Kiss Me Vampire Girls

-Sisters Party-

Summary

Two vampires hiding in an all-girls academy.
No teacher or student is safe from being preyed upon, in more than one sense.♡
But this time... they're in a tight spot...?

Character Introductions

Haruka // Vampire

Horrible grades, and her hunting abilities as a vampire are lacking as well. Doing badly in various subjects. A flatty. No matter what she says, she really loves Shinku-chan for looking out for her.

Shinku // Vampire

Haruka's cousin.
Excellent grades and looks, a girl that attracts every student and teacher with her alluring beauty. Flat-chest. Since she wants what she doesn't have, she's always looking for a nice pair of boobs to suck on.

Ayumu // Human

A junior that knows our two vampires' secret. She gives them her blood from time to time. She's a determined twintail busty cutie. She's really into pathetic "good-for-nothing" girls, and so, she loves Haruka.

Akane-sensei // Human

Homeroom Teacher. Her subject is Classical Literature. She sometimes gives Haruka and Shinku blood to drink. She's an earnest and serious teacher with a lewd chest.

Junko // Human

Haruka's and Shinku's classmate. She's a pure and kind girl that happens to be lewd.
A bit masochist.

Kanata // Vampire

Making a dashing debut! She's Haruka's older sister. She came to the academy mainly for her training to become a teacher, but...

Foreword

Thank you very much for picking up this book.

This is the fourth book of the **Vampire Girls Kiss Me** series, but every girl from the last 3 parts makes a sexy appearance.

The stories are not directly related, so you can read this even if you don't have the previous 3 books. And, I added them all in the character introduction to make it easier to understand as well.

Without further ado, please empty your head and enjoy the book, nothing would make me happier than that.

W-Who knows...
Don't tell me she studied chemistry in order to do this...
This jar... looks like Onee-sama made a pretty dangerous aphrodisiac...
WHOOSH
Kanata Special
Hmm...
Oh man, I did want to have some sex, but not drinking any blood afterwards sure makes it feel like something's missing.
Ah... the fog's clearing up.
I guess we couldn't help that, Kanata fed off them already before...
ぐたぁ…

We can blame it all on this.♡
But oh well...
Heher
I'll come back when I get my teacher's license!☆
Don't come back!
Don't mind me! Tee-hee!
Her training got canceled and she had to leave the school.
We dealt with the incident by blaming it on the medicine that Kanata dropped by "accident".
...All the girls involved in the gym incident fainted after the event.

They forgot the whole incident right away.
This is so odd...
It happened to you too, Senpai? I can't remember anything that happened that day...
Eh? You guys too?
But there didn't seem to be much damage besides some slight anemia and maybe a day or two in bed.
And it seemed the memory of the girls involved was hazy too.
I wonder if I'll get to see Kanata-sensei again someday...
ぼ～
Eh!? M-Me too!
The truth is, me too...
...But I kinda feel like I had a really dirty dream...

Aaaahn♡
Kanata's blood is not enough to fill my heart~!
What's that supposed to mean?
Hey, Haruka!
Don't stick to me so much!
You've been getting enough blood these days, you don't need to pester me about it, do you!?

Again with that nonsense...
Good grief...
カプ
I just need a little to wash her taste out of my mouth, okay?
Your blood is the most delicious, Shinku-chan.

We decided we would be lifelong partners, after all.
...That's obvious.

...Shinku-chan.
Thank you for choosing me over Kanata.

Yeah, sure, if you get a little better at hunting, I might like you a little bit more.
You're so mean!
I love you, Shinku-chan!
UuUuh!
Haruka... your fingers are moving so lewdly...
That's because it feels so good inside of you~!
Shut up!
Shinku-chan, don't! My finger's gonna slip out!
You're getting on my nerves already, I'll do you too!
Ah!

AH...!

What is it?! The window?
Don't tell me Kanata...

I'm just worried about you getting injured, you're human!
Don't treat me like a kid just because I'm your junior!
Hurry up and get in already, that's dangerous!
She remembered how to climb trees...
Let me join in too. ♡
I'll give you some of my blood later.
We're "friends", aren't we?

Giggle
The academy's vampires...
are hunting tonight as well.

Because that's...
what their prey wish for as well.
