Thats how it went !
It all started from that day...

A reunion with all my old friends. I was so nervous.
Nostalgia took over me, it was as if I was young again!
That day was my high school class reunion.
Maybe,
Too many drinks.
A Temporary happiness of having freed me from my domestic chores was present.
I made a horrible mistake...
It happened that night...

It Might have been due to the alchohol but that night I slept with a man that was not my husband..
He was a classmate I had previously dated.
The afternoon of the next day.
I was feeling so Gulty....
I had Betrayed my Husband and Daughter.
ピンポーン
The Situation was for me, As a wife and Mother..
In short, There was no Forgivness.
Oh !!! Its Takeda !!!

And then Tsukuda laid on top of me...
It would be 4 hours till my daughter should be home.
How Awful! In the entrance to our home I'm covered in his bodily fluids.
... He even came inside of me!!

To fuck me again .....
He came again the next day also.
Of course that day was only the beginning...
Takeda is our Neighbor
He waits in the morning for my husband and daughter to leave before coming over.
So it was easy for him to figure out our families schedule
