

Aww, c'mon inspector.

Do you have any idea what kind of hell you raised going out on your own like that?! 25 people were injured!!

Hattori Detective Office

You bastard! If you don't clean up your act, I'm gonna hafta take you in!!

My name's Kazuma Hattori, I'm an ex-mercenary. I saw some action over in Cyprus, Mozambique, and Afghanistan.

Don't get all hot and bothered like that.
Would you like some tea?

...it's kinda hard getting that skill set understood around here.

Huh? This is supposed to be really good for you.

Why the hell are you putting snake's blood in the tea?!

When I had to give up being a mercenary, I chose to put my survival skills and close quarter combat tactics to use by becoming a private detective, but...

Why should I do that? Everyone can see what I did for themselves.

Hey...

Ha ha ha! The damage report...

Anyway, you'll be arrested if you don't hurry up and turn in your damage report! You gotta grow the hell up!!

...and the rent for this office isn't cheap, right?

Although, I *will* lose the client fees if I keep hitting the clients...

Please come again~

Fine! Hell if I care!!
SLAM!

Hello, Mr. Detective.

Huh?

.....

That's right. I should really try to be more like a detective after all...

Can I be your assistant?

So, Mr. Detective ...

The name's Maki Kobayashi. I came in when the inspector was leaving just now. I'm here because I want to become a detective's assistant.

Uh... Who--

I'm [redacted] teen, and in middle school.

How old are you?

Ah! You're making fun of me!!

Hah...

All right, then...

Don't worry about it.

Hey! What are you--?!

Hup!

43

You idiot! Are you really trying to seduce me?!

You were a wuss up until middle school, which earned you the nickname "Pee Pants."

Mnnh...

Aha...

43

Wha?!

You're currently single. You were whacking off here just a little while ago, but the inspector interrupted when he came to yell at you.

You called a female officer "Mommy" while you were half asleep, and that's what made you stop being a mercenary.

You wet the bed until you were twelve, and you still call your mother "Mommy."

See? You're hard already.

W-Wait--

Well? It's all true, right?

What in the world are you?!

Of course you do.

I have no interest in doing it with a brat like you...

Aaah !!

!!

No way, there's too much.

Phah~

...What do you mean?

That's right. If you get undressed too, I'll show you something good.

W-We're gonna keep going?!

What are you spacing out for? We're just getting to the good part.

Huh?

It's something that can make you into a great detective.

Augh !!

Haah!

My pussy feels good, doesn't it?

God damn!
No kidding...
She's so tight!!

'Kay,
I'm gonna
start
moving.

It's filling up
my pussy all
the way.

Your dick
feels really
good too,
it's so big!

Whoa,
hold on!!
If you do it
like that,
I'll--

Ahn!!
Geez,

It already
feels really
good, so
just hold
on!!

Wait,
holy
crap,

Aah!
It's so
hot!!

Nngh!!

Ah!
Wait!!

I...
I can't,
I'm
coming!

Aw,
c'mon
!!

Hah...
Hah...

Aiiee!!

You little
brat!
Don't get
full of
yourself!!

SNAP

Why didn't
you hold it a
little more?
I could have
come, too.

H-Hey...
Don't be so...

Don't under-
estimate me,
I was called
"Mr. Perfect"
back in my
mercenary
days!!

Take my
Barrett!!

Haaaah
?!

Aah!
Oh my
god!!

It's pounding
deep inside
me!!

I-I'm
gonna
come!!

Hey hey!
We're just
getting
started
here!!

Eek!!

I'm gonna turn you over while my dick's still inside.

Aaaah !!

Rough enough for ya?!

Ah!

Oh my god!
I've never
had sex
like this
before!!

Ah!

Well, wouldn't it be better if you notify the police on your own then?

I can kinda get the same effect when I masturbate, but sex is the only way I get to use my full ability.

Aah! That felt sooo good!! My deductive powers really skyrocket after I orgasm. ♡

Oh...

...Is that how it is?

That's why an adult has to be the figurehead for this.

Don't be dumb. Even you thought I was just some ordinary kid at first, right?
