Momoe and Aoi

and while I was struggling with him, I fell off.

Masaki-senpai suddenly attacked me on the roof,

When I came to, I was in this hospital.

Yeah...

Two weeks later at the Kuroki General Hospital

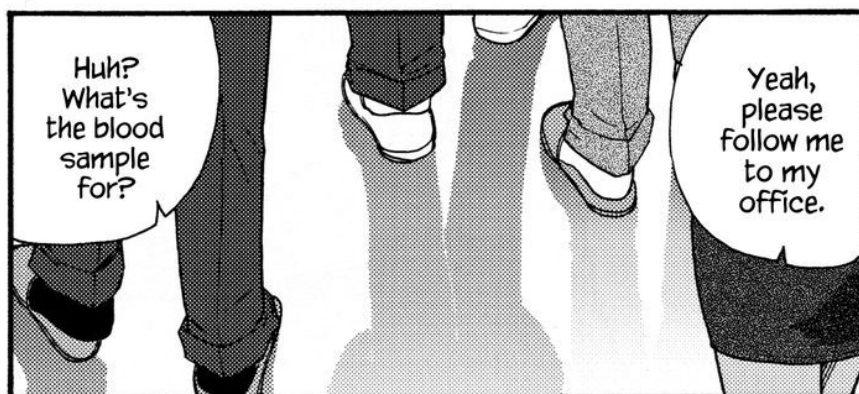

Mental fatigue will be a hindrance to her full recovery.

Inspector Akagi... Could you please leave it at that for today?

That's all I can remember.

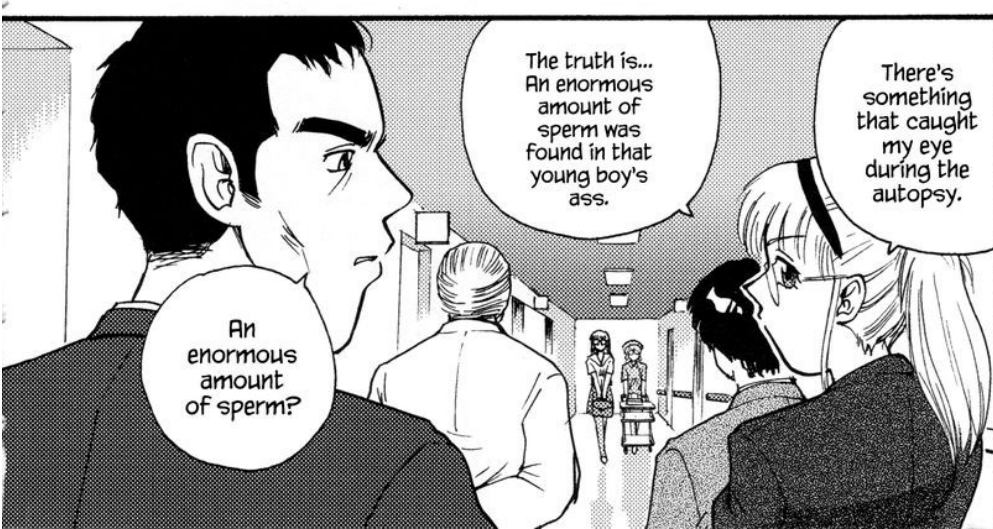

Huh? What's the blood sample for?

Yeah, please follow me to my office.

Director... About that blood sample I asked you to prepare...

The truth is... An enormous amount of sperm was found in that young boy's ass.

There's something that caught my eye during the autopsy.

An enormous amount of sperm?

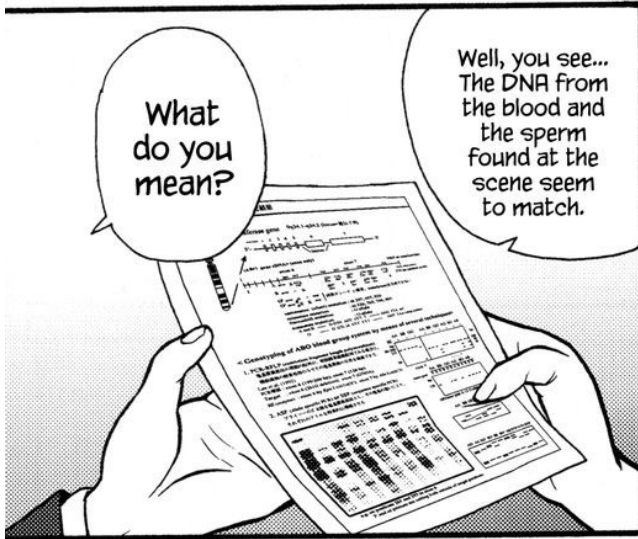

Then why are you collecting a blood sample from that girl?

Which would mean that there must have been a third party involved.

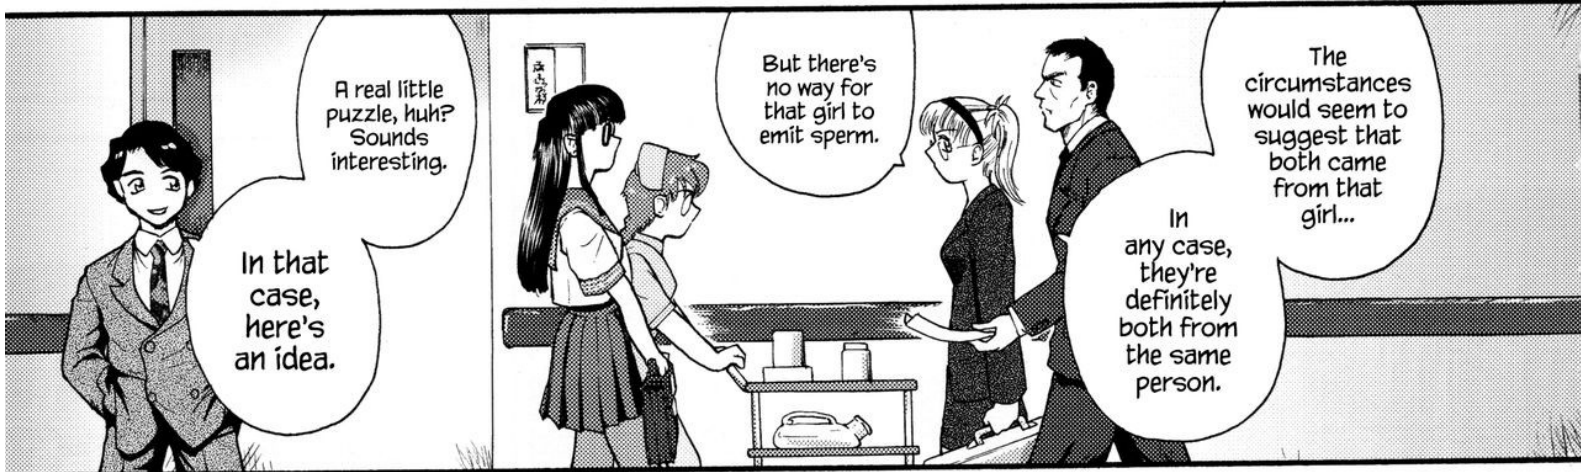

Given the circumstances, there's no way the sperm belonged to him.

A third party... You mean a man?

What do you mean?

Well, you see... The DNA from the blood and the sperm found at the scene seem to match.

A real little puzzle, huh? Sounds interesting.

In that case, here's an idea.

But there's no way for that girl to emit sperm.

The circumstances would seem to suggest that both came from that girl...

In any case, they're definitely both from the same person.

I'm just doing this to make sure.

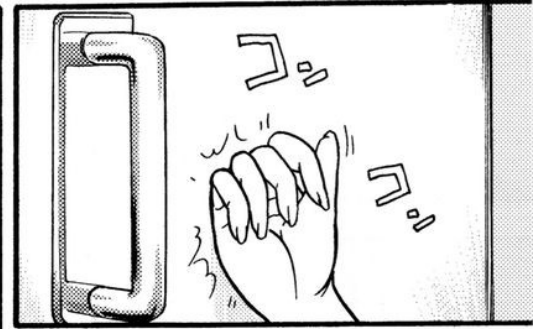

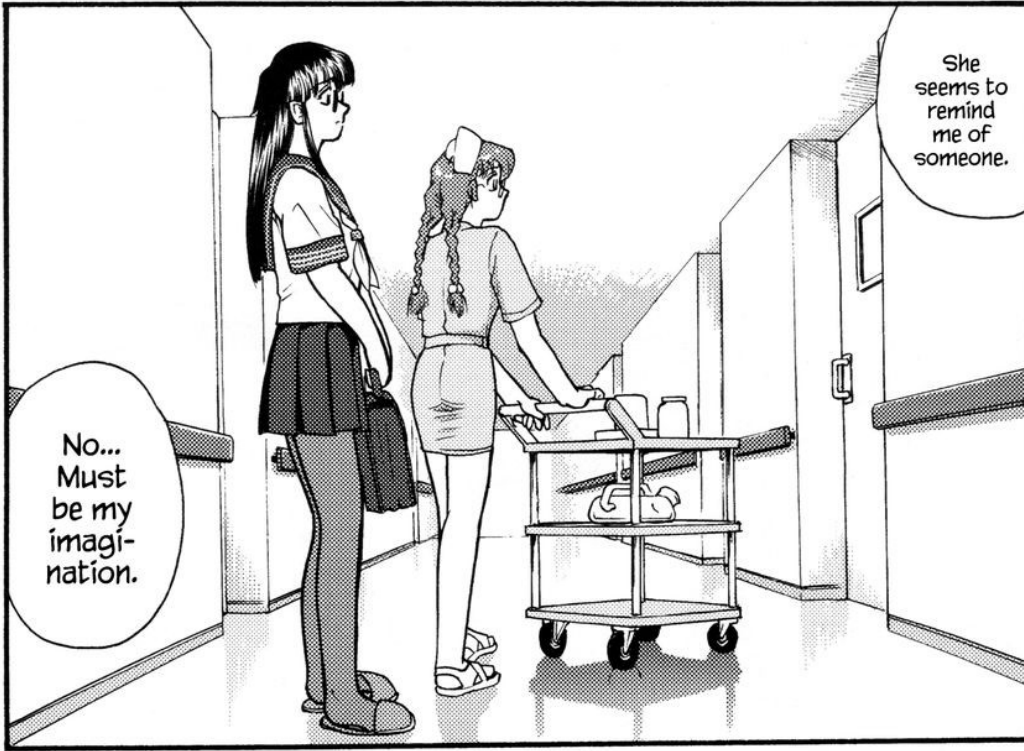

Hmm?

Well, it's still possible that the blood belonged to another man.

Don't be ridiculous!

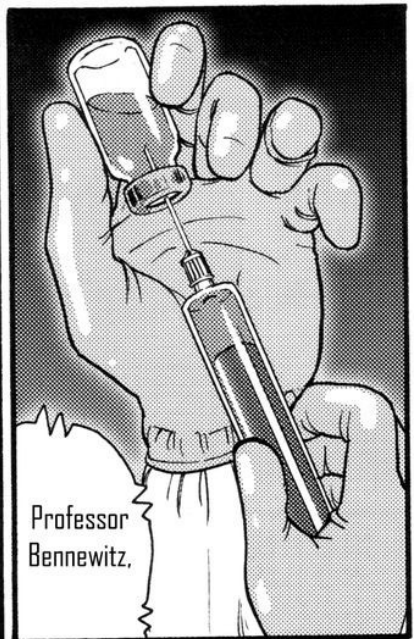

Maybe that girl's actually a futanari or something...

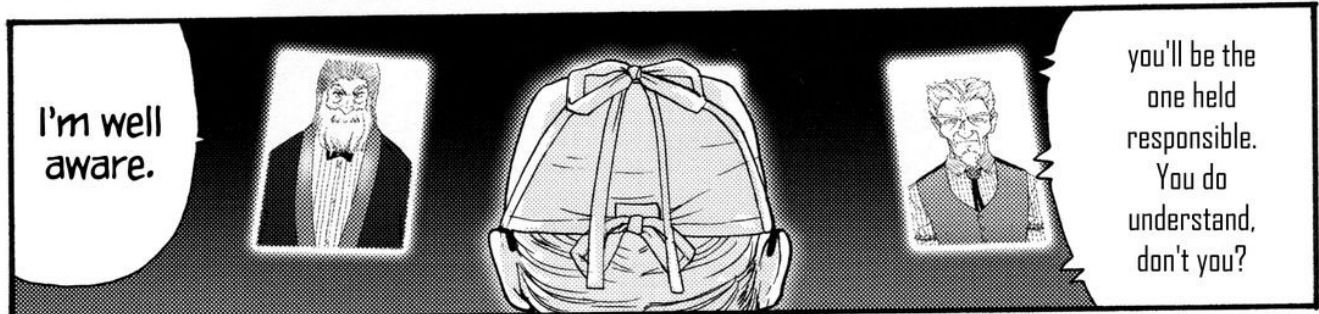

are you sure that Elixir doesn't pose any kind of danger?

If by some chance it does anything to Comrade Aries' body,

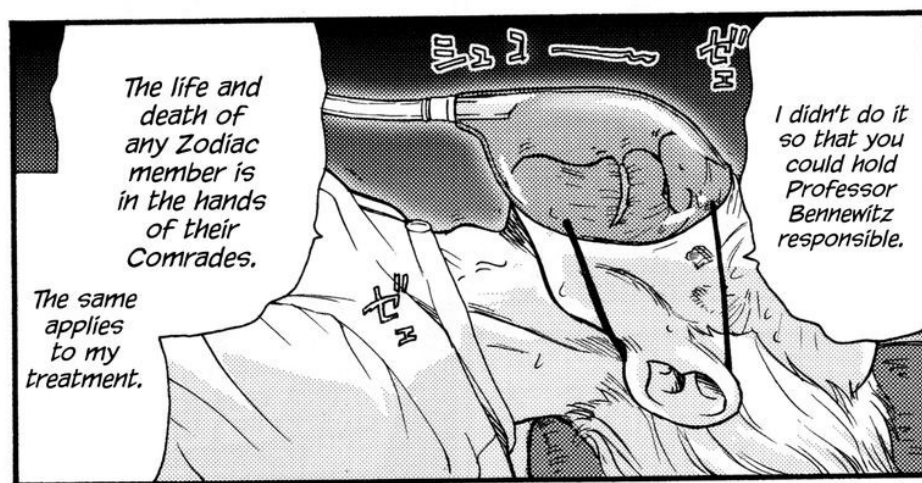

Professor Bennewitz,

I'm well aware.

you'll be the one held responsible. You do understand, don't you?

The life and death of any Zodiac member is in the hands of their Comrades.

The same applies to my treatment.

I didn't do it so that you could hold Professor Bennewitz responsible.

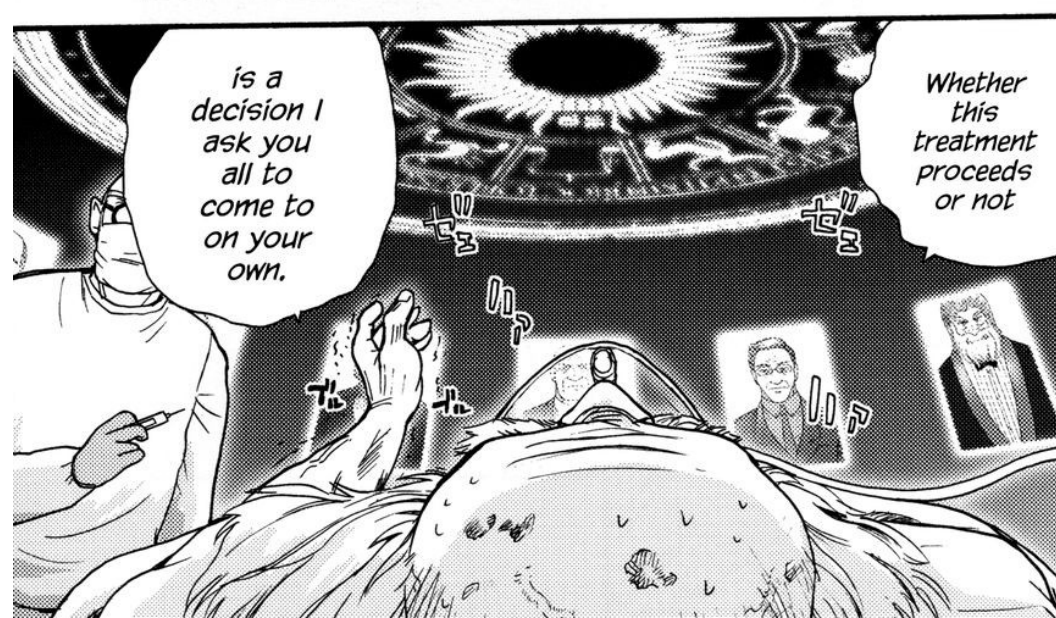

Comrades...

COUGH! **COUGH!**

Listen carefully...

COUGH!

is a decision I ask you all to come to on your own.

Whether this treatment proceeds or not

Listen... There's a reason I asked for all of the Zodiac members to be present for the day of my treatment.

GO

GO

We can only hope we have enough Elixir of Life.

We've no choice but to try!

Go!

Of course, do it!

It would be a foolish decision to pace back and forth wondering what to do until it's too late, Comrade Gemini.

GO

Either way, Comrade Aries is in a very dangerous situation, isn't he!?

GO

GO

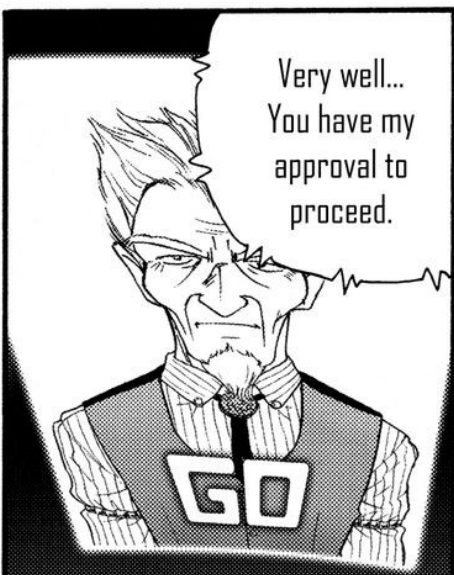

SUSPEND

But do you think he was able to collect enough from that sample in order to create an effective medicine?

Professor...

A- Alright, Please begin,

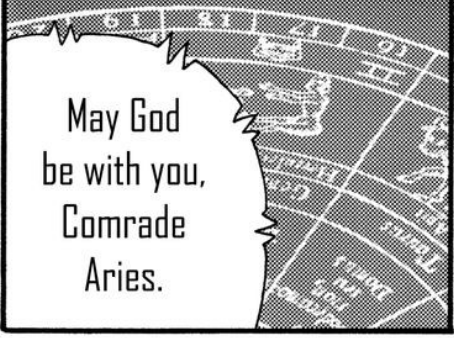

Very well... You have my approval to proceed.

Comrade.

Don't worry, everything will go well,

May God be with you, Comrade Aries.

Don't worry. I'll get Papa Kuroki to prepare a fake.

But what about my blood sample?

C-Can I really take a pee like this?

You were nervous, weren't you? It looks like you were really trying to hold it in.

But I answered them just like you said I should...

Besides, this hole is way too tight.

I-I guess it really won't come out, after all.

y-You're gonna make something else come out!!!

Oh... Oh no! Not like that!

In that case, I'll give you a little massage.

It is just as you say, Momoe-sama.

You've never done it with Ai-chan before, have you?

Hey, Moegi...

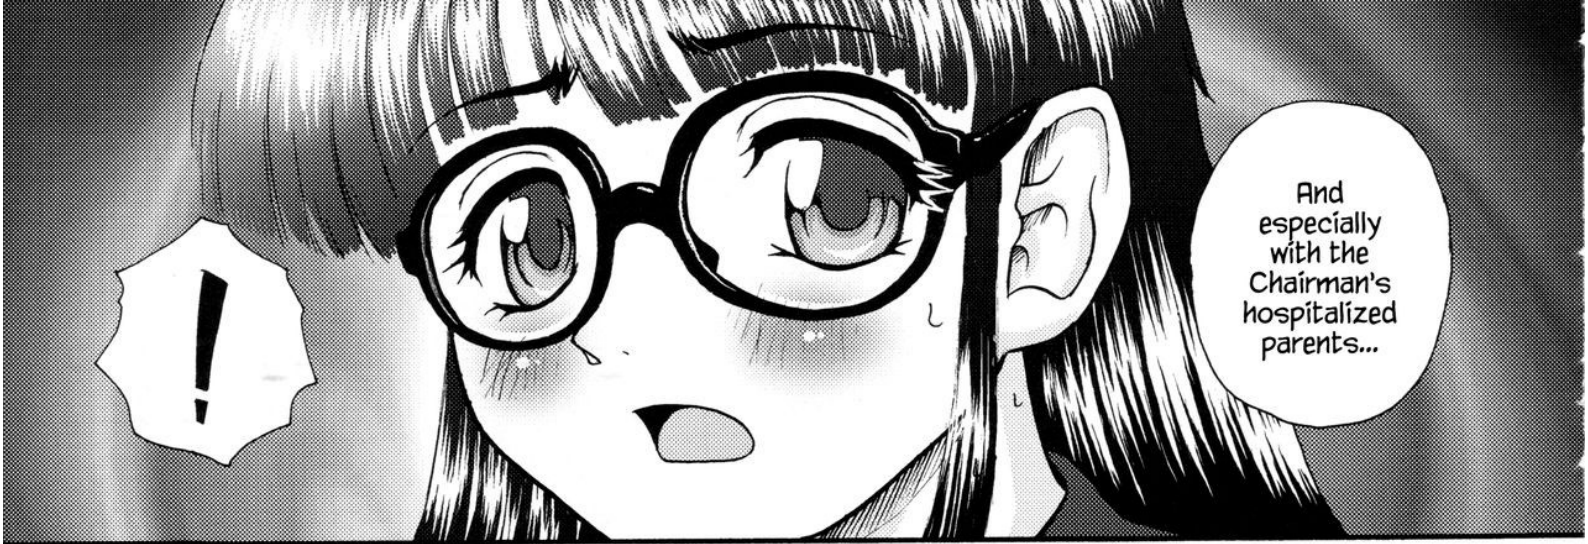

Whoa! That's amazing!

You were really holding it in, weren't you, Ai-chan?

is quite tough on me.

Doing it with the director and all the nurses in this hospital

And especially with the Chairman's hospitalized parents...

Ooh, I'm so scared...

Don't talk about my parents like that in front of me!

Stop that!

Sometimes, I feel like she's gonna tear my dick off.

I'm amazed to see Roi's mother be so greedy at her age.

More importantly...

Roi-san would like to forget about all that stuff.

Cut it out, Moegi.

Oh my...
Senpai...

Huhu.
I got really
horny while
licking you,
Ai-chan. ♥

are all
ready
to go.

Take a look.
Both my

Geez...

Well, Momose-senpai?

What am I ever going to do with you?

Can I?

Senpai!!

Here you go, Ai-chan.

Please be gentle, okay?

Report 015
Midori and Yuki

Give those back, Komazaki-san!

Ah! That's my uniform!!

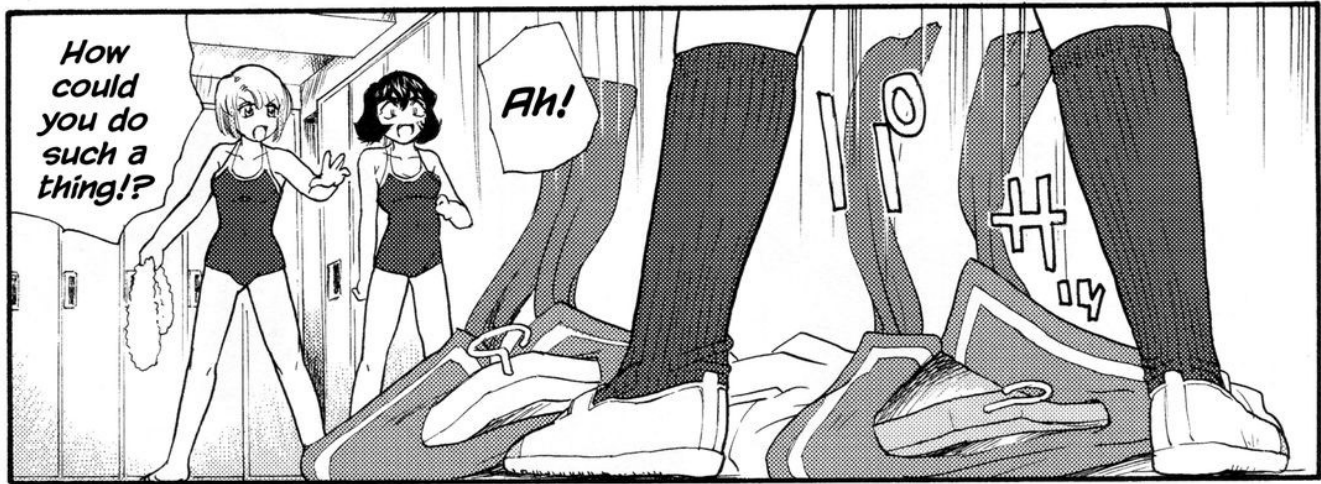

Hey, you two...

Oh? Are you sure you wanna take that tone with me?

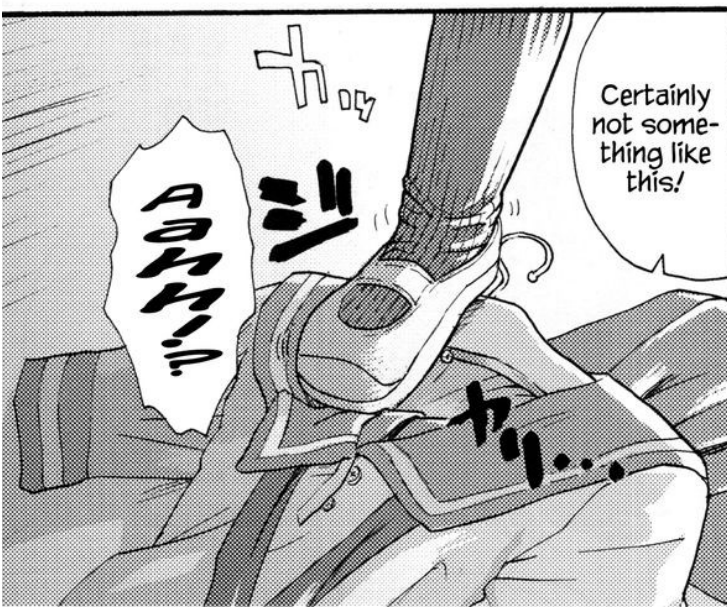

Are you looking for these?

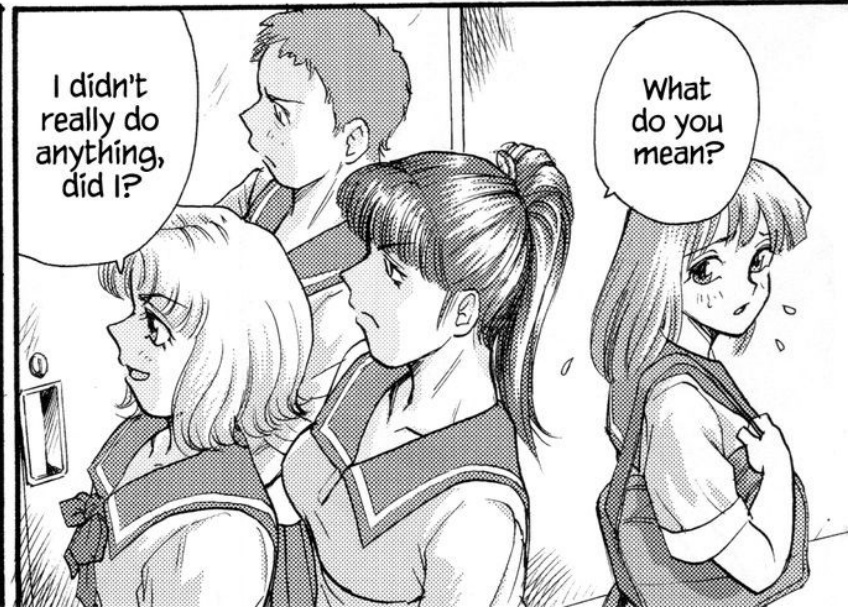

How could you do such a thing!?

Ah!

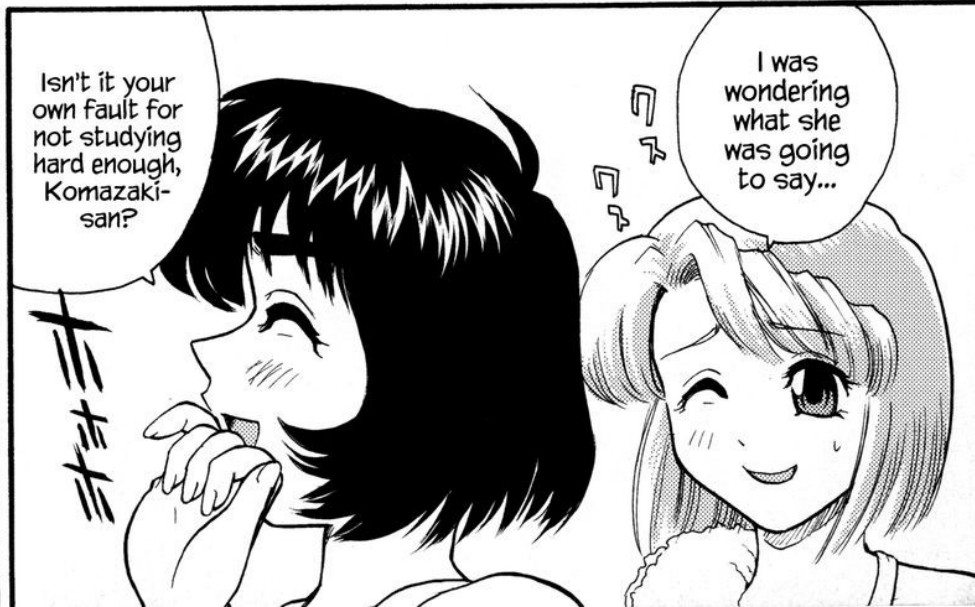

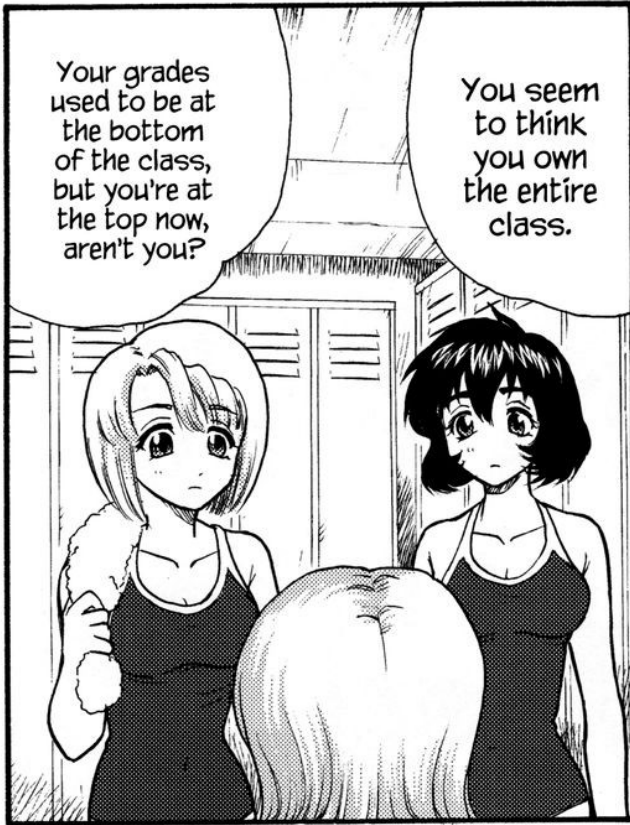

Aah!!

Certainly not something like this!

I didn't really do anything, did I?

What do you mean?

Tell you what... If you girls don't want to get hurt,

You bitches aren't gonna take us lightly for much longer, damn it!!!

I'd suggest you hand in a blank piece of paper on the next exam, alright?

A Peeping Tom in the toilet!?

!

W-What's your problem?

and then I'll spread the video all over the Internet, alright?

If you defy us, I'll get a university acquaintance of mine to film you while you're in the toilet,

Could you tell us a little more about him?

That Peeping Tom you just mentioned...

Hey, Komazaki-san...

カ
カ
カ

カ
カ

What should we do, Midori?

Should we just go ahead and skewer her?

Hehe! The way she's shivering with fear is so cute.

!?

Don't worry.

But let's try to make sure she doesn't scream too loud, alright?

Good point. He might have some connection to the one who tried to threaten Ro'i with that video.

The one who peeps on girls in the toilet.

Let's ask her about the university student she just mentioned.

That wouldn't be much fun.

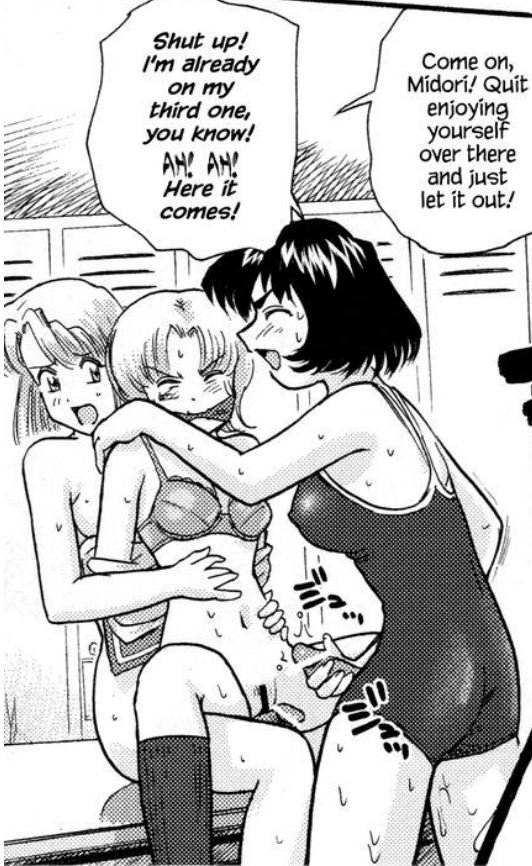

Alright.
I'll pin her
down,
so you be
sure to
spray it all
over her!

There's a
thunder-
storm
outside.

And
besides,
with my
milk,

there's
no way
she'll ever
oppose
us.

Shut up!
I'm already
on my
third one,
you know!
AH! AH!
Here it
comes!

Come on,
Midori! Quit
enjoying
yourself
over there
and just
let it out!

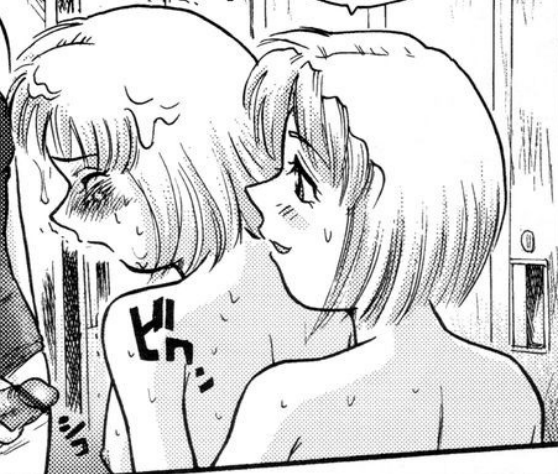

That's not very proper conduct for a lady of this academy, is it?

Ahaha! Did you just wet yourself, Komazaki-san?

Come on, you'd better hurry up!

Could you please give us the details about him?

Now... About that peeping university student you mentioned earlier...

AHHN... I can feel you rubbing up against me, Midori...

D-Don't!

I-I'll talk!!

Come on, Komazaki-san.

If you don't talk soon, I'll just have to shove this up your pussy.

EEK!?

D-Daddy uses him to peep on his political rivals so that he can destroy them!

H-Hirata! His name is Hirata Kyouhei! He's a second-year engineering student at West Tokyo University.

I'm begging you!

Don't fuck me! Please don't fuck me!

Yes! Yees!

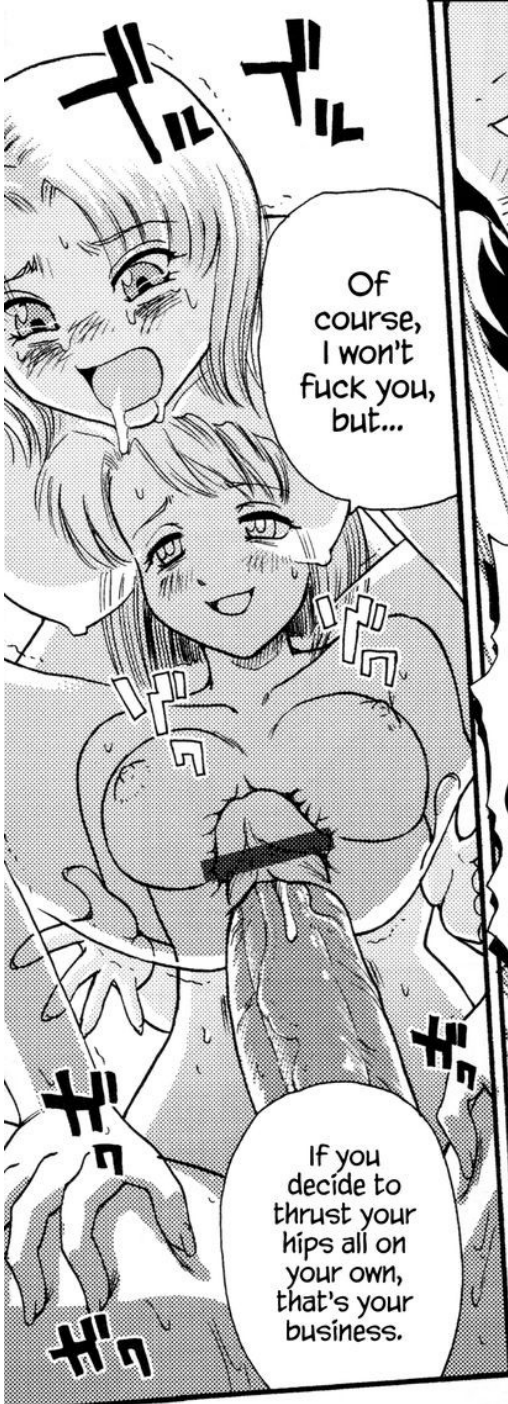

I swear it's the truth, so...

You're sure about that, right?

Hirata Kyouhei, a second-year engineering student at West Tokyo University...

Alright.

Of course, I won't fuck you, but...

If you decide to thrust your hips all on your own, that's your business.

But...

Haah...
Komazaki-
san, your
virgin pussy
is so good...

You're
squeezing
down on my
dick so hard
that you'd
think your
life depended
on it.

Ahah! ♥
You've
gotten it
all the way
inside.

Amazing.
Unless I push
down, the
pressure of
your pussy
just forces
me out.

GAH

GAH

GAH

GAH

GAH

GAH

GAH

GAH

GAH

GAH

GAH

GAH

GAH

all you're gonna do is get me all hard again.

Aw... Come on, Komazaki-san.

If you keep making sounds like that,

S-Save me, Kuroki-san! Save me!

Please!

That's okay, Yuki.

Wait a sec, Midori. I'll turn her around so you can get at her asshole.

Yup! I've always wanted to try this out at least once.

Are you serious, Midori?

It'll never fit!

No! Stop it!

What?!

See? It went in just fine. ♡

Ahhh! Midori...

The tip of your dick is rubbing against mine.

Amazing, your pussy's so tight with Yuki's dick in there.

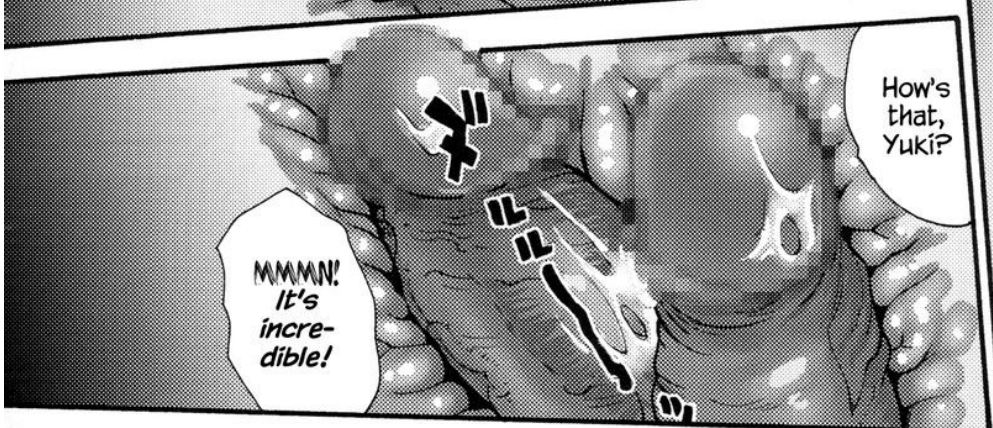

2177

L-Like this?

AHHN!
I've never felt like this before.

MMMM!
It's incredible!

How's that, Yuki?

Yours too, Yuki. It's so warm.

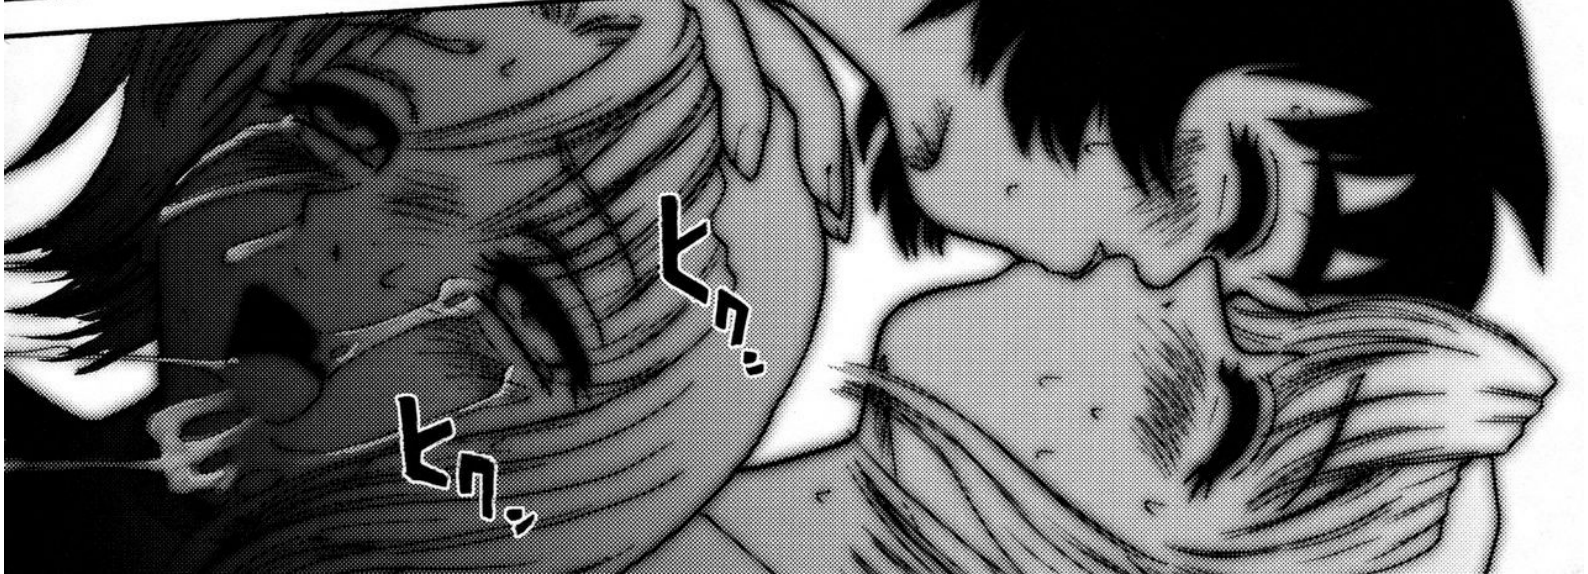

Your dick is simply wonderful, Midori.

Shove it in, Midori! Keep shoving it in!

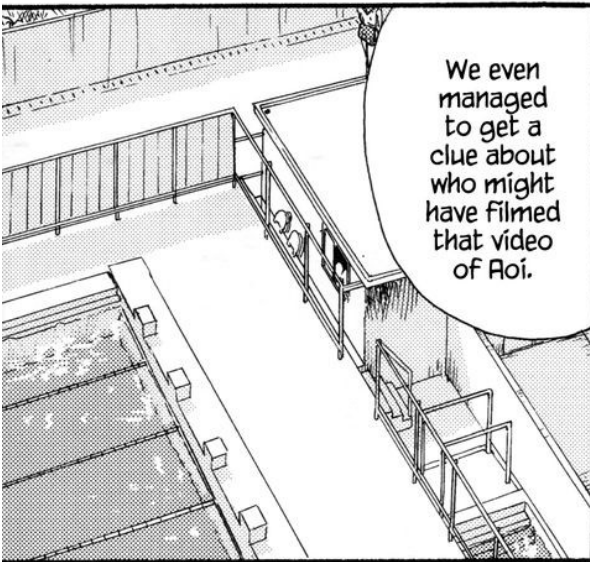

I love you too, Yuki.

I love you so much, Midori.

We even managed to get a clue about who might have filmed that video of Roi.

We sure had a lot of fun.

Looks like the rain stopped, huh?

we got ourselves a new friend we can use for all sorts of things.

And as an added extra,

Haah

Hapf

Isn't that Roi!?

Take a look over there! Isn't that...

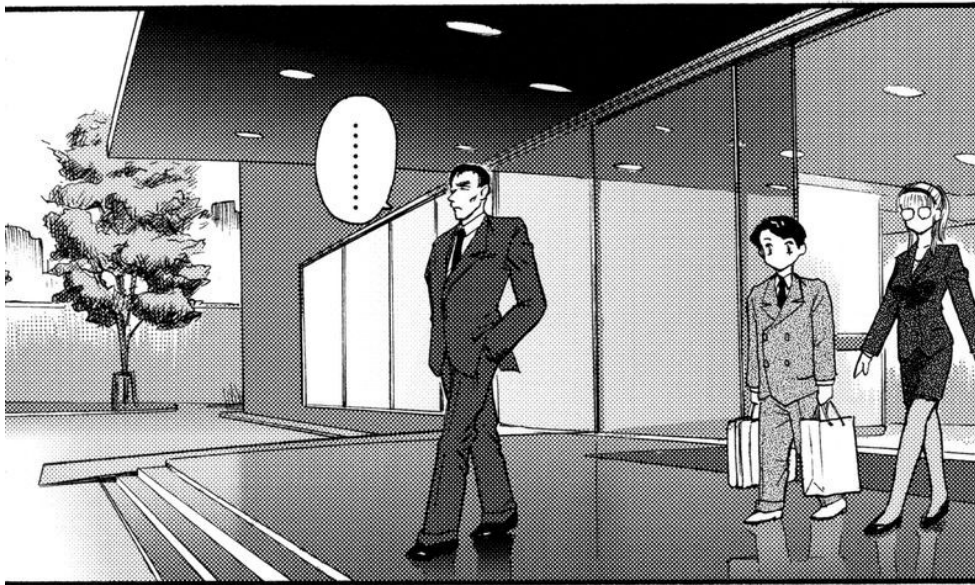

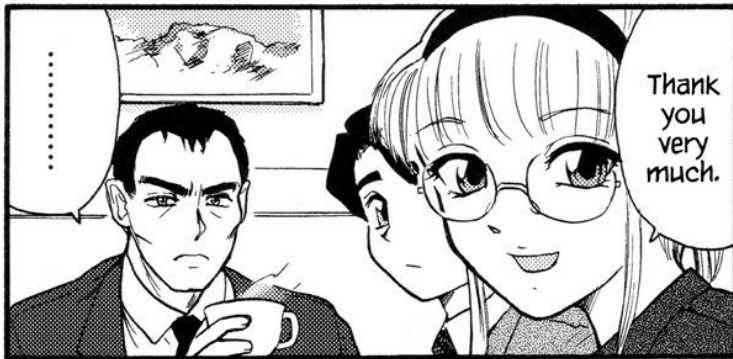

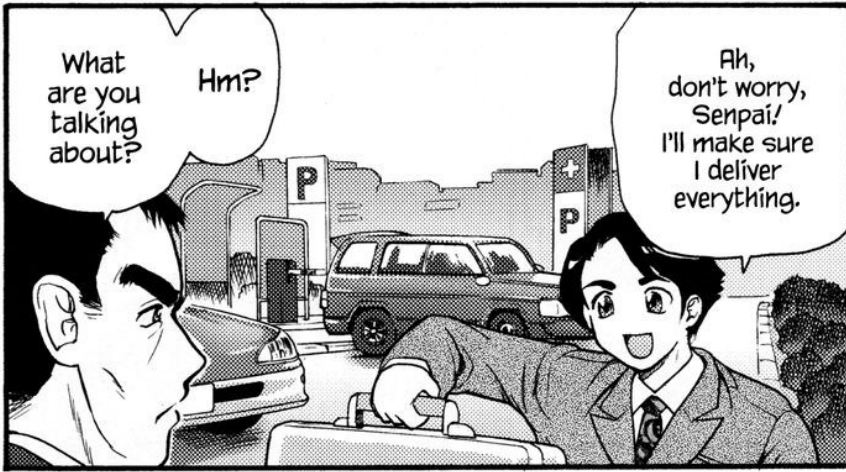

What's the matter, Midori?

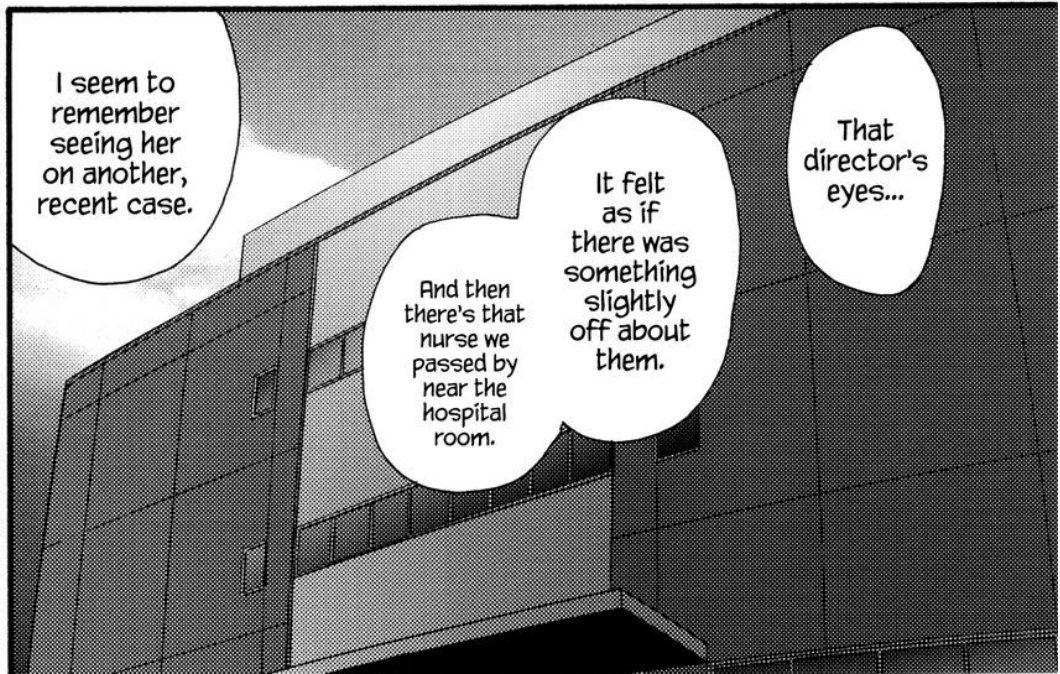

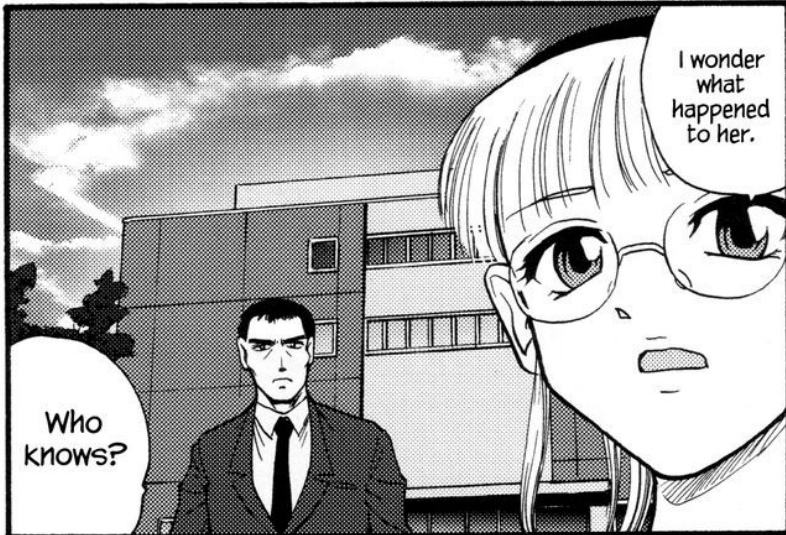

Huh!?

Report 016
Akane

You've always had keen senses even when you were in university, Akagi.

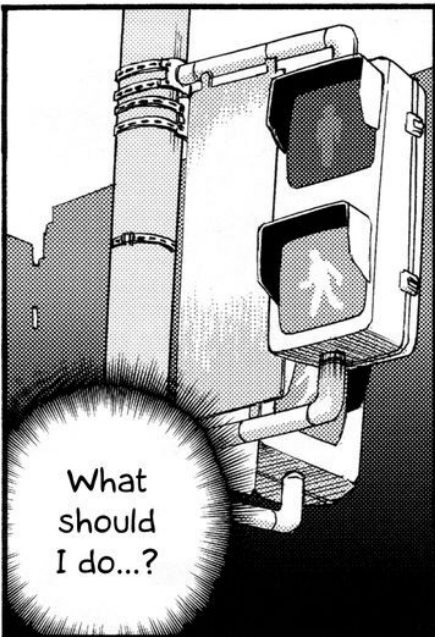

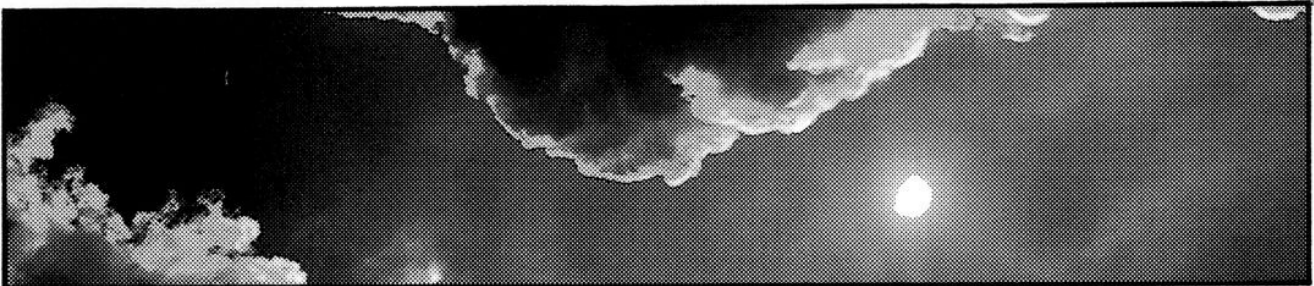

I guess that's true...

That's the basis of any investigation.

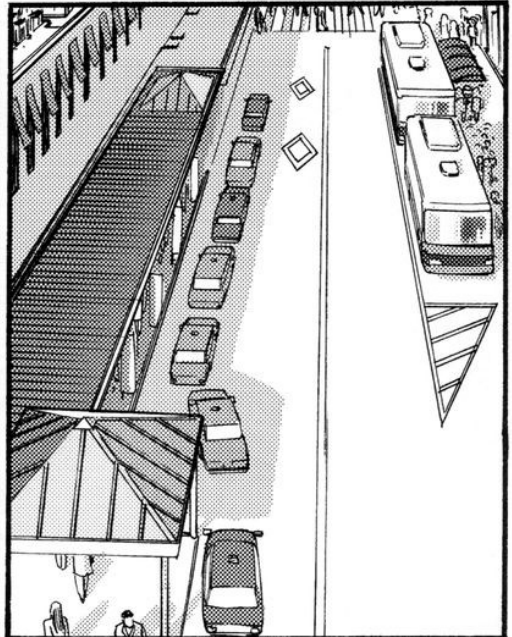

I just can't rely on analysis equipment. I need to see things with my own eyes.

As soon as we get back to the college, let's make sure we investigate those results.

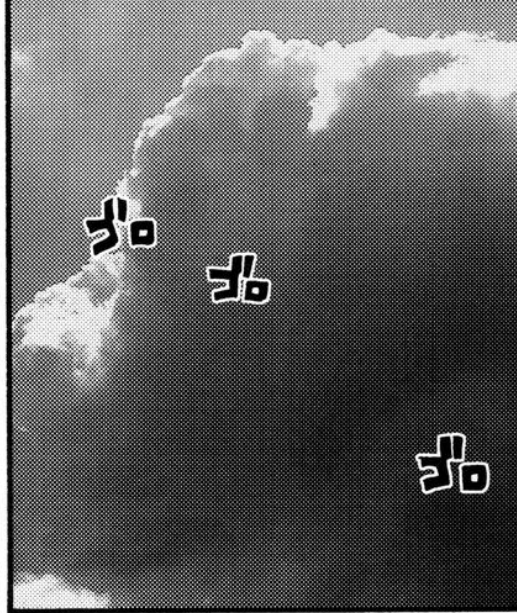

What should I do...?

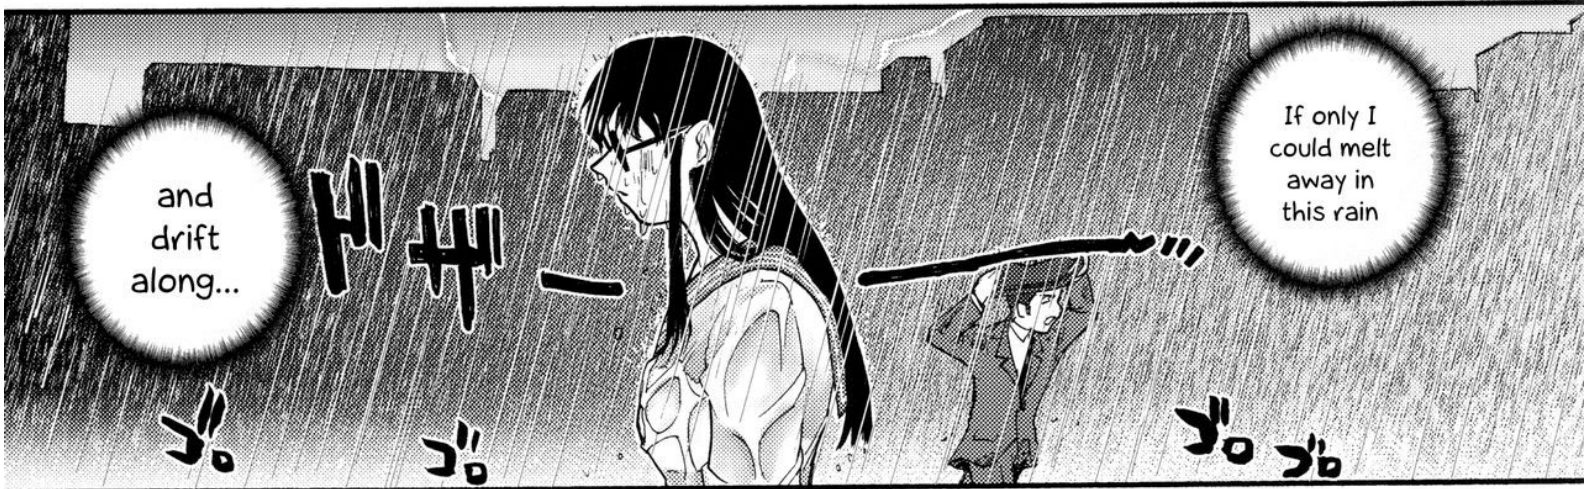

Rain?

Momoe-chan...

and drift along...

If only I could melt away in this rain

It couldn't be... Is he out looking for me?

Momoe-chan!?

What are you doing in this rain-storm!?

H-He's gone!?

But where could he have...

I'm over here!

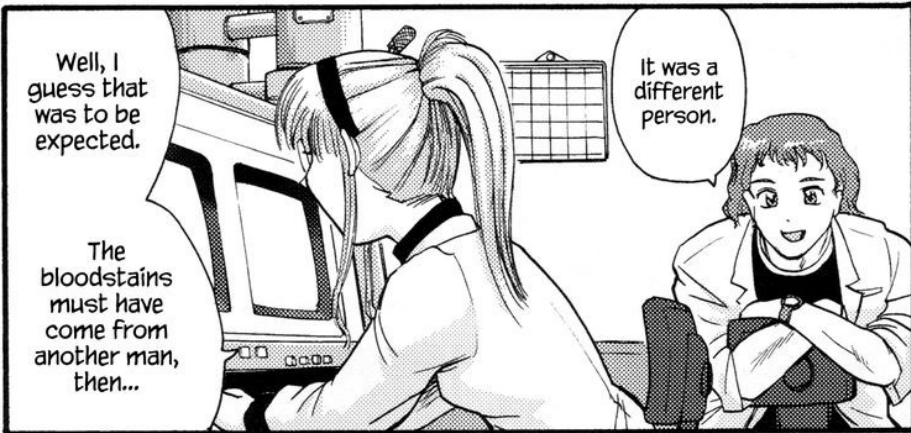

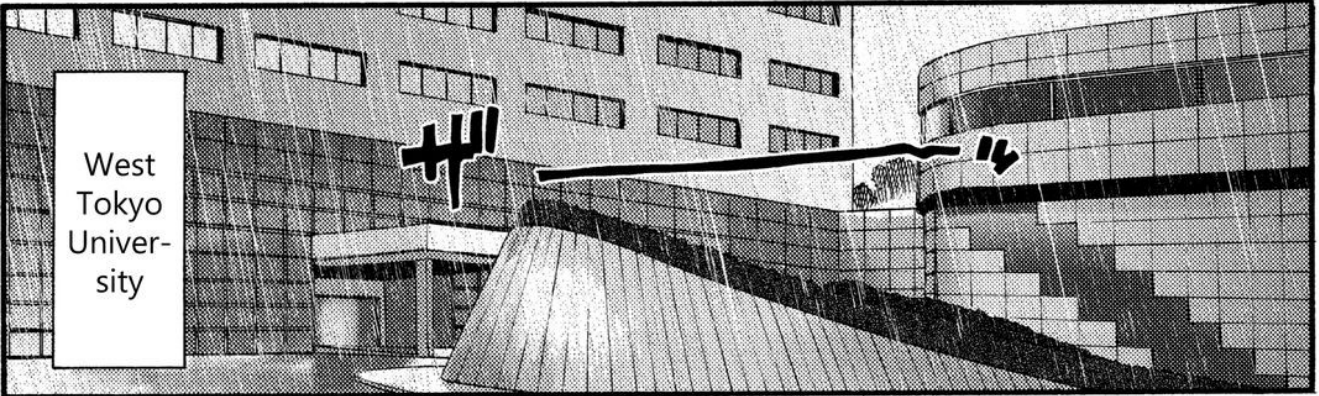

Momoe-chan!!

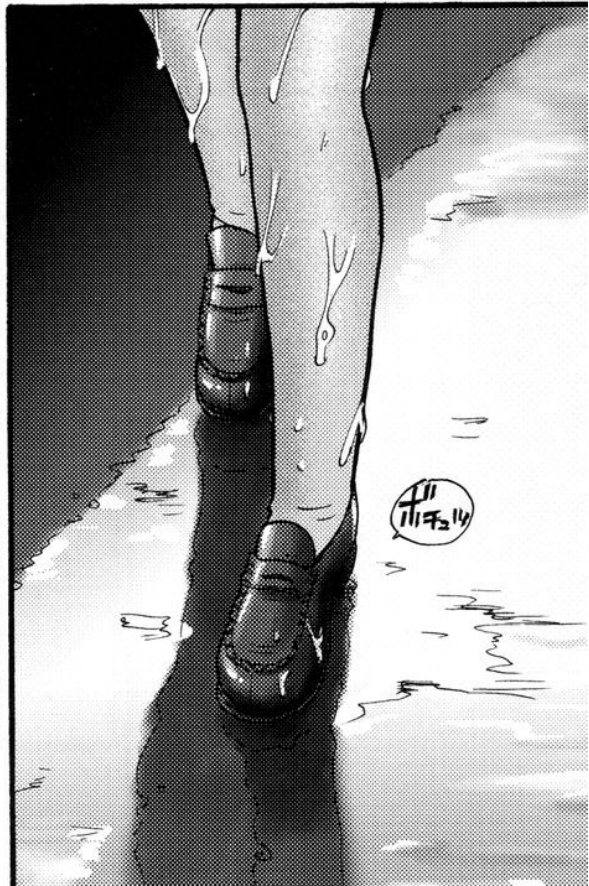

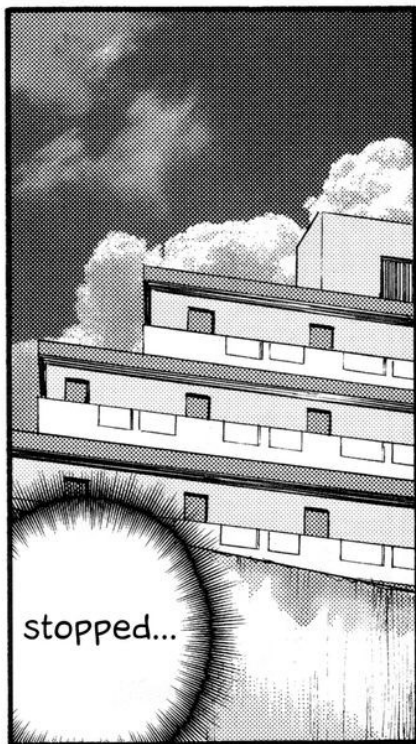

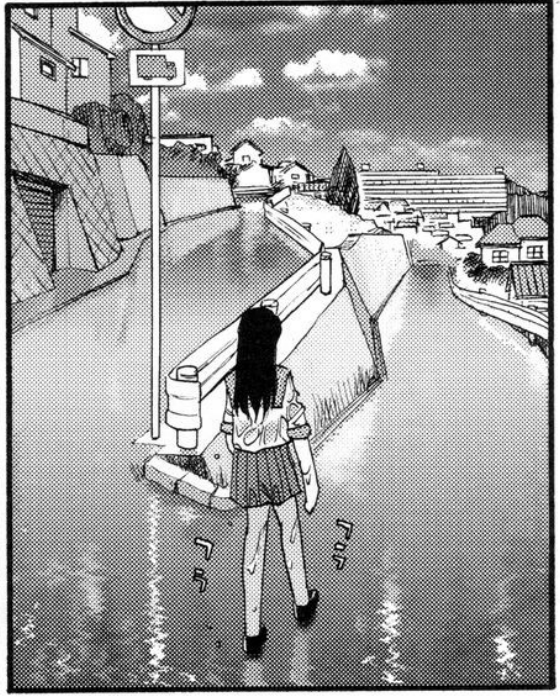

Ah!

Where did you go!?

Momoe-chan, where are you!?

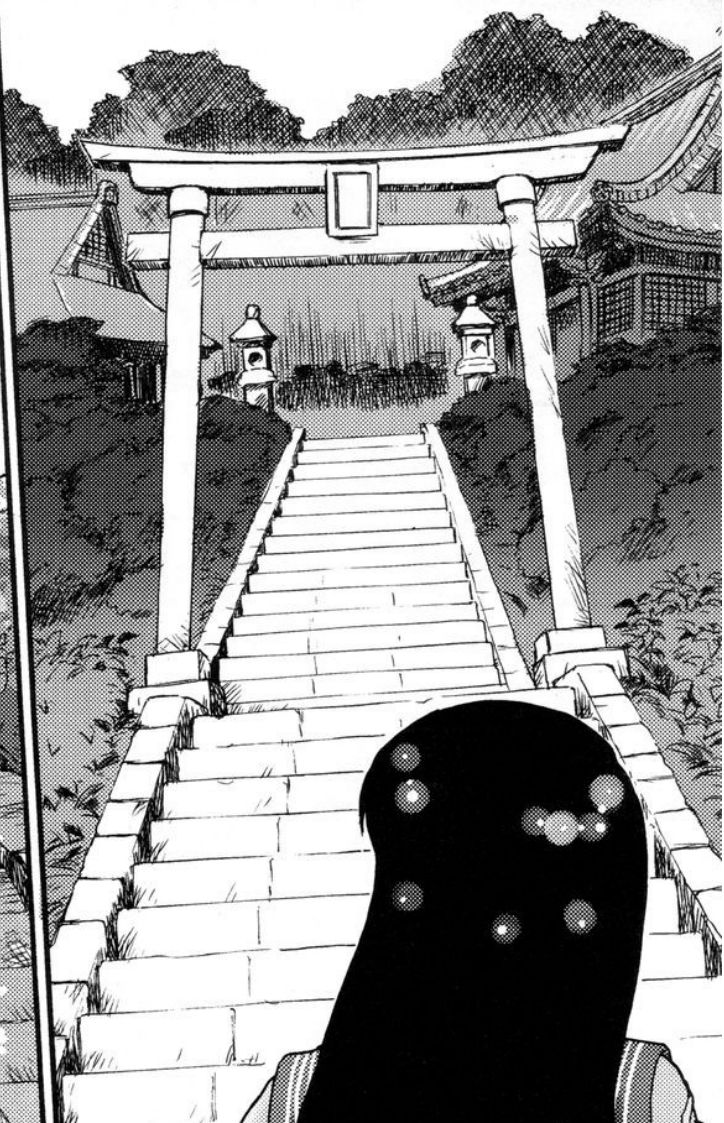

Momoe-chan must be at the top!

Hah!

Hah!

キキ

キキ

Momoe-chan.

Momoe-chan!

キキ

ハハ!

Damn it all!

Choosing a nearby school was supposed to have solved this kinda thing...

Aw, geez... This is the worst!

I'm glad I found shelter from the rain on the way back.

Guess I'll just wait a while for them to dry.

At least it's not like anyone's going to show up here.

Aw, geez... Just look at my panties.

It's so gross when they cling to me like this.

It's hard to unbuckle this when I'm all wet.

Ahhh!

キ...

My name is Nishino Akane, actually...

Who are you!?

キミ...

Don't you feel kinda gross like that?

Onee-san?

カモカモ

Wah!?

Momoe-chan...

Hm?

Momoe-chan!

In fact, it feels so good

that I just can't hold back any longer.

Naw...

It feels great.

It stinks!

Nooo! What the!?

I can feel it rising up my dick!

HAAN! I can't hold back!

HYAHAAAAN!

I just couldn't help myself

when I saw you get gangbanged by those two...

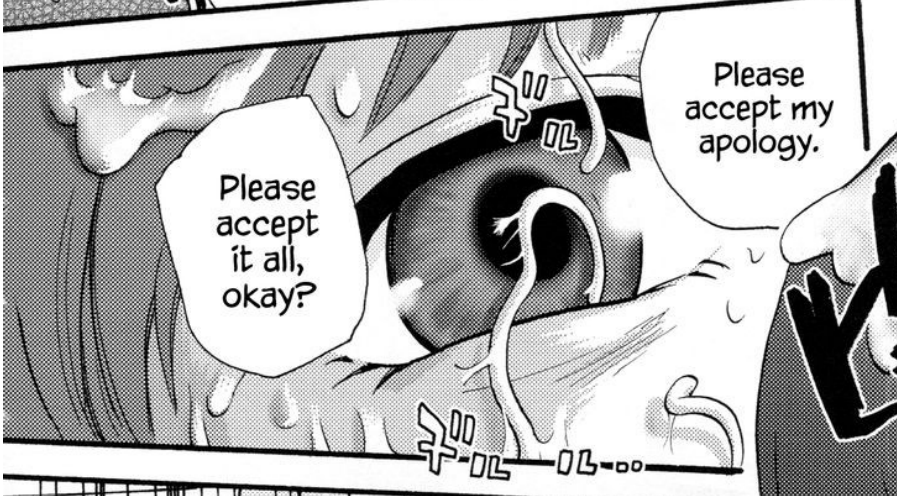

But...

I'm sorry, Momoe-chan, I'm so sorry

for being so rough with you before.

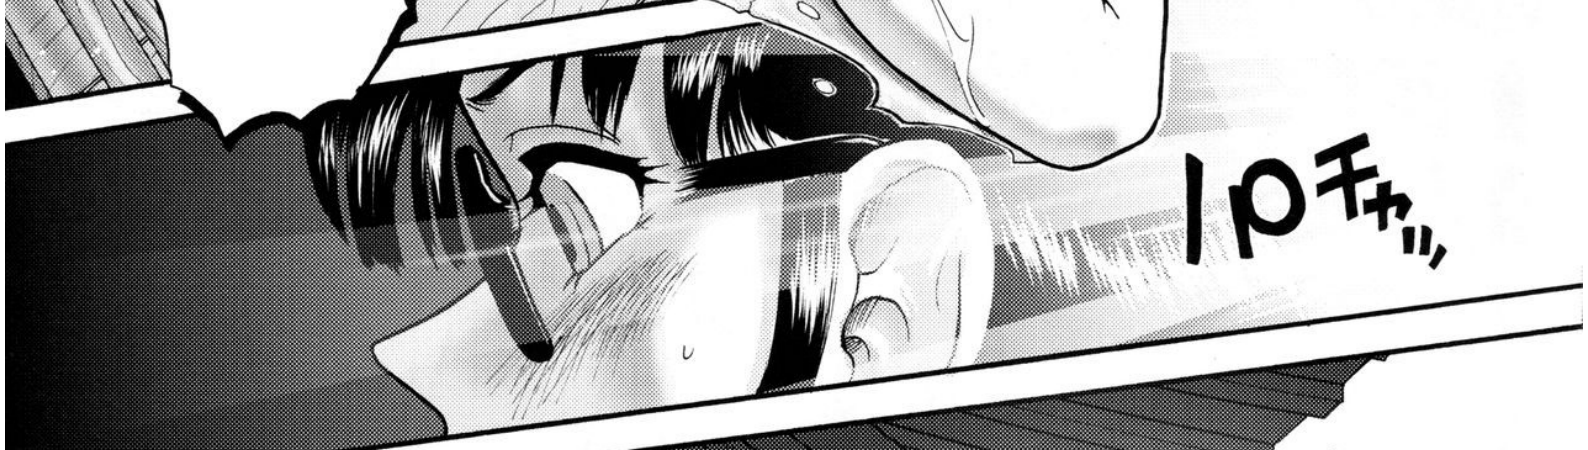

Please accept it all, okay?

Please accept my apology.

Momoe-
chan!?

パフッ

Who's
there!?

Stop
right
there!

パフッ

Yuki-san... and Midori-san?

What are you doing here!?

It's just us, Aoi.

Come on, you don't need to look so frightened.

We saw you wandering around aimlessly, Aoi...

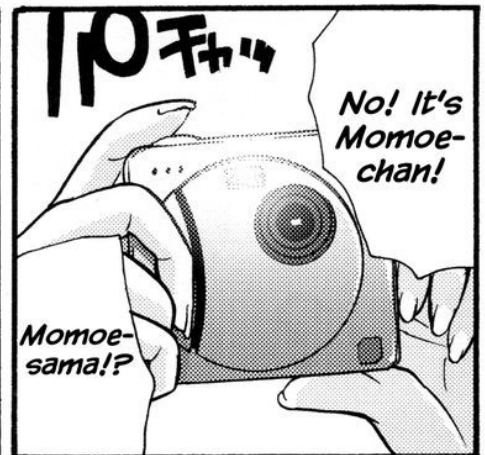

So, is she one of your catches, Aoi?

They do look pretty similar, though.

Ah!

Take a better look. That's a different person.

No! It's Momoe-chan!

Momoe-sama!?

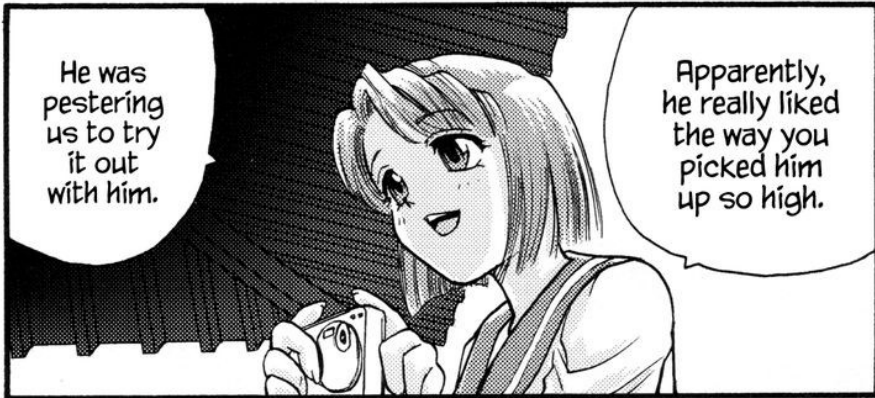

Just come back home, Aoi.

Don't worry about it.

Oh my gosh, I...

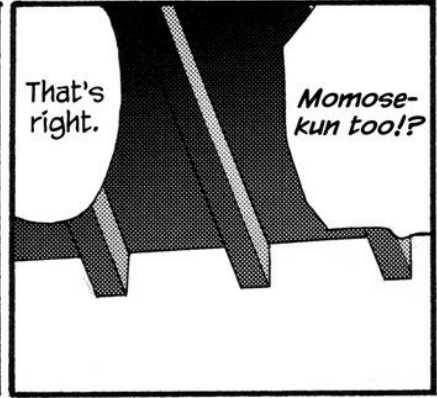

Everyone else is waiting for you, including Momoe-sama.

Judging by your dick, you're finding it hard to hold back, huh?

He was pestering us to try it out with him.

Apparently, he really liked the way you picked him up so high.

That's right.

Momose-kun too!?

We'll all have a big orgy!

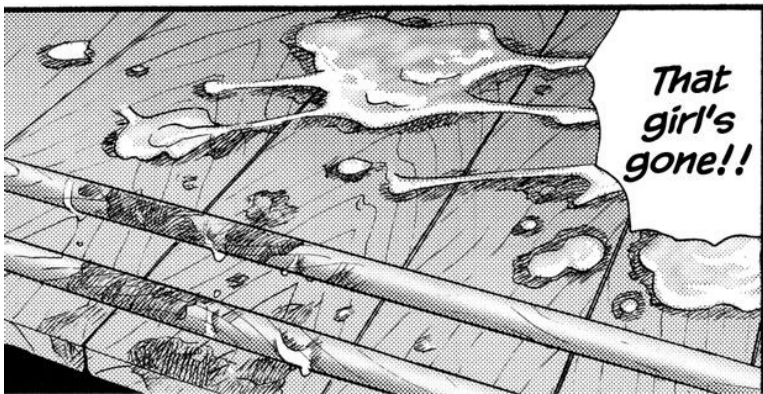

Well then, let's go home! We can even bring that girl along with us.

Huh?

When you get back, you can let us watch you try it out on him.

Okay.

That girl's gone!!

That girl!?

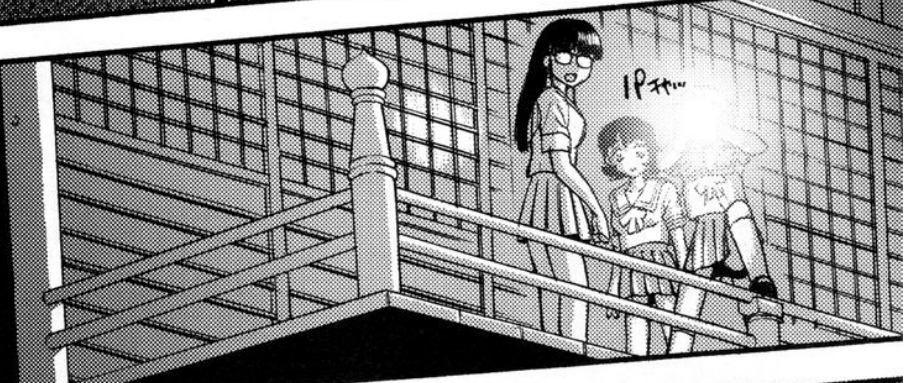

She's over there!

Ah!

ワッ

た

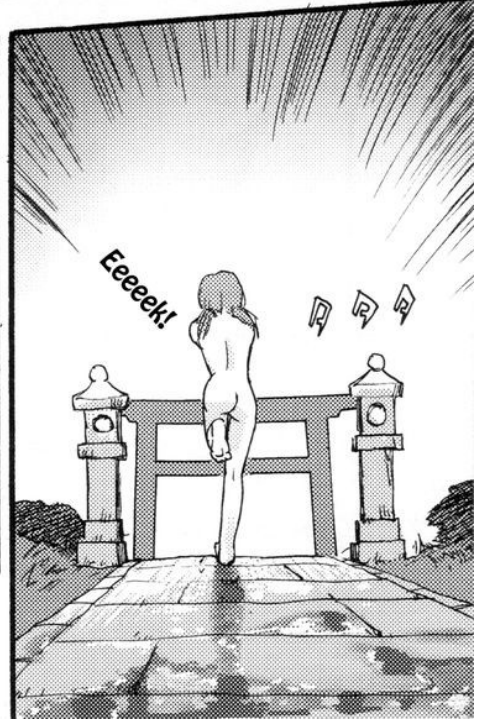

ワッ

It can't be...

S-She grew one, didn't she...?

D-Did you see that?

Eeeek!

ワッ

Y-Yeah, alright.

Come on, Aoi.

In any case, we'd better hurry up and get back to Momoe-sama so we can tell him what happened.

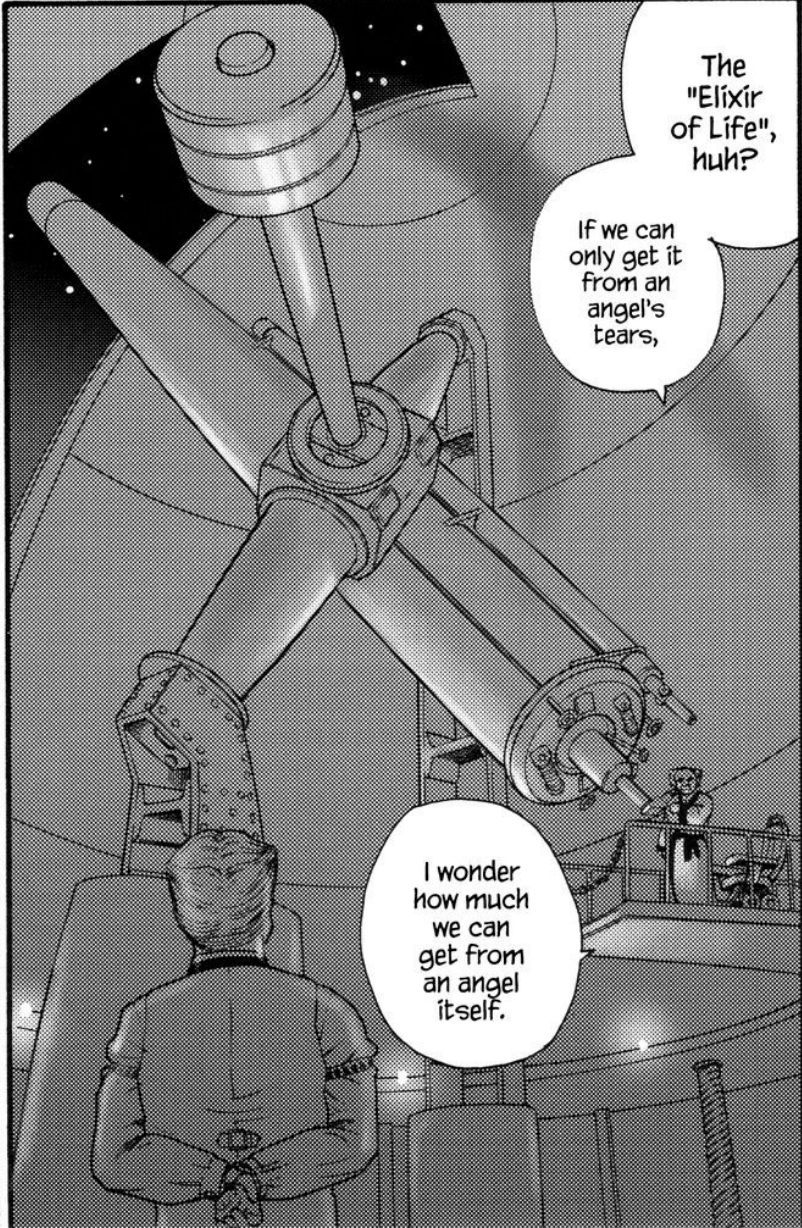

It may be best not to push yourself too hard.

So, this is where you were, Comrade Aries.

The preparations are already complete.

All we need now is your command, Comrade Aries!

The "Elixir of Life", huh?

If we can only get it from an angel's tears,

I wonder how much we can get from an angel itself.

Ah, that's right, Professor...

I really should do as my physician prescribes, shouldn't I?
