お前達、新年で
浮かれてるんじゃないかしら？

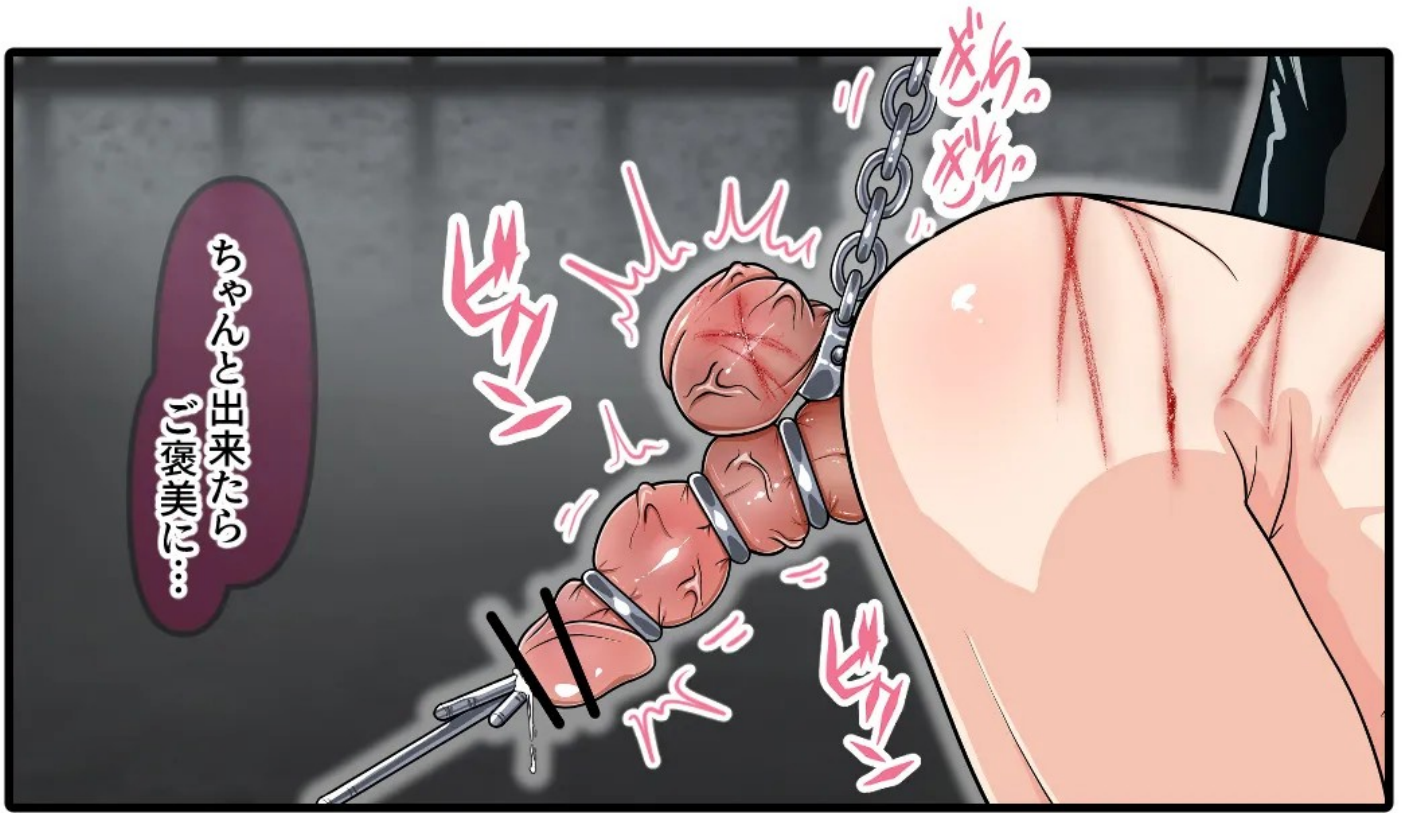

マゾちゃんぽに
休みなんてあるわけ
ないでしょ？

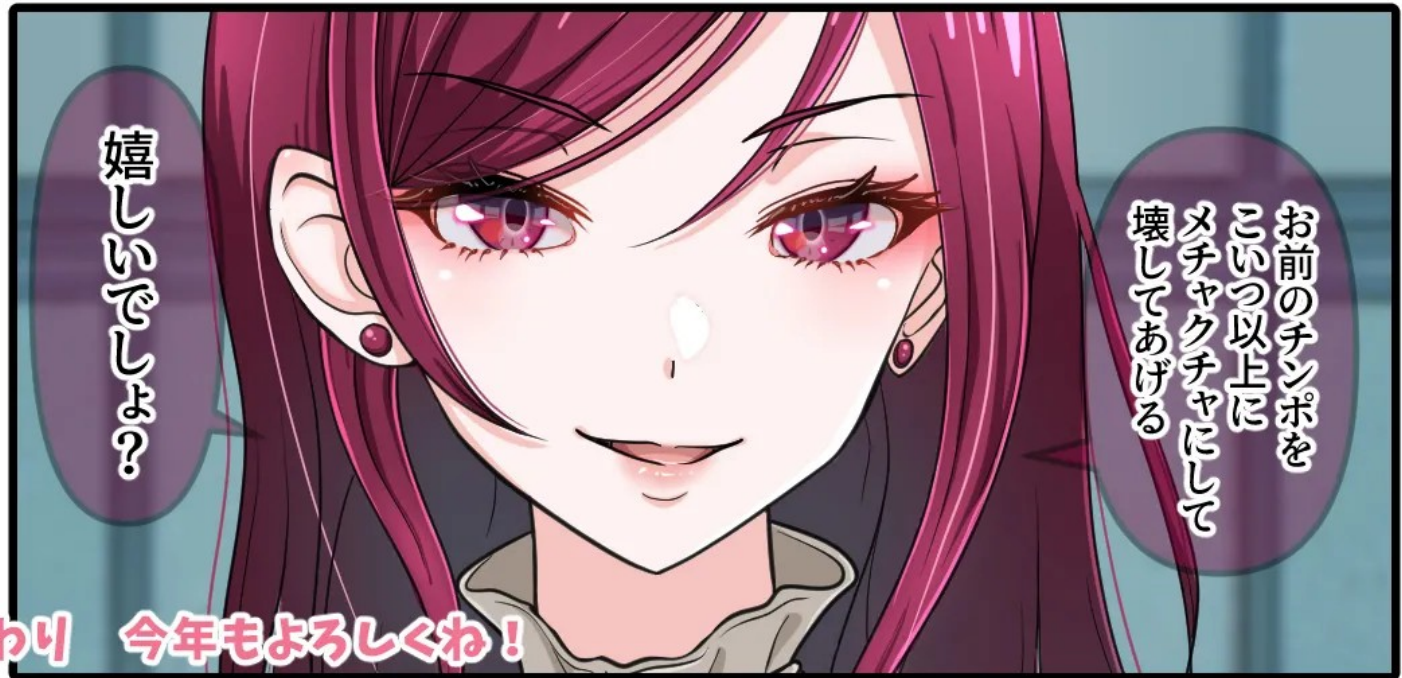

そうね…
今日から3日間、
私の過去のイラストを見ながら
毎日最低2回は射精しなさい

もう出なくなっても
無理矢理搾り出すんだよ

ちゃんと出来たら
褒美に...

嬉しいでしょ？

お前のチンポを
こいつ以上に
メチャクチャにして
壊してあげる

終わり 今年もよろしくね！

HISANO

twitter.com/Queen_Hisano

You lot seem to be having a good time with your year-end festivities.

... But I own you and your filthy cock, slave.

And I didn't give you permission to rest.

Mh, I know...
You are to jerk off and cum to
My illustrations at least twice
every day for the next three days.

... Keep stroking even if your
orgasms dry up. Squeeze every
last drop out for your Goddess.

And should you succeed,
I'll reward you by..

Utterly destroying your cock.
This slave's would pale in
comparison to what I'd do to you.

I know you want it.

THE END
