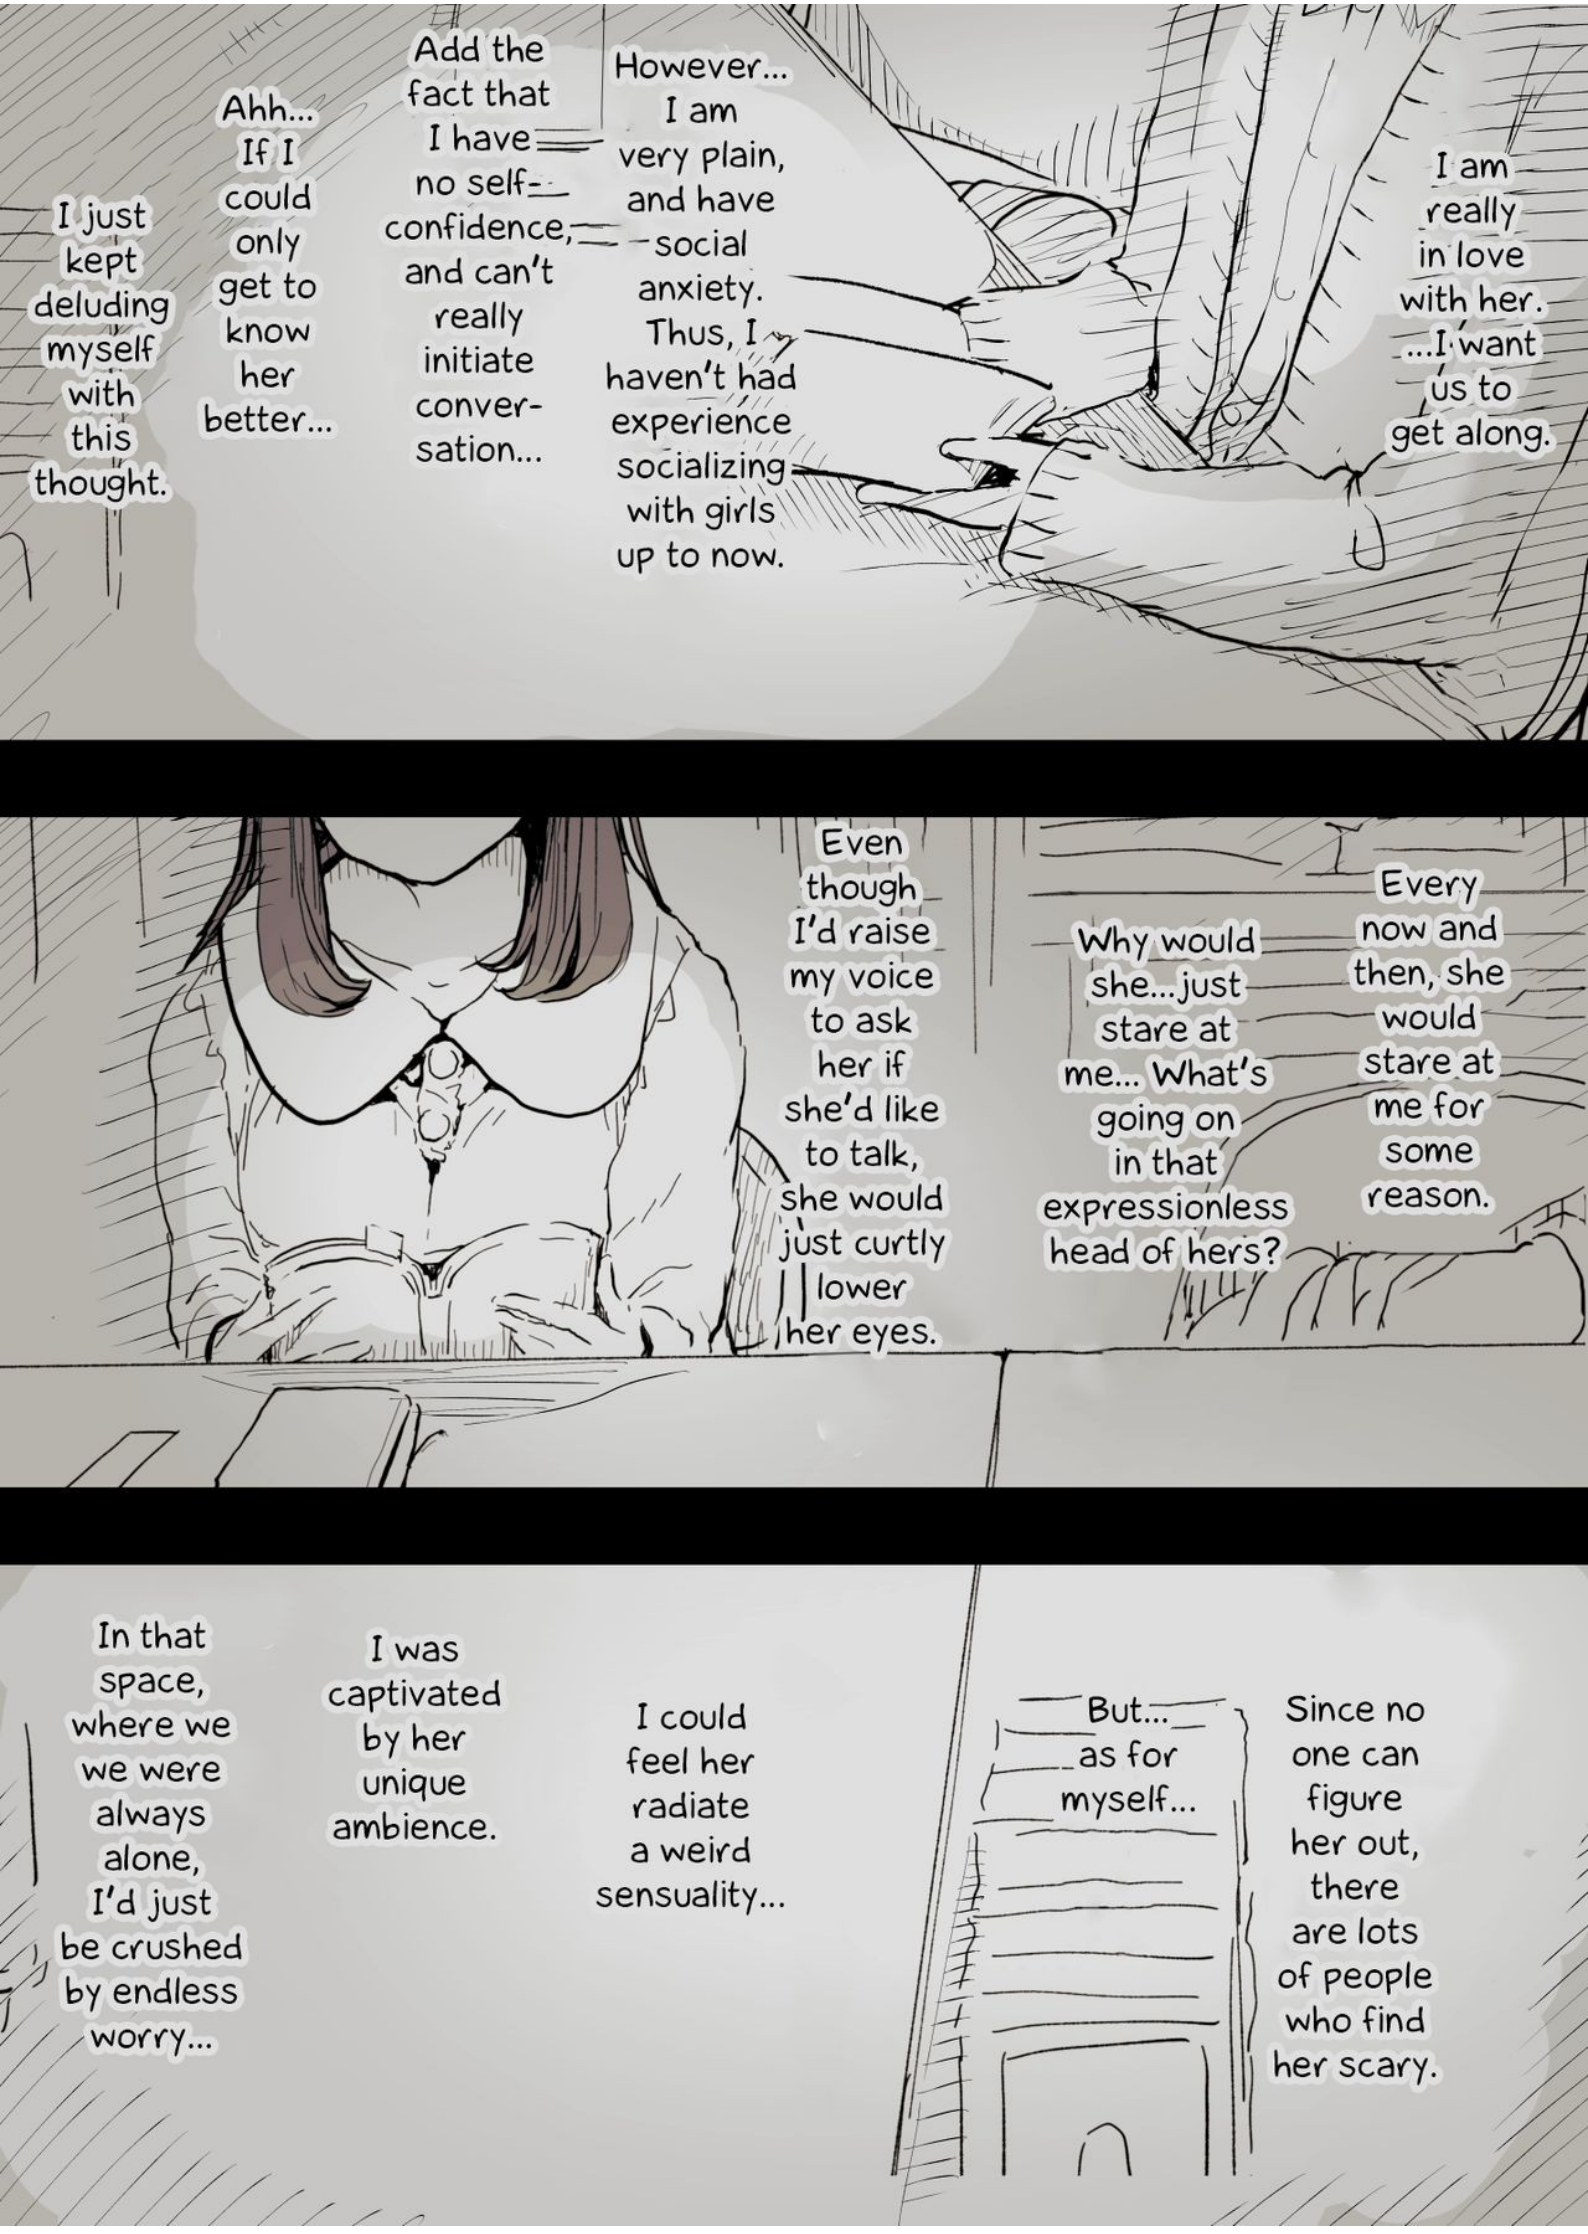
In the literature circle at my university, there's a female underclassman that has caught my eye.
She also likes books quite a lot, and just quietly sits and reads, so it often happens for us to be alone together.
I don't stand out either, and can't really fit in well with others, so as the years passed, I just read books in the clubroom.
She is rather silent and unemotive, and doesn't stand out a lot. An underclassman girl that has no presence...
She almost never opens her mouth or raises her head, so I never know what she's thinking.



I just kept deluding myself with this thought.
Ahh... If I could only get to know her better...
Add the fact that I have no self-confidence, and can't really initiate conversation...
However... I am very plain, and have social anxiety. Thus, I haven't had experience socializing with girls up to now.
I am really in love with her. ...I want us to get along.
Even though I'd raise my voice to ask her if she'd like to talk, she would just curtly lower her eyes.
Why would she... just stare at me... What's going on in that expressionless head of hers?
Every now and then, she would stare at me for some reason.
In that space, where we we were always alone, I'd just be crushed by endless worry...
I was captivated by her unique ambience.
I could feel her radiate a weird sensuality...
But... as for myself...
Since no one can figure her out, there are lots of people who find her scary.

I was nothing short of ecstatic.

That quiet girl... to invite me, and even for something like getting drinks...

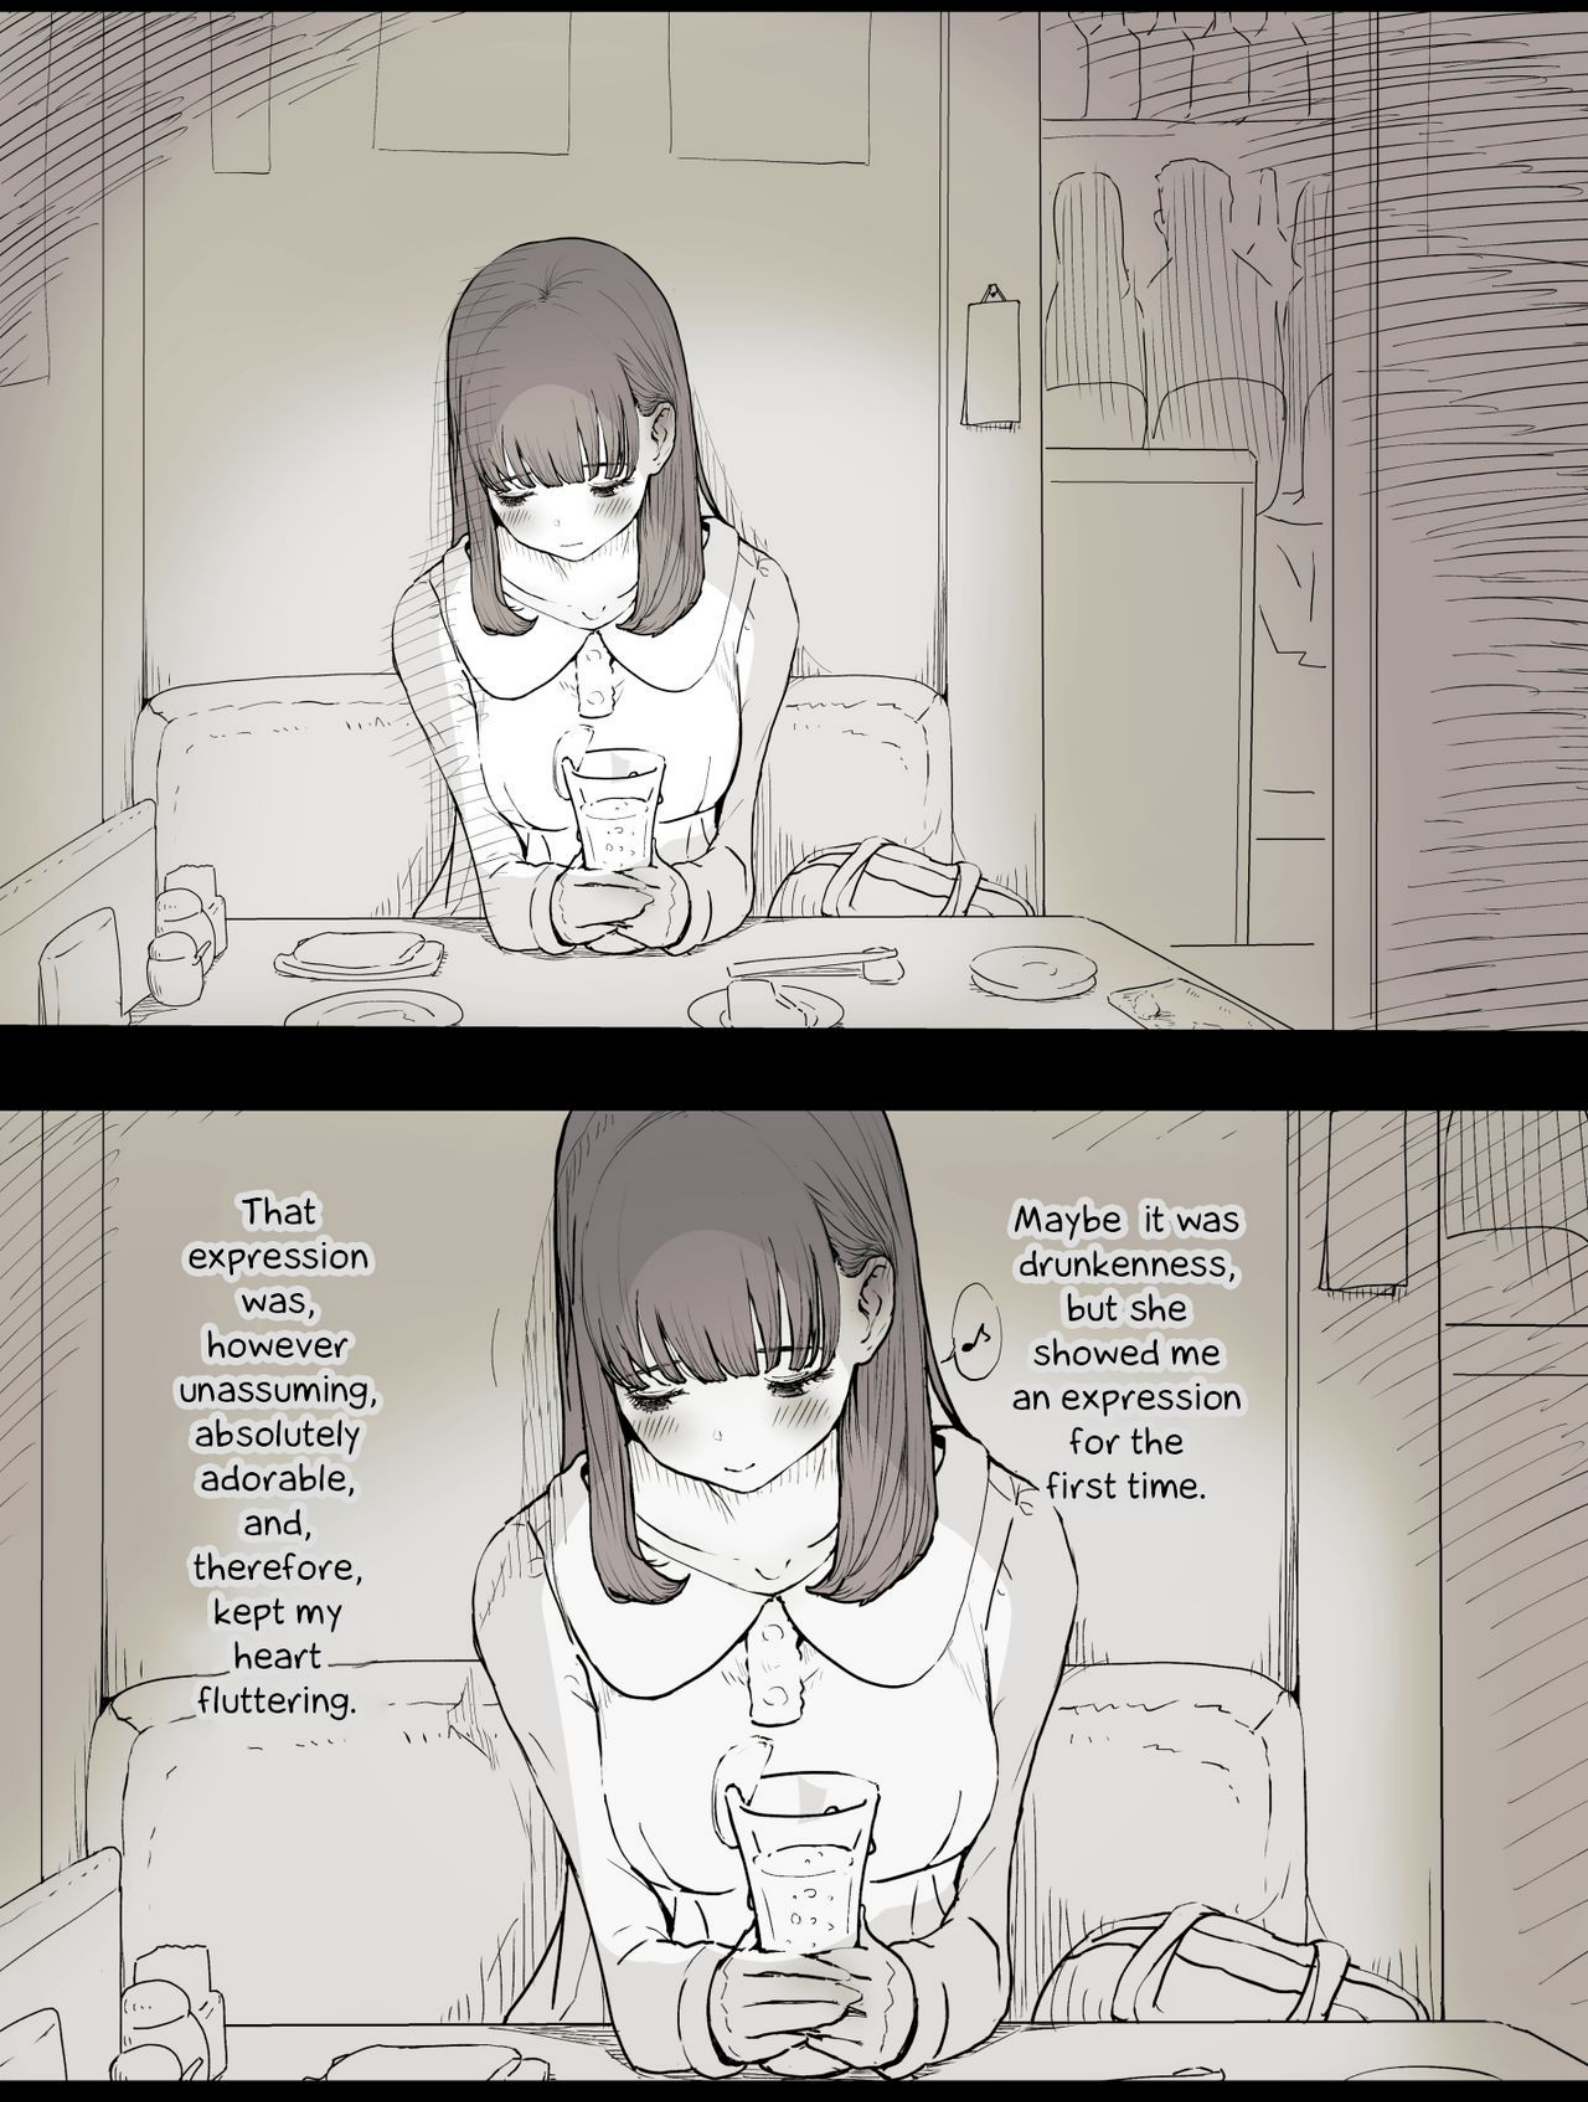
for whatever reason, she invited me out for a drink.

As those anguishing days slowly passed, one day,

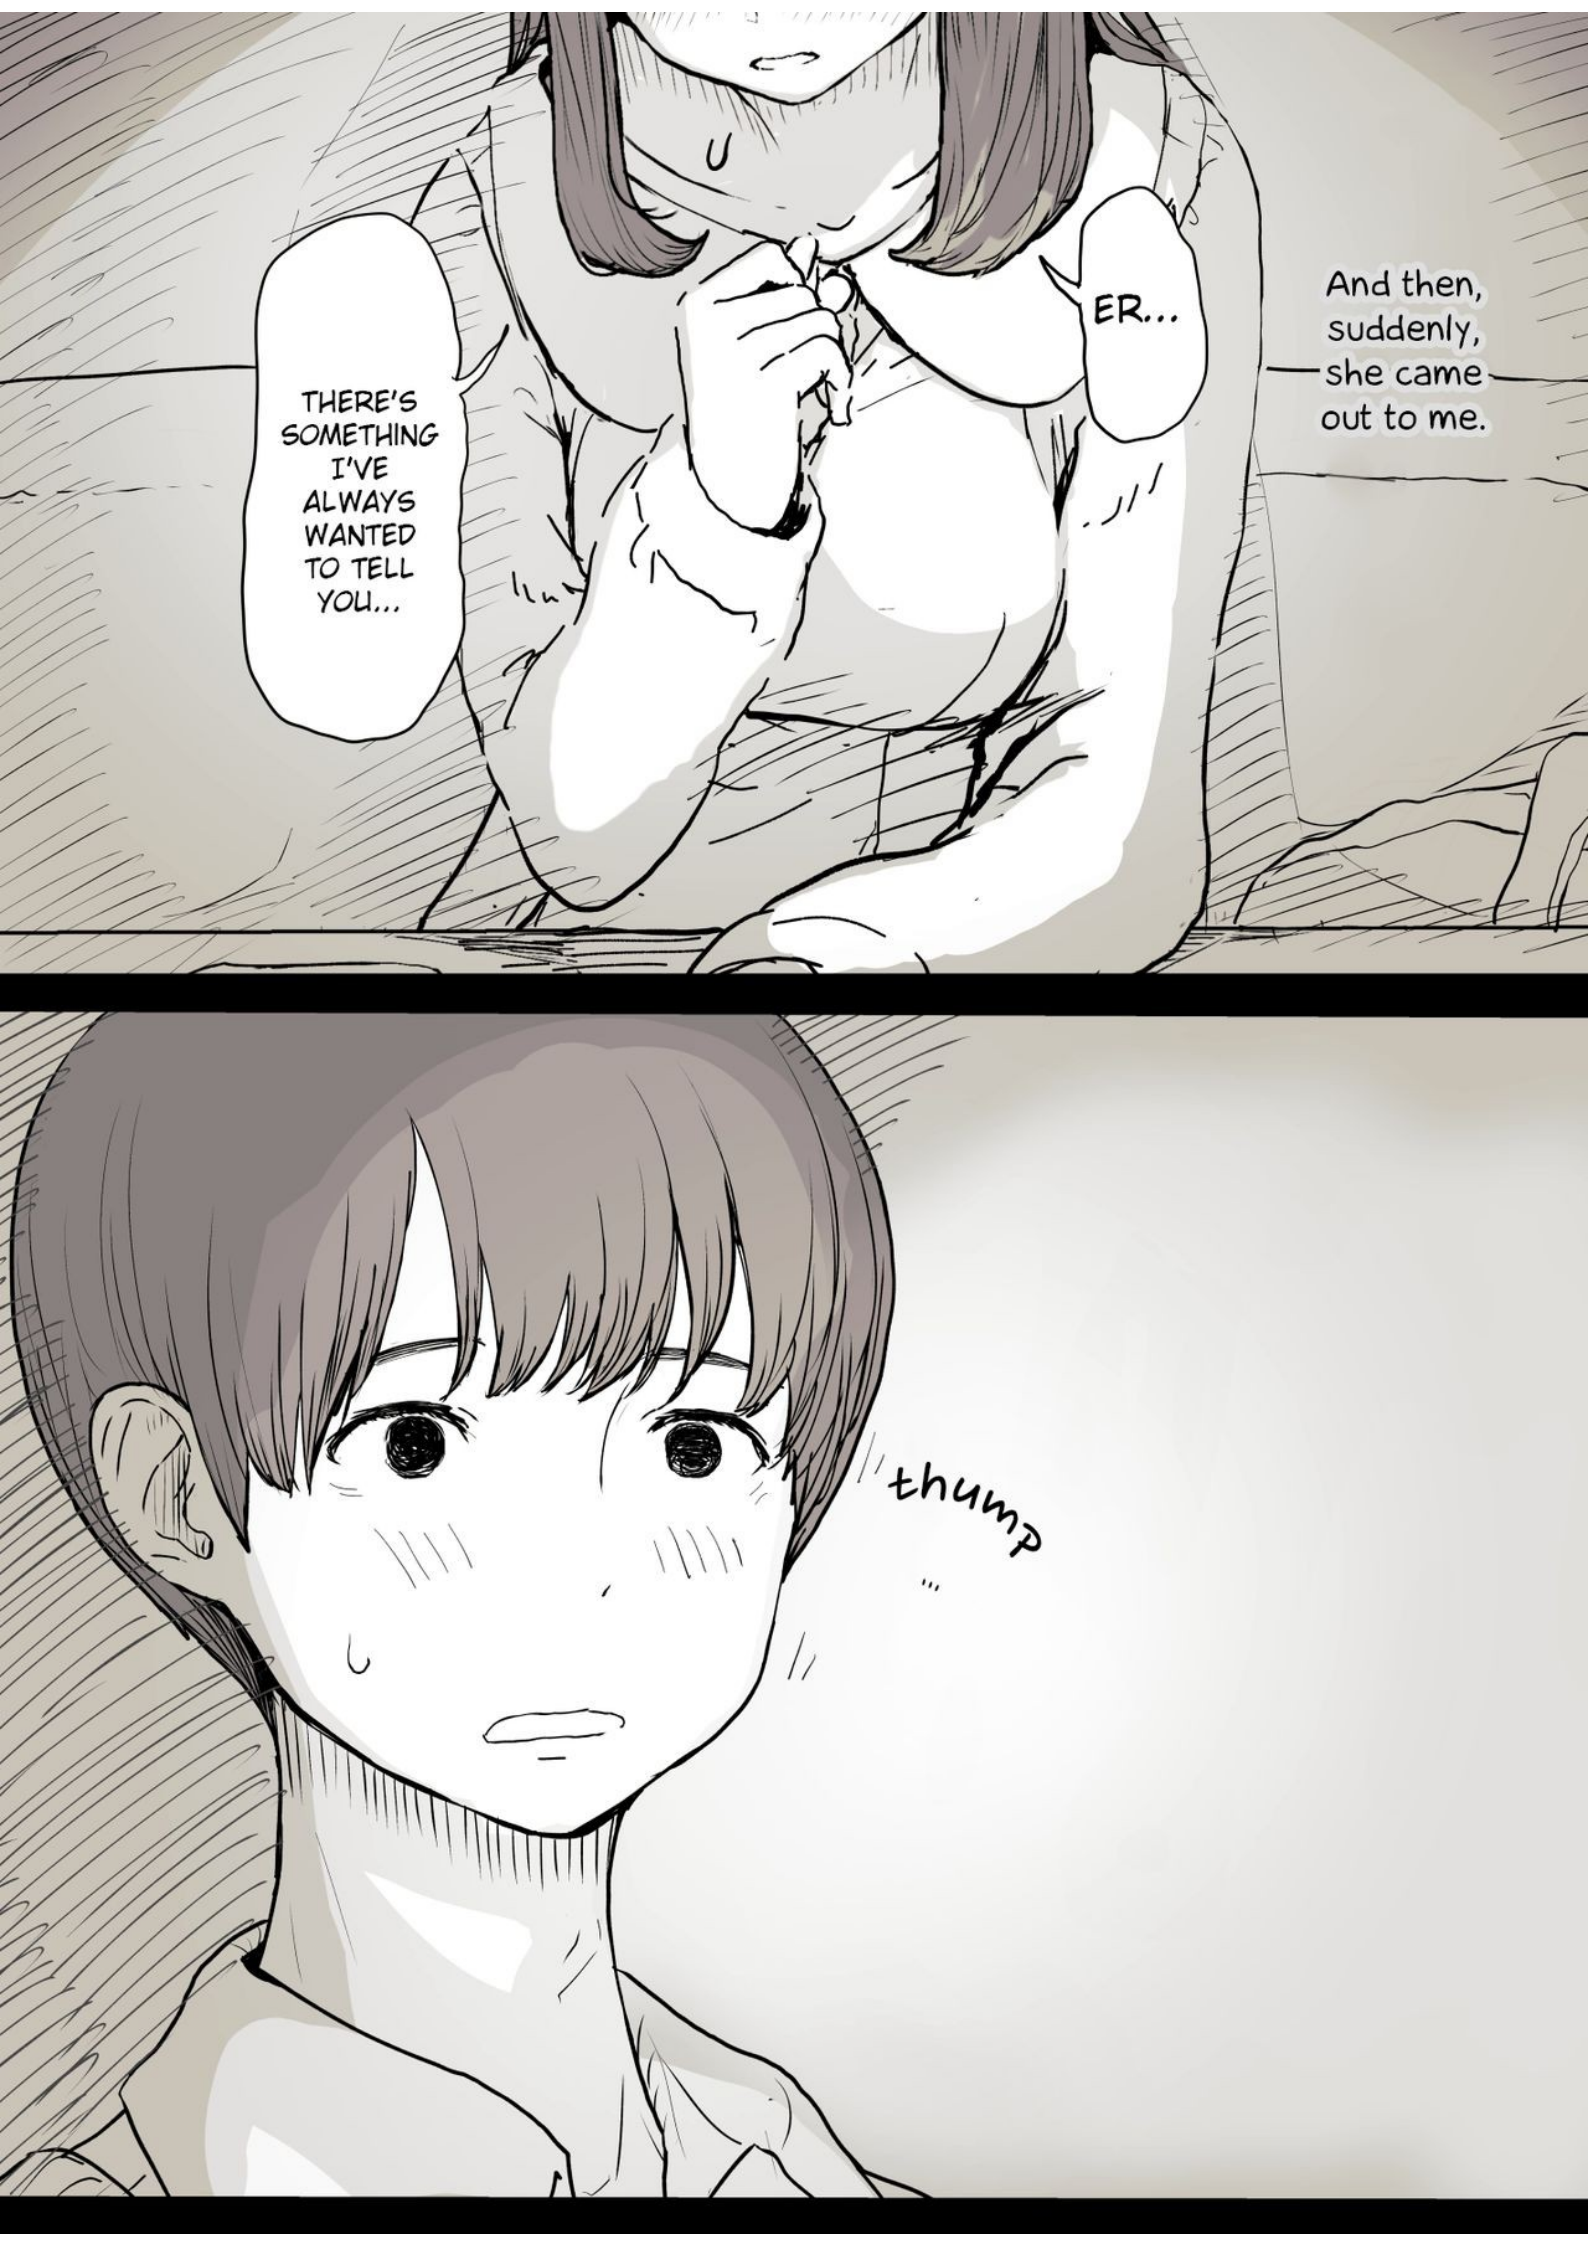
that such a thing would happen...

Who could have thought...

After that, who could have thought...

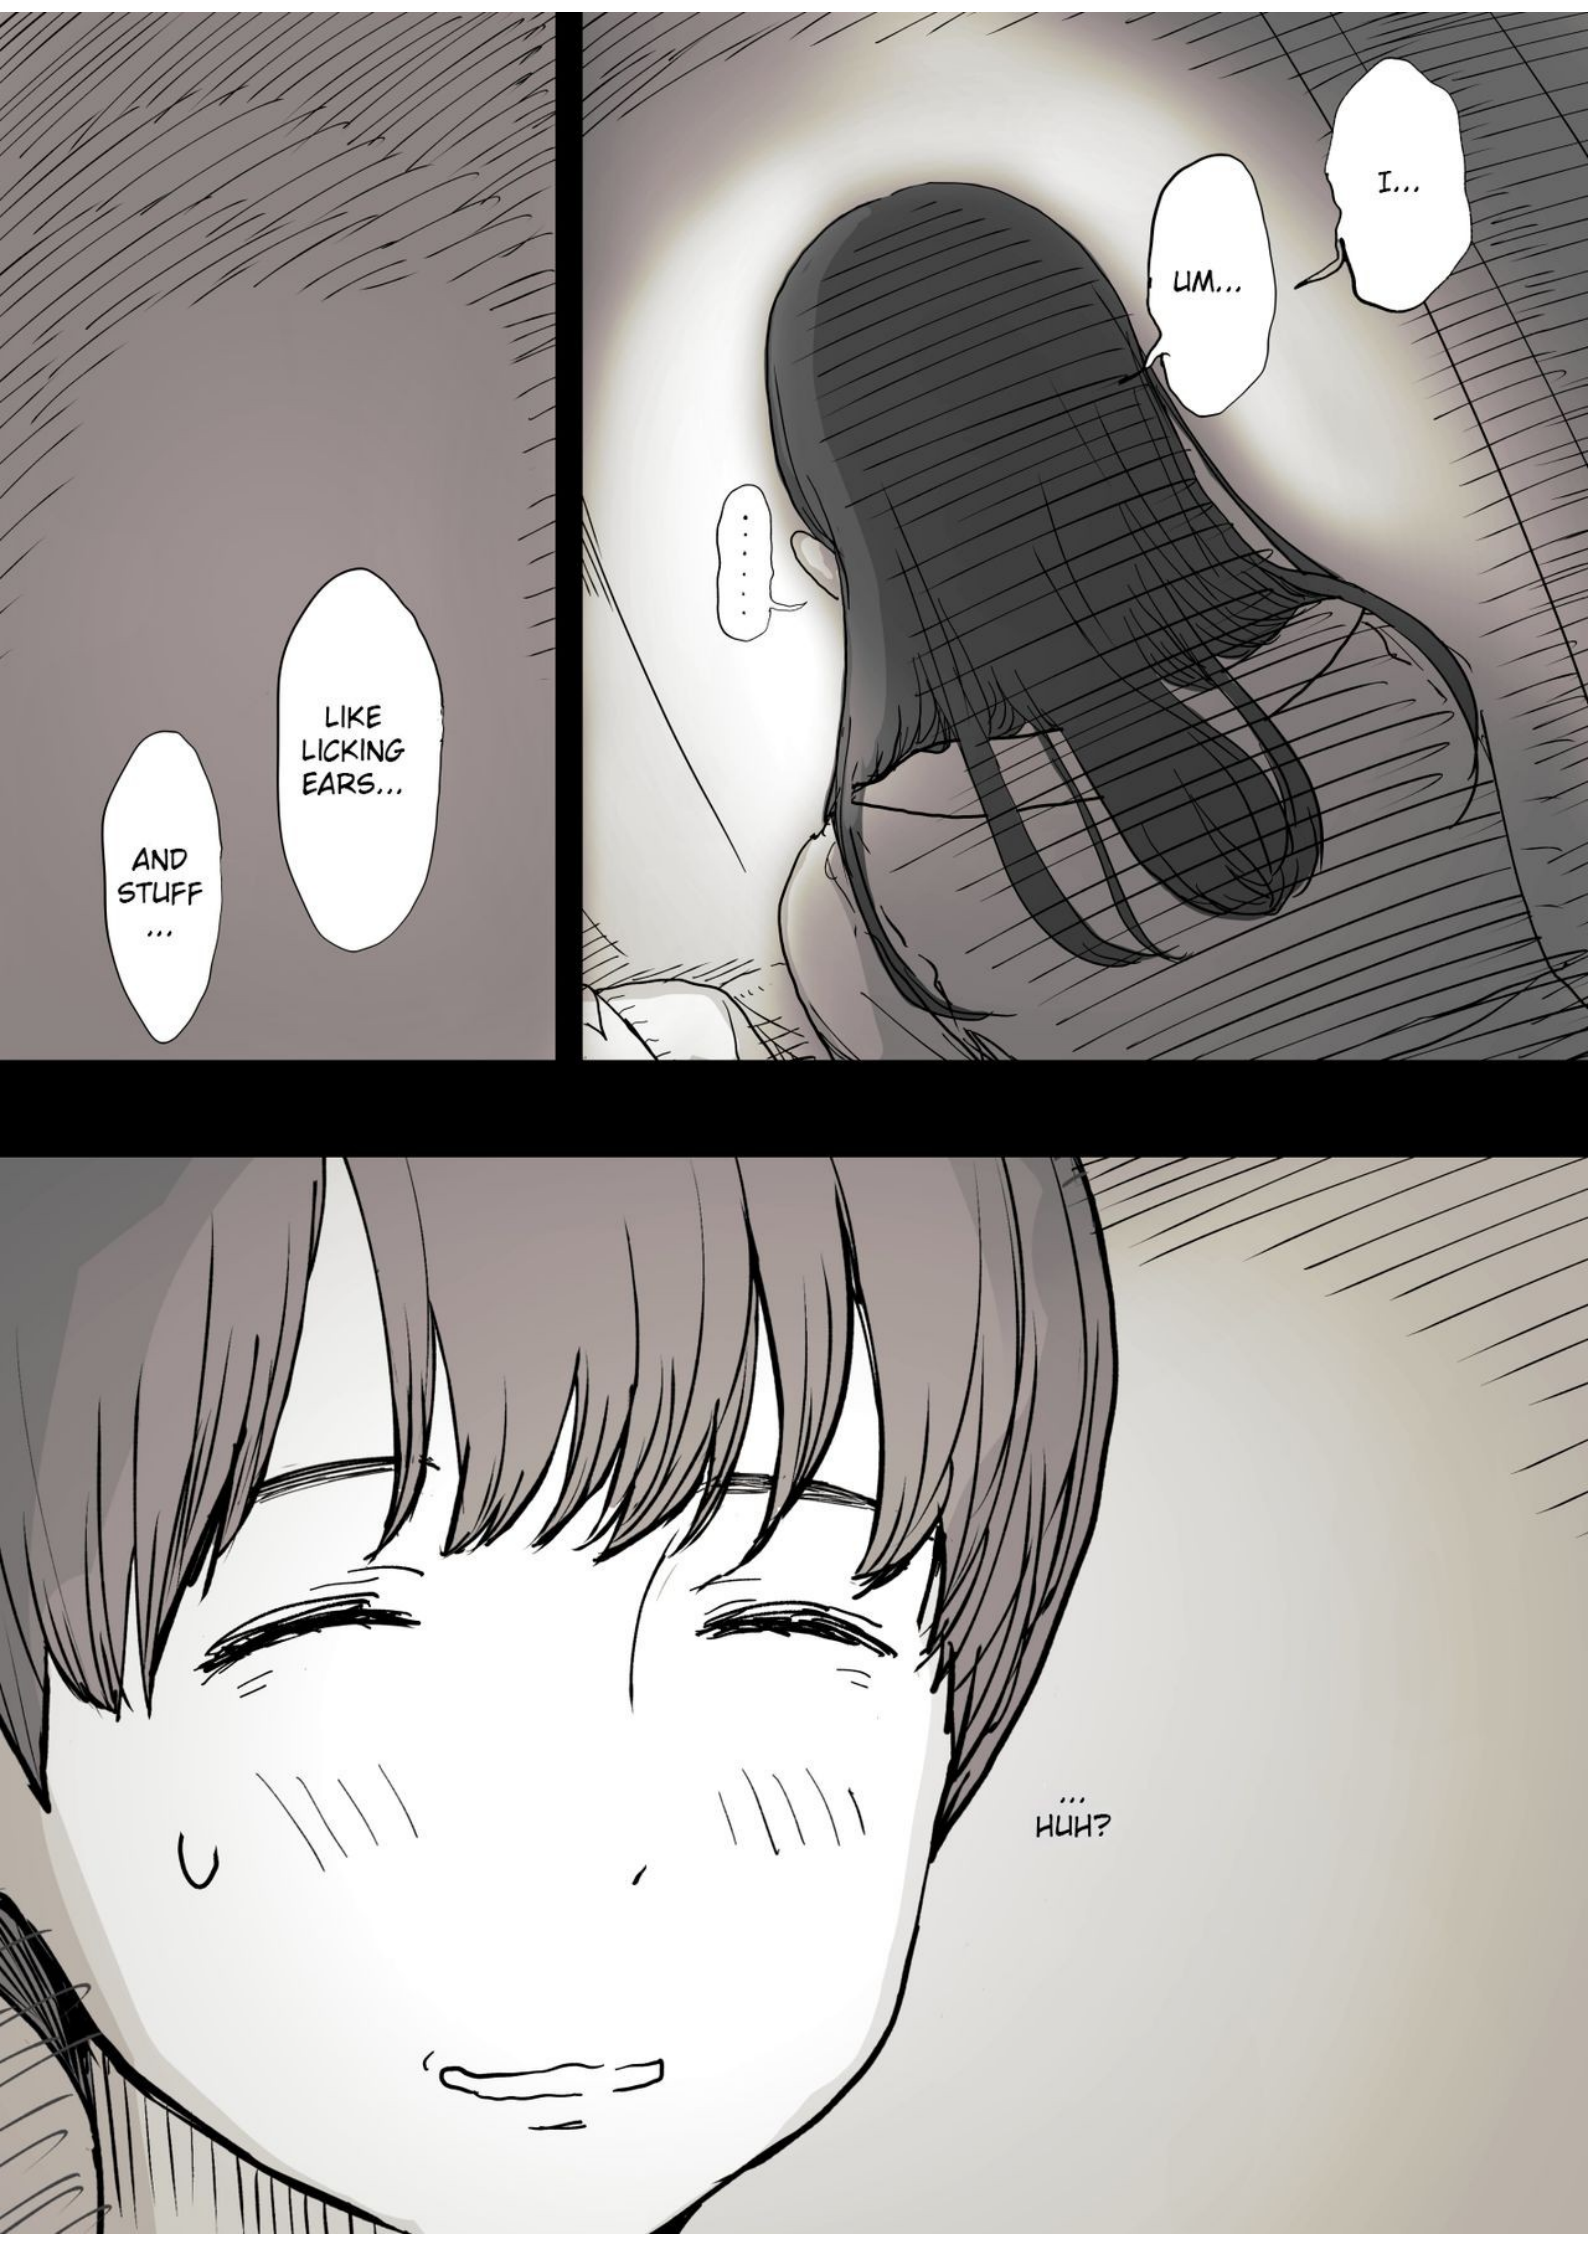


That expression was, however unassuming, absolutely adorable, and, therefore, kept my heart fluttering.
Maybe it was drunkenness, but she showed me an expression for the first time.



ER...
THERE'S SOMETHING I'VE ALWAYS WANTED TO TELL YOU...
And then, suddenly, she came out to me.
thump

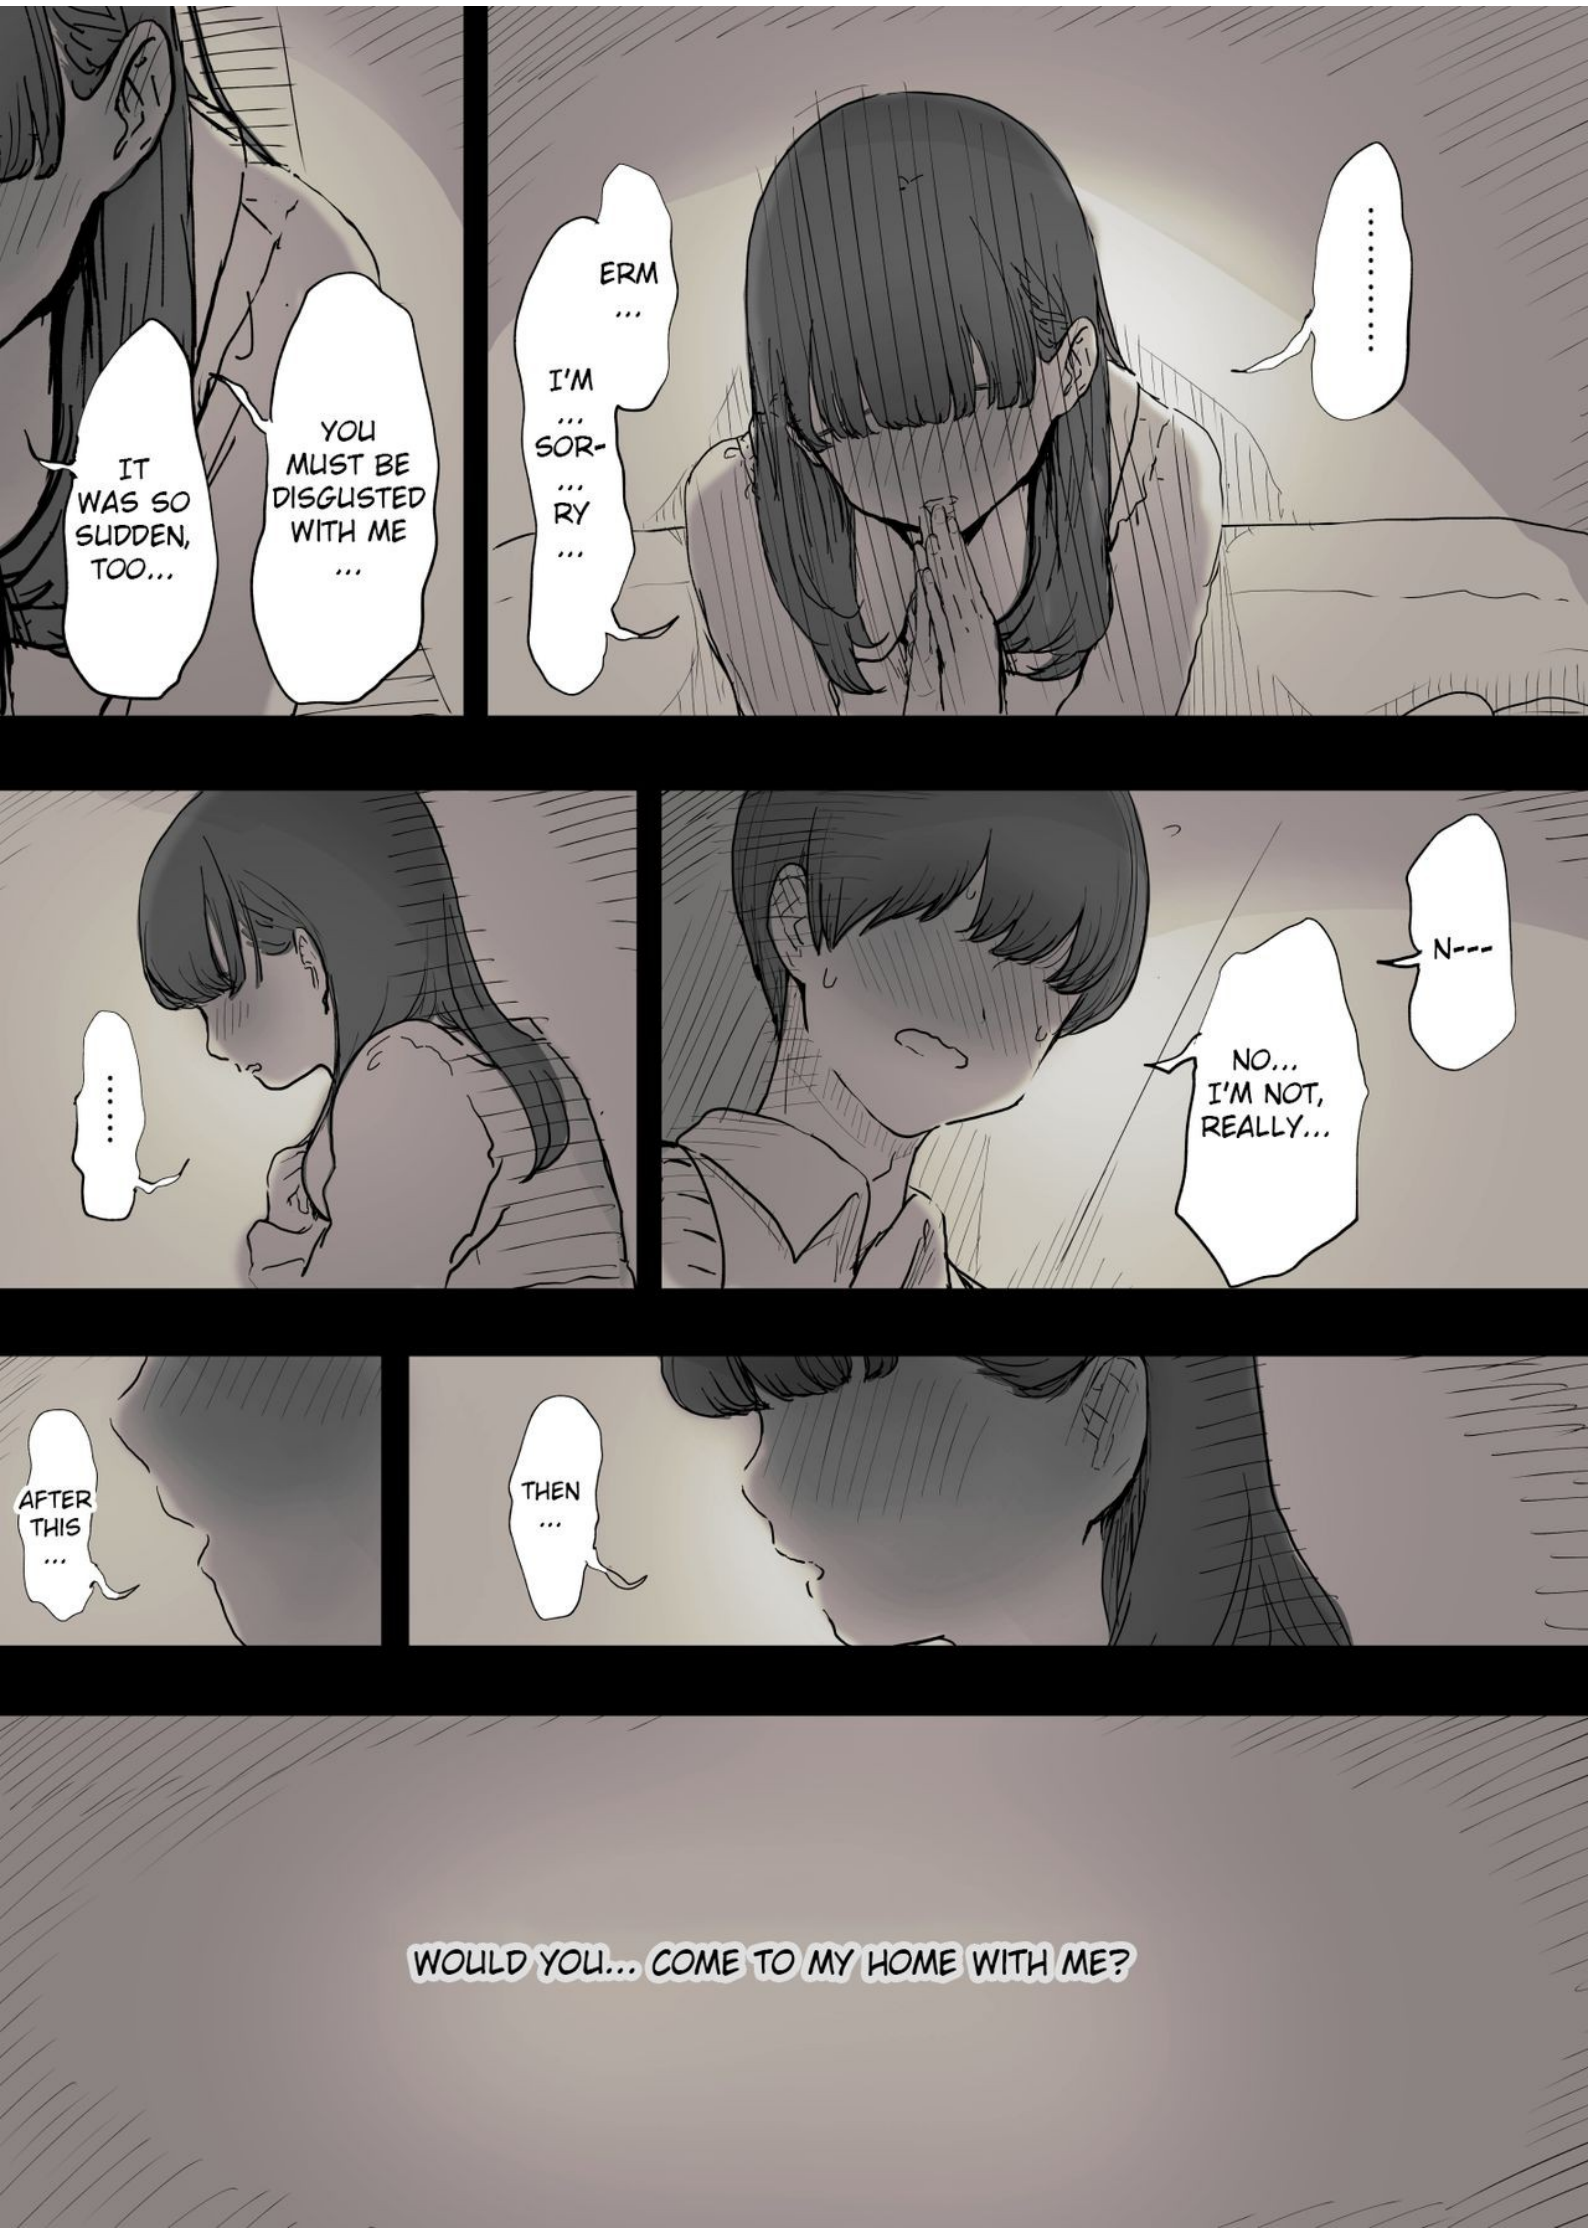
SENPAI,
YOU ...
ER ...
HAVE REALLY ...
CUTE EARS ...
.....
E...
EARS ...?
DO I, NOW?
THAT'S THE FIRST TIME I'VE HEARD THAT.



I...
UM...
.....
LIKE LICKING EARS...
AND STUFF ...
...HUH?

IT IS... VERY EMBARRASSING ... FOR ME TO TALK ABOUT THIS...
ER...
I, AH...
I HAVE SOME... ABNORMAL TASTES...
IF MAYBE ...
YOU WOULD BE...
ALRIGHT WITH SOMETHING LIKE THIS ...

COULD YOU LET ME LICK YOUR EARS?



IT WAS SO SUDDEN, TOO...
YOU MUST BE DISGUSTED WITH ME ...
ERM ... I'M ... SOR- ... RY ...
.....
.....
N---
NO... I'M NOT, REALLY...
AFTER THIS ...
THEN ...
WOULD YOU... COME TO MY HOME WITH ME?

It was all so sudden... The unexpected confession, and then the invitation...

My head felt like it was absurdly feverish and hazy...

Then, following her invitation, my feet started to stagger...

and stagger...

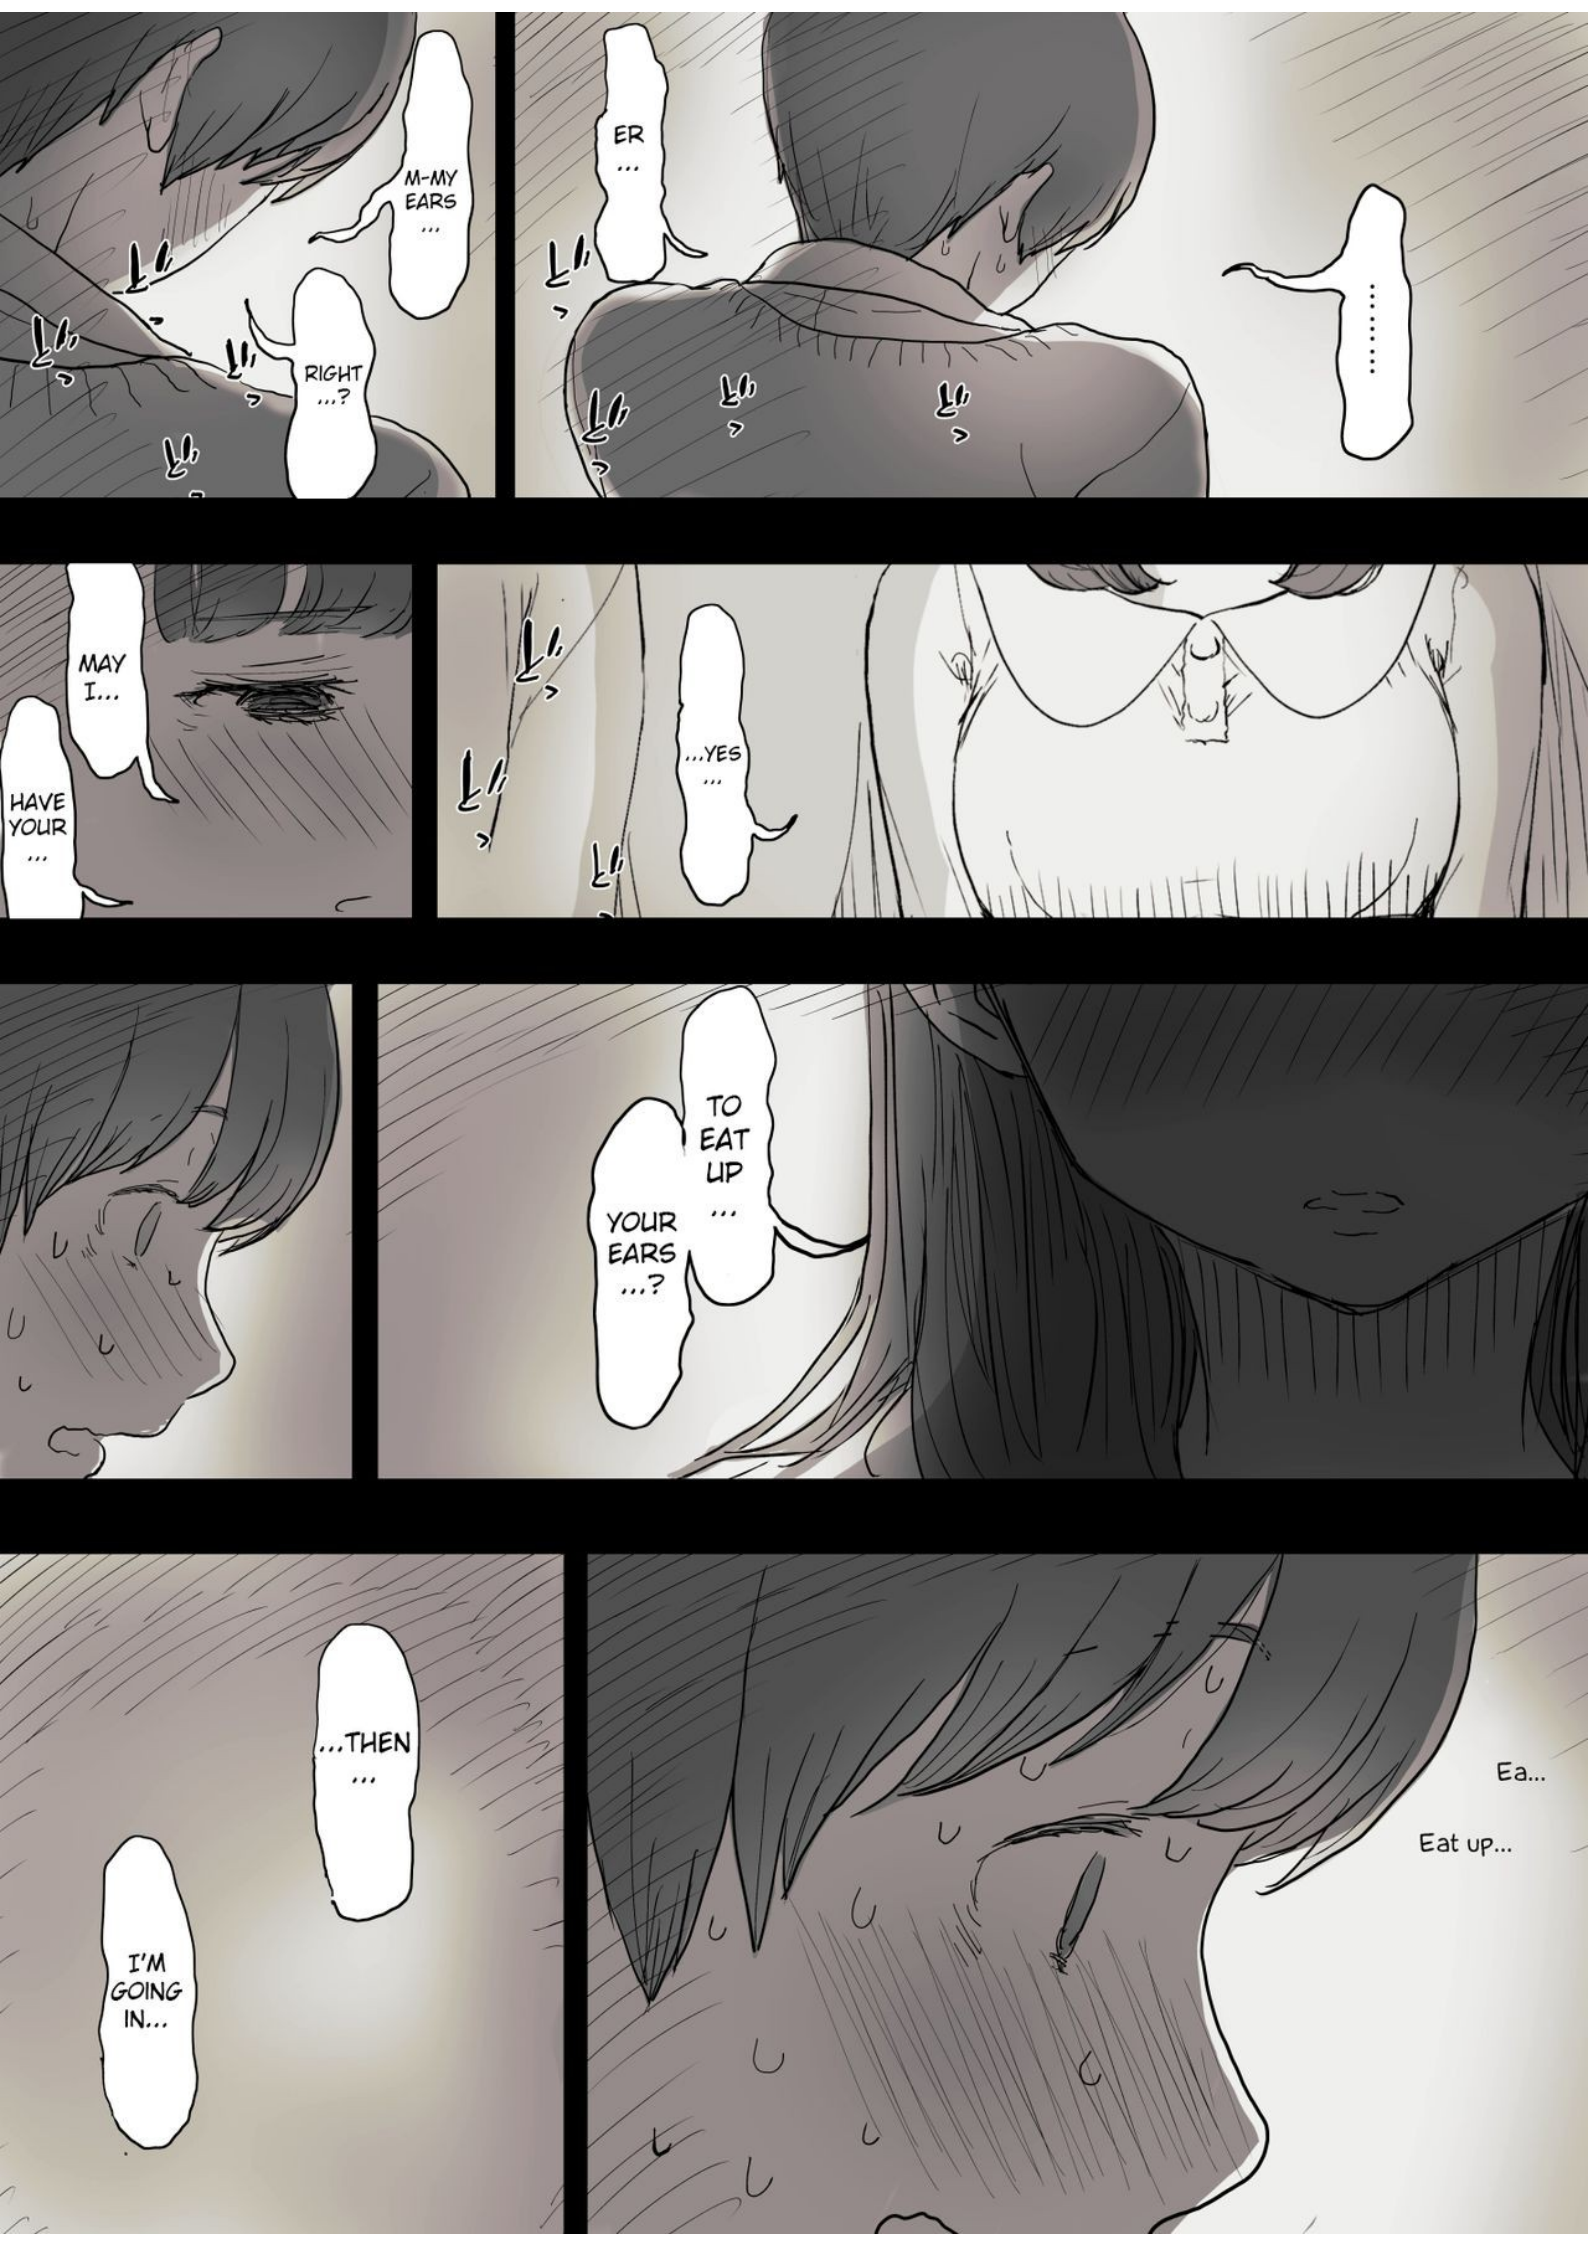
Well... she did let me come into her room...
Was she... serious... before?
My first time in a girl's room...
The bed that she always sleeps in...
The sweet smell that permeates throughout the air...
with extreme mental strain...
After some silence passed...
it began...
... SENPAI,
WITH YOUR PER-MISSION ...?



M-MY EARS ...
RIGHT ...?
ER ...
.....
MAY I...
HAVE YOUR ...
...YES ...
TO EAT UP ...
YOUR EARS ...?
...THEN ...
I'M GOING IN...
Ea...
Eat up...

Her movements are...
so much slower than usual...
It all feels so sexual...
