Ah...
Hello

Excuse meee, can you show me in already?

Ah, o-over here

Ah, sorry~

Come on, you should arrange your shoes better than this~

So I came here with Misaki to meet you, I didn't want to miss a chance, you see~

Fufu ...

So my sister told me there was a "Good person" at my cousin's house.

I had a thing for an older guy, but when I tried confessing, I got turned down

Well ...

So why did you want to meet out of the blue like this?

Oh, really ...

Not at all!

You're just as I imagined, the ideal guy for me

But I'm sure you're disappointed, right? Someone like me...

I'm sure he's never had a proper conversation with a girl before

Didn't he act super weird?

What the hell was that!?

FU FUH

And he's been hard since we came in, right?

All I had to do was move close to him and he started trembling

I know, I saw that too

Isn't he just the best sucker?

I was about to burst out laughing

Yeah, he's a real sucker ...

It was obvious he was a virgin from the start

But even worse, it seems like he's barely even talked to a girl~

He tried to hide it, but...

Since you're apologizing, I guess you did~

Like saying "I'm sorry for getting hard"

That was Onii-san's apology for popping a boner!
