

GET AWAY!!

H... HEY!! YOU IDIOT!!

How awful.

I'll have to SEAL THE DEAL, won't I?

So in order to make sure he doesn't leave me all alone forever..

Even though it's all because of Ryo that I turned into a girl...

...He isn't very accepting of me.

For us to be together... for the rest of our lives... forever and ever!!

絶対に離さない

W... Why?

But what are you gonna do about your phobia?

B...

Well, I'm gonna graduate soon. I don't want my youth to end without enjoying it.

A few minutes ago.

E E H ?

You want a girlfriend?

No matter what we did, we always did it together.

I've been at Ryo's side ever since we were small.

He stiffens up and can hardly even move.

He freaks out even if a girl so much as touches him.

My best friend Ryo has a phobia of women.

You're my best friend, ain't ya? It'll be good for my peace of mind.

Grandpa already put together a full set of clothes for you, Akira.

I'm counting on you, man.

WOMEN'S CLOTHES?!

So since he started saying he wanted a girlfriend...

Sure.

Anything to cure my phobia of women.

Apparently, letting your friend dress up as a girl really helps.

At least, that's what grandpa says.

Why is this happening to me...?

Ugh...

Aw, jeez...

Hey, wait a sec, Ryo!

I'm off to the bathroom. See you in a bit!

Ggh...

Huh?!

If there was only some way to keep him to myself...

We won't be able to spend time together anymore.

Ryo... I don't want you to get a girlfriend.

WHAT?!

UHH... AHH...!

M... My body is...!

ヒッ

カキ

Ah, that's better

Yo, Akina! Finish changing already!

RY...

RYO...?

ワァァァァ

W... WHO?! A G... GIRL?!!

A GIRL?

It... It's me! Akira!

Maybe because of grandpa's clothes...?

W... Why are you a girl...?

A... AKIRA?!

IT'S TRUE...

I'VE TURNED INTO A GIRL...

I just became a girl...

You wanted a girlfriend, right, Ryo?

Hey, Ryo...

Why did this happen?

But... could this be...

A CHANCE?!

So...

N...
NO WAY!

Then we'll be together forever...

I'd feel sick if I even made any advances on a guy!

So there's just no way!

Wh...

Why not?

Well, because inside you're still a guy...

I kinda wanted a girlfriend who was a, uh, girl.

If I were to become your girlfriend...

Would that be okay...?

I CANNOT FORGIVE IT!

That is something I cannot forgive...

Is spending time with other girls more important to him... than I am...?

Akira...

Sorry...

I can't believe it... Does Ryo not want to be with me?

I will make it so there will be no turning back from the point of no return...

I will never stop.

Please stop...!

ちびゅん
ちびゅん

S... STOP IT, AKIRA...!

NSKH...

Something is coming...!

GHH... Something's wrong...

IT'S... IT'S COMING OUT!!

So that he can dump all the rest of it in my pussy.

Just one drop of Ryo's sperm...

Don't do it! No cumming yet.

Oops!

You'll ejaculate right into me.

It's easier to just cum.

You don't stand a chance.

AHAHA!!
YOU CAME.
YOU CAME!

DID YOU PUMP MY PUSSY FULL OF YOUR SPERM AGAIN?

I'm trembling all over...
I'll keep on like this until I get pregnant...

Ryo let loose a lot of semen, didn't he?

Even now your virgin cock doesn't know how to handle a girl.

Hey, look!

Because I'm gonna squeeze every drop of semen from your body.

We're gonna keep going until Ryo can't be with any other girls...

But this isn't the end. There's still more left.

Why?!

If we can make a baby, won't we be together forever?

Stop! I...

I DON'T WANT THIS!!

I'M SERIOUS! PLEASE, STOP!

There's no way I'll ever let him be apart from me...!

Even if he hates me...

I would do anything to stay with Ryo!

MORE!

IT FEELS GOOD!

MORE!

I CAN FEEL IT IN MY PUSSY!

SWA...
OOH...

Heh heh!

And I'm going to get married, too.

I don't believe it... I really have a kid.

Oh...! It moved.

A few months later

You really think so?

ズッ

Grandpa probably made it so that we would get together.

Thinking about it now...

Although we had such a horrible experience with that uniform...

That I will ever let you go, Ryo!!!

Because there's absolutely no way...

I'm glad to hear that.

END

Ryo...

It had to be a girl like you, or else I would've been lost.

After all, I could never have been with someone unless it was you.

Even though it's limited to you, the symptoms of my phobia are gone.
