Sex is different from what I have been imagining.

...You mean, it's crappy?

...Huh?

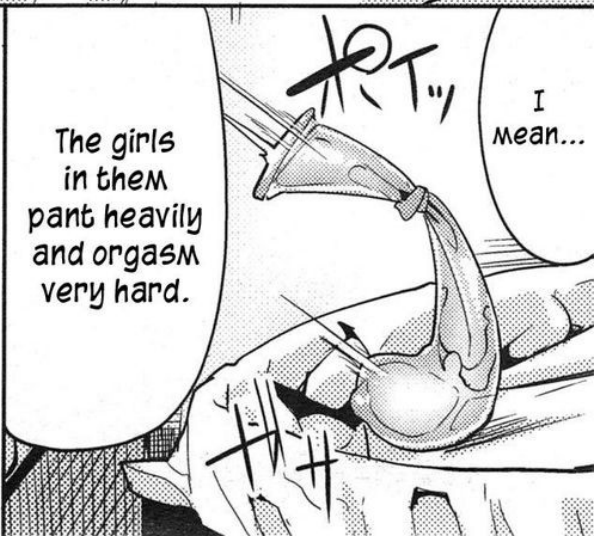

It's not crazy exciting like in erotic comics.

No, it's nice and it feels good when I cum, but...

For realies?!

...I think it's possible to achieve.

The girls in them pant heavily and orgasm very hard.

I mean...

ROGER!

Then, we'll do it the next weekend, okay?

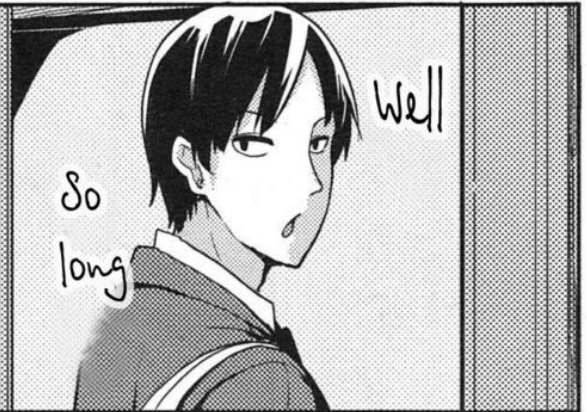

I'm gonna need some time to learn about it. Are you okay to try it out?

It's only a theory

Absolutely!

Bye-bye!!

So long

Well

You showed up early.

What's up with you?

And I'm going to make an o-face today!

I'm at my boyfriend's place!

Next weekend

...so

ホィ...

Did I forgot to tell you?

Ah.

Or you gonna use some toys?

フニク

So, whatcha gonna do? S&M?

Pourshio?

Hm?

フニク

We will work on your portio.

Uterus...?

So if we build up that area, you should feel much more pleasure.

フニク

Remember you talked about girls feeling good in erotic comics? That's where it happens, most likely.

The external orifice of the uterus has an erogenous area.

A blind-fold...

Put in on

Let's start, okay?

Eh?

Not really, no.

You said you'll work on the inside part.

Do I have to cover my eyes for that?

Eh...

Muh...!

Nh...!

You're wearing a blindfold.

So your tactile sense gets sharper.

Feeling more sensitive than usual?

Hya!

But...

It's true...

He's just stroking my body...

This feeling...

These small sensations are spreading through my skin.

I was impatient to the painful level...

...Hm?

You seem very wet already.

Were you looking that much forward to this?

Give me more.

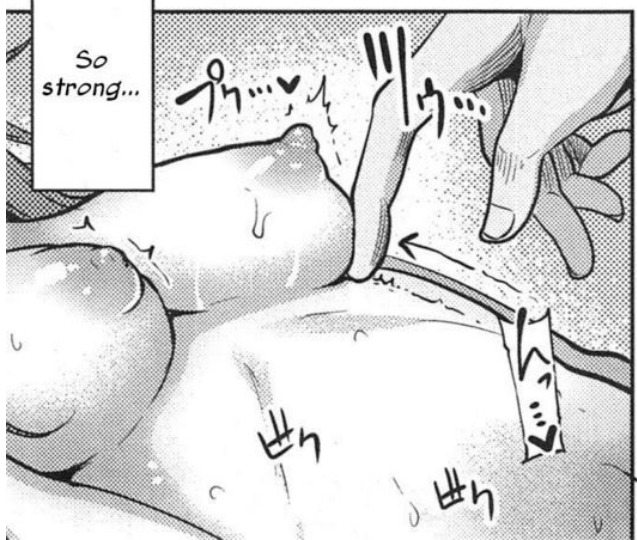

So strong.

It's important to become aroused.

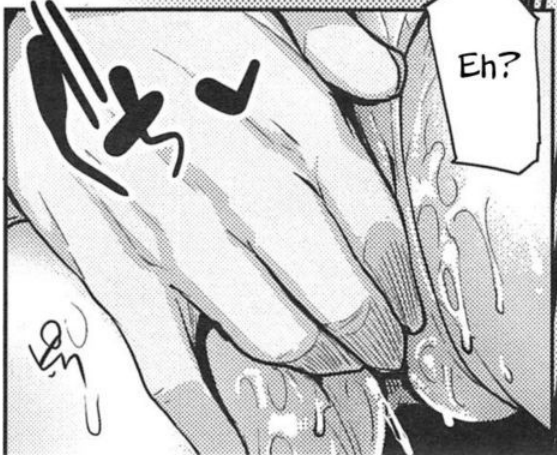

Well, that's good.

So strong...

I came so easily...

Eh?

Stroking  
 your uterus  
 like that  
 increases  
 the pleasure.

You can feel  
 the portio,  
 now that you  
 climaxed.

So, does it  
 feel good?

You can do  
 this method  
 on your own.  
 Lily  
 during  
 mastur-  
 bation

Eh...

Eh...

H!!

H!!

H!!

H!!

H!!

Eh...

Under-  
 stand.

Hm...  
 I don't really  
 get it, but  
 I'm starting  
 to feel it,  
 maybe?

Kind of  
 a pleasant  
 feeling,  
 I guess...?

Are  
 we  
 done?

It's  
 good  
 that  
 we've  
 got such  
 results  
 today.

Mh...  
I'll boil  
the water  
for you.

Yeah,  
thanks...

You'd  
want to  
wash off  
all the  
sweat.

Yes.  
Don't  
overwork  
yourself  
today.

So  
I have  
to wait  
till he's  
done?

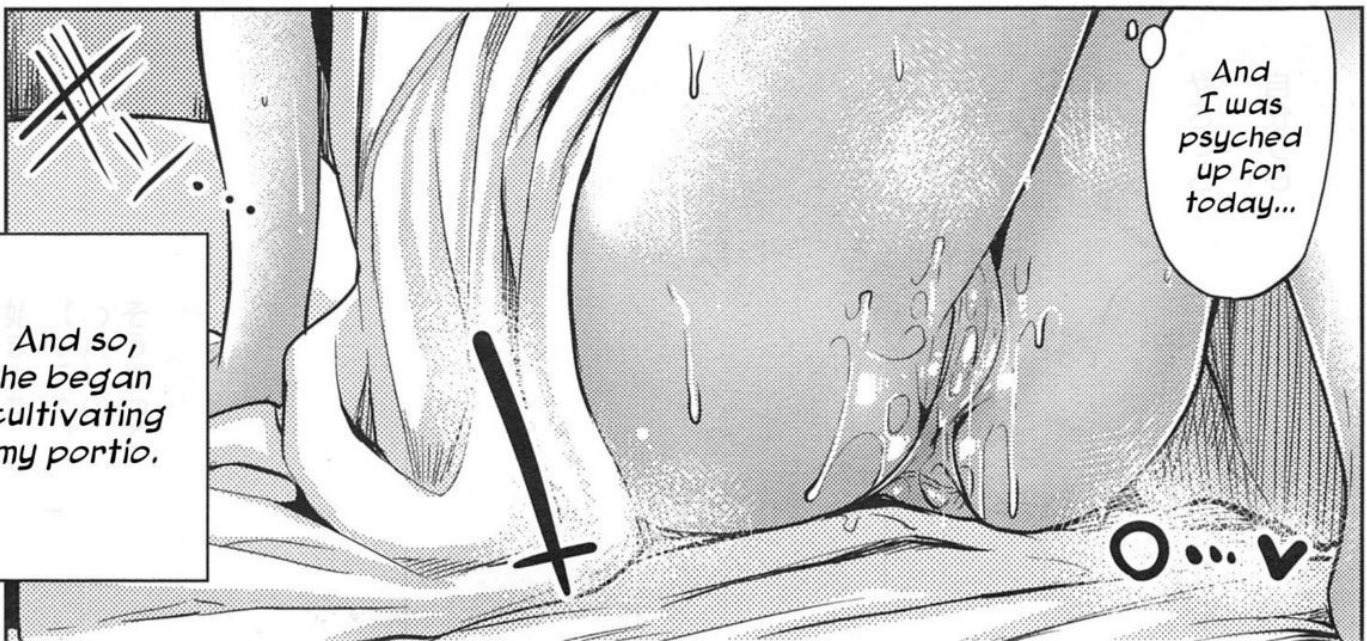

It will feel  
better when  
we're done  
with the  
cultivation,  
don't you  
agree?

Why?

Also,  
we'll  
have to  
put aside  
sex for  
some  
time.

And so,  
he began  
cultivating  
my portio.

And  
I was  
psyched  
up for  
today...

O... V

10th day of cultivation

It's getting much easier to feel.

I don't know

Mh!  
Mh!

I came?

Now only the portio.

Which spot is sensitive?

20th day of cultivation

Today we'll change it up.

...My butt?

The vibration will get to the uterus.

F2!!

L22

L22

It's good to have a big reaction.

Don't forget that feeling.

It can be done from behind.

Three times in a row.

Inside!

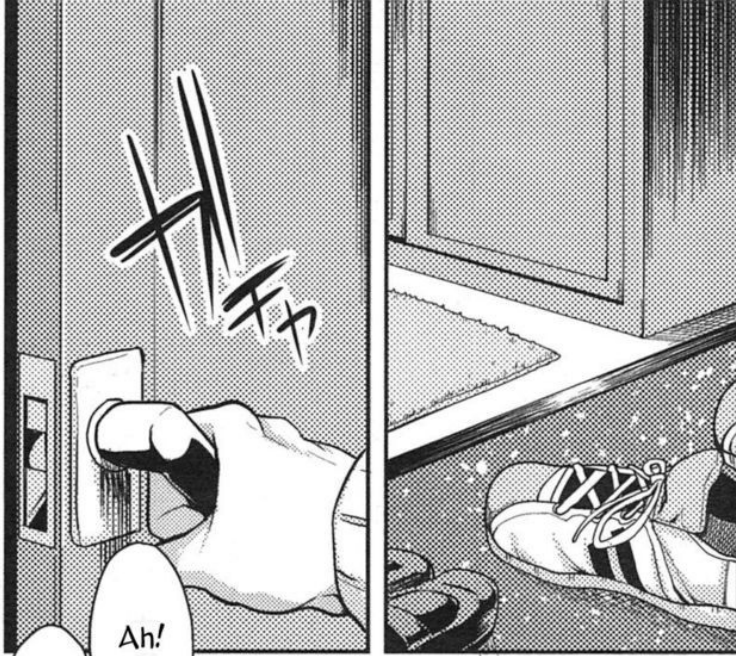

I felt it inside!

40th day of cultivation

Try one more time.

Okay!

Now, where do you feel the orgasm?

Ah!

Then...

You're late, Takeshi.

I'm going to cum in a bit.

I couldn't wait, so I started on my own.

Yeah. We've done enough.

We're doing it today, yes?

Mh!

Ah...

Ah!

All of our work will give you the most pleasure.

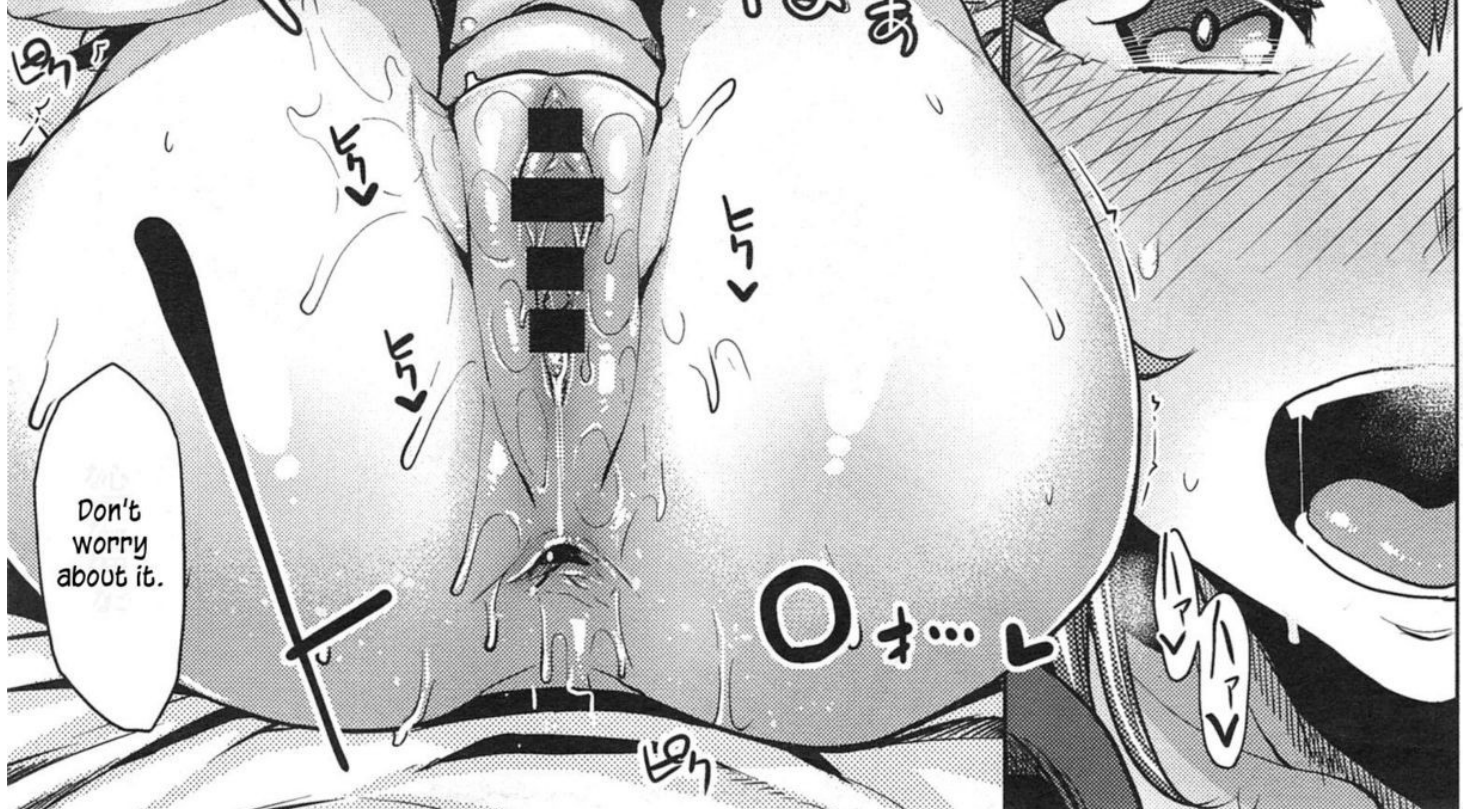

I had to wait for so long!

It's been a while, so don't even think about getting off early.

Aha...

Don't worry about it.

ん...ん

It's going in.

Ah!

I'm finally here.

Ha

Ha

I've prepared you!

As I suspected...

You came right after the insertion, didn't you?

I can even see your pee...

ちゅろろろ

I can't help it!

ちゅろろ

ちゅろろ

ちゅろろ

ちゅろろ

ちゅろろ

ちゅろろ

I came

No!

Inside, yet

It feels weird!

I Feel the next orgasm!

I didn't

My head feels weird!

You're tapping my belly!

My belly!

Stop!

It feels terrific!

I'm cumming again!

And now you're grabbing my hard tummy.

I just can't..

Miyu.

Your vagina is tight. Loosen it up!

I'm cumming again. I don't get it...

No way-

Gh...!

Ah...

Don't take it out.

Ha...!

Ha...

You haven't cream-pied me yet.

Hey...!

Do it properly.

I want Kenji's semen.

This is great!

AH

It's the best orgasm.

Miyu!

My hips don't stop.

Gh...

Your cock scrapes my uterus.

It's great.

Ha...  
Ha...

They don't stop.

My orgasms.

What do I do...?

Ke...  
nji

Another...  
one is  
coming...

Hey...  
How  
is...

Ah-  
  
Try to  
lay still  
and it will  
wear off...  
Just wait.

That was scary...

フム...

フム...

Well, maybe we shouldn't have such sex?

Chickened out

Didn't you know that would happen...?

Still!

You asked for it, remember?

What's with you?

.....  
No

You know what? Let's cultivate you this time!

フム

Guys don't have portio.

Ha Ha Ha

Don't even suggest that...

フム

But you have a prostate.

.....  
Huh?
