A fluffy white dog is sitting on a light-colored surface, looking up and smiling broadly with its mouth open. Its eyes are wide and happy. There are some motion lines around its head, suggesting it is excited or happy.

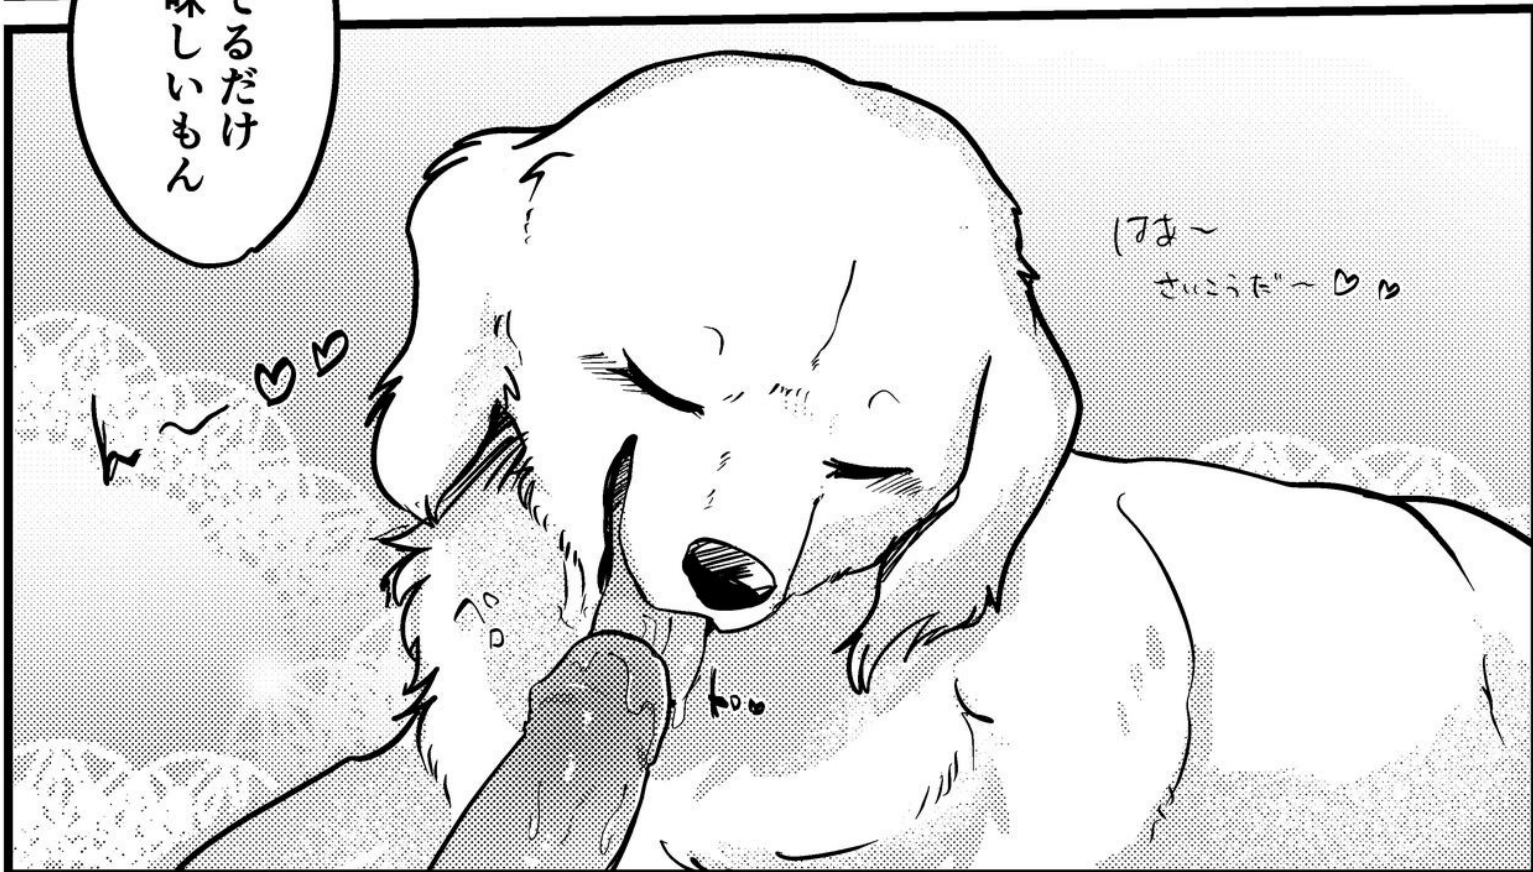

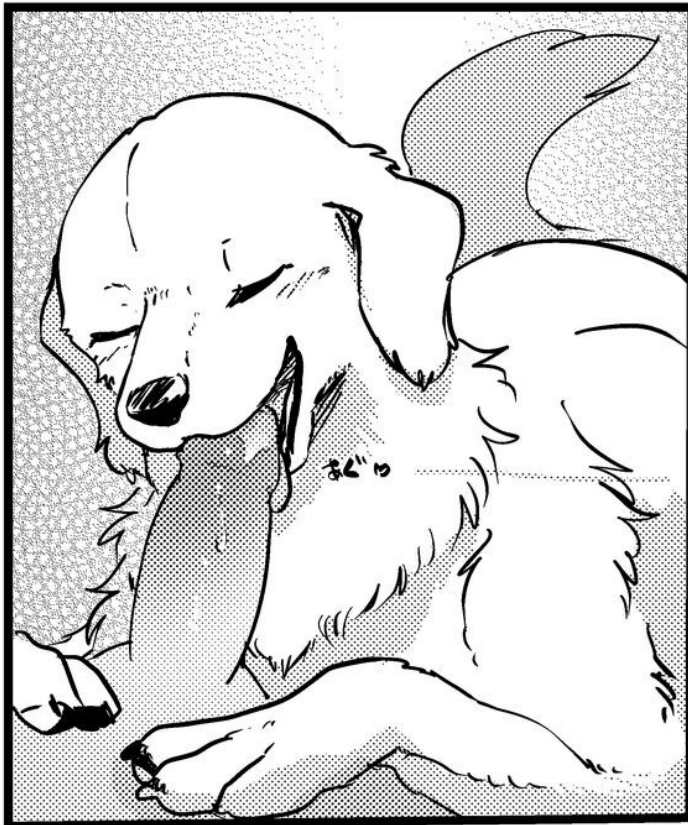

ご主人〜！
今日もおつかれさま！

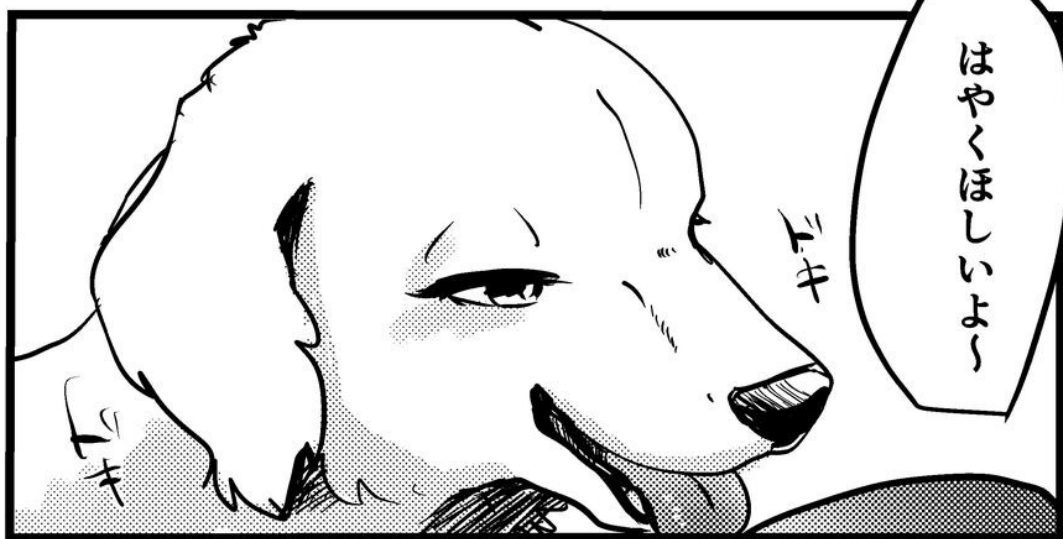

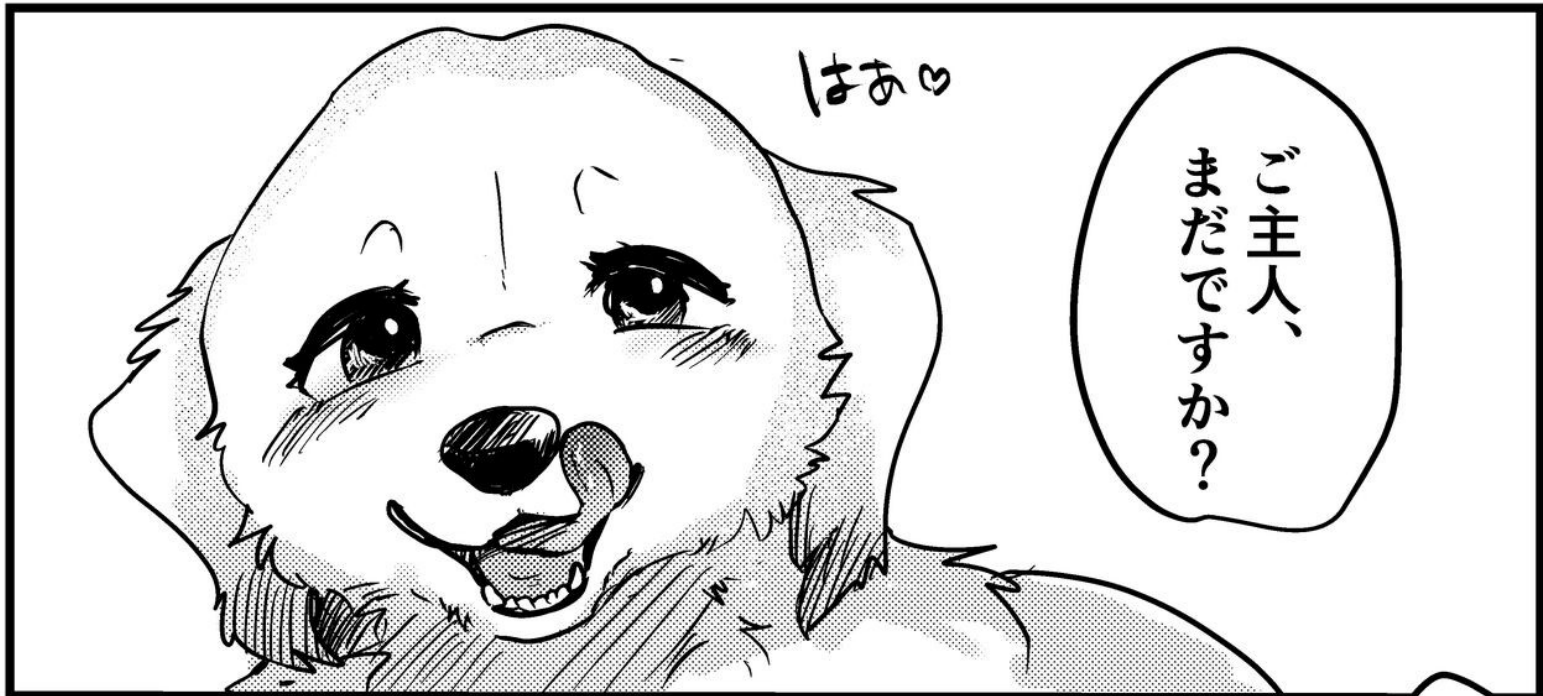

The same fluffy white dog is now lying down on a patterned surface, with its head buried in a cushion or blanket. Only its head and front paws are visible. It appears to be resting or sleeping.
