

That's all for today.

Morita-san,

you'll have to come to the supplementary class after school to make up for your test from the other day.

きゃっ♡
All right, Kiyose-sensei~!
♡

子どもの理論

Moreover, she doesn't seem to mind it. She's a troublesome student.

Morita Kiri has poor grades.

The only supplementary class I don't wanna take is her Japanese one~

don't you feel like it's a hassle having to take Kiyose's supplementary class every time?

Riri,

Why

did it become like this?

What are you saying?

Well, I think we get along quite well!

三つ折

How should I say this? Everyone seems to be so scared of Kiyose-sensei~

Jeez,
Morita-
san...!

Please
take your
lessons
seriously!

You're the
only one
who needs
supplementary
classes every
single time!

Isn't it
fine?
Having
the two
of us
stay back
together
is the
best!
♡

You'll
scare
people
away
if you're
too blunt,
Kiyose
Yuuko-
sensei~

Giggle

Giggle

...I wonder how many times we've had supplementary classes when that happened.

~!

So cute?!

just bad at talking to others?

Aren't you

I'm an idiot, after all.

don't you think it's useless helping me no matter how many supplementary classes I take?

Hey, Sensei,

I think she's an incredibly cheerful kid.

She's not good at studying, but she's popular in class.

Girls' talk!

Compared to that, I wanna know more about Sensei~

Hey, do you have one or not? Tell me!

Ah! Did you blush a little?

Stop kidding and get serious with your studies...

Morita-san seems completely unfazed.

The other students seem to be afraid of me, but

How about a boyfriend?

...

Wha-

I did not...

So you have one?

She's too close ...!

N-

No...

No...!

?!
か
あ
あ
あ
はくはく
....!

You're just bad at talking!

Kiyose-sensei isn't a scary teacher at all.

Huh... what's this?

There's no way I can say that out loud, though...!

I'm just not sure what to say when I'm talking to another student, that's all...

I just have to read the lessons out properly and jot down important notes before I teach something.

I-It's fine to be bad at talking, right?

Ehehe!

!?

7

Her dazzling smile

You're so cute, Kiyose-sensei. ♡

overwhelmed me so much that I didn't know what to do...

I fell in love with Kiyose-sensei at that moment.

I think

Ever since then,

I've been caught up in this girl's rhythm.

Eeh? Are you a homophobe, Sensei!?

First of all, we're both girls...

Isn't it bad if a teacher is *that* out of touch~?

Oh no ~~~~~

I was naive in thinking that I'd be safe from this issue just because I'm teaching in an all-girls school.

I have no idea what to do in this situation.

Jeez...

Truth to be told, I have no experience with love at all.

stop teasing your teacher already...!

She's just a kid so why is she such a smooth talker?

That's not the point...

Wh-What...?

Her teary eyes are cute too.

...Eh!?

I
wanna
touch
Sensei
more.

Ah...!

I think
about
Sensei
every
day.

Don't
tell me...

Wait,
that's—

I wanna
see more
of Sensei's
cute spots.

Eh...?
Ah...!
....!?

That's
not weird,
right?

Morita-san's slender hands are touching me.

Stop, Morita-sa...

Aah! I can't do this as a teacher!

doesn't that mean I still have a chance?

If you're not going out with anyone right now,

I must firmly tell her off.

St-Stop!

I shouldn't get caught up in Morita-san's rhythm any more than this...

Do you want to turn me into a criminal!?

Regardless of chance, a teacher and student shouldn't be doing this!

I'm the one laying my hands on you!

I mean, it's not like you're the one laying your hands on me.

?

You won't be a criminal, Kiyose-sensei.

Is she really going to use this kind of reasoning to...?

Huh!?

What are you saying... AH!?

That's why, if you hate this, you can decide to

sue me at a later date after you've escaped.

Just like a dog likes to frolick with someone else. ♡

That's right. This is just a kid frolicking with you, that's all.

Kids who know these kinds of alarming things are scary...!

-I've had enough!

That's why, whatever kind of reaction you wanna give is

completely up to you, Sensei. ♡

NO!!
Pinch

Sensei's reaction is just as I thought...

No, it's even cuter than what I expected. ♡

You're so cute that I wanna monopolize you, Sensei.

The Sensei that nobody else knows about.

Kiyose-sensei ...!

ハッ

ぬるる

Witch

Ah, not there ...!

ハッ

There's no way I could escape from this.

アッ

ハッ

Sensei, you're wet...

ぬるる...

アッ

Can you call me Riri...? Please, Sensei...!

Ever since that day, I have been infatuated by Riri, just like how she was with me.

Noo! Your finger is inside ...!

ぬるる

アッ

アッ

if I want to become an adult that can stand side by side with Sensei.

I can't keep acting like a child

That's the conclusion I've come up with.

Seems like even the childish Riri

can act like a mature adult from time to time.

I-if you haven't changed your mind by then, Riri.

Really? Hurray!

Hey, can we go on a date once I graduate?
