATE.

THE 17TH DAY OF DRONE OBSERVATION...

I'VE CAPTURED TIREI'S COPULATION SCENE.

SEEMS LIKE THE PARTNER SHOOK TIREI AWAKE.

HE RELENTLESSLY LICKED HER IMMATURE BREASTS AND CROTCH.

MAYBE BECAUSE HE'S EXCITED BY THE SMELL OF THE FEMALE...

HE RUBBED AGAINST HER SOFT BUTT AND EXPOSED A SWOLLEN BEASTMAN PENIS.

INTERESTINGLY, THE LOWER BODY OF THE MALE IS THAT OF AN ANIMAL.

IS THIS DISPARITY IN APPEARANCE BETWEEN SEXES THE KEY TO THEIR EVOLUTION...?

IT'S SHAPED LIKE THAT OF CANIDAEES.

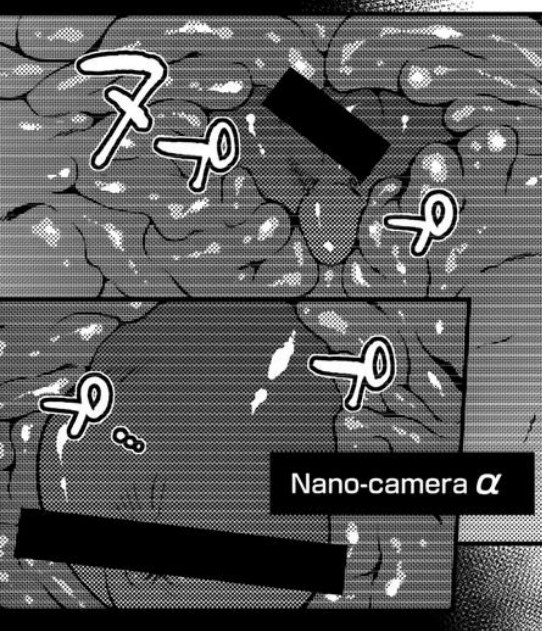

IT HAS TO BE PROOF THAT SHE COPULATED WITH THAT MALE NUMEROUS OF TIMES.

DESPITE JUST WAKING UP, TIREI STARTED MOVING HER HIPS LIKE SHE'S USED TO IT...

AND CARESSSED THE MALE'S PENIS WITH HER GENITALIA AS IF SEDUCING HIM.

Nano-camera α

THE MALE ATTACKED TIREI VIOLENTLY.

IT WAS SUCH AN INTENSE, ANIMALISTIC "COITUS" THAT I COULD ALMOST SMELL IT THROUGH THE SCREEN.

BEING WEIGHED DOWN BY A BODY OVER TWICE AS HEAVY AS HERSELF, SHE GAVE OFF A VOICE LIKE A SQUASHED FROG.

Awh!

Agh

Ugh...

IT'S A BIZARRE SCENE, BUT I FEEL AROUSED BY THAT IMMORAL SPECTACLE...

THE BABY GIRL MUST HAVE ASKED FOR FOOD, BECAUSE...

THAT MATERNITY I CAN SEE IN THAT YOUNG GIRL AND THE SIGHT OF HER DROWNING IN PLEASURE...

TIREI STARTED FEEDING HER WHILE HAVING SEX WITH HER FATHER.

THE SHOCK OF HAVING HER WOMB PIERCED AND EJACULATION BEYOND HER TOLERANCE MUST BE PLEASURE ENOUGH TO MAKE HER FAINT.

I GUESS LIKE WITH DOGS, IT'S TO PREVENT SEMEN FROM LEAKING OUT.

THE FIST-SIZE SWELLING AT THE BASE OF THE PENIS PUSHED INTO TIREI'S VAGINA.

TO FINISH IT OFF, SHE GAVE OFF A LEWD SCREAM...

EJACULATION LASTS AS LONG AS 40 MINUTES.

A LARGE VOLUME OF SEMEN WAS RELEASED INSIDE HER SMALL WOMB.

AND SHE REACHED ORGASM.

I WILL WRITE A DETAILED DESCRIPTION OF THAT RECORD ON ANOTHER DAY.

WHEN CONFIRMING THE RECORDING, I FOUND OUT THAT FATHER AND DAUGHTER COPULATED FOUR TIMES THAT NIGHT.

WITHOUT REALIZING IT, I LOST TO DROWSINESS AND FELL ASLEEP.

18TH DAY OF SURVEILLANCE, EARLY MORNING.

I'LL TRY TO FIND IT TOMORROW.

I WONDER IF ITS "NEST" IS NEARBY?

"THAT" IS INVADING THIS FACILITY MORE AND MORE OFTEN.

THERE IS JUST ONE MORE THING THAT'S BUGGING ME.

生態や周りに起こる出来事を発見したり解明したりしていく…(主にエロ)を
コンセプトに作ってみたら……やっぱページ足りませんね…。
仕方ないので分けて出していきます。
「獣人生態観察記録(KEMOPHILIAシリーズ)」を
宜しくお願い致します。
研究者さんは基本変態(偏見)なので
次もきっといろんなことをしますぞ！

近況報告～あ～…結構長い間バタバタしております；
Twitterで顔をだして活動してる感を出してはいたんですが
