

二人の関係は永遠に

[プラスペルシカ] by 大塚子虎

He thought their relation would continue unchanged forever.

Weren't you always happy when she used to come over from next door?

Aren't you a little too talkative today, mum!?

SHUSH!

since he's had your picture on his desk ever since he was a little kid.

Wahaha! This brat definitely knows how old you are

AHHH!

As I thought, having a family around is the best. ♡

How nostalgic. It's so lively here.

I'll make sure your smile is only mine!

I want to remodel my room so I asked your mum if I could borrow you because I don't have any male help. ♡

I've heard you're so busy with work that you only come back home to sleep.

What were you talking about with that old hag?

フツ

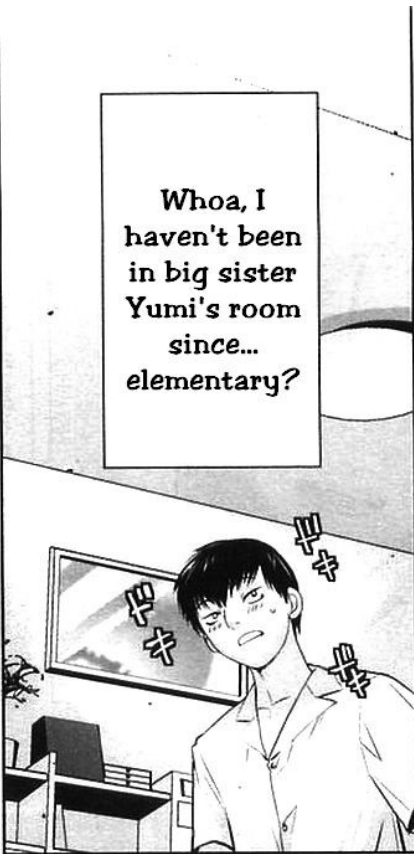

Messy, isn't it?

Give me a sec.

キ

フ

Whoa, I haven't been in big sister Yumi's room since... elementary?

フキ

Please excuse the intrusion.

Come

**WHOOOOOOH!**  
Big sister Yumi's panties ... Score!

AH!

Eh?

I thought I'd give marriage hunting a try.

Well... Actually ...

You see, I'm already 33. I want to catch a woman's happiness before it's too late. ♡

By the way, why the remodeling? This room suits you just fine.

Sorry. I slipped.

AHEM

She's going to get married!?

Isn't your expression a bit dark?

Mmm? Why the scary face?

Some silly age gap is nothing compared to the regret I'd feel knowing you're with someone else!

So that I can show myself as a man to you!

I've waited forever ...

Wha-wha-wha-

Why are you confessing!?

I'm graduating high school in half a year. Once I graduate, I can finally stand on equal footing with the adults.
