あおまと

People often teased us by calling us a couple.

We had practically the same classes during elementary and middle school.

We were always together back when we were little.

Misaki and I are childhood friends who live next door to each other.

She's not my wife.

That reminds me, your wife has gotten pretty cute lately.

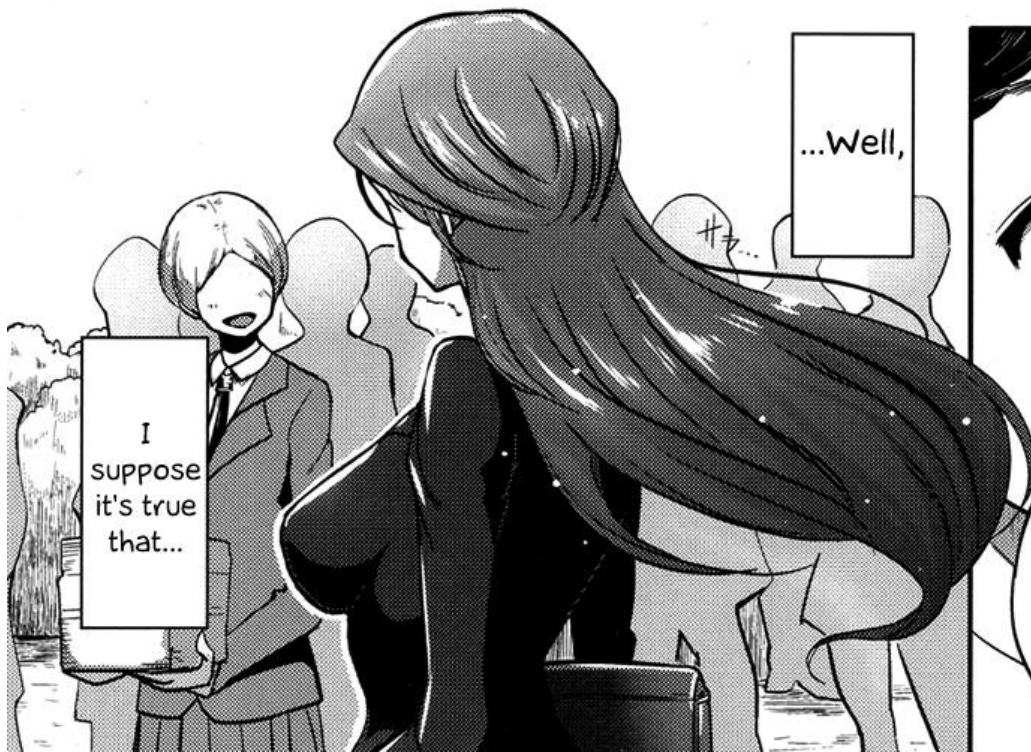

The other two guys get pretty jealous, you know. But you are always together.

My parents are on vacation.

What's up, Riku? I'm surprised to see you eating only bread today.

Yo.

I suppose it's true that...

...Well,

you've never made a single move on her.

Just look at her. I'm really surprised that despite having such a hot childhood friend,

Senpai, where should I take this to?

Oh, that should go to the infirmary.

her body's gotten really developed lately...

Misaki, have you eaten lunch yet?

Not yet, I was just about to!

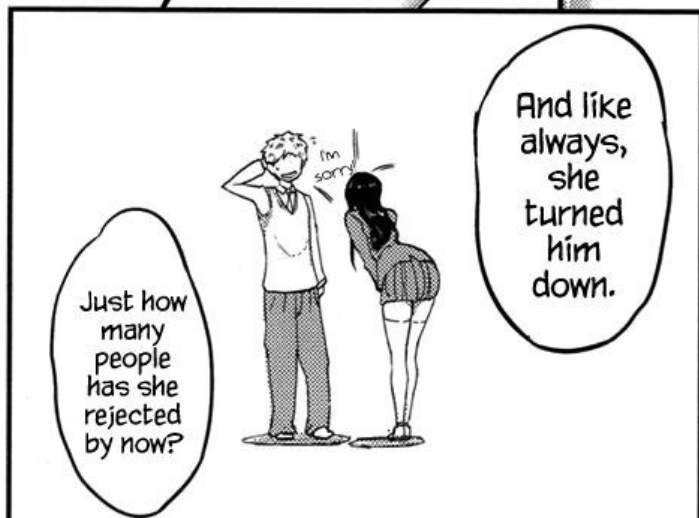

Seriously, Riku, I'm hella jealous.

...

You know, maybe she gets confessed to every day.

Just how many people has she rejected by now?

And like always, she turned him down.

Apparently, a stud confessed to her

not too long ago.

Wha-

Oh no!

ふん

I can't believe you!

You pervert!!

Riku! You saw that, didn't you!?

This was what my everyday life was like.

Just me, going through the day with this carefree atmosphere.

Why was I singled out?

Huh?

Shame on you

4

But I heard that...

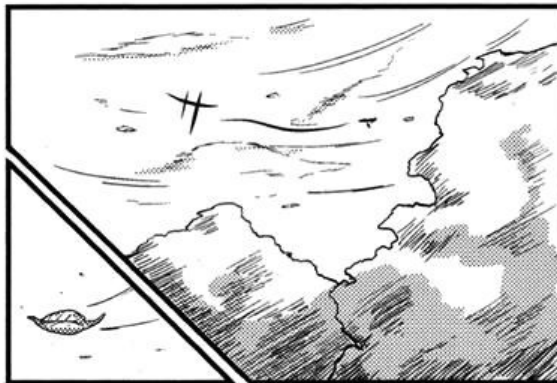

Oh, you're talking about Misaki-senpai, right?

I saw this really pretty girl working there.

Yeah.

By the way, you're one of the infirmary members, right?

And I thought those days would continue forever...

she's going to transfer soon.

so I probably won't be back for a while...

My dad's getting transferred to another department overseas,

I see...

So you heard about it.

Yeah, I'm going to be transferring soon.

It was kind of difficult for me...

I was going to tell you, but...

It's fall right now, so maybe in another half a year.

Hmm? Not for a little while.

When are you leaving?

We've known each other for so long, after all.

...Yeah.

so until then, let's just enjoy ourselves!
C'mon!

Well, we've still got another half a year together,

アソコ...

Do you know about the Seven Mysteries of this school?

Do you

Hey, Riku...

.....

And... one of them happens to be the infirmary!

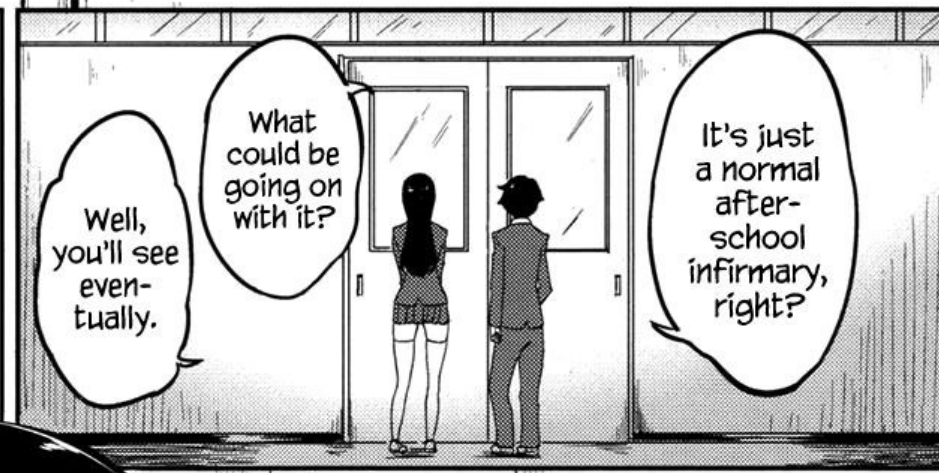

The classrooms, the clubrooms, the faculty members, the club activities... There are hidden mysteries about all kinds of things.

Our school, Haramine High, actually has a lot of rumors behind it.

Yep.

Seven Mysteries?

Uw ah !?

Hm...?

C'mon! Sit down!

Geez, quiet down.

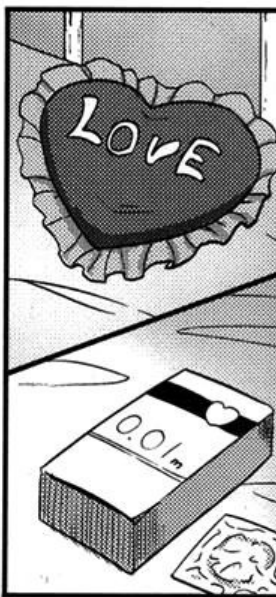

Love Realization

...And why are you undressing!?

Hey, what is this place...!?

Um...

LOVE

0.01

go on to have their love for each other last for the rest of their lifetime, according to the legend.

And the girls who end up becoming a couple with their loved one in this room...

to bring the boys they like to and confess their love.

For a while now, this room has been meant for girls in love

They're huge!

Here. ♡
Touch them directly.
♡

Riku.
♡
You're like a little kid.
♡

Don't blame me if I go too far!

What's going on here? ♡
You've made quite the tent. ♡

It's all hard.
♡

Okay.

I'm putting it in, Misaki.

Ahh...
I'm...

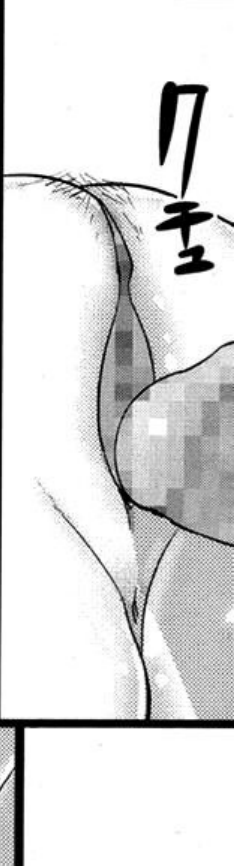

finally
doing it
with
Riku...
♥

I'm beco-
ming...

What's wrong? Keep going, Riku. Keep thrusting into me.

Hm?

Huh? Oh... Y-yeah.

Don't worry. You don't have to hold back.

feels way too good...

If I go too rough... I'll...!

I'm not holding back or anything.

It's just that your pussy...

only holds power for girls pure of heart.

But it could be that this infirmary's secret

It's true that there are all kinds of secrets behind this school...

The Seven Mysteries, huh...?

Aww!

Since it's occupied right now, I unfortunately can't lend it to a shameless excuse of a teacher like you.

And you're definitely not pure.

Dr. Misonoo! Is the room open?

Don't tell me you actually believe that.

That room is just a place to go at it. That stuff is just superstition.

Huh?

Do you think that the couples that bond with each other in that room stay together for the rest of their lives?

Geez...

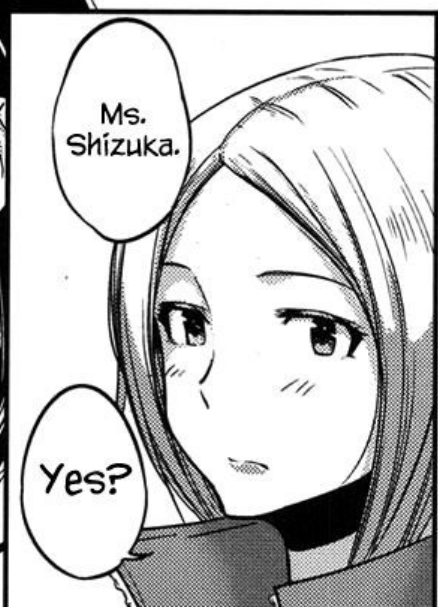

Sorry about that, just wait in the car for now. We'll go to a hotel.

Huh? Seriously!?

I haven't heard of any couples with mutual feelings that have broken up.

Hmm... Well, at the very least,

Ms. Shizuka.

Yes?

I thought
that we

always be
together.

Misaki
will be

of the half
a year
we had.
