This is a slightly dangerous
Yuri manga. I'd be delighted
if you can enjoy this.

Shinku & Haruka

ちゅーして!ヴァンパイアGirls♡

That kind of rumor pops up from time to time.

You're kidding, right? There's no way there are vampires here.

This is a missionary school

It seems it happens when you get bitten on the back of the neck.

This all-girls school has always had a legend about vampires...

The girl started losing strength and getting sick until she collapsed.

Stop it, it's too scary!

ST. STAR ALL GIRLS SCHOOL

When the girl that collapsed was found...

They say she was spotted fleeing the scene.

Eeeeh?

キーン...

You can't act like a child forever, you can't live your whole life feeding off your partner's blood!

You have to hunt on your own!

Create a distraction and use that time to attack.

Or slip some sleeping pills in their food.

The bite marks heal right away, you would never get caught normally!

Not getting found out is too hard! It's impossible!

You're just too slow, Haruka.

You can do it if you try, can't you?

Eeh...

Our family has attended this school for generations!

Stuffed full of nutrients, ripe for the taking! It's perfect for growing girls like us!

Just look at this magnificent bloodstained environment filled to the brim with maidens!

There's always such a delicious smell all over the place.

And we have inherited the demonic blood that only the girls in our family get.

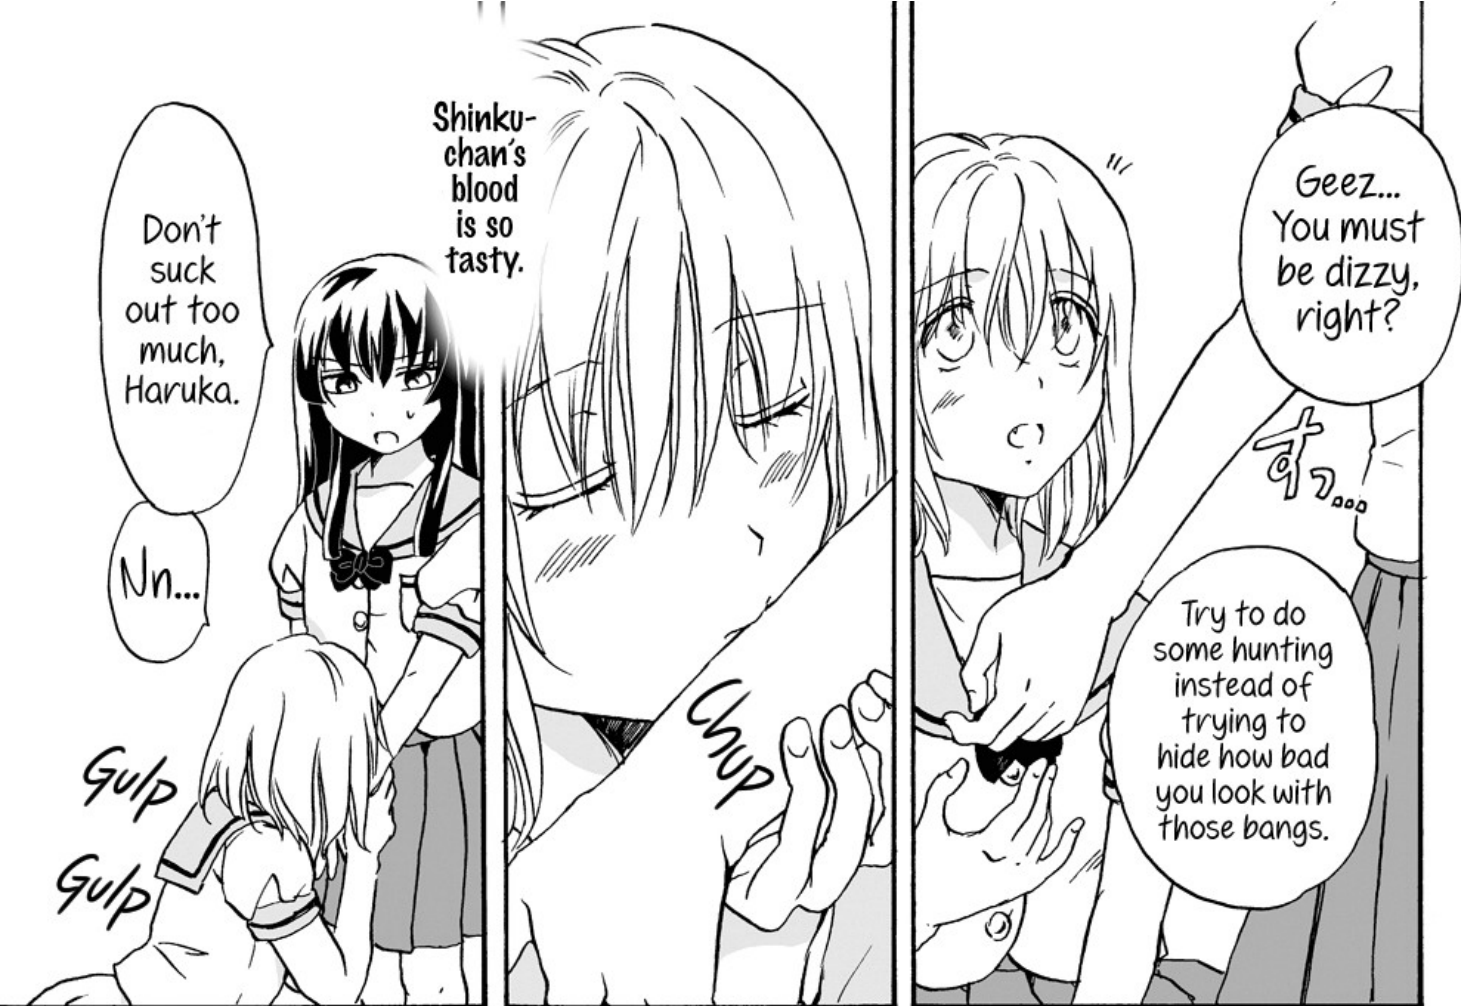

We don't need to fear the sun or any damned cross, we're just the same as any normal human being.

This is our destiny, Haruka.

But in order for us to keep living, we need that precious blood.

Uuh...

In exchange, we get strong bodies and long life spans.

Now... It's hunting time.

Junko-san.

Shinku-san?

トキキミ♡

To be honest, I don't care about drinking blood if it's not Shinku-chan's.

The fact that's not enough to sustain me is...

Would you like to come with me for a bit?

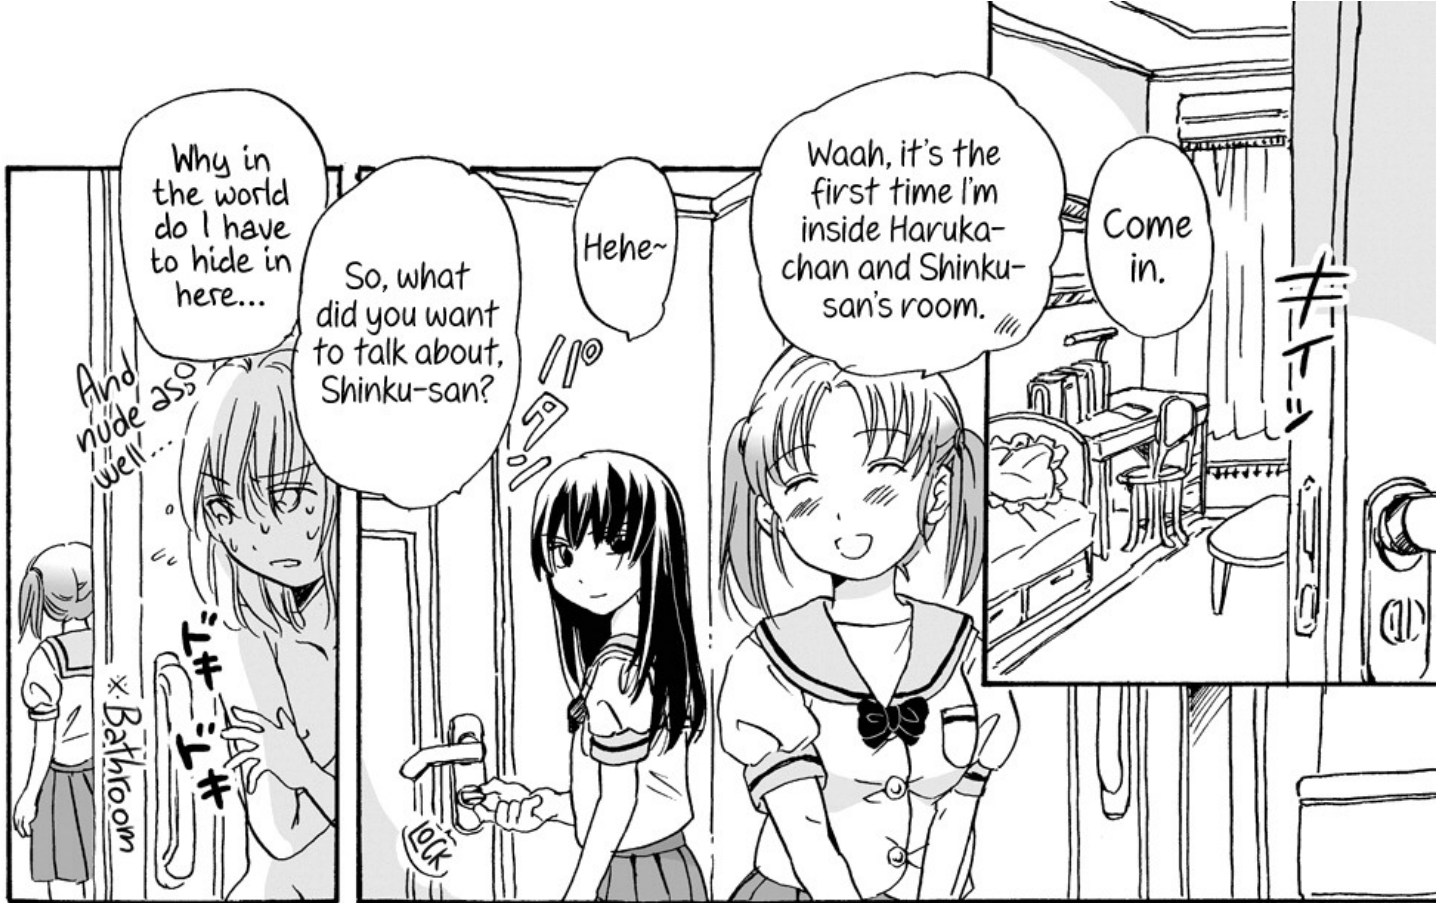

Her words might be harsh, but she's really kind.

Shinku-chan really looks after me and cares about my problems.

We'll live together forever.

It'd be a problem for me if you weren't doing well.

Why in the world do I have to hide in here...

And nude well...
