That's quite far. How reckless...

You walked here?

Hah~~

I survived..

Could you tell me what happened between you guys?

Erm.....

Mmm...

I heard you ran away from home.

Yuzaku was worried so he called me.

Because I didn't have anywhere else to go!

And I didn't take any money with me, and...

Ah... You're a victim of his sex craziness too.

Once, I was sleeping like a log and Tomo-senpai shaved my pubic hair out with my razor. I was so mad the next day...

\*sigh\*~ I think I can guess.

That evil senpai pranked you and took it too far, right?

Anyway,

The reason why I ran away today... was because I was so embarrassed to see you, and I didn't know what to do...

It's all a blur in my mind, so--

I don't want to move out.

Yuzaku- Actually senpai

Eh?  
:

Because, I think...

...maybe... I've had feelings for you for a while now.

what you've said makes me feel so relieved.

RungsitX Bara/Yaoi Translation

Yuzaku-senpai... I like you too...

I don't know if what Tomo-senpai did is pushing me to say this,

Jinichi--

And now...  
I still  
don't  
know...

or  
understand  
what  
I'm  
doing..

Ugh

Ah...

RungsitX Bara/Yaoi Translation

Doing  
this  
much  
for me..

I'm  
so glad...  
Thank you!

Jinichi...

How dare you celebrate without me?

RungsitX Bara/Yaoi Translation

Yuzaku... I thought you were straight, and ...you're the bottom... I see...

Wha...!?!  
Ah...  
Ugh...

I was trying to call you to apologize and I was going to treat you guys to a meal when Jin came back.

But, what the heck is this?

Ugh... H-How long have you been awake?!

You guys were shaking the walls from next door, how could I not know?

Let me join in...!

In that case :

I'm such a fool, and you punished me.

DARK NIGHT

Does it feel good?

Aaa!

Ohww!  
You're better at this than Shima-senpai.

Tomo-senpai...  
This position is...

Eh...!?

Like this, so we can all enjoy it.

# Rice from the Same Pot Character Design

Tamano-ii Jinsuke

Jinichiro's big brother,  
member of the  
football club. 170/70

He's the same age  
as Yuzaku and he's  
straight although some  
may not think so at first.  
He's also afraid of  
Tomo-senpai's sex-addiction.

Tamano-ii Jinichiro

Addicted to curry.  
20 years old. 165/82

Nipple hypersensitivity.

Actually had some sex experience  
with his girlfriend. (from highschool)

The origin of his surname TAMANOII  
is a Japanese god's artifact.

RungsitX Bara/Yaoi Translation

Tsurugi Yuzaku

180/115/25

First design was a wrestling fitness coach.

Very good at cooking.

Usually plays in an attacking position  
in his team because of his huge body.

Very little experience with sex

Can't control himself well when he gets angry.

Half of his kanji surname also comes  
from a god's artifact mixed with  
another half meaning "the origin".

## Kagami Tomohiro

172/85/26

He's straight.  
He's attracted to women  
and has never seen himself as gay.  
(Although he's very unlucky  
when looking for a girlfriend)  
But because of sexual experiences  
with his senior club at university,  
he ends up being bisexual.  
He can have sex with men  
Though he hates kissing.

His surname also comes from  
one of three god's artifact.  
(T/L note : Sorry, these parts about  
their kanji surnames are too in-depth for  
me to describe.)

RungsiX Bara/Yaoi Translation

## Mogami Shima

180/115/27

Rugby team captain

He only bottoms.

Lives moving from town to town,  
sometimes coming back to Tokyo.

When creating Rice from the Same Pot,  
I tried to name him after the theme of god,  
like the others. At first I named him "Homogami"  
but it looked so sketchy. It's took a week for me  
to come up with the top three and finally it  
ended up being "Mogami". However, the  
name has no opportunity to appear in this work: #orz

# Afterword

---

Hello, I'm SUV.

[The Same Pot] series has finally come to an end.

I was actually planning to draw it as one shot doujin,

but it came out as 4 chapters. I have to thank every reader who has been following from the beginning to the very last chapter.

Although their story has finished, their life "in the same pot" will continue.

It may take more time for Jinichi to decide on anything clearly,

but whatever the future may be, I guess his senpai roommates will support him along the way to a happy life.

See you again next work!

SUV

T/L note : See after story in my page, coming soon!
