

# 淫魔の放!

射精は続くよ何処までも!

This is odd...

Hey, wait a minute...

My morning wood is untouched...

This hasn't happened before...

They usually get god knows how many shots out of it every time I wake up.

?

Wanna know why they didn't come? I'll tell you the reason.

Shitone?

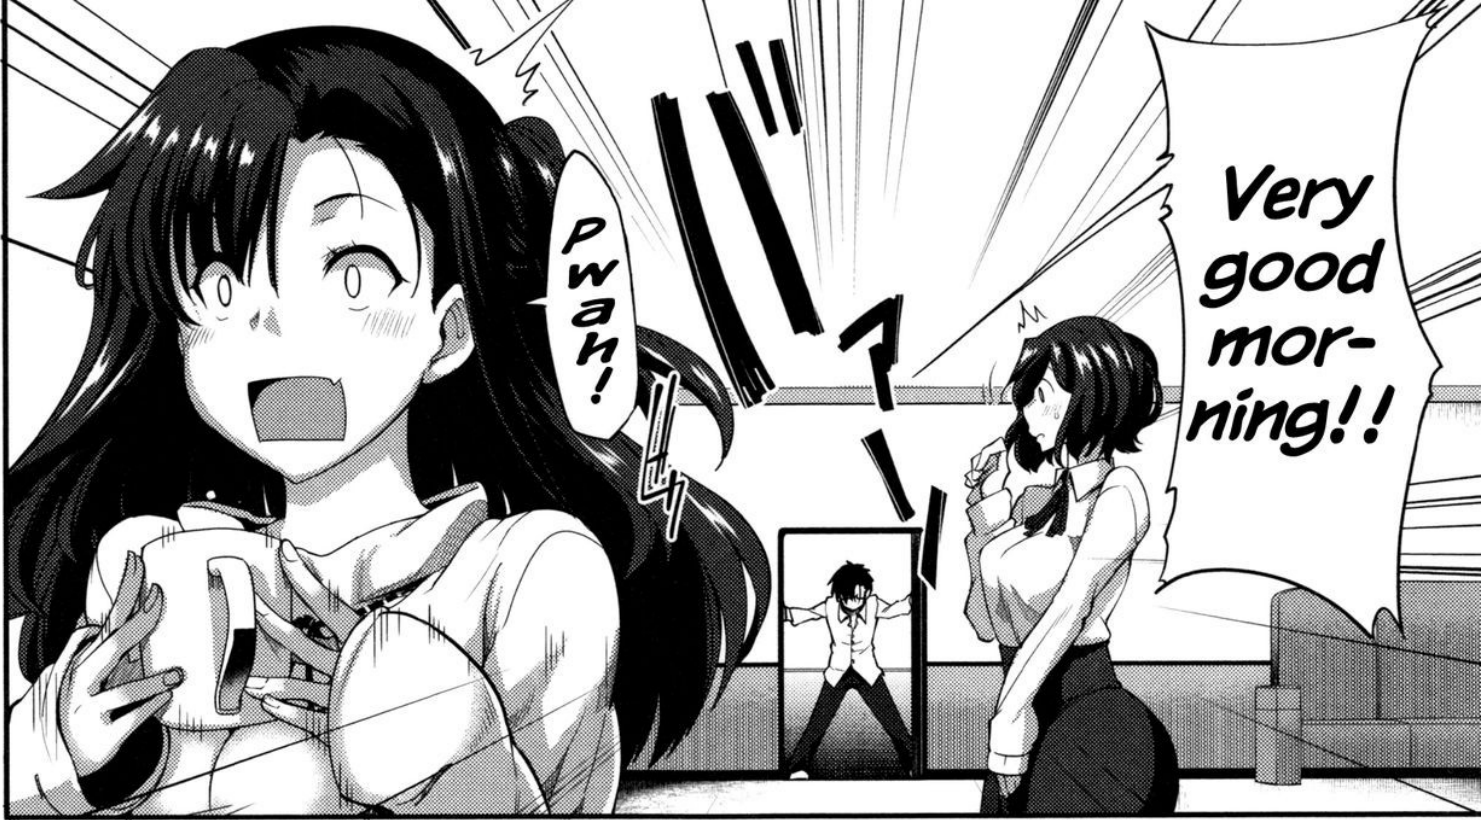

Good morning~

It's not that, that would be a huge waste.

...! Could it be... I'm getting the boot!?

Did I run out of semen? Or is this the end of the road!?

Eehh? Because it's the truth.

So crude.

Hey, Mom! Why did you tell him!?

Amazing!

It's the only day your bodies become as weak as an ordinary slut's!

It'll feel even better than usual today, won't it?

Uhh...

But then why didn't you come to my room this morning?

Uhh... W... Well, it will, it's just that...

Y... Yeah, but...

is easier to understand, don't you think?

"Because of that, you can't go against the pheromones and become a slave of the dick,"

sounds a little complicated...

"The magic of your body goes away to cleanse it and renew the kiln of the succubus power,"

Now you're worried about that?

Eh... Umm...

Geez!

No way, right?

I... It's not just now!

M... Mooom...

They don't want you to see them moaning and panting for real, Masato.

They're being shy.

Huh?

Does it stink?

What can't we do?

I said no... We can't do this...

W... Wait, Masato.

The smell... I can't take it anymore...

M... Mnn ♡ It smells so manly.

The smell alone is making my head spin...

But I really wanna see that...

N... Noo... ♡ Don't push it in... Nooo...

おに  
おに

Ain't that great? Why don't you go ahead and give it a nice taste?

Haah

I'm telling you... we can't, Masato... If I put it in my mouth...

Haah

I don't know what'll happen to me...

Now...  
I'll put it  
inside  
if you  
open your  
mouth,  
Ayano-  
san...

I'll do  
it even  
if you  
say no.

Now that  
you're like  
this I want  
to stuff  
my cock  
in your  
mouth  
even more.

It's okay, you know? If you're that embarrassed you can always spit my cock out.

It feels really good, doesn't it, Ayano-san?

Are you so happy I'm shoving my cock down your throat that you peed yourself?

That's okay.  
Taste it as much as you want, please.

It's just like your mom said.

You're a slave to my cock, right?

but you're still gobbling down my cock...

You're so embarrassed you're hiding your face...

A... amazing...

Oh...  
Haah...  
Aah...  
Ah...

HAA  
HAA  
HAA

What is this, Ryano-san...?

The heat inside your mouth and this amount of drool are just not normal...

This is nothing to be ashamed of.

This is... a mouth perfectly made for sucking on cocks!

It's gonna go to waste unless it's drinking loads of cum.

Come on now, show me that pretty blowjob face

so I can cum a whole lot for you.

.....

Yes, that's good...! The face you make when you're drowning in pleasure is just great...

Ah... Masato... Masatooo... ♥

You got like this just from watching us, right, Tomoe-san?

Your moans are so cute.

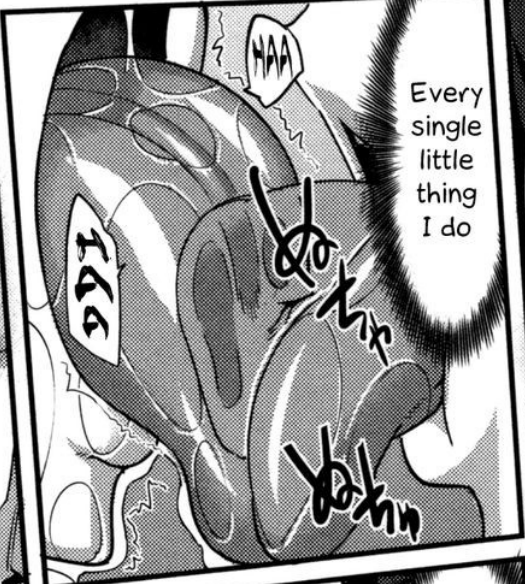

Today, I found out you can cum just from your mouth-pussy.

Your tongue is more like your clitoris, huh?

00011~  
00011~

This feels miles better than usual...

Every single little thing I do

becomes pleasure for the both of us.

This is amazing... Nothing like Ayano-san's sensitivity.

Completely good...

I'll make her feel really good.

Yessh... ♡  
it feelsh  
ghood... ♡

The succubus who is usually strong and mighty is cumming just from her tongue right now, huh?

Sho good...

Ma-shato... ♡

Of course I will.

I wonder what would happen if I put this inside instead. How about it, Tomoe-san...?

I don't... know... Let's try it out.

Here it comes...

Alright then...

Yes... Your face looks amazing, Tomoe-san... It feels great, doesn't it?

It's only halfway in, are you doing okay down there?

You're feeling good too, right?

Yes... This is it. Rubbing it here feels the best.

How about you help me cum even more, pretty please?

I'll cum buckets inside your mouth-pussy! Aren't you happy about it!?

The insides of your mouth are so wet that my dick can reach as deep as I want.

Drink it all up!

A little deeper...

I don't need to worry about holding back or aiming at all. I never thought taking a piss could feel this good, I wonder why...

I can't hold it back either...

Hah... Yes, Tomoe-san... You sucked it so much...

I'm peeing...

I think I understand how you feel a little better now.

This feels crazy good, Tomoe-san.

You have to wait for me to give you permission, okay?

That's no good, Tomoesan, you'll make me cum all over again.

Haah...  
Hah...  
Aaah

I'm feeling pretty sorry for Shitone already.

You got your turn for now, so...

It really feels like it's making me produce even more semen...

I can't even take it anymore...

I did this half-jokingly, but it feels so amazing...

Look at how big it's become, Shitone.

Give it to me now if you're ready...

I'm gonna drown in my own drool down here.

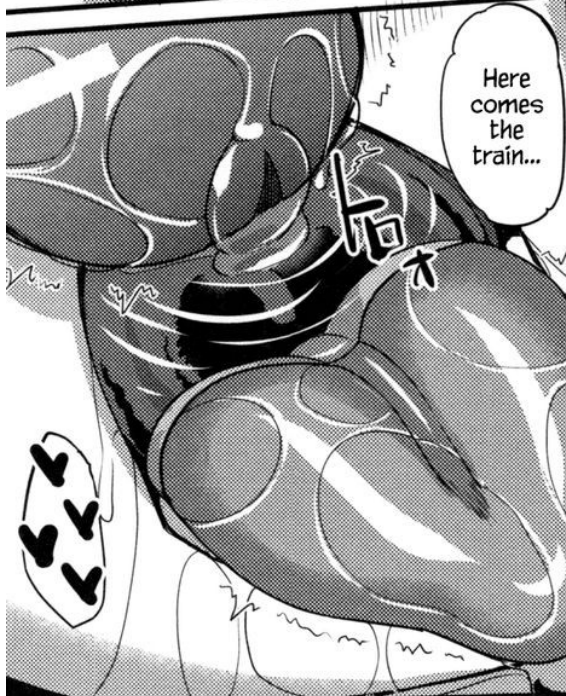

NGH... KWAAN...

...Alright then.

Sorry about that...

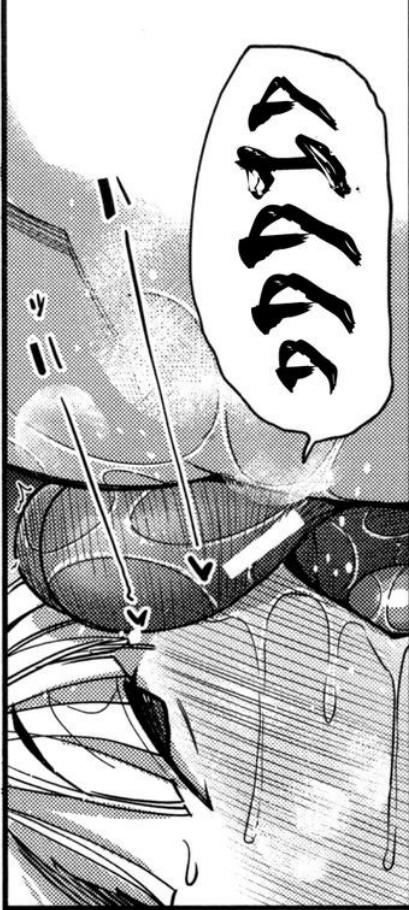

Here comes the train...

Oooh~ So hot. It feels like I'm taking a hot bath... This feels so good!

あははは

You can already smell my cum leaking out, right...?

You can feel how hard I am thanks to you, can't you, Shitone?

あははは

あははは

I'll cum a whole lot...

Aah... Your voice is making my cock vibrate...

あははは

Right inside you, Shitone.

You succubi are built to love dicks at a genetic level, aren't you?

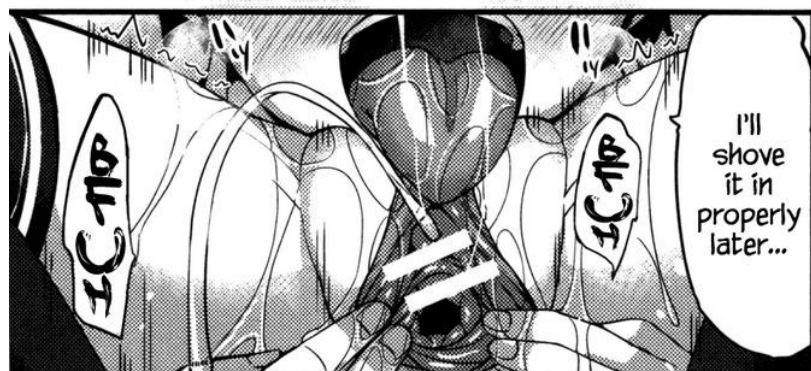

Yes... this is amazing... There's that saying about your body being honest, but...  
These are stupidly honest bodies, huh...?

You want some love down here too, don't you?  
Your whole body is seducing me.

It'd be rude of me

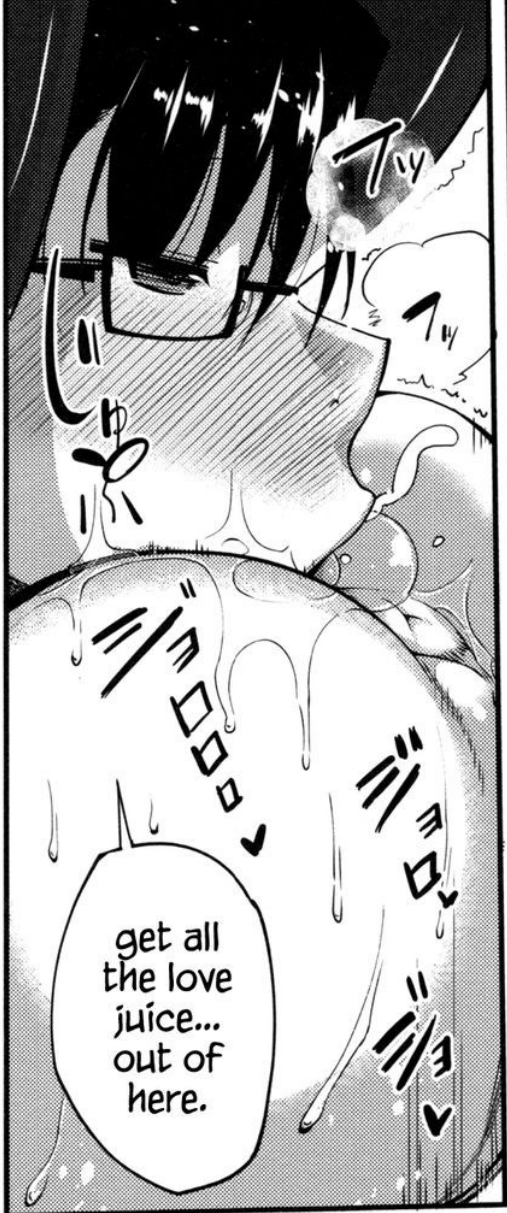

I'll shove it in properly later...

so don't worry and let's have some nice oral sex now...

if I didn't ravage you all with my cock!

get all the love juice... out of here.

I have to...

Come here.

I'll make sure to fill you back up... with cum!

Kuh...  
Hah...  
Cum-  
ming...

Faah...  
Here it  
comes...  
This is  
amazing...

And since we don't have magic today we can't create the contraceptive...

!?

Phew~ It's such a waste that a day like this happens every god knows how many decades!

It's enough... You can't live if you're in heat like this every day.

...Guess you're right there.

You're running your mouth again, Mommy...

We'll get... pregnant for sure.

It'll be a real problem if we get creampie'd today...

Oh yeah. Sorry about that. Mommy said lots of unnecessary stuff. ♡

..... !!

Preg-  
nant...

Grand-  
child...

spurted  
out inside  
Mommy  
and her  
cute little  
girls, it  
would be  
quite the  
problem...

If a thick,  
humongous  
cock  
like this...

I'll be  
fathering  
children  
and grand-  
children  
with these  
three girls,  
huh?

Can I...  
really...

impregnate  
these  
defenseless  
succubi  
if I want?

You think  
so too,  
right,  
Masato?

Right?

if you  
think  
about  
it with  
common  
sense...

That'd  
be the  
worst

Oh  
man...

Good-  
ness  
graci-  
ous...

I'm the absolute worst!

I'm the worst, aren't I?

Worst!

deep inside you girls on a day like this is simply the...

Shoving my cock...

And you're all happy about it, right!?

That was the last of your pride, right? I'll take you girls up on that cute invitation!

I want to have creampie sex with you girls!

Of course I want to shove it deep inside your pussies!

But I can't stop myself!

You can raise your voice as much as you want, Tomoe-san.

You can just ask me directly like a good girl if you want more semen...

I'll keep pumping it in even if you don't, though!

Let's have a lot of fun mating like animals...

Did my cum get to your eggs already?

Did we make a baby already?

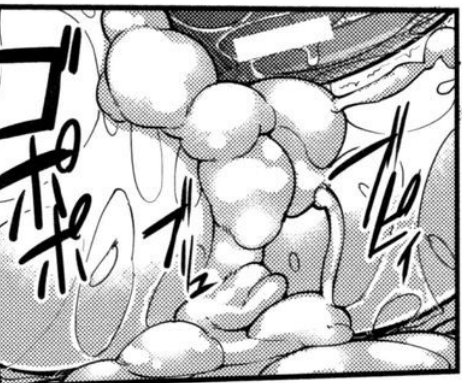

...Ayano-san, this is the sixth shot!

You're cumming too much...  
♥ Too much...  
♥

OOOOO!!

Seventh shot...!

N...

Not yet...  
♥

So succubus pussies get this drenched when they get pounded mercilessly so much...

...This is amazing...

And you're still sweating out those lewd pheromones.

You have such perfect bodies...

Multiple instances of sound effects represented by stylized, bold black characters, including 'クッ' and 'ズッ', indicating the sound of impact or penetration.

After experiencing this for myself today, there's no way I can let go of your bodies!

And hog everyone's bodies for some nice baby-making sex...

let me take a lifetime's worth of bonuses...!

I'll work my whole life as food for you girls, so... today...

210001

love succubi !!!

This is a worth doing! I feel so proud and good about it!

This is my calling! Giving my dick to succubi is what I was born For!

And to have kids on top of that... I thought I would never get the chance in my whole life to get you girls pregnant...!

I...

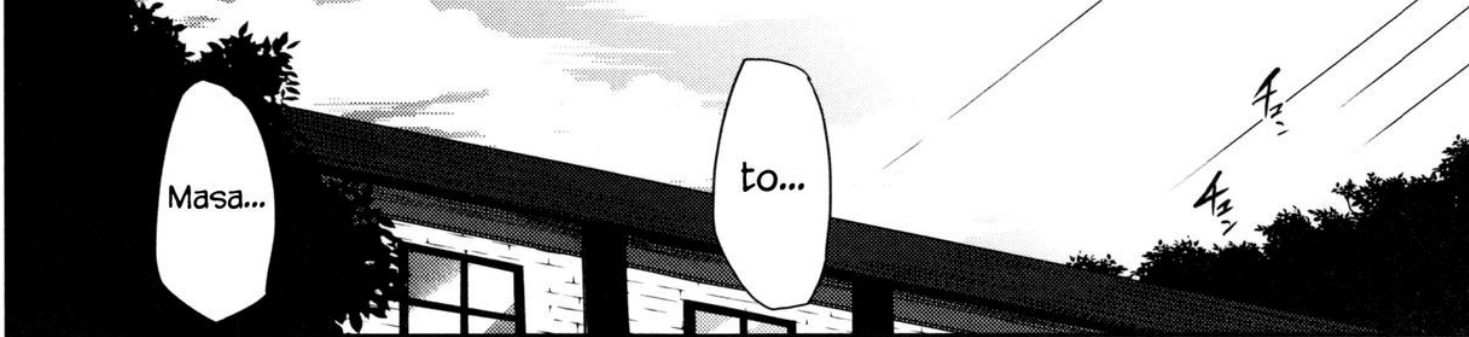

I wanna make a memento... of how the three of you look today.

Hahah, you're so cute.

We have to immortalize the exact moment the babies were conceived.

● REC

Right?

And it's all thanks to you for going wild like that yesterday.

O... Oh man, hahahah, I really overdid it a little bit yesterday, huh...?

Having some lifeforce on the magic-less day was pretty effective.

Yes! We're in top shape, thanks to you!

...Did you get your magic back?

Eh, why would it be?

That was like... a joke... or something?

Yes?

About the whole pregnant thing yesterday...

What is it?

S... So yeah... Umm...

E... Erm...

My cock really did a number yesterday...

For realies.

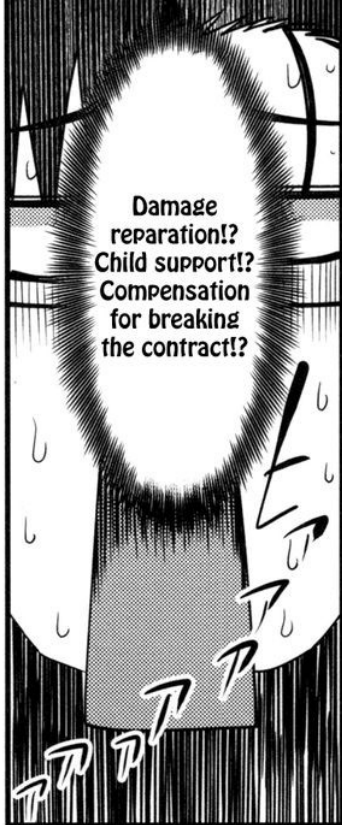

Yeah...

It was for real...

Succubi don't lie.

Succubus-exclusive pregnancy test

All positive

Yes! One after the other!

More... babies?

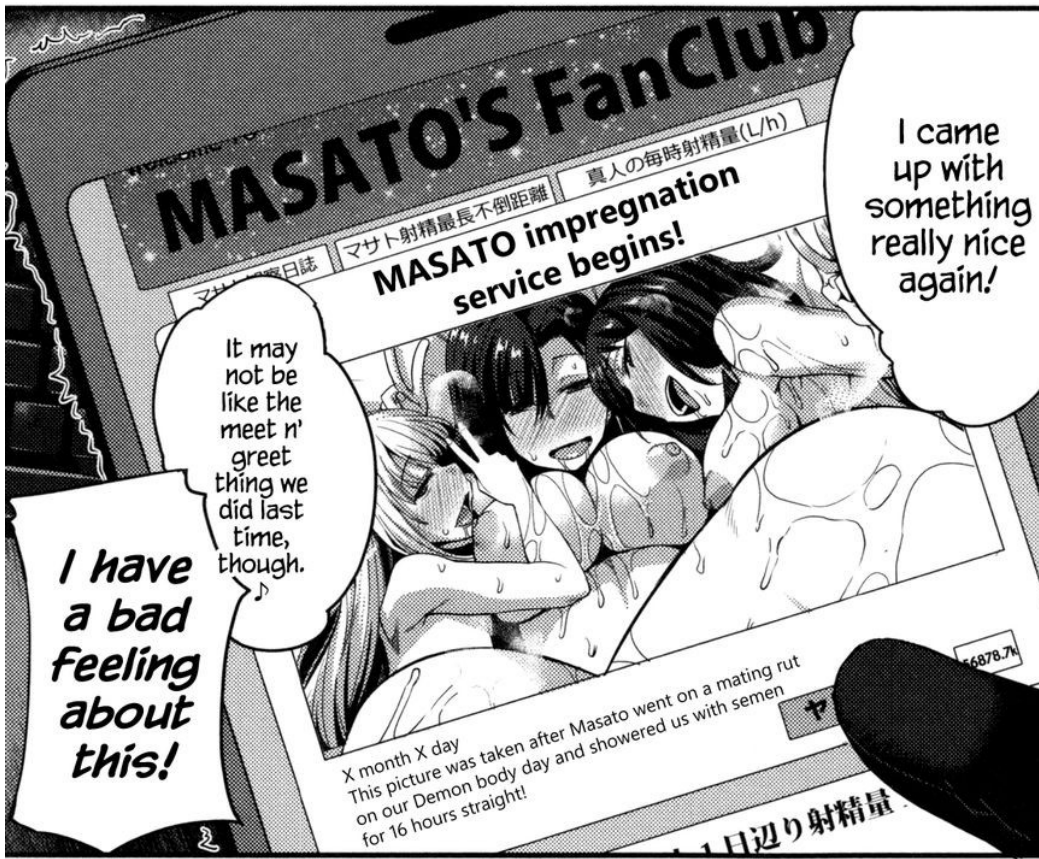

We'll be having even more babies, so you better train yourself~

That's our Masato, a real man!

The father is the one doing the milk-feeding...

No... I... I... If that's all I have to do then of course I will! I'll cum as much as I need to...!

It may not be like the meet n' greet thing we did last time, though.

I have a bad feeling about this!

X month X day  
This picture was taken after Masato went on a mating rut on our Demon body day and showered us with semen for 16 hours straight!

I came up with something really nice again!

W... What's the meaning of this!?

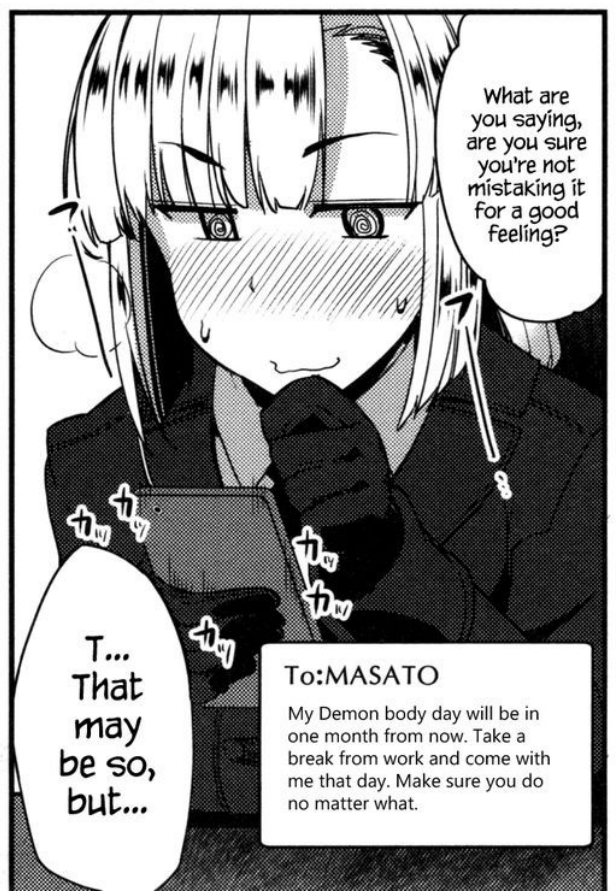

Just like I told you.

Succ Inc. Headquarters, top floor

Come on now, it's time to train and have a meal! Morning wood milk is the most nutritious, so we'll have some! ♥

◆END◆

What are you saying, are you sure you're not mistaking it for a good feeling?

T... That may be so, but...

To:MASATO

My Demon body day will be in one month from now. Take a break from work and come with me that day. Make sure you do no matter what.
