His name is Angelo.
Say hello, handsome!

Jeez, why do these two
look so... furious?

H-hi...

Nice to meet you guys...

ZARK / ザーク

Zark strives to make society peaceful by squeezing out potential miscreant's pent up energies and their cum with his expert holes. He has the power to raise any erection by the use of the Zark Leer and make it much larger and virile than normally possible to his victim. He also can absorb the semen pumped into his guts and use it to make himself bigger and stronger!

DAIGO & BRUCE / ダイゴ&ブルース

Former troublemakers turned fuck pigs by Zark in the previous episodes! Once they met Zark, their lives changed forever when Zark kept them as pets. They no longer cause (too much) trouble!

ANGELO / アンジェロ

A shapeshifter using his powers to hunt for sexual energy and drain it from his victims. He's kind of like Zark, except he was misguided and causing harm with the use of his powers. He saw Zark as a rival and succeeded in attracting him, but he failed his goal to submit him during their encounter. Every time he committed a crime, he would change his appearance. It was Angelo whom informed the Mayor about Zark being able to stop him. Zark did.
