"The elven ruler's heart has the power to make humans immortal."
Believing in such a nonsensical rumor, the humans invaded the elves' country, utterly destroying it.

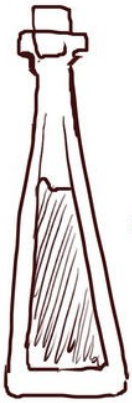
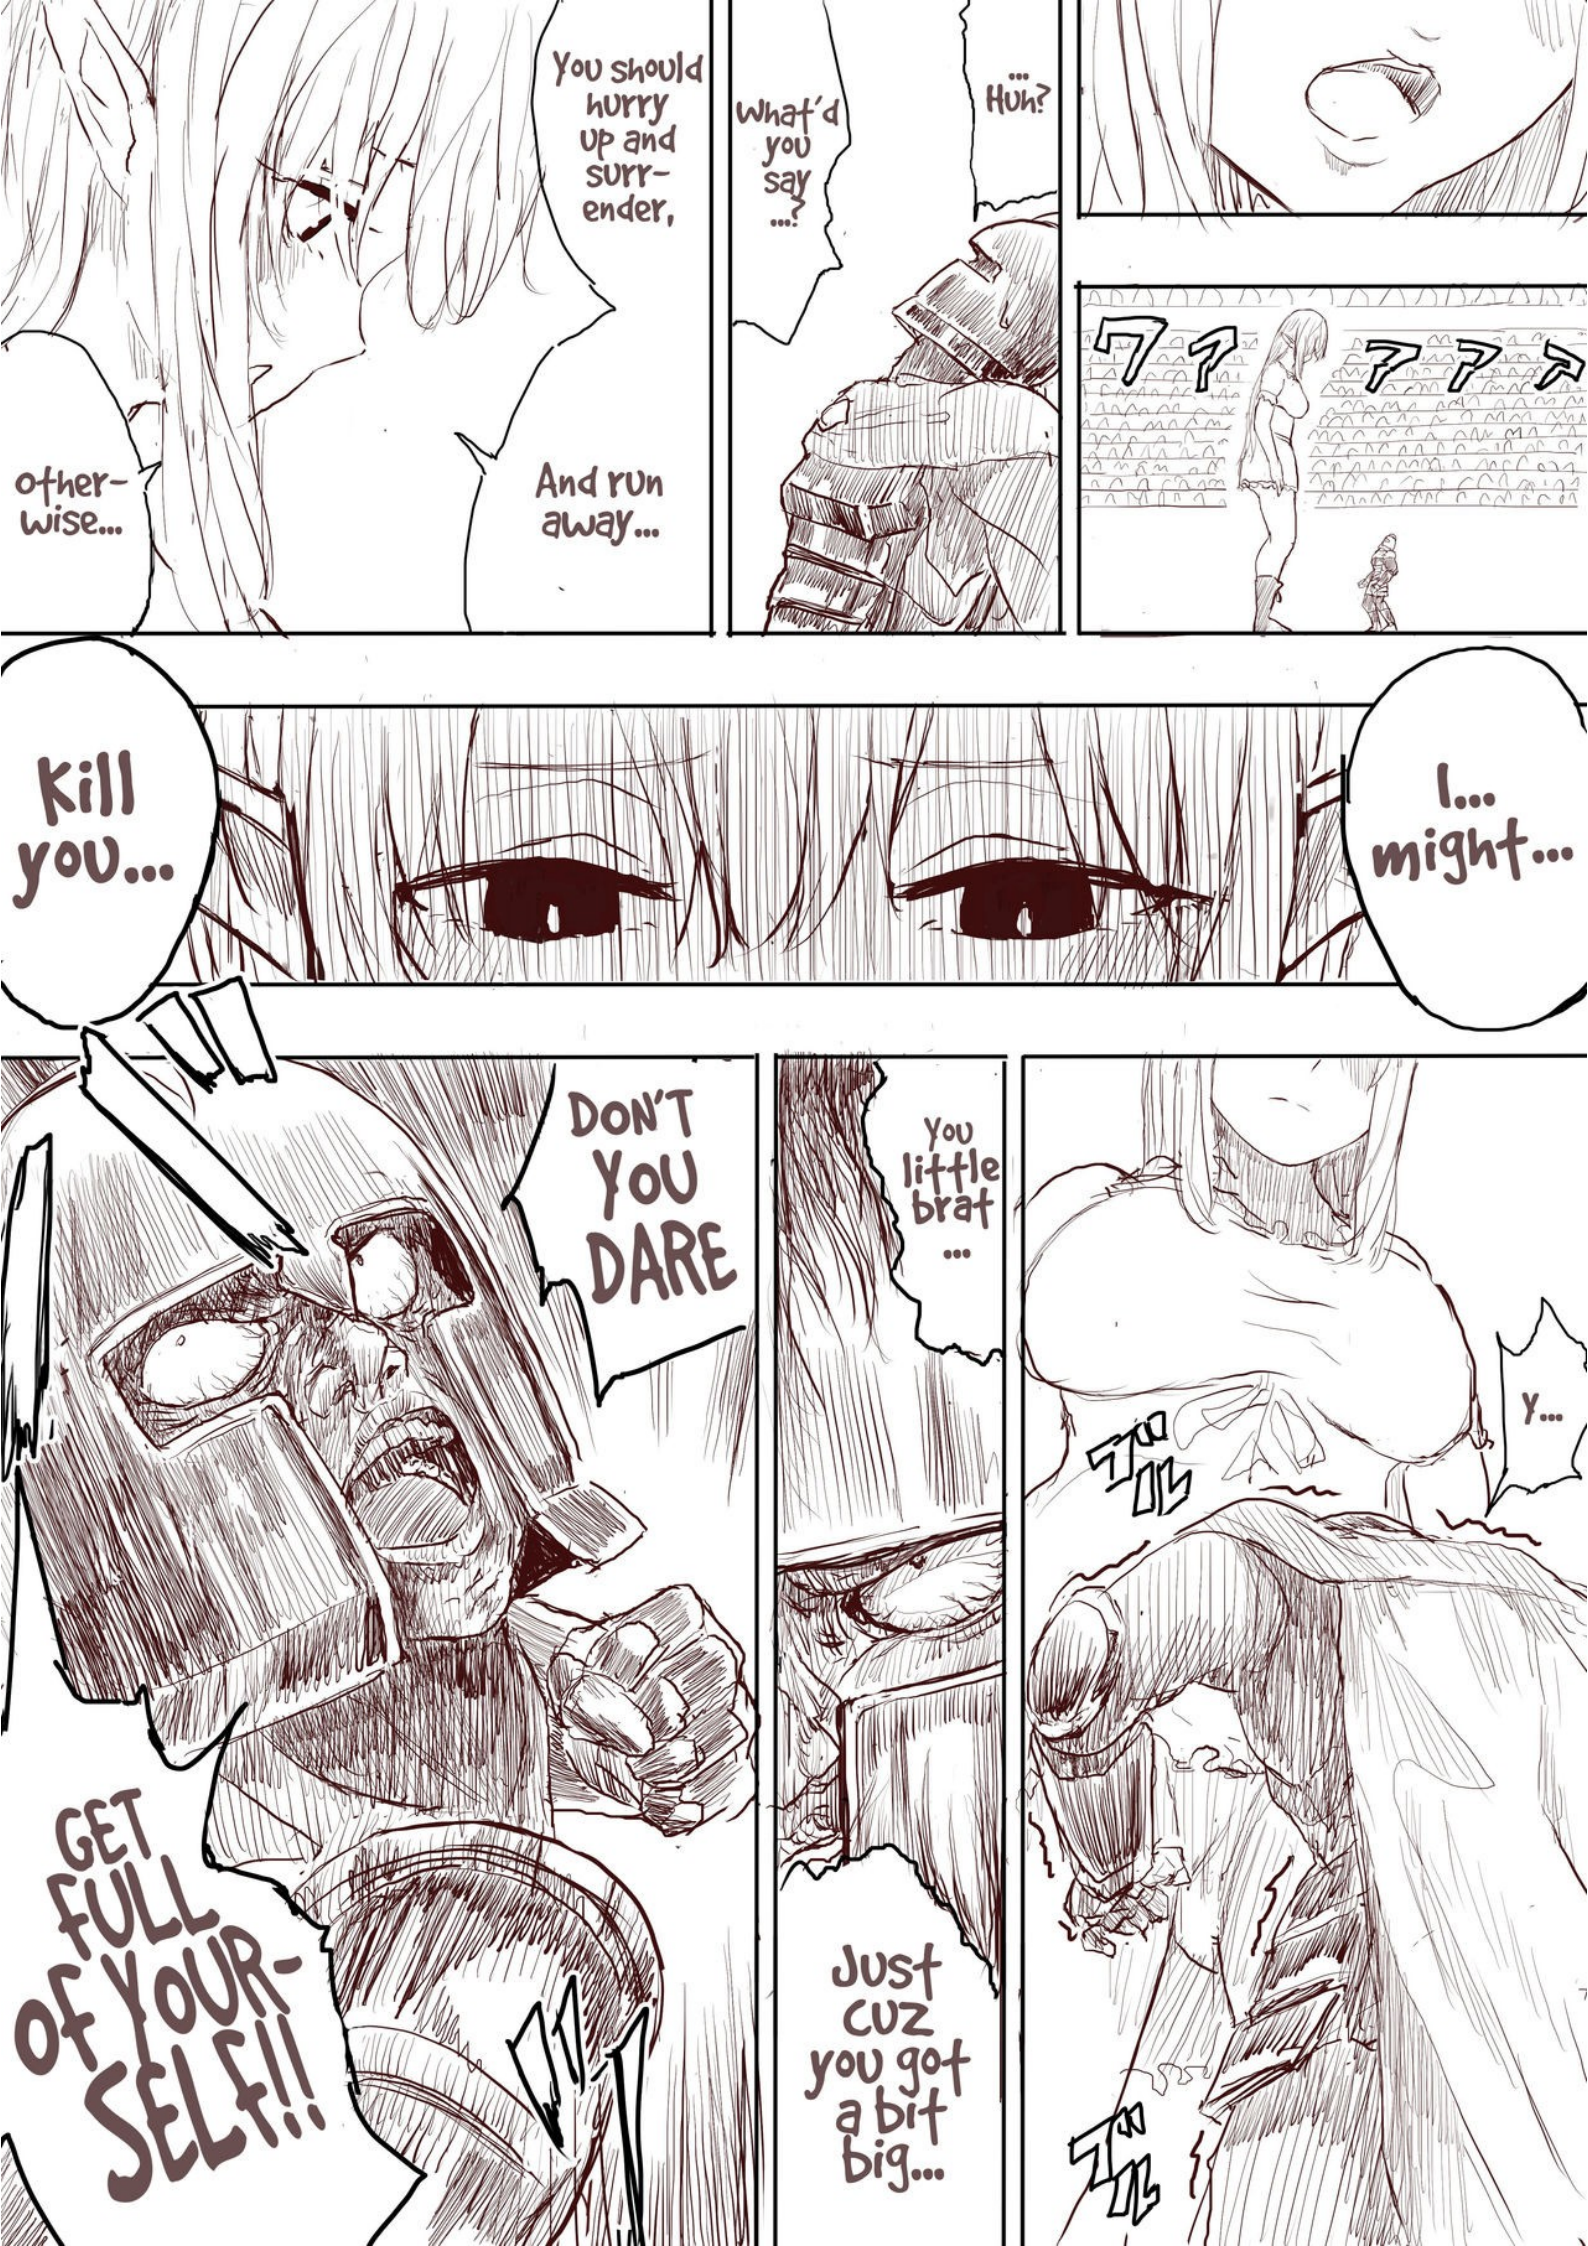
Some sort of potion



- Her body becomes stronger when she drinks it, and grows in size when her emotions explode.
- Loses her senses in occasional fits as a side effect.
- Side effects become stronger as she grows bigger.
- When her senses are lost, her pupils become wider.



You should hurry up and surrender,
otherwise...
And run away...
