Quick Translator's Note:

I've been a fan of sensei's work and was hoping someone would eventually translate it but since no one did, decided to do it myself, since I had nothing else better to do (=^=)"

That being said, the translations are really rough and might not be the most accurate to source with a bit of ad-lib here and there.

And because they are rough translations, I didn't translate the sound effects so feel free to use your imaginations for those lol

Anyways hope you enjoy the translations of this unique (?) manga/DJ ^^

健志 (たけし)

亮たちが可愛くしょうがないので
何をやらせてあげようか調教され
手くっつけた子と生好き
もともと距離感のつかい流されど...Fなの
誰にでもすぐおらせているふしあり
別に男でないかと「めげろけで」(まげろ。多分)
フー-ター-たがよく金をもらえるので?<
普通に食える。

勇太 (ゆうた)

健志のバイト先の後輩。一応学生
健志にあがっていた為呼び出されて
湊に調教されてしまった。
もともと男に興味あったが子どもには
特に興味はなかった。
が湊に呼び出されては好き勝手
させているらしい。
