Story of Syren

*In a single
port town...*

Hey, man,
have yer
already
heard?

They
say that
another
ship has
vanished.

Even though
there weren't
any storms
or even high
waves...

I tell you,
that's it...

It's really
is Syren,
ya know!

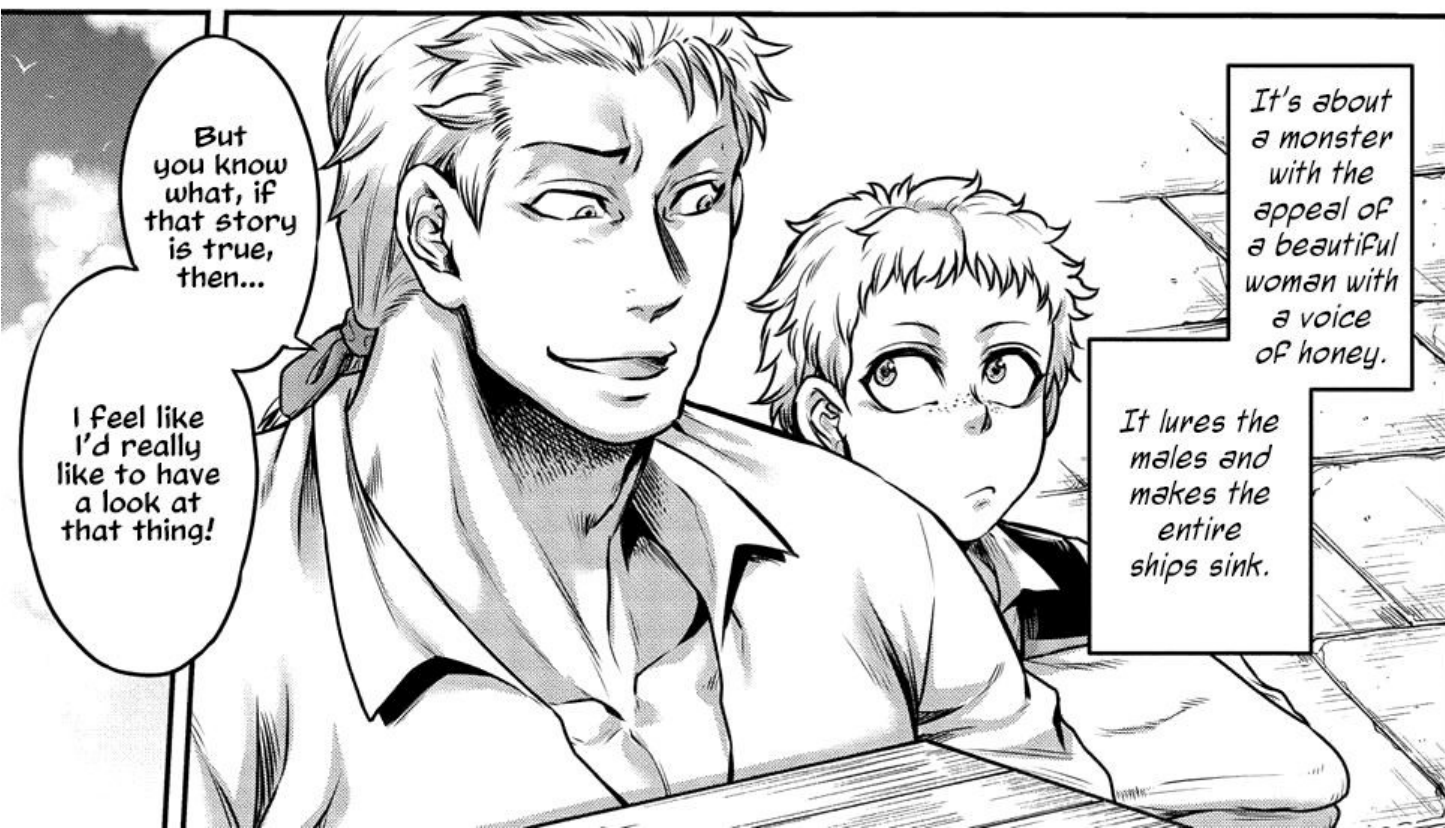

*This sea has
its tale.*

Ah?
Well...

Brother,
what is
that
"Syren"?

It just
a tale
made up
by locals.

But
you know
what, if
that story
is true,
then...

I feel like
I'd really
like to have
a look at
that thing!

*It's about
a monster
with the
appeal of
a beautiful
woman with
a voice
of honey.*

*It lures the
males and
makes the
entire
ships sink.*

Huh?
What's
that?
A voi-
ce?..

Hah...

It's so late
right now...

Ah...

?!

Is that
a man
lying out
here?!..

It's not
a man...
not a
human...

This...
It can't
be...

It's
Syren!

And here I
thought you
were a human.
But you
know, after
a closer
look I get it.
You really
are a giant.

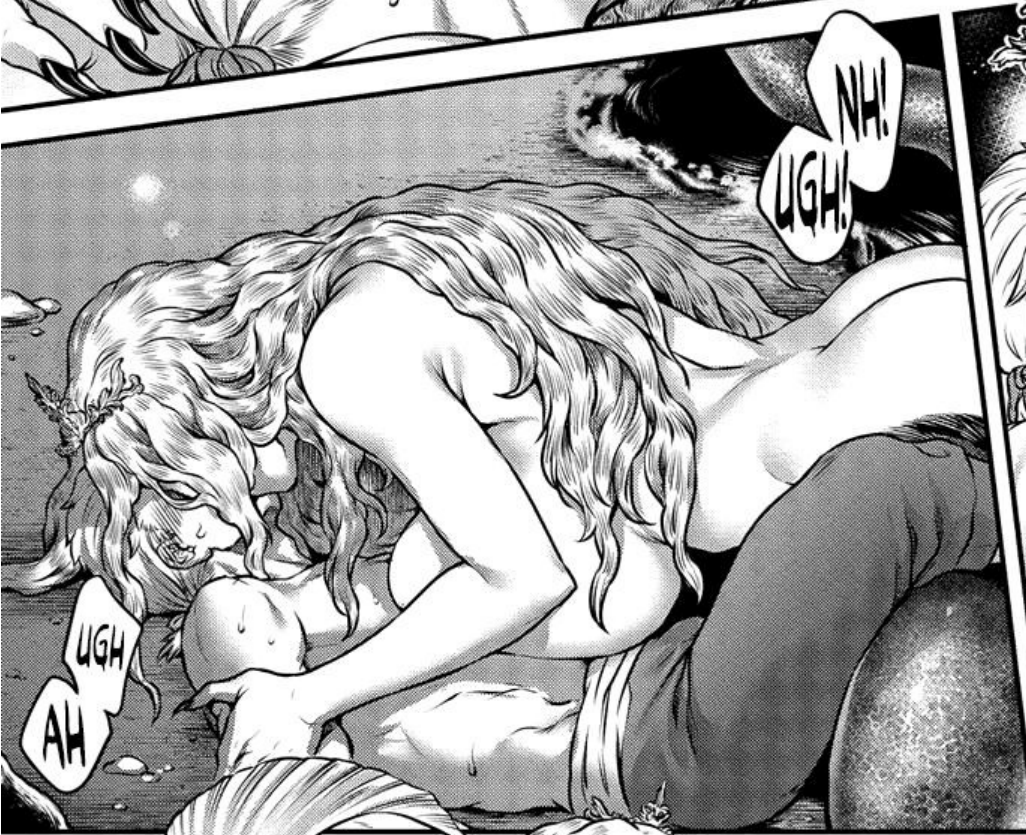

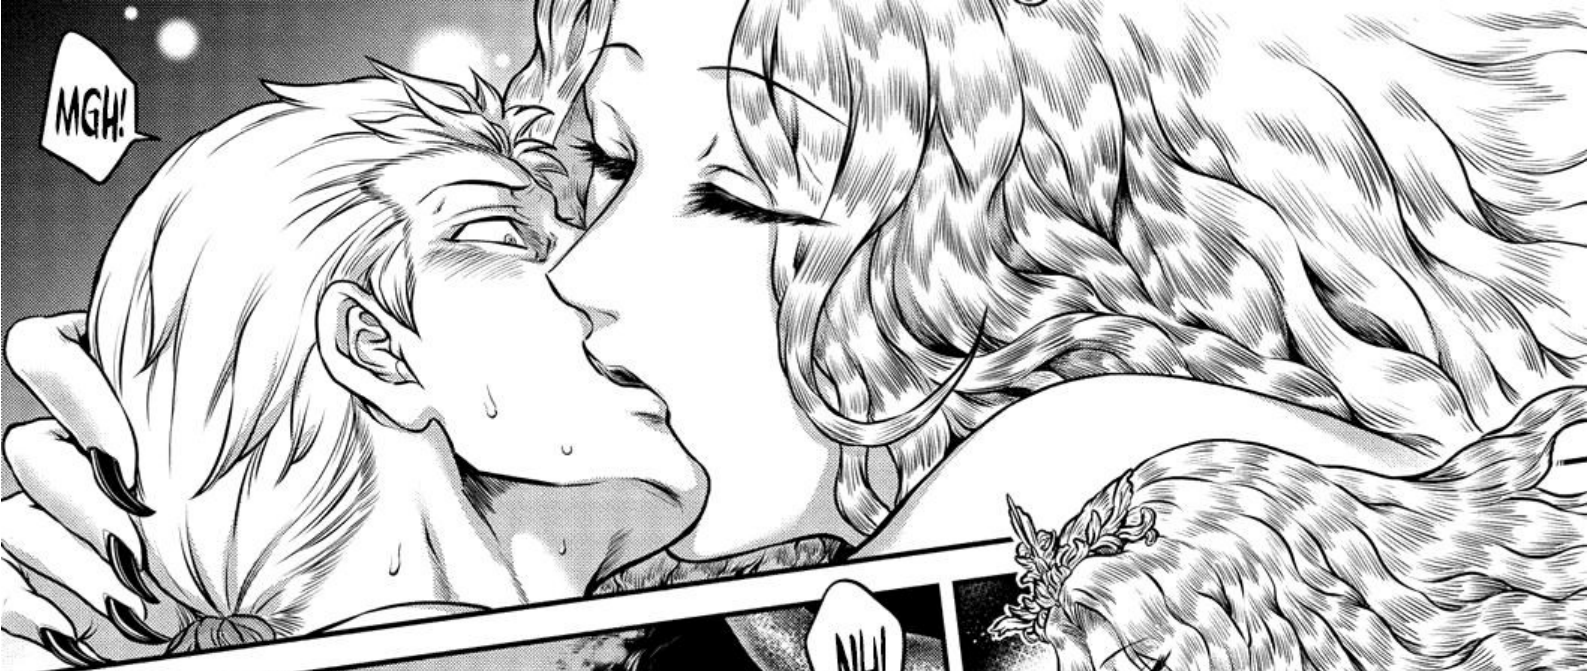

It seems, my
shirt can't even
cover your
shoulders...

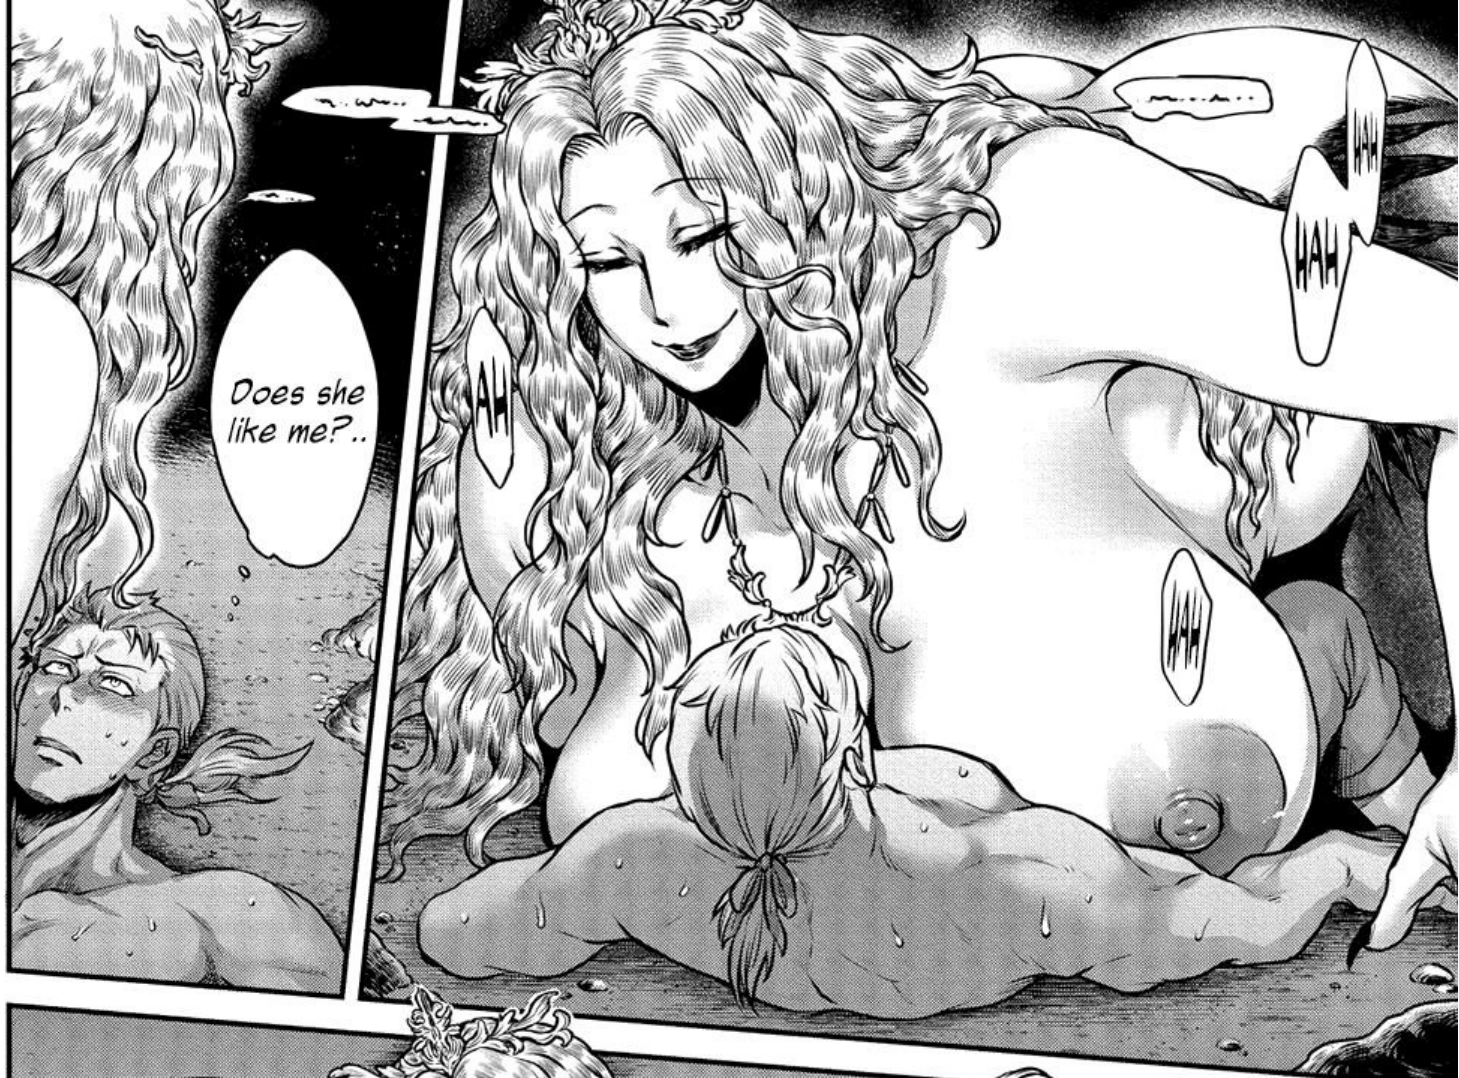

Can it be...
that you're
happy?

I don't
understand
even a single
word, you
know.

But well,
you don't look
like something
bad for me...

YA

Does she
like me?..

Or I'm
lust her
food and...

And now she just
wants to taste me
before devouring
completely?..

Her
pale
skin...

It's so
soft...

...and
smooth...

It's so
wet and
sticky
and...

Damn...
What's
that?..

HAA
HAA

めち...
めち...

HAA
UGH

UGH

AH
AH

HA

HAA

HAA
HAA

HAA

What did...
you say?..

I
don't get...
anything...

At this
rate... I...

I can't...
stop my
hips...

I want
to mix my
lower part
with hers...

Ah?..

Her
sweet
voice...
is tickling
my ears...

While her
lower half...
embraces me
completely...

Brother...

Where have you gone?..

Listen, I've seen something really unbelievable!

You'll surely be surprised!

Are you waiting for me?

Sorry, I couldn't warn you.

Was everything okay?

Come with me, I want you to see someone.

Hey!

Siren!

*This sea is
a lair of a
monster
named
Syren.*

*This
creature
tends to
lure males
with her
songs and
smile and
make the
ships sink.*

*Whatever
happens,
you've
better stay
away from
her.*

*Why, you ask?
Because even if
it's as beautiful
as it's said,
there still hasn't
been anybody to
tell about it...*
