

LOVE STORY

R-18

Eh

...what's
going on

Oh,
yeah

my friend, Yoshi

Myself,

It all began when we were shopping for some supplies for making takoyaki

A saber... wha-?

Naver Aggregator
One of the strongest ancient felines, the Saber-toothed tiger. Having a pair of 20cm sharp fangs, it roars like the saber-toothed tiger

along with the first girl-friend I've ever had,

Mana-chan

Hey, don't you think Yasuo-kun totally looks like a saber-tooth tiger?

I managed to get together with Mana-chan all thanks to him though

He sometimes could be a little mean, but...

More like a gorilla, Yasuo

Nahhh, if you think about it, hmm...

Well, either one of them is terrible enough I guess...

No way, Yasuo gotta look more like a gorilla, ain't that right?

Heyy!

Mana-chan could be a little goofy and

And he's in the judo club even! So he's gotta be strong! But at the same time, he's quite cute too?

Yasuo-kun too, has a giant body, right?

Don't saber-tooth tigers have giant fangs?

sometimes I'm not even quite sure what she's meaning to say but

having a girlfriend like that

See, that's how they're totally alike!

Cuz
that's
why, I
totally
like
him, all
right!

No
matter
what
Yasuo-
kun is

he's
gonna
protect
me, all
right!

I like
her
very
much!

I
like it

I
like it

A saber-
tooth tiger
is not just
strong, it
can run
very fast
as well~

Hey, are
you listen-
ing, Yasuo-
kun?

Yasuo-kun...

USED TO VISIT HIM EVERY NOW AND THEN, BUT...

Umm

Yasuo-kun

ahn

Aah

Fwa-aaah

ah

aa-

That's none of your business!

Just who are you, by the way?

his friend...

You're Yasuo-kun's girlfriend and yet you're doing this with

Huh!?

See, it's really none of your business then!

I'm Yasuo-kun's middle-school-mate...

and simply start saying these things!

Don't you just appear out of nowhere

It might not be my business but

how could you treat poor Yasuo-kun like this!

isn't
Yasuo-
kun at
all!

A Yasuo-
kun that
doesn't
look like a
saber-
tooth
tiger

Mana, let's
continue
back home

Hold
on!

Hey,
h-

I'm not sure what that girl was saying, but

Hell no!

You came inside, didn't you?

it feels like

what she's trying to tell me was that Yasuo-kun right now is no longer the old Yasuo-kun that she had cherished before

We used to talk a lot when we were at school

W-

He wasn't very good at English so

I helped him with his studies and stuff...!

He even used to say "I'm a Japanese man, it's gotta be no big deal even if I'm bad at English"

he'd keep on grumbling like that

HE COULD EVEN GOBBLE UP A WHOLE TUB BY HIMSELF!

YASUO, HE LOVED CHEESE CAKE SO MUCH, WE USED TO HAVE THEM ALL THE TIME

Hehe, that's just like Yasuo-kun

BOTH OF YOU SURE WERE CLOSE FRIENDS, RIGHT KOKORO-CHAN?

All lies

In fact, it's just that one time in the library that we've exchanged words with each other

I'm not really good friends with Yasuo-kun at all

What I was capable of was merely observing him by the sidelines

The popular Yasuo-kun, liked by all and me, the one at the polar opposite of all that

The food he liked to eat. The classes that we was weak at

I knew them all, merely because I was always listening

grad-
ually

as
days
passed
by,

At first, I
had to be
wary of his
sudden
outbursts
but,

That day
on, I
started
to visit
Yasuo-kun
every day

and my
bond with
Yasuo-
kun kept
getting
closer

he
started
to show
happy
smiling
faces
with me

LET ME GO!

A

Mhaaaa

Is al-

That

coming back
anymore!!!

What's so good about her that you like her so much?

Afterword

This is Shiruka BakaUdon-chan. Thanks lots for purchasing this book. My first challenge at a lovey-dovey book! I did it! ♥

When it comes to lovey-dovey stuff, I want you to think of Udon-chan's manga-poyo.

This is the first time I've felt like my hands are gonna drop off so badly!!!!

So fap as hard as your heart's content-poyo~♥♥♥

Since June this year, my serialization had started in the Manga Action magazines that are sold in convenient stores. I think they scouted me out when I was selling my books in Comiket. This wouldn't happen to me if I didn't draw for Comiket.

Even if I couldn't sell my works, even if I'm at a loss with my house covered with cardboard boxes, from the bottom of my heart, I felt glad that I still kept on drawing.

I could move on all because of the thoughts that everyone shared with me, and how everyone cared for me in Twitter. Even more so, those that kept making their way to Comiket or their local bookstores to purchase my works. Without your frequent support, I wouldn't have become the Udon-chan that I am today.

The release of my first compilation book, and even the release of this one, wouldn't be possible without the opportunity you've all given to me. That is why, Udon-chan will not change and will continue drawing manga-poyo~♥

Even having said all that, from now on as well I'll be needing your support!

I haven't abandoned the thoughts of drawing erotic things! I don't know if I could release something for each Comiket! But what I'm sure is, even if I went normie, I'd still continue drawing erotic stuff-poyo!
