

3 years from now, Moo Virus create pandemic in all universes.
The virus turn all females into horny lactating cows.
How it all started ?
Where the virus come from ?
It all started from two superheroes couple.
They are ...

SUPER COWGIRL

POWERS :

- Super Strength
- Super Speed
- Super Stamina
- Flight
- Super Milk
(anyone drink her milk will go into pleasure seizure called "Lactrance")

A superhero from Earth.

Her similar powers with Wonder Bull has attracted him to use his Aura to her and make her his wife.

WONDER BULL

POWERS :

- Super Strength
- Super Stamina
- Flight
- Eye Beam of Jealousy

Wonder Bull is an alien from Planet OX. He has very unique power, which is Wonder Bull Aura. When he projects his Aura, all females near him will start lactating like crazy and become very horny.

In his planet, it is used when mating season. On Earth, he only uses it on one female, his wife, Super Cow, thus giving her an extra superpower, Super Milk.

A robbery just occurred and it doesn't take long for the Power Couple to come and stop them. Like usual, Super Cowgirl does all the hard work. Catching the bad guys and making sure they drink her milk to weaken them. While Wonder Bull only looks from the side, ready to shoot Beam of Jealousy anytime to the bad guys if Cowgirl can't handle them.

After took care of the bad guys, Super Cowgirl can't hold it anymore. The more she lactate, the more she become horny. They have sex not far from the crime scene. Milk & cum spraying everywhere. They fucked there for the whole night.

Basic law of nature :

“If there are super heroes, there will always be super villains”

Dr Hypno Pig is a new super villain who long lusted for Super Cowgirl. He secretly use Hypnosis to both Wonder Bull and Super Cowgirl when they cum, the only time both of them vulnerable for few seconds.

Super Cowgirl got hypnotized into seeing Hypno Pig as Wonder Bull.

So that morning in her office (she own a printing company), like usual Super Cowgirl milk start to leak out of her office lady uniform)

So she ask Wonder Bull (Hypno Pig) to milk and fuck her to ease her lactating breasts, which Hypno Pig gladly accept.

Super Cowgirl does feel a bit different when Hypno Pig insert his penis and fuck her.

Because the hypnosis only change what her eyes see, but it didn't change the actual size and shape of Hypno Pig.

Super Cowgirl ask Hypno Pig why his penis become smaller.

Hypno Pig so offended with that question, so he decided to ...

Hypno Pig use another hypnosis to increase the sensitivity of Super Cowgirl whole body.
Super Cowgirl cum like never before.
Her mind goes blank. She's not even care she's still in her office when she moaning so loud.

Few months later...

After get fucked everyday in Hypno Pig's Lair, Super Cowgirl are pregnant with Hypno Pig babies.

She has lost all her senses as human, only know how to moan and lactate like a cow.

However,
Super Cowgirl still can
react when Hypno Pig
whisper something into
her ear, "Don't worry
about your ex-husband.
I have completely
brainwashed him.
Now he is my tool to
turn other female
heroes into breeding
stocks like you"

Super Cowgirl cry
after heard that, but
her body no longer hers.
Her pussy keep
cumming with every
thrust of Hypno Pig
penis and her huge
udders keep spraying
breast milk.
