
Young master?
I'm going to my room!
Welcome home, young master.
バーン
Welcome home, young master.
Aah~ Damn it.
ピッ
ピッ
Jeez, my jacket is covered in flowers.
教導ウェルメイド
The Well "Maid" Instructor

Aaaa aaaaa aahh
That was really the worst.
She was fooling around at the school gate,
kept me, her fiancé, waiting, and even did something that awful with the flowers I got just to please her.
What did I do to deserve to be treated like that?
I don't understand.
I really don't understand.
Waiting at the school gate... So in short,
じと..
.....
he went to Tachibana-sama's school uninvited again.

Why are you averting your eyes, Chizu?
That's definitely not the ca-
That's not tr-
You were just looking at me, weren't you?
Chizu...
Were you trying to say some-thing?
I was trying no such thing.
ハァ
. . . . . .
Heeey, just say what you want to say!!
This is an order from the next head of the family!!
Well then, as you wish...

I've been watching the young master all these years
and the way you've treated women has been a disaster.
Wha-...!?
The young master doesn't understand a maiden's heart at all!
"What a pitiful girl for not understanding my worth."
"This girl was not worthy of a superior being like myself."
...And so on.
It sounded like you were only blaming others for your problems.
How pitiful... You still haven't realized why you were rejected.
N-no way... I'm not such a-
The young master is just not used to women.
You always only talk about yourself in front of women.
You never hold an actual conversation... You don't realize how they feel.
I reckon the young master didn't even try to think about these things.
N-no...
I've had lots of conversations with girls up until now...
No matter who they were, didn't they all leave shortly afterwards?

Even if you did hold a "conversation", can you remember even one thing about them?
Like their hobbies, what they looked like, or what clothes they were wearing?
That's...
The young master is lacking many qualities that are important for a man.
Well, you are a virgin, after all.
It can't be helped...

Being a v-v-virgin has nothing to do with that!!
That's not true, it is related.
The future of the Kobayakawa family depends on the young master and his ability to produce offspring, after all.

Ha!
If I just need to lose my virginity, you can help me lose it right now, can't you?
Ah, no, that was just-

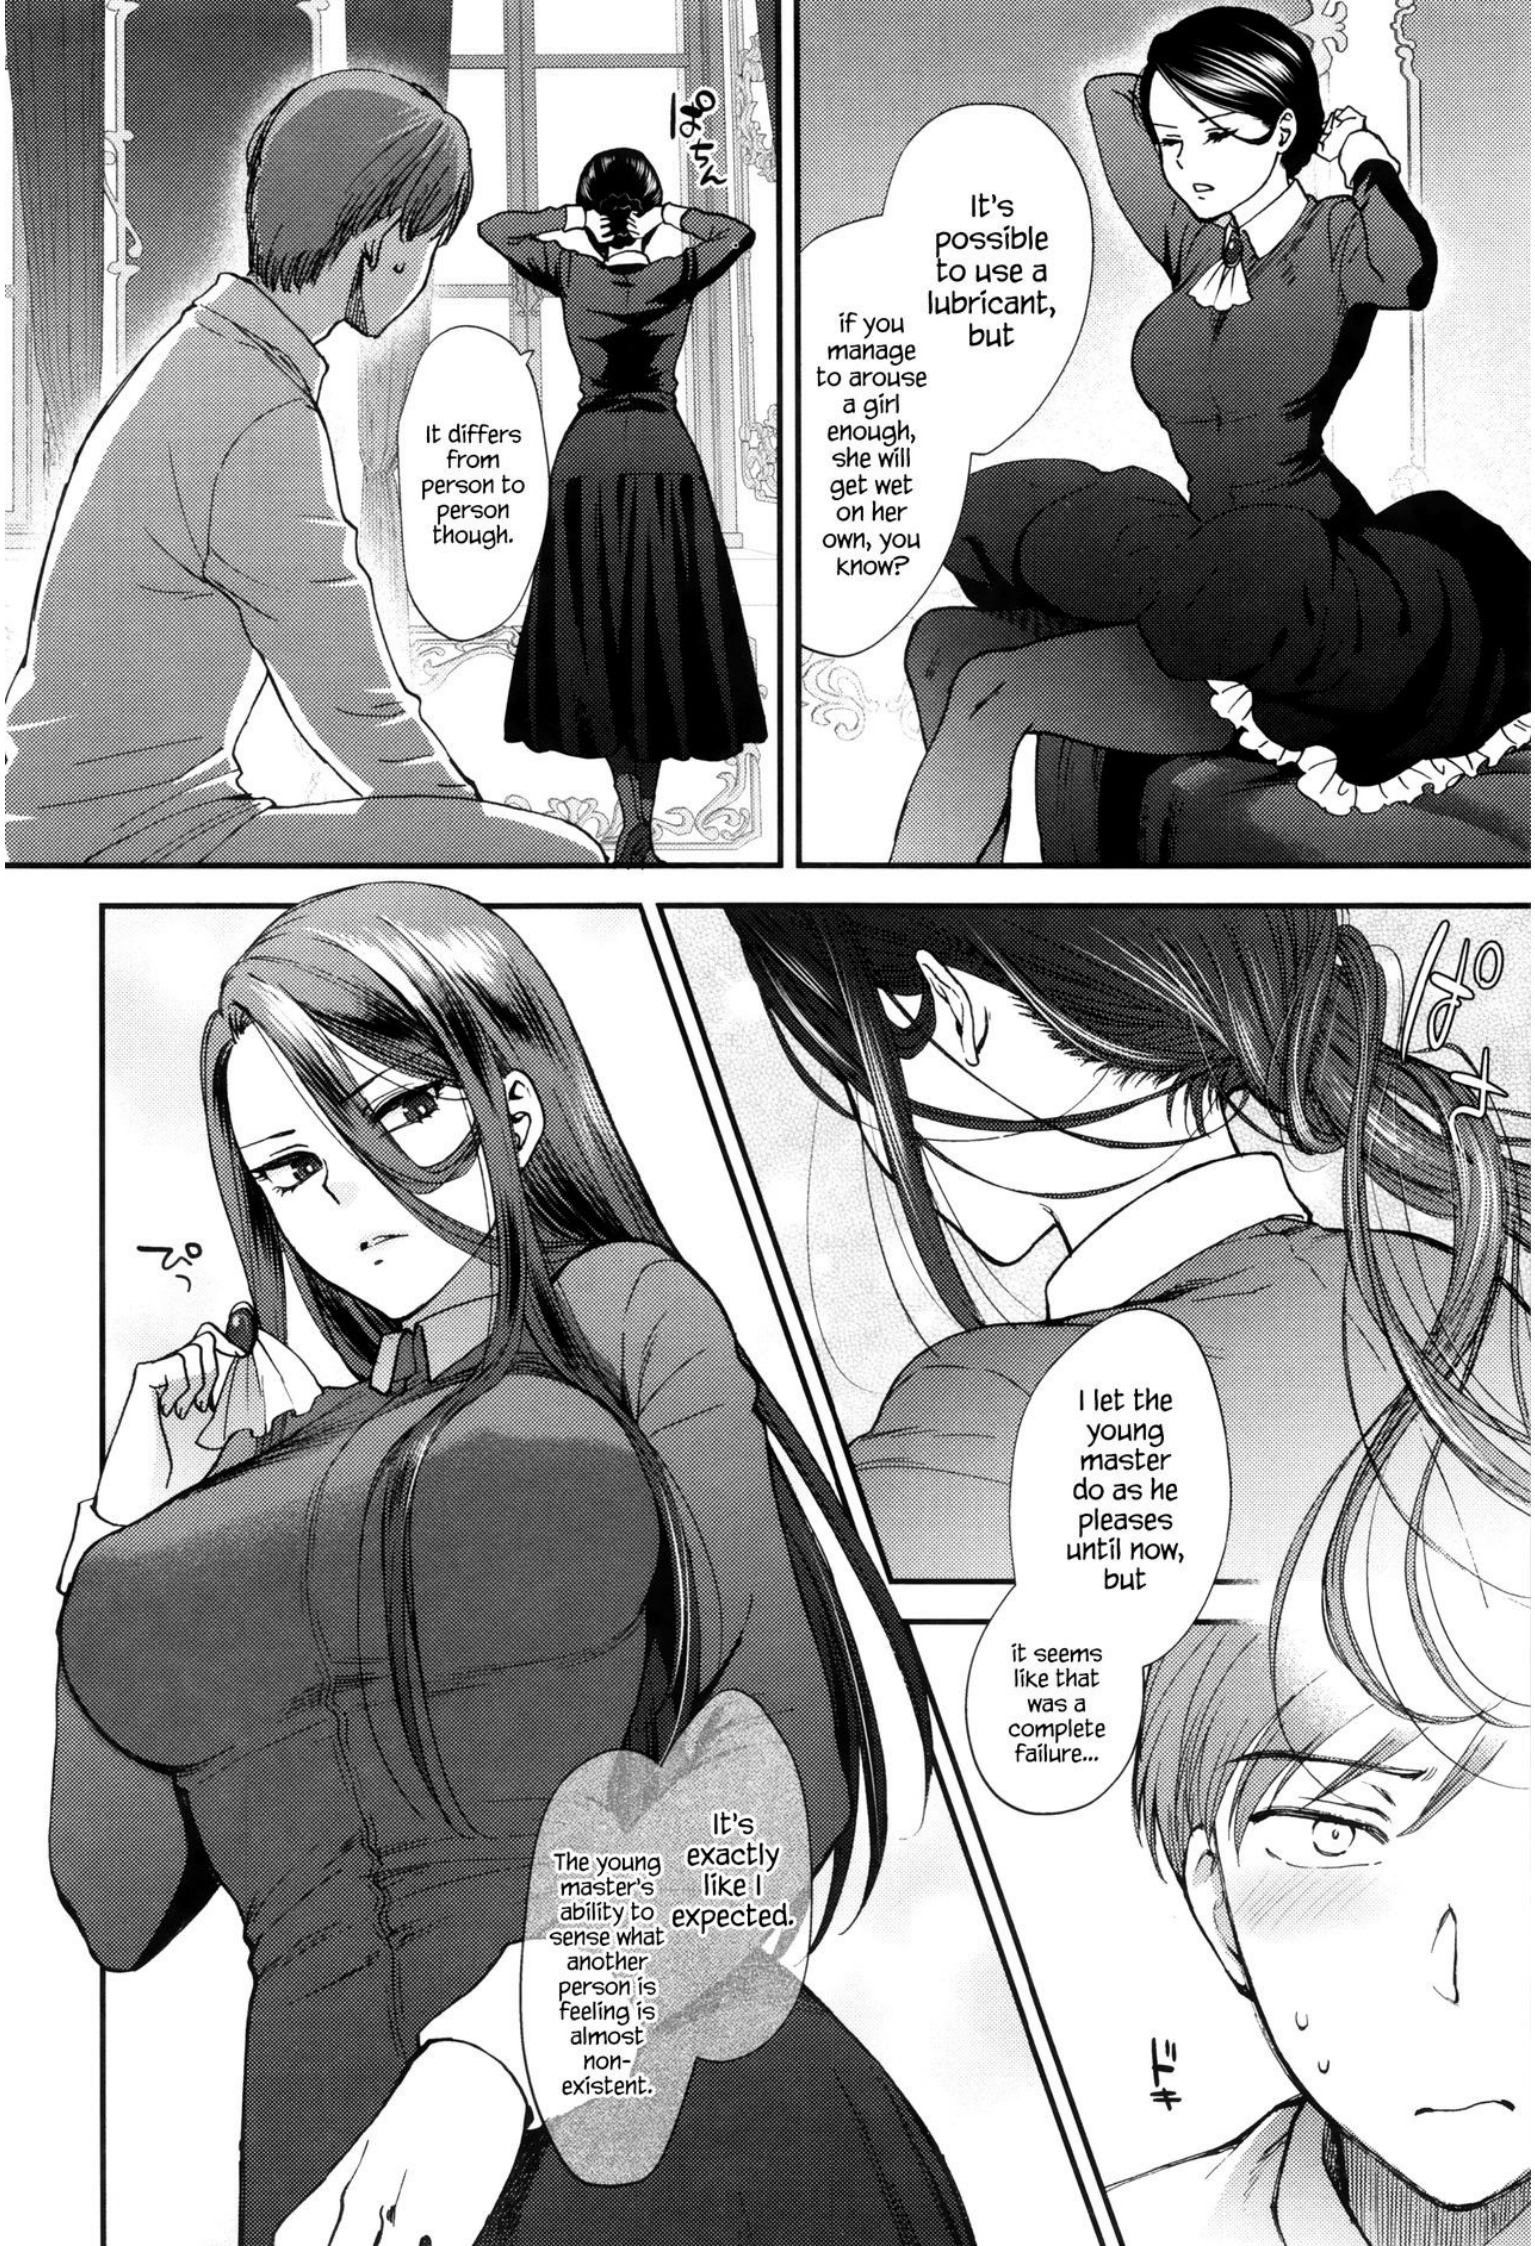

I understand. I will serve as your partner then.
Eeh !?
Hey, are you for real!?
Agreeing that easily...
Well then, do as you wish for now, young master.
I'm serious, young master.

What should I do??
Do what I want...

Touching her boobs, and touching there...
So s-soft...
!
むにゅ

Touching her breasts and other places... Ah right, I should kiss her as well.
mmm
Haa
Okay, next... I will flip her skirt.
Eehm... What's next...?

R-right, I should put it in.
Stop, young master!
Sto-
Eeh? What did you say?
I said "Stop", young master.
If the girl is not wet enough, it will be a painful experience for both of them.

It's possible to use a lubricant, but
if you manage to arouse a girl enough, she will get wet on her own, you know?
It differs from person to person though.
I let the young master do as he pleases until now, but
it seems like that was a complete failure...
It's exactly like I expected.
The young master's ability to sense what another person is feeling is almost non-existent.

Even if the young master doesn't tell me what makes you feel good...
ムニィィィィ
Young master,
the girl must be wet for it to work, but the boy's thing must also be hard or it will be difficult to put it in.
I-I see...
ごくっ
SWIP
I can easily tell by looking at your face.
Let's try it out!

Shh
...! Wai-
Wait a second, Chizu.
So the tip is one of the young master's weak spots?
It seems like this little guy gets really excited whenever I gently touch him.
Oh my, young master... Do these breasts pique your interest?
...
はぁっ
はぁっ

They're huge!!
Could it be that you want me to do something like this?

S... So soft!
Fufufu... I can tell that this little guy got even harder.
Her white and tender breasts are enveloping my cock. They're almost like guimauve... or marshmallows.

They are so soft but still apply so much pressure...
UGH
It feels so g-good.
I CAN'T HOLD-CUMMING!
Haa
Haa

SLUUURP
Fufu fu...
The young master has sensitive nipples, huh?
They are becoming redder and harder.
Ufu fu~ So delicious.
The young master wants to be touched somewhere else, right?
But please have a little bit more patience.

Do as you wish, one more time.
Now then, young master...
O-one more time, doing what I want...
I get it now.
I shouldn't just think about putting it in, but take my time to ease her into it.
First, make my partner feel good...

Something is swelling.
Her breasts are...
sweaty and sticky.
I can tell that she has a hard time breathing.
It's pretty tight...
I'll touch the hard spot over here...
Chizu's whole body is throbbing.

Is it okay if I go deeper?
Uwah, what a sound.
Her insides... are so slimy
and hot.
Haa
Aah
Haaah
I-is it all right if I put it in now...?
Her face is completely different from before.

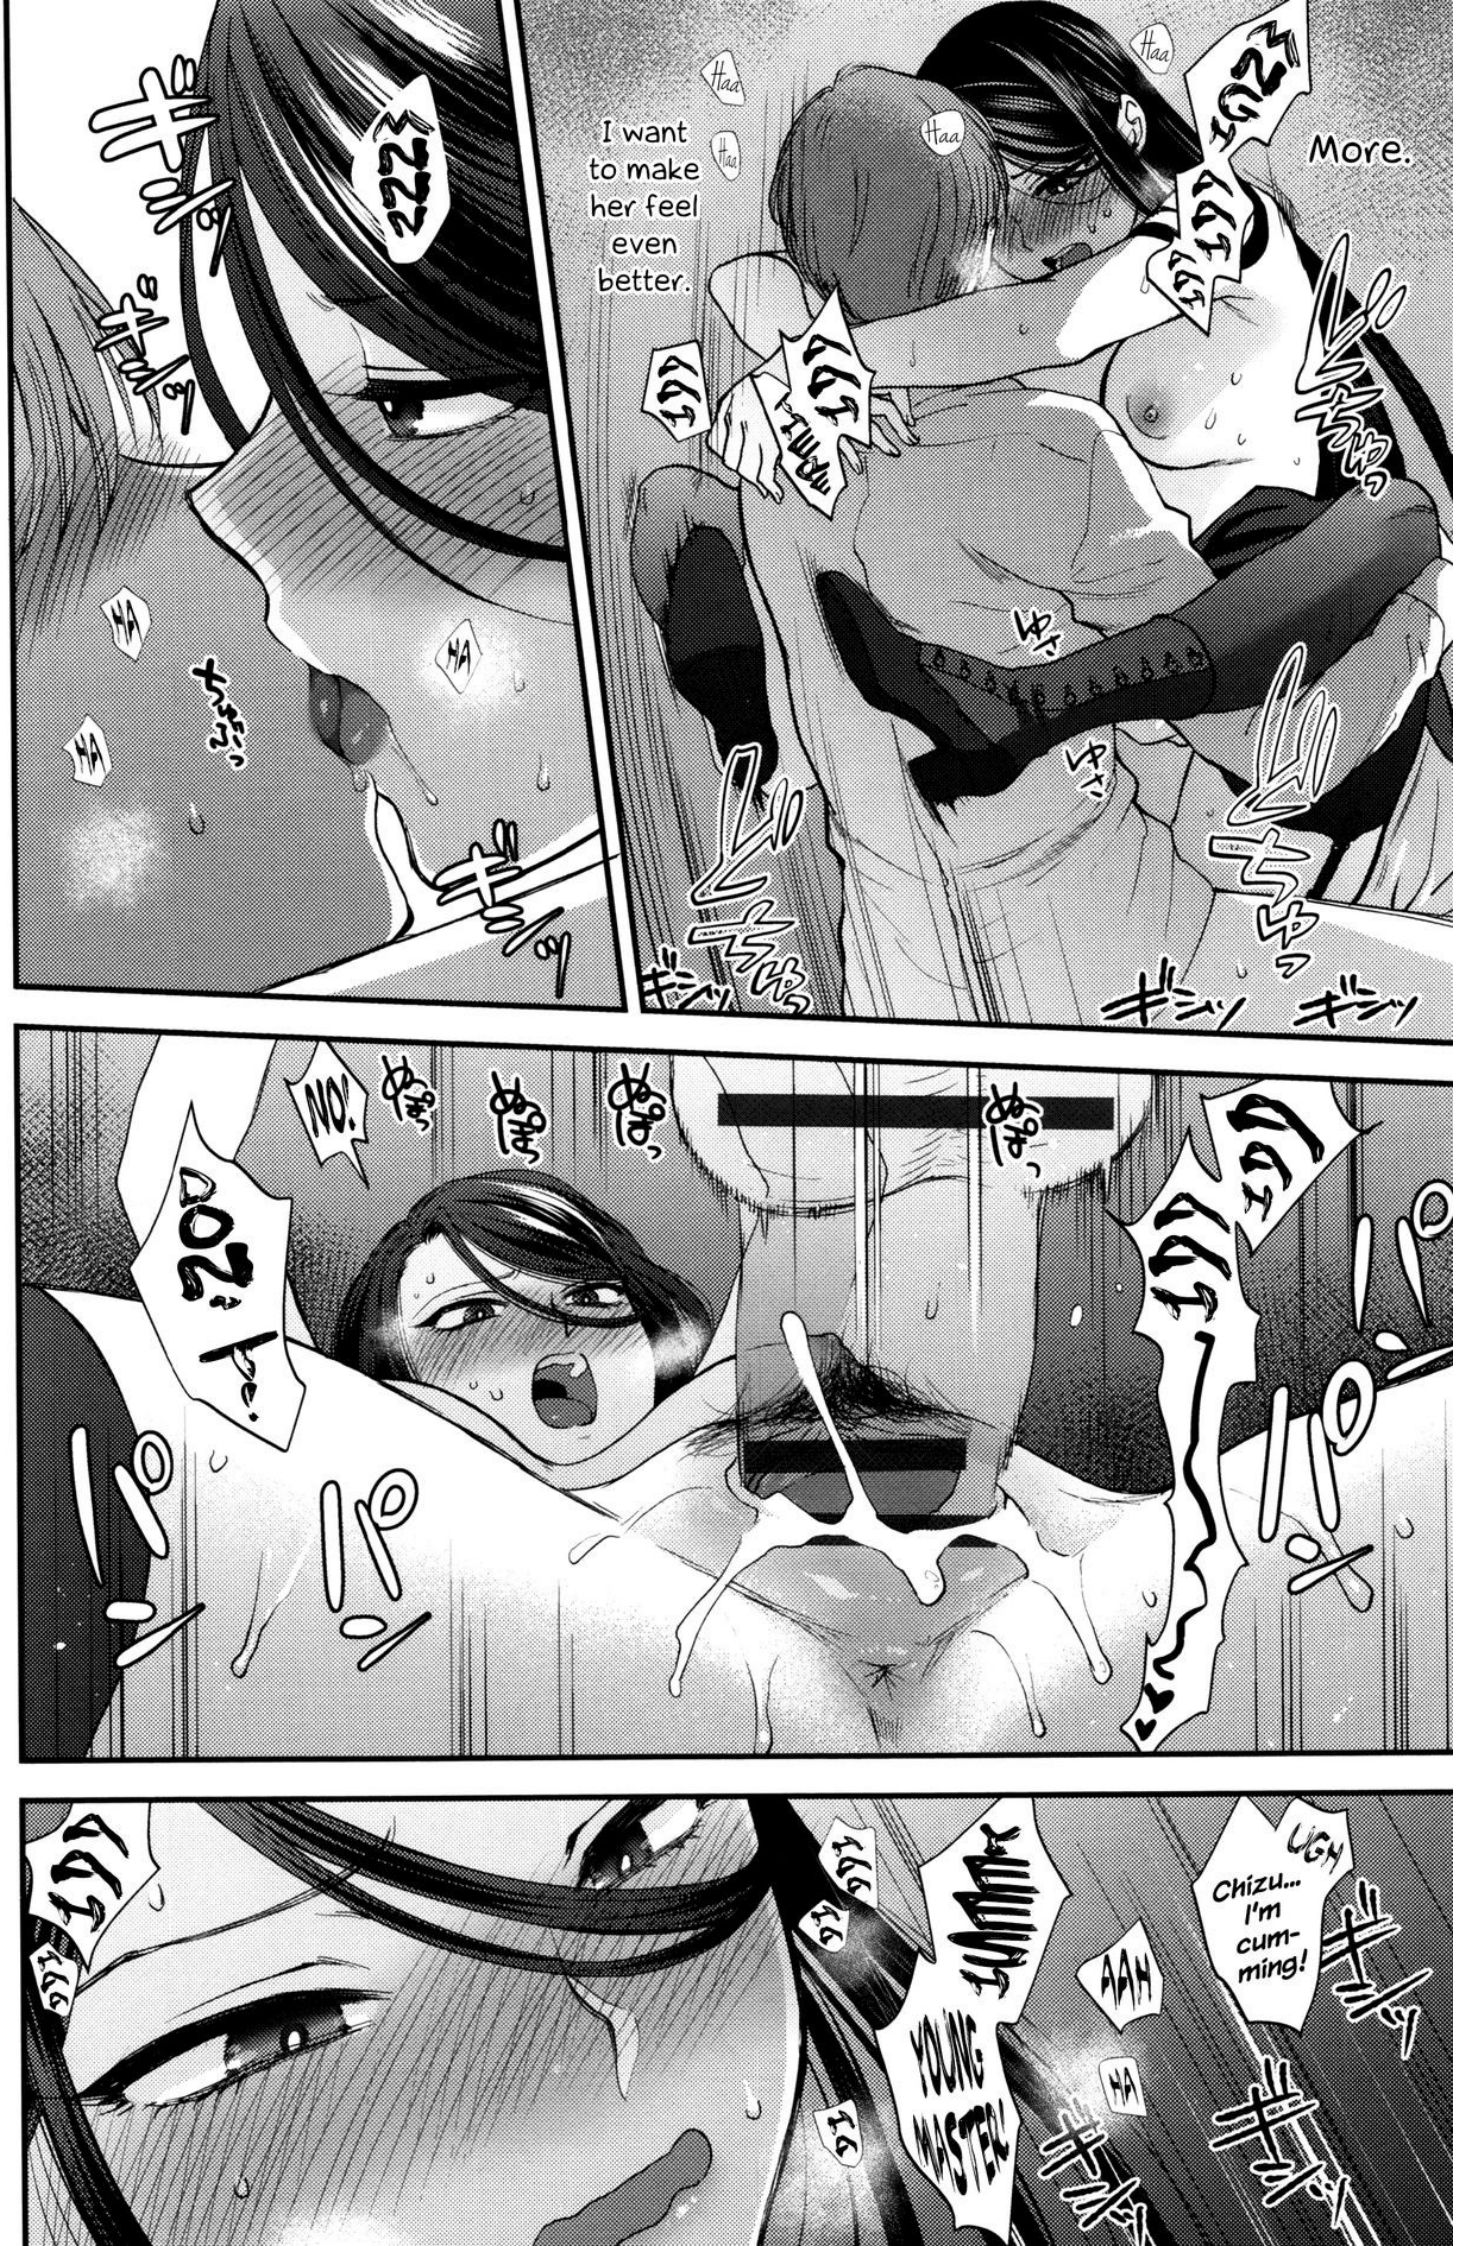

My cock is so hard it hurts...
Haa
Chizu, what do you want me to do right now?
I know that you normally listen to anything I say without a word, but...
Right now... you ask?
I think the young master already knows the answer, doesn't he...?

Haaa
Fuu

AAH
It...
It feels good...
Her insides are twisting and entwining with my cock...
N-no.
I can't just think about myself.
I have to make my partner feel good as well...

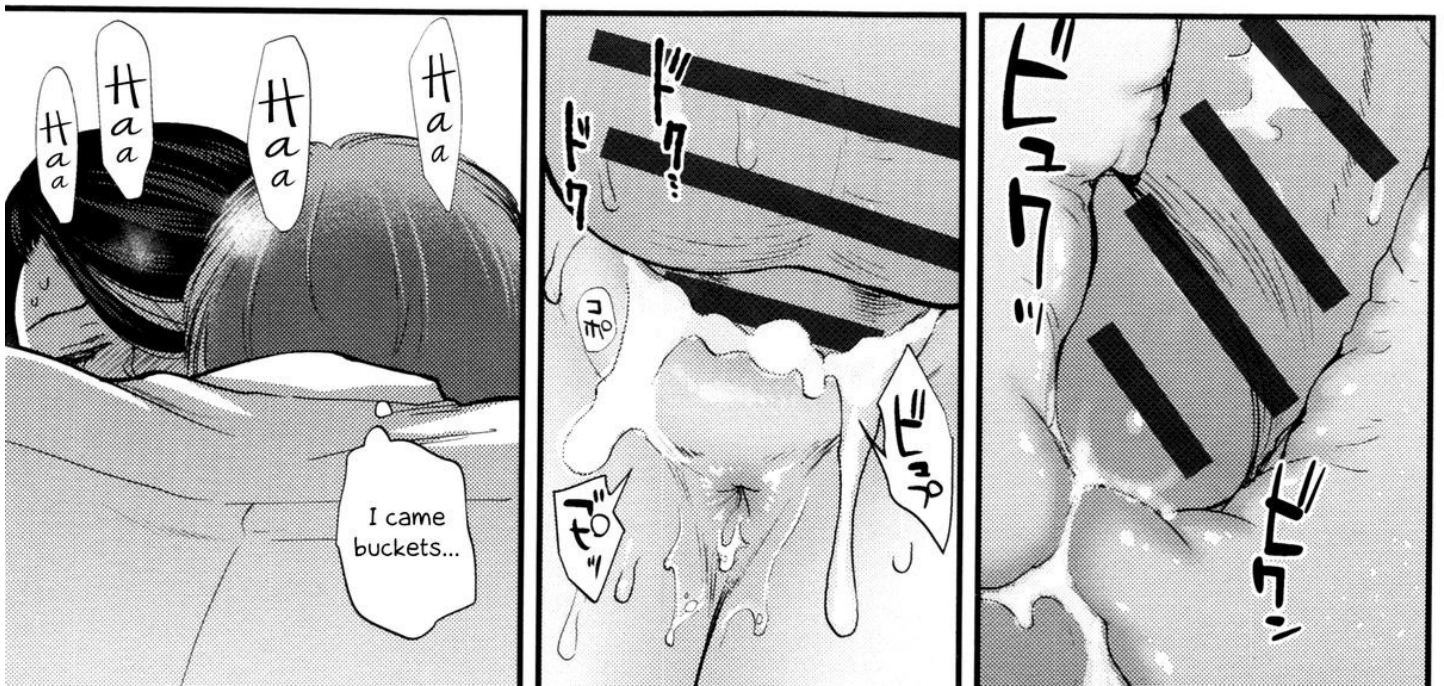

This looks like it would feel pretty amazing!
Haa
Haa
Haa
Damn it~ It feels so good!

I want to pound her harder.

Eeh, does that mean you are going to teach me until I can reach 100 points?
Well, I would give you 30 points for that.
Still far away from 100 points, you know?
...That's not something you should say out loud even if you suspect it to be true.
