This is a work of fiction, any relation with real people, organizations, or events is purely coincidental. This work also does not depict sexual intercourse with anyone below the age of eighteen.

That's the last one!

G-
Give it back...!

If you really want melon bread so badly...

If you don't work for it, you don't get to eat!

I'm no good unless I start the week with a melon bread.

Idiot, I'm taking it BECAUSE it's the last one...

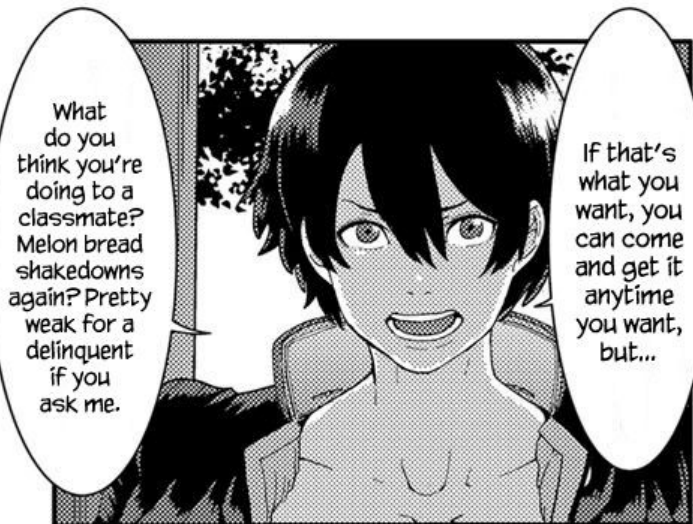

Why don't you go and buy it like everyone else!?

There should be a lot of those...

How about you scram? And don't come back without a rusk at least.

Hold it!

What do you think you're doing to a classmate? Melon bread shakedowns again? Pretty weak for a delinquent if you ask me.

If that's what you want, you can come and get it anytime you want, but...

But you're like a moth running into the fire.

I'm gonna beat you today once and for all, I'll be taking the place as the strongest in the whole school.

You again? So you patrol around during lunch break too, huh, Rinosuke? You have some real dedication there, good for you...

OF GETTING BULLIED BY ME!!

I'll have you know it's not the melon bread I like, I like bullying these weak pushovers!

And starting today, You'll get the honor...

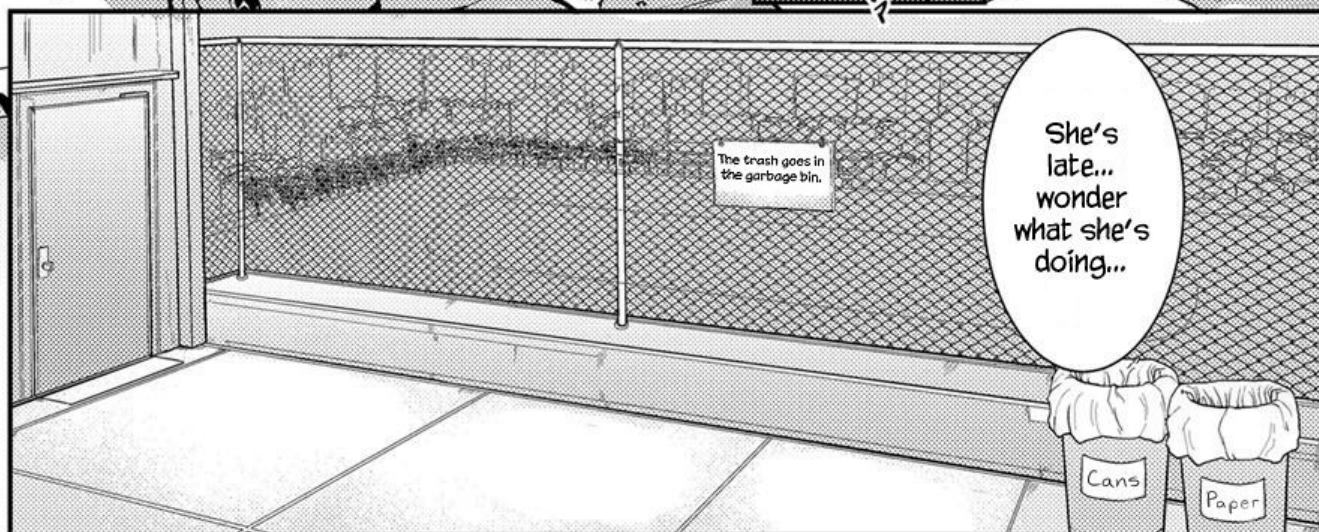

The hell are you talking about, you flat board!?

Twist

ORAAA

I couldn't help it.

Shaddup.

You're really not feminine at all, are you?

And here I was thinking it was odd for you to take so long to buy some bread.

Rah? Did you get into a fight again?

Mmh... Well...

Mmh...?

And what about that feminine thing you said just now, you like that kind of thing?

...

What's with this!/?

H-Hey.

She's just as she looks, a rough girl without a hint of grace to her.

...

Yeah... All men do, right?

You have a pretty lame taste, don't you?

All fluttery and stuff?

Do you like girls like these?

This girl is Kikuma Ainosuke, my childhood friend.

She starts snapping at me when this topic gets brought up lately. Is the woman inside of her trying to come out of her or something?

But...

No, I saw her as nothing but a boy. I never even thought of her as a girl.

I've been catching the ball since I was six years old.

We've always been inseparable, not that I'm particularly happy about that, but it's been that way since a long time ago. She hung around us boys all the time despite being a girl, so she turned rough and boyish.

Morning, Kyuutarou!

Next day

Morning.

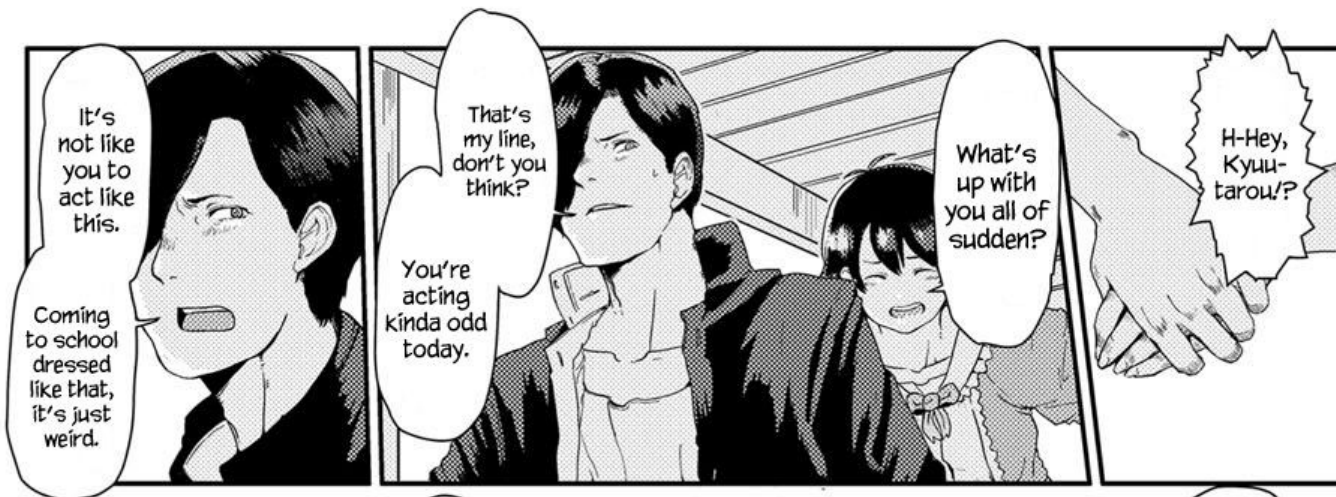

Mmh?

Isn't that the same as the one from yesterday?

Kyuutarou.

This got weird quick...

Best Rap

Rather than looking weirdly cute, I think the sporty girl look fits you much better.

Sports brands are pretty stylish and practical.

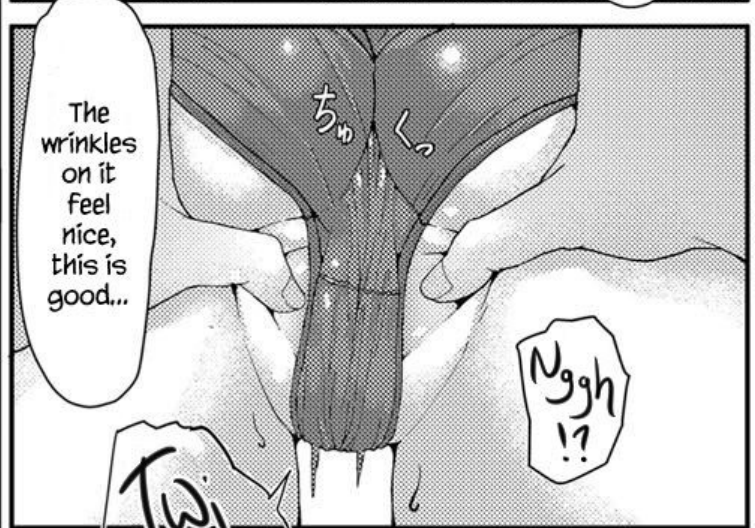

Well... but I can't walk outside like this, can I?

And it's kinda digging into me too...

Kyuutarou... Is this really feminine?

Besides, why are we shopping for clothes in a sports shop?

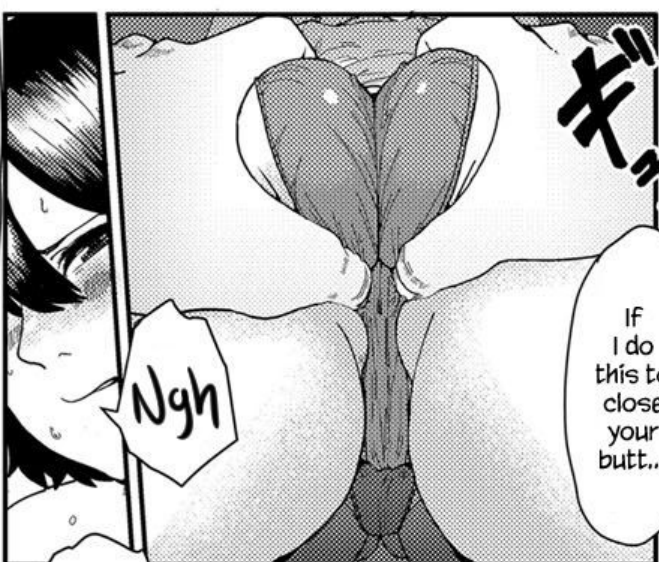

Twitch

You're not being serious with this, are you?

Alright, it feels correct, you can enchant any man with this view.

Ngh

ギョッ

If I do this to close your butt...

Hah

And open...

しゅん

You're getting a kick out of this, aren't you? You bastard~!!

That's good~ You're pretty feminine now.
Okay, pose!

Knock it off alrea...

A-Raah...

Hang in there~

You want to increase your girly power, don't you?

Ah! Fwah!

H-HOLD IT, STOP!!

Let me rest a little bit!!

Cum

!!!

This is bad...

Oh~... You came hard...

My hand is totally drenched.

Umm... Are you... okay in there, miss?

it even
more~?

I don't think you need my advice anymore.

How about we wrap this up already?

Ah, sorry... I got carried away again.

I want to look cute.

Where did she learn that technique!?

HERE →

H- Hey!

We're done here, didn't you hear me?

So hot...

You might be right.

Be- cause...

I probably don't need you to teach me anything else.

Did it feel good?

Men sure are something, just look at how wet you got me...

y- Yeah.

The person I love told me I was good enough as I was.

When I think about you changing...

You're asking why now, Rino-suke?

W-Why?

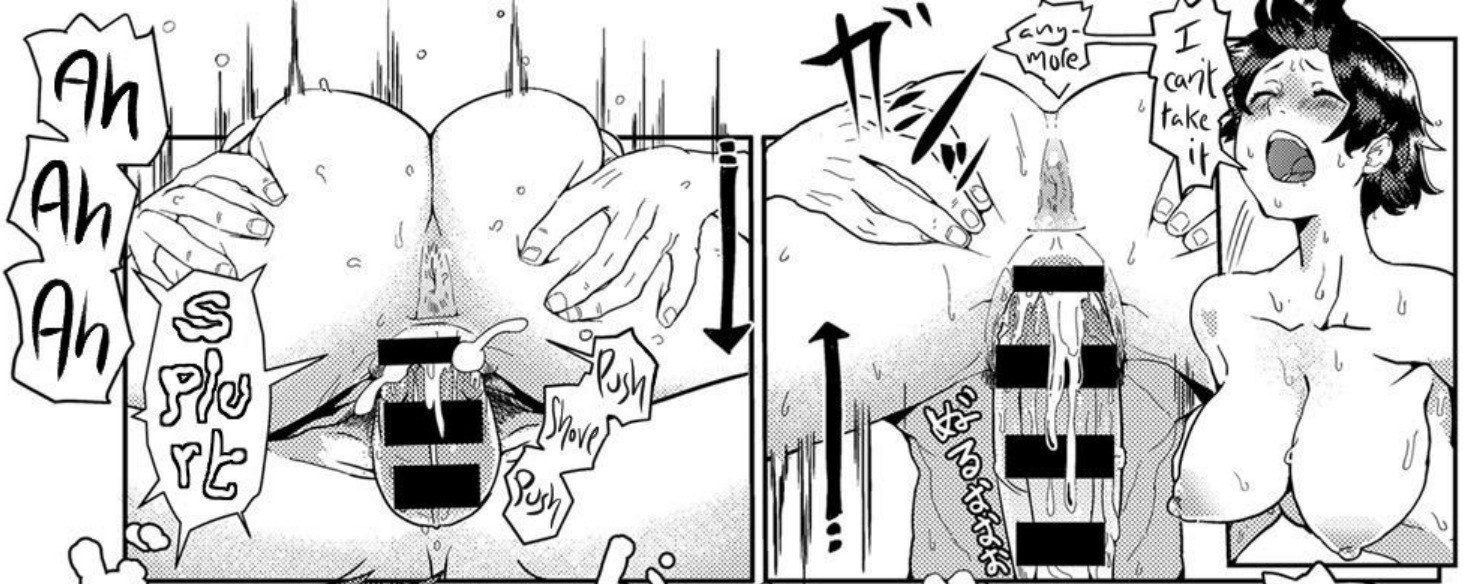

If you change and end up going somewhere else...

What would happen to me...

And I won't pull it out until it's shaped like my dick.

I'll pound your pussy all day long.

Ah

ドゥッ

ジュンジュン

Why?

You love me, don't you?

If you say that now...

I feel like I might lose my mind...

I love you...

I do... but...
