STORY**

---

32 years old. A former receptionist of a big name foreign company. Married a 44-year old man that she met at work 6 years ago and became a full-time housewife. She wants to hurry up and have kids, but because of her husband's many business trips, they're often apart. To distract herself from her loneliness, she often invites her nephews who live in the neighborhood over, but...

AND BECAUSE WE JUST REALLY LOVE HER.

WE'RE HERE, YURI-SAN!

Originally I was gonna make this about a neat, short-haired housewife, but I decided to make two smaller works.

At first she was going to be a manager that gets trained by her boss, then I thought to maybe make her a wealthy widow. In the drafts, her character went every which way. Finally I was like, "screw it, I'll just draw what I want". And that's how her final version came to be.

When she gets stressed she has a bad habit of taking it out on her employees, and because of that animosity between her and her employees arouses...

# AFTERWORD

Oda-non here!

Thank you very much for picking up this copy of  
"A Sexy Married woman and A Female Boss"!  
This is an original book that I've wanted to do for  
a long time now. How did you like it?

I chose two scenarios that I personally liked a lot  
and went with those, but because of that they were  
heavily biased, and ended up being a lot of  
breast-teasing (and nipple-teasing).

It's caused me to reflect a bit...

There's still a lot more stuff that I'd like to draw,  
and I'd love to be able to do something like this  
again for another book. That being the case, I'm  
still a novice at this, but when the time comes, it  
would make me very happy if you chose to pick it  
up. Thank you very much for purchasing my work!

The background of the entire page is a dense, light-colored illustration of various anime-style characters. They are depicted in a crowd-like arrangement, with some characters looking towards the viewer and others looking away. The style is reminiscent of manga or anime art, with detailed line work and expressive features. The overall color palette is a soft, dusty rose or light pink, which serves as the background for the text and other elements.
