MY COUSIN,

CAME OVER

Good

Her parents said they really appreciate your help.

Now, now. Your apartment's really big, isn't it?

Hey, I don't mind helping her look for one...

You don't mind, right, Tatsuya?

She'll get there tomorrow, so go pick her up from the station, kay?

But why does she have to stay over at my place in the meantime?!

Just help poor Reika-chan look for a good apartment.

Okay, thanks, bye!

Wait, what?! Mom?!

ME AND REIKA HAVE BEEN CLOSE SINCE WE WERE YOUNG, SO OUR PARENTS DECIDED FOR ME TO HELP HER FIND AN APARTMENT.

Yeah. Been a while.

How you doin'?

Tatsu-nii! It's been too long!

Hey-ho!

THE REASON WHY I WASN'T SO HOT ON THE IDEA AT FIRST...

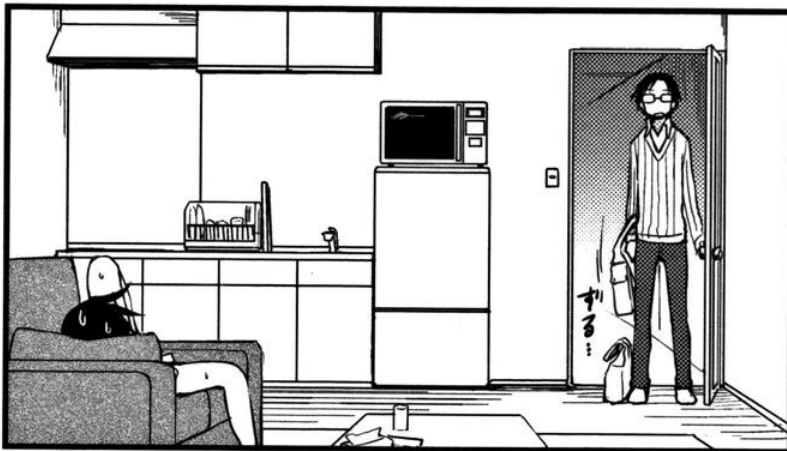

I WASN'T REALLY AGAINST LETTING HER STAY OVER...

BUT SOMETHING UNEXPECTED HAPPENED THAT MADE ME REGRET THE WHOLE THING.

IS BECAUSE REIKA CAN BE WILFUL AT TIMES, SO I HAD A FEELING THE SEARCH FOR THE APARTMENT WOULD GET ANNOYING.

Well, I guess some noise in my life every once in a while won't hurt...

It's because you keep walking around looking like that that I can't relax!

Wh-What? How should I know?

Why you...

Do you have any idea how hard it's been to hold back all this time...?!

And that's my fault...?

Of course it is!

I've told you so many times!

You should learn to act more like a normal-

Girl-?!

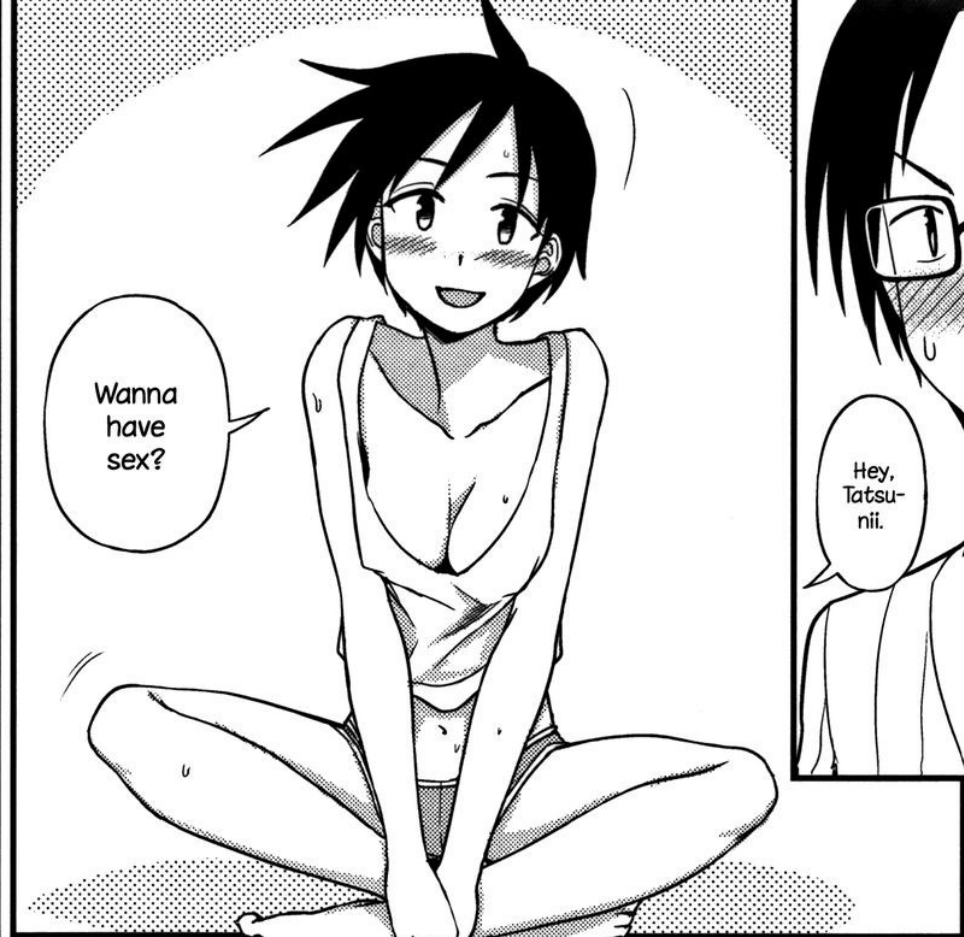

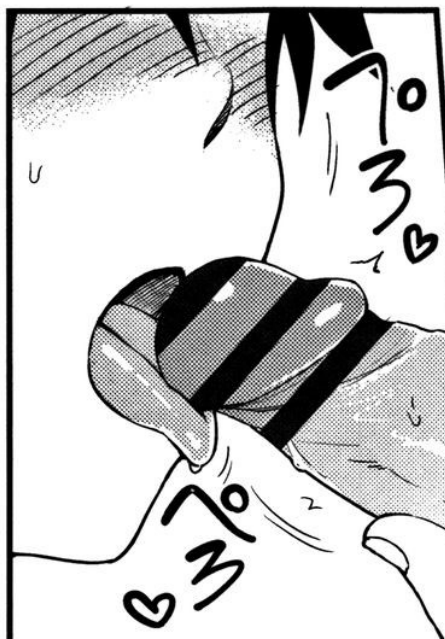

Weell... I was just a little interested...

What are you doing now?!

Yeah, you're hard... How about that.

I think some of it went up my nose...

It's kinda making me dizzy...

Ohh... wow...

My head's filled with the smell of cum...

Sorry... Hold still, I'll try to wipe it off...

So aren't you glad you get to have sex with me?

You're really... Grown up to be one lecherous woman...

I-I got those just in case... Mumble mumble...

Anyway, you were always staring at my body like a perv too, weren't you?

Look at this. You've even got condoms on you...

Thanks a bunch, Tatsunii!

We found me a dang good apartment, didn't we?

Alrighty! Thanks for everything!

Sure.

You just can't survive alone, after all.

I could maaaaybe drop by your place every once in a while-

My new apartment's really close by, sooo...

Well, don't you worry!

Yeah, right. As if.

Ohoho? What's this, now?

Could you possibly be sad to see me go? Will you be lonely?

Bye bye...

Guess I'll go on no lap...

Welp, see you again soon, Tatsunii! ♡

So you better be prepared for a wringing-out! ♡

And I'll make sure to squeeze you dry when I come over...
