Ahh, don't worry about it. If everyone works together, we'll be able to get to the night festival sooner.

Sorry for making you help us tidy up so much.

W-We'll be going now...

W-WHAT DO YOU MEAN BY THAT?! THIS IS JUST HOW I NORMALLY TALK!

Try not to say anything too weird... just tell him how you really feel when the time feels right.

What happened?

They say that a long time ago, there were two classmates that were going out. The girl wanted to go to the night festival with her boyfriend, but she found herself alone on the night...

Later she found him in a classroom and tried to call out for him but...

Her boyfriend embracing another girl in an empty classroom.

There, she saw...

The rumor is that both the girls had jumped off of the rooftop after the night festival had ended.

When he noticed her, he tried to chase after her. But he couldn't find her at all throughout the whole campus.

This was for our class's booth.

Ah... you know,

It was meant to be a regular haunted house, but we based it on stories we've heard going around the school.

What stories?

Welcome to
LOVE SICK
Labryrint

And in the empty classroom, the spirit of the embraced girl appears.

They say that during the night festival, the girl who jumped off the roof lurks around the corridors...

Does that mean the girl ...?

Something happened to both of them, actually.

or not ...?

Come with me...

So... would you...

I guess... we should get the other too...

It's a bit scary to be going to the night festival alone.

So... you know ...

キリコ

just the two of us?

Would it be all right if it's...

...

...

Uhm...

Ah...

REINA ...!

Did you think that I'd disappeared?

Fufu...
Onii-chan.

This is just like the story that she told...

There, there... I'm still here. Not like the girl in the story, right?

I'll make that girl realize...

things won't simply go accordingly to her story.

More importantly~♪

Let's just do what we usually do. ♡

Come on. We are usually at home around this time, right?

R-REINA ...!

Let's show her. Let's show her how close we are.

Isn't that right?

WHA?!

It's my everyday routine.

I welcome him home everyday and heal his fatigue right by the door like this. ♡

What do you mean?

HAVEN'T YOU DONE ENOUGH !?

NOT YET!

キョ!!

Fufu... This isn't anything like that ghost story now is it?

I just reversed our roles earlier. ♡

WHAT'S WRONG WITH YOU?! FINE! DO WHATEVER YOU WANT!

So... however much you like me...

はあ

はあ

I'm the only one... allowed to love you...

I'll pay back with an equal amount of love...

ちびほ

Don't you like it when we're like this?

Yes... I can't just go halfway with this...

I'll make you give up...

What's wrong, Onii-chan? You came so quickly.

Ah... no...

Are you excited? Did you think some ghosts were watching us?

This is your second shot right?

Yet look at the sperm overflowing from my pussy.

WHAT ARE YOU... SAYING...

Look at how big and hard your dick becomes.

All that

Just
like this...
just the two

always do...
until night

I'll always,

want to be
a part of
your life.

So
move to

♥

That talk about being alone then finding her boyfriend could've only come from the girlfriend.

That rumor about how both of the girls jumped off the roof... only half of it is true.

You know... I was watching you from the start.

Ever since the ghost story part.

Eh?

Yeah... I guess.

Then... Noriko lied to me?

Mmm... I guess you'll find out tomorrow...

And the ending to that story...

TO THINK WE'D FIND REINA...

Do your best!

OF ALL THE DAYS WE COULD HAVE COME HERE...

I DIDN'T SAY ANYTHING ABOUT THIS BLIND DATE TO HER...

It would have been better if we hadn't found Reina.

Yeah ...

HEY, AREN'T YOU GLAD WE CAME?

You're really good at this, you know.

ゴク..

Kaho! It's so embarrassing singing in front of everyone~☆

どけっ..

Eh? You don't have to worry about that at all~

はあ...
Reina ...

何!?

HM?

No, not at all. It doesn't bother us at all when we get to see you girls like this.

It's awkward for the guys when you are here.

Didn't I tell you that this'd be a girls' night out?

I can't believe she'd glare at me like that...

W-Well, it's time for me to show off my own singing skills!

Yay~ I've been looking forward to hearing you!

Eh? Really, Kaho?

You alright?

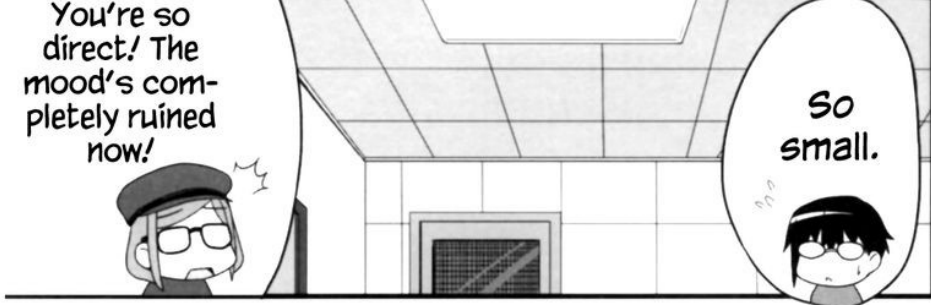

Hmm~? Then were you trying not to look at Kaho's boobs?

You know, you don't have to push yourself to sing if you don't want to.

うお!?

It's not that... it's something else.

Uwaa! You're so direct! The mood's completely ruined now!

So small.

Instead of looking at her's...

You can look at mine. ...

Hm? You're checking your phone right now? So care-free!

I guess now's a good time for us to exchange numbers. C'mon lemme type it in.

Well, I guess she's like this sometimes.

She heard who was coming from Kaho and didn't even tell us that she'd come.

Reina just popped up out of nowhere today.

She really didn't have to force herself to come today.

Hah~ She has to call her family?

Force herself...?

Sorry...

She wouldn't normally come to a place like this anyway

I have to make a call too...

Rei... na...?

Would you have gone home with her?

With that girl that's the same age as me?

Won't you embrace me?

Don't you like me?

Would you have rather hooked up with your friend instead?

UOH

AHH, STOP THAT! WE'RE STILL IN PUBLIC!

You can't cheat on me with other girls.

It's been so long since we've talked together like this.

I'll forgive you for coming to this blind date.

They'll find us if we make a noise.

Seems like Reina and her brother have gone home.

Maybe they didn't like this kind of stuff after all.

Noriko, could it be that you like that guy?

自分では、なんか吹っ切れたのかなと思う作品になりますね。この頃はこの作家さんの塗りや構図がすごい！よし、この人を参考にしようと思ひたすら研究してたと思います。瞳の描き方や大ゴムの配置など何かつかめたのかな？という作品です。キャラも色々妄想できたのも良かった印象かな？

今回の描き下ろしにも採用されたようにそれぞれに思い入れがあって描き足りないと思わせるものがありました。ちなみに眼鏡のキャラ典子なのですが、どうせサブキャラになるからと思い、あまり描かない「緑髪」「眼鏡」「帽子」「そばかす」など詰め込んでみたら案外愛着がわいていますw

木鈴カケル

本のタイトルで主人公とヒロインの関係と展開が想像できるのでタイトルは収録のされている中でも特にお気に入りです。中身については、れいなの女友達の前での態度と好きな人の前での態度の違いなどがうまく出せたかなと思います。また冒頭から複数のキャラクターが一つの場面で同時に会話を繰り広げたりするのは書いてて楽しかったです。
