

A "girls-only
field trip"
has a nice
ring to it...

The artist
returns at
long last
with the first
yuri manga in
Comic Koh
history which
checks in at
30 pages.

Seventeen-year-
olds' purity
and lewdness
brought
to life in
Okinawa's
sweltering heat
makes the
beautiful flow-
ers bloom.

Hope you
enjoy it!

IT'S JUST,
SINCE WE
CAME ALL
THE WAY
OUT HERE
FOR THE
FIELD TRIP,
THIS MIGHT
BE BORING
FOR YOU...

OF
COURSE
NOT!!

HM?
ARE YOU
BOTHERED
THAT I'M
HERE?

I'M FINE
BY MYSELF,
SO YOU CAN
MEET UP
WITH THE
OTHERS,
YUKI.
