

When I was abandoned, I was rescued by

On a certain winter day, many years ago...

GOOD BOY

What a cute little orc! Poor dear.

Don't worry, everything is fine now.

by the multimillionaire lady knight, Letina-sama.

She named me "Bouze", and now, many years later, I'm working by her side as her servant.

Letina-sama, I've come to clean.

She is gorgeous, adept in arts both fine and martial. She does, however, have a certain flaw...

Her flaw is...

Just where did you find this book...?

What kind of book is it this time...?

Are you going to assault me?

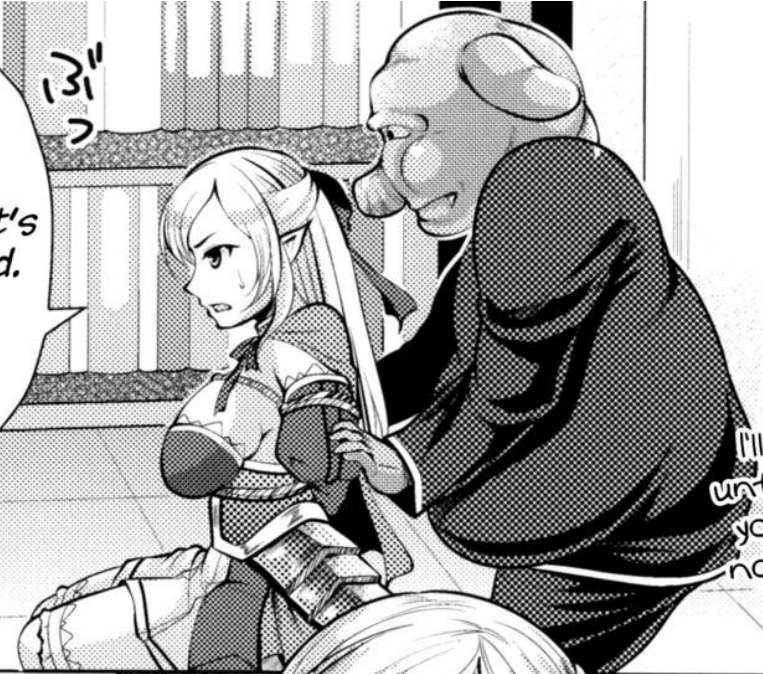

You filthy orc!

Waaaaah!

Aah!

Wah!

...That's weird.

I'll untie you now.

maybe you shouldn't be doing all this in the first place.

If you can't untie yourself and have to yell for my help,

Come on now, Letina-sama.

Plus, I'm an elf and a lady knight too.

Hmm...

It ought to be the mating period for orcs right now.

No.

Not even a little?

...No, I do not.

When you see me all tied up, don't you end up wanting to ravish me?

Wow

Say, Bouze-chan!

I am in love with her,

however...

Tsk...

I guess I'll use my trump card!

Fine then!

I must not think of her like that.

Not only am I indebted to her for rescuing me, but we are mistress and servant right now.

Don't tell me...

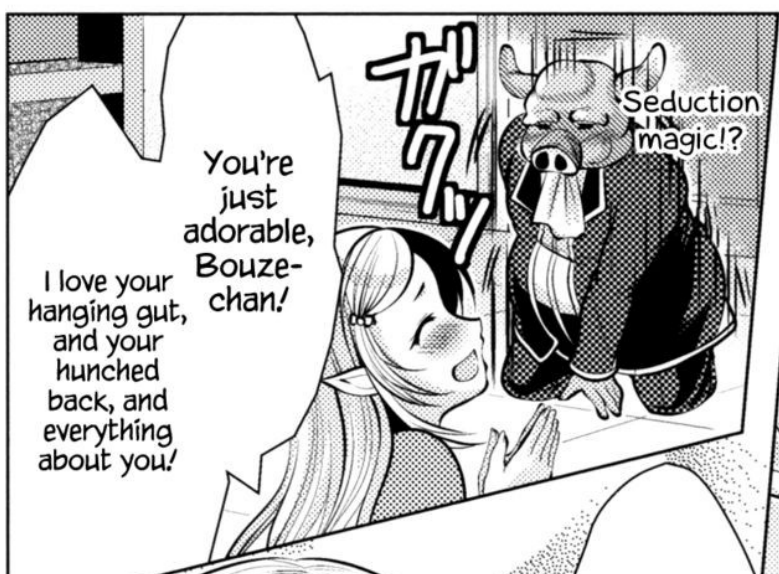

かあああ

My body... is burning?!

Don't say things that lead to a losing flag-

Whoah!?

I love your hanging gut, and your hunched back, and everything about you!

You're just adorable, Bouze-chan!

Seduction magic?!

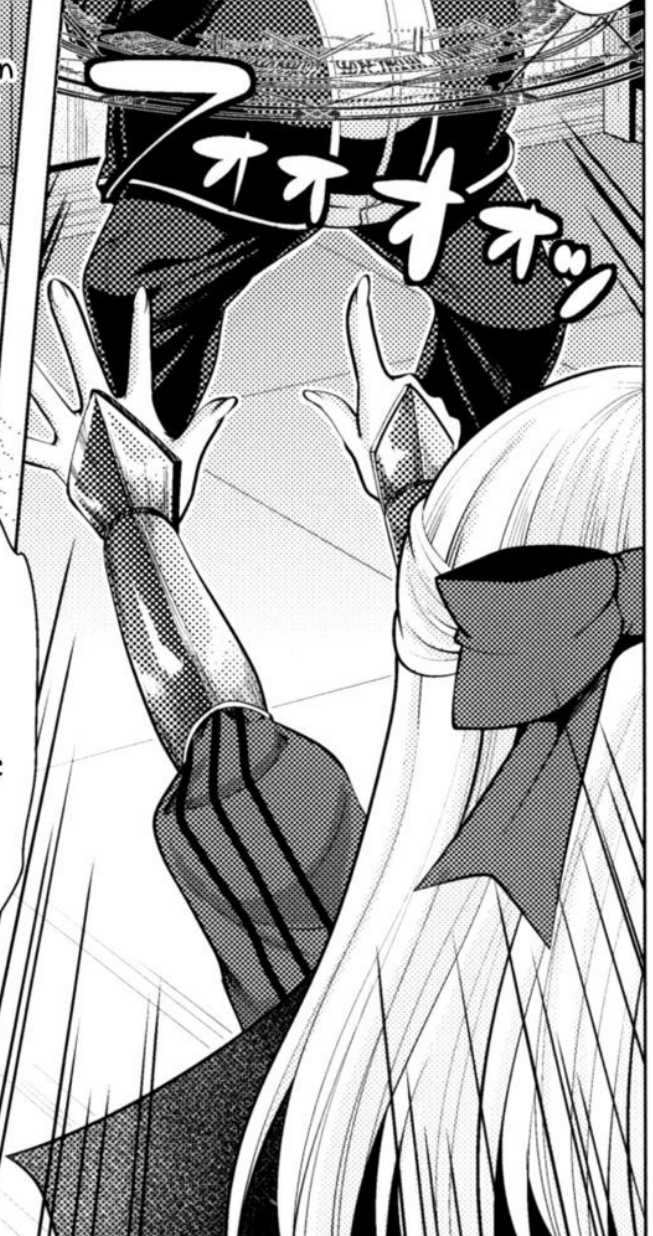

This is bad...

Fufu

Letina-sama... Please... Dispel the magic quickly...

...Or else?

or else...

I can't hold back any more!

For a servant to lay a hand on his mistress is extremely improper.

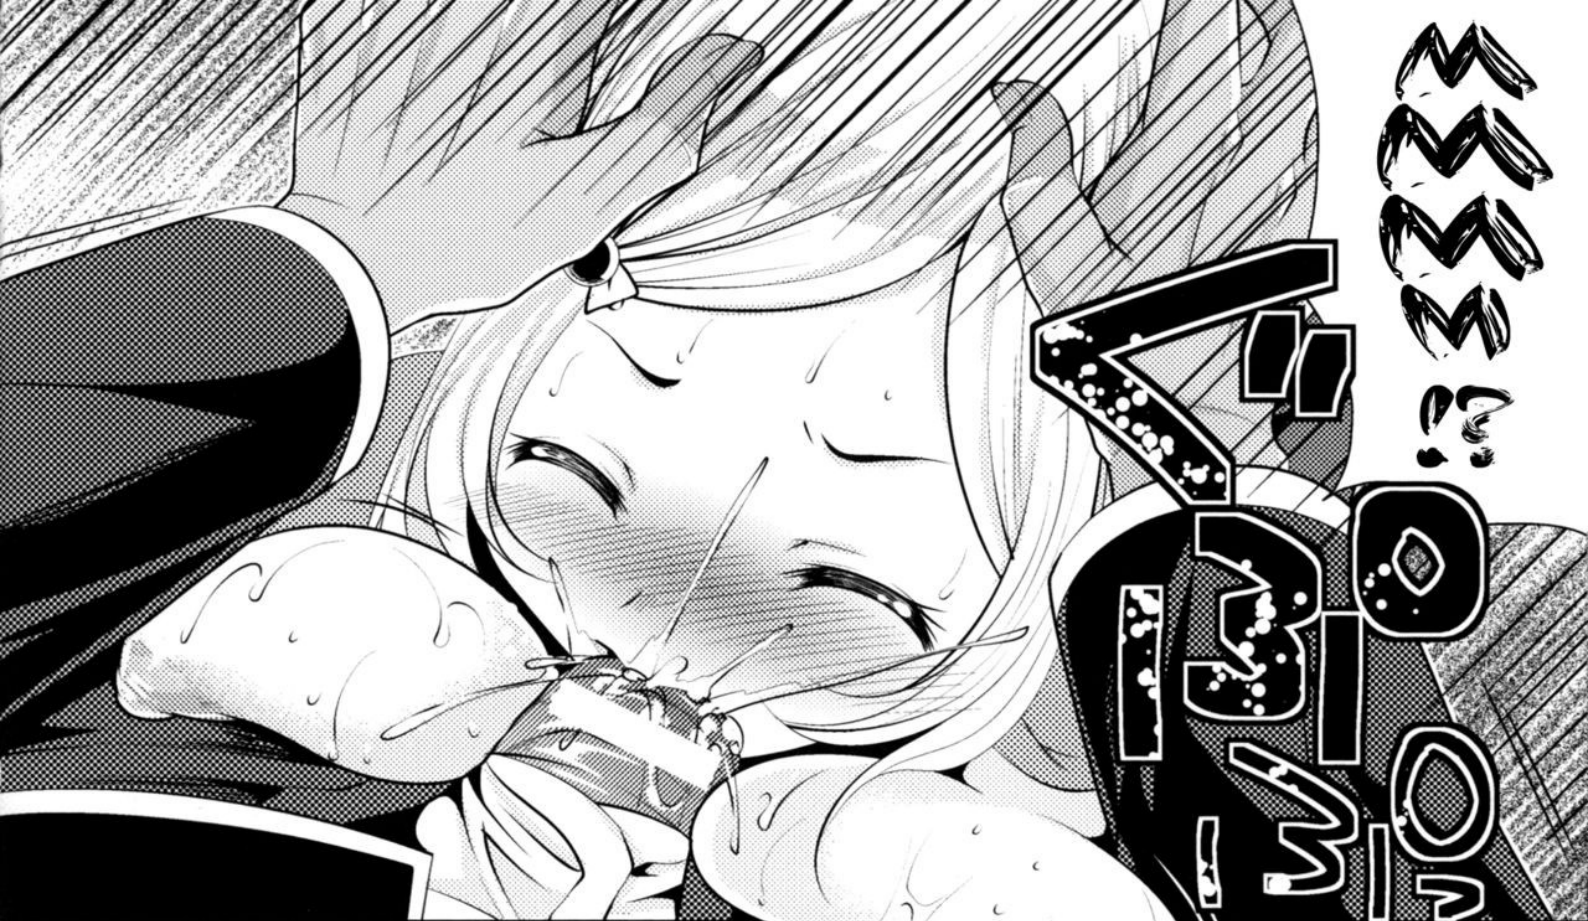

I want to stop, but I cannot! My body is moving on its own!

Aaaaah! So soft!

Eh? Bouze-chan? What are...

Oh no... I can't stop any more!

Letina-sama... I'm sorry!

Come on, Bouze-chan, hurry up!

My mind's telling me no...

N-no, that'd be too-

but the seduction magic is moving my body on its own!

**キリッ**

**いっしょに**

I'm taking it out-

Wait!

What have I done!?

Letina-sama... Don't tell me it's your first...!?

Ah... it hurts...

to ravish me more,

The lady knights in the book were all in pain... so it's alright...

please?  
♥

You're such a late bloomer, Bouze-chan!

Ugh...

No matter how much she might invite me, I must not give in!

thrust it in my virgin sloppy cunt, and creampie me!

Haah

Haah

Take your stinking cock,

Still, I must not finish inside her...

They were written in the book.

Letina-sama... Just where did you learn those words...?

WHO OOH!?

Ugh!!

How can you still be hesitating!?

Letina-sama... stop...

In that case, I'll ravish you!

Ngh... It hurts...

See? If you can't do it then let's stop...

No!

I'm a lady knight that's being raped by an orc!

She is clamping so tightly on me...

Agh...

It's intoxicating...

She finally let me free...

Even after the effects of the seduction magic wore off, she didn't stop raping me.

Bouze-chan!

Let's clean up a bit.

Aaah! Sto-Aah!

But why noooooo!

It's a dangerous day for me today,

...Again?

How about we follow this book tonight?

so you'll do even more to me tonight, won't you?

She figured me out!

Come on, I know you liked it!

Ah! I got it!

Ugh!

END

Letina-sama is too easily influenced by books...

You finally came!

Bouze-chan!

I'm the orc servant of the lady knight Letina-sama.

I'm Bouze.

Today's sex is this!!

Now, the sex that men desire the most. Namely, infantilism. While sleeping on the lap of the girl that's spoiling you, you can suck her boobs or get a handjob.

Let's try infantilism today!

No way.
