待望の再登場!!!!!!

This is a work of fiction, any relation with real people, organizations, or events is purely coincidental. This work also does not depict sexual intercourse with anyone below the age of eighteen.

G- Give it back...!

That's the last one!

If you really want melon bread so badly...

If you don't work for it, you don't get to eat!

I'm no good unless I start the week with a melon bread.

Idiot, I'm taking it BECAUSE it's the last one...

ガサツで男勝りな番長も  
コロコロとカラダはオンナナゴ

Why don't you go and buy it like everyone else!?

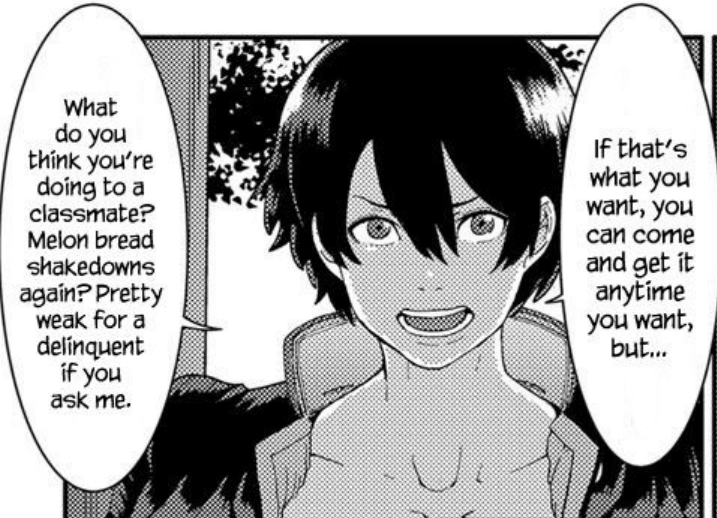

There should still be a lot of those...

How about you scam? And don't come back without a rusk at least.

Hold it!

What do you think you're doing to a classmate? Melon bread shakedowns again? Pretty weak for a delinquent if you ask me.

If that's what you want, you can come and get it anytime you want, but...

But you're like a moth running into the fire. I'm gonna beat you today once and for all, I'll be taking the place as the strongest in the whole school.

You again? So you patrol around during lunch break too, huh, Ainosuke? You have some real dedication there, good for you...

OF GETTING BULLIED BY ME!!

I'll have you know it's not the melon bread I like, I like bullying these weak pushovers!

And starting today, you'll get the honor...

The hell are you talking about, you flat board!?

Twist

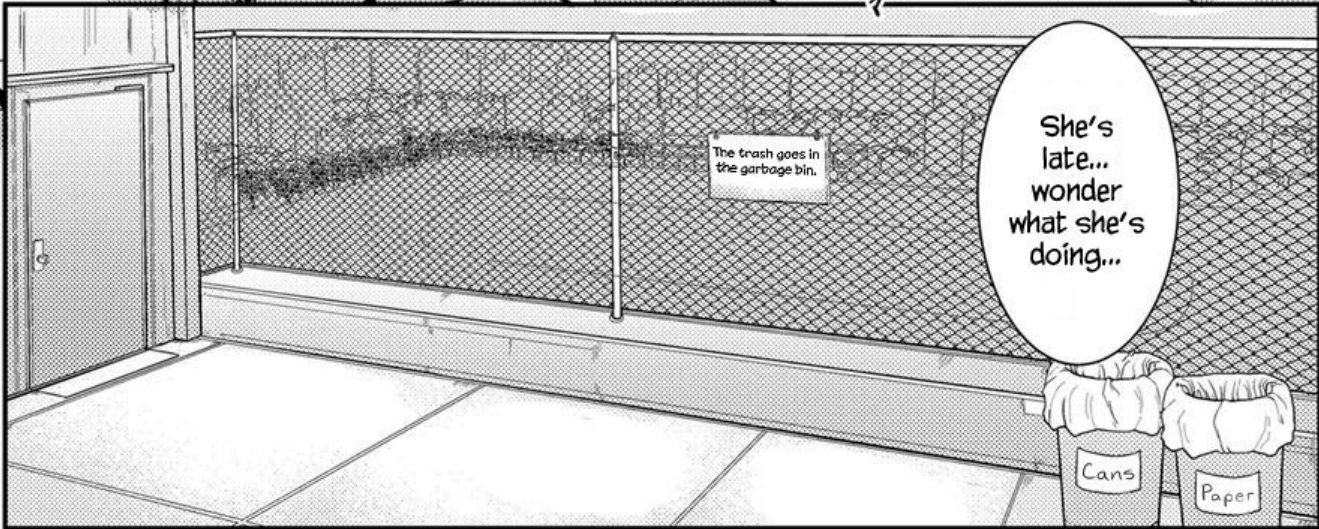

ON

The sewing club room is in the west building.

Also...

There's someone waiting for me, so I'll be going now. But don't go around picking on the little ones anymore.

The trash goes in the garbage bin.

She's late... wonder what she's doing...

You're late, Ainosuke~

I'm starving here.

Sorry for the wait, Kyuutarou!

We still have some time for lunch?

Oh

ガッ

The lunch break's almost over.

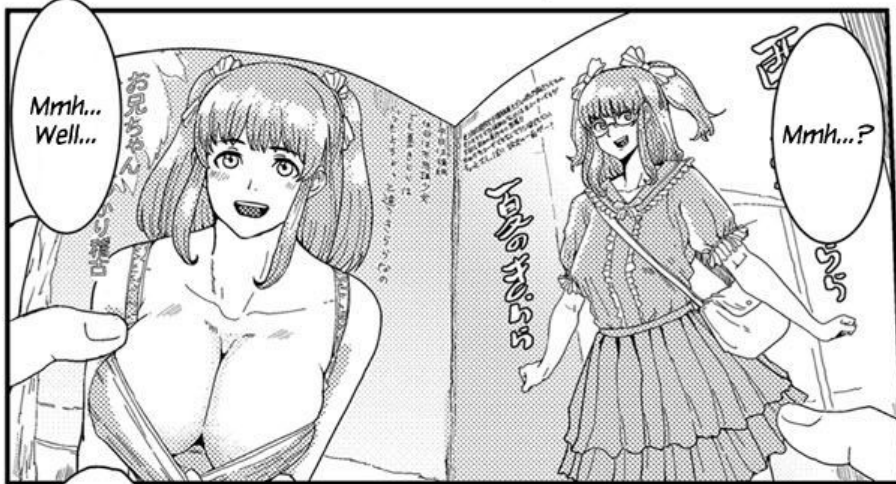

I couldn't help it.

Shaddup.

You're really not feminine at all, are you?

And here I was thinking it was odd for you to take so long to buy some bread.

Rah? Did you get into a fight again?

Mmh... Well...

Mmh...?

And what about that feminine thing you said just now, you like that kind of thing?

...

What's with this!/?

H-Hey.

She's just as she looks, a rough girl without a hint of grace to her.

Yeah... All men do, right?

You have a pretty lame taste, don't you?

All fluttery and stuff?

Do you like girls like these?

This girl is Kikuma Ainosuke, my childhood friend.

She starts snapping at me when this topic gets brought up lately. Is the woman inside of her trying to come out of her or something?

But...

No, I saw her as nothing but a boy. I never even thought of her as a girl.

I've been catching the ball since I was six years old.

We've always been inseparable, not that I'm particularly happy about that, but it's been that way since a long time ago. She hung around us boys all the time despite being a girl, so she turned rough and boyish.

Morning, Kyuutarou!

Next day  
Morning.

Mmh?

Isn't that the same as the one from yesterday?!

To increase your girly power, you have to wear the bloomers first.

Girls used to wear this in every school across the country. This is a symbol of women.

That's the most important part about bloomers.

Bloomers are difficult!

Without the proper feeling, it becomes a simple cosplay!

The hell are you doing, idiot!?

It tickles but...

Isn't this enough?

To run and jump around...

And then it would dig into the skin and...

The wrinkles on it feel nice, this is good...

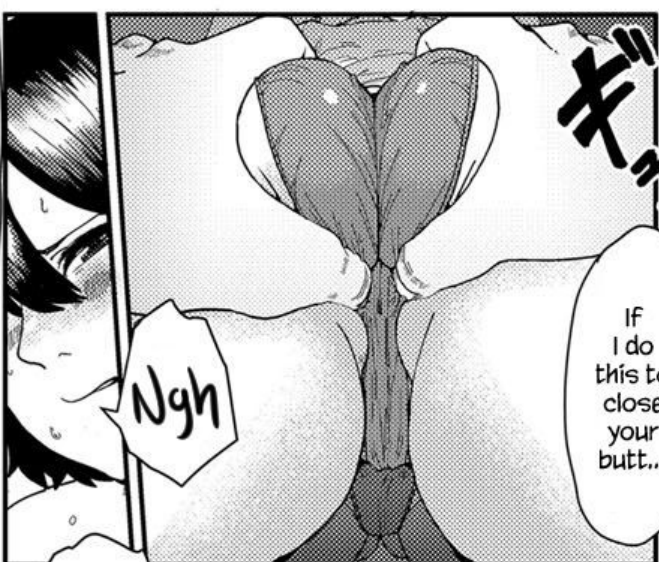

Ngh!?

Twitch

You're not being serious with this, are you?

Alright, it feels correct, you can enchant any man with this view.

Ngh

If I do this to close your butt...

Hah

And open...

You're getting a kick out of this, aren't you? You bastard~!!

That's good~ You're pretty feminine now.  
Okay, pose!

I wouldn't mind teaching you if you're up for it- So?

That won't do, you won't be able to satisfy anyone with that kind of size.

DID YOU PEEP ON ME OR SOMETHING? YOU CREEP!

Swimsuit style is important.

But your fifth grader boobs would fool even a real school boy into thinking you're one of them.

But rest assured! I know of a way to make your boobs larger.

Do you think so?

Of course I am...

My boobs are not pretty or anything...

Don't stare so much.

Are you embarrassed?

Are these perhaps...?

Mph

You were worried about these cuties?

See?

They came out to play.

I'll have to massage along the areolae like this for it to work. This will improve the blood circulation and make your boobs grow bigger.

Aren't... you just making this all up...!?

Hah

Knock it off already...

A-Raah...

Hang in there~

You want to increase your girly power, don't you?

Ah! Fwah!

H-HOLD IT, STOP!!

Let me rest a little bit!!

Cum!!!

This is bad...

Oh... You came hard...

My hand is totally drenched.

Crap!

Umm... Are you... okay in there, miss?

Wai...  
Rino-  
suke?

Fuck  
the  
shower!  
Let's do  
it like  
this!

What's  
up all  
of a  
sudden!?

Why are  
you hard  
already!?

Hey!

And  
it's  
kinda  
wet,  
what's  
up with  
this!?

W-  
Well,  
you  
see...

ん

You did  
nothing  
but make  
fun of  
me the  
whole  
time.

So you're  
fired  
up...

Eh...

Is  
that  
so?

E-  
Excited?

Eh...

It  
gets  
like  
this  
when  
I'm ex-  
cited...

Did I  
excite  
you  
before?

And  
you  
were  
like  
this all  
along?  
Mmh~

What  
will  
happen  
if I  
touch  
it even  
more~?

...

I don't think you need my advice anymore.

How about we wrap this up already?

Ah, sorry... I got carried away again.

I want to look cute.

Where did she learn that technique!?!  
HERE →

H- Hey!

So hot...

We're done here, didn't you hear me?

You might be right.

Did it feel good?

Men are something, just look at how wet you got me...

The person I love told me I was good enough as I was.

Be- cause...

I probably don't need you to teach me anything else.

Y- Yeah.

When I think about you changing...

You're asking why now, Ainosuke?

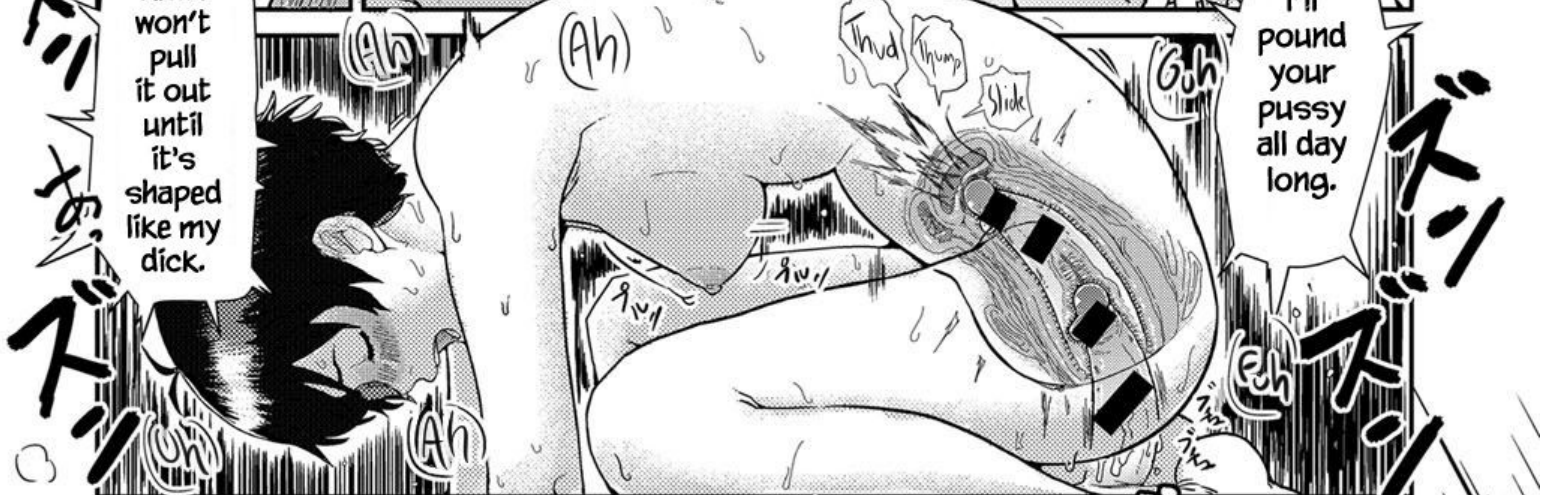

If you change and end up going somewhere else...

What would happen to me...

W-Why?

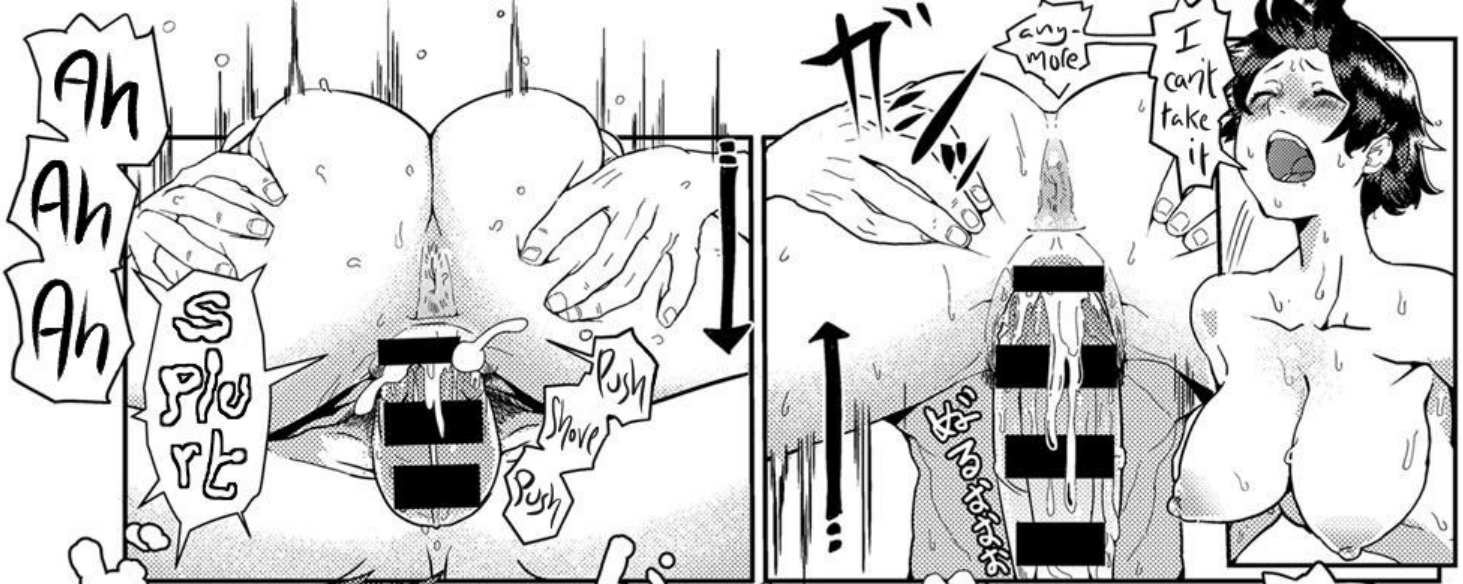

And I won't pull it out until it's shaped like my dick.

I'll pound your pussy all day long.

Too rough...

Wah... Wah...

R...  
Also...  
Room service...  
Plea...

We'd like an extension...

Yes...  
Yes

And water...  
Thank you...

And...  
Some...  
Spaghetti aglio e olio...  
For two...

Let's marry.

When that happens...

Right after our graduation.

Stop that, at a time like this...

let me rest

We're gonna make a baby...

Kyaah!?

Ai-chan ♡

No... more like I just wanted it to...

I have a bad feeling.

The next day, everyday life went completely back to normal.

Why you... The hell do you think you're doing all of a sudden!?

But I'm glad... It's the same good old Aino-suke...

Ugh... The jewels are foul play...

She sure is fast to pick up a fight!

Save it for after-school, okay?

Damn it...

If you wanna do that kind of thing...

It seems like things will be a bit different from now on.

Hey, what was that just now?

Idiot!

It seems like...
