あとがき

—と11月で特にオチもひねりもない
人妻本になりました。相変わらずの筆の
遅さでかなり白い内容になってしま
いましたが自分の好きな要素だけで
作ってみたので時間の余裕がない割に
楽しく描けました。皆さまにも楽しんで
貰えたなら幸いです…!

次回作は未定ですが未だに
口とかふたなりものも狙ってます。
同人では普段描かないものを…と
思っているんですが

普段描かないだけあって

1匹とすぐには描けないものですね
また今回の様なゆずいネタもいし
二次創作もやりたいしで
まだ描きたいモノはあるので
どこかしろで見つけた時には
宣しくお願いします。

Title : Urahon (Ura's book [Ura from author's name])
Artist : Yoshiura Kazuya
All works : TBW (thebestweeaboo.wordpress.com)

hello, this is tbw. this is my first work before
my work resume comeback with an acceptance.
I'm no english native nor japanese native, but I can
use both normally (for reading of course)
I know this TL of mine have so many grammatical
errors, but I can still understand most of kanjis
and the bunpos (Japanese alphabets and grammars),
so, it should be fine.
I hope all of you bear it with me. And if possible,
help me with the editing the grammars ^^
cheers
