You told me not to do it at work, Natsu.

I did... Sorry.

Oh...

Y-You're just changing positions.

Maybe I should've grabbed her hand.

How far can we take this relationship?

But I'm happy.

Okay.

It's starting to rain. Hurry!

The following week, the typhoon arrived right as our vacation started.

ah!

Three days...

Yeah. ♡

Looks like we'll be stuck inside for the next three days.

The wind's crazy.

Kyah!

She's not wearing...

you were thinking of me, right?

Huh?

I can't approve of this behavior as your superior, but

I'm totally a pervert, right?

My thighs get wet, like I peed myself.

I don't really understand, but it's cute.

I'll clean you up.

Ah... Natsu...

Getting this wet...

Ah... That won't... help...

These days when I lick her there, she doesn't struggle anymore...

We won't be able to meet up anymore-

I don't have weekends off in my new department.

Kyah

Y-You put it on that finger?!

It's perfect. ♡

haa

ah!

Really?

Yeah.

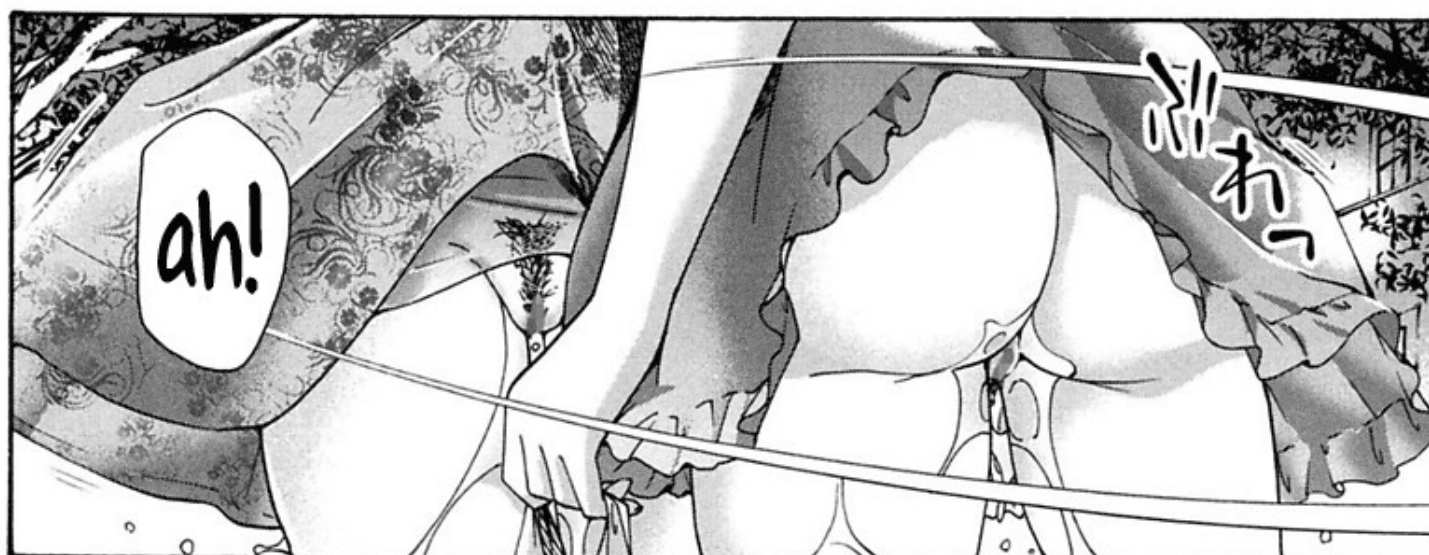

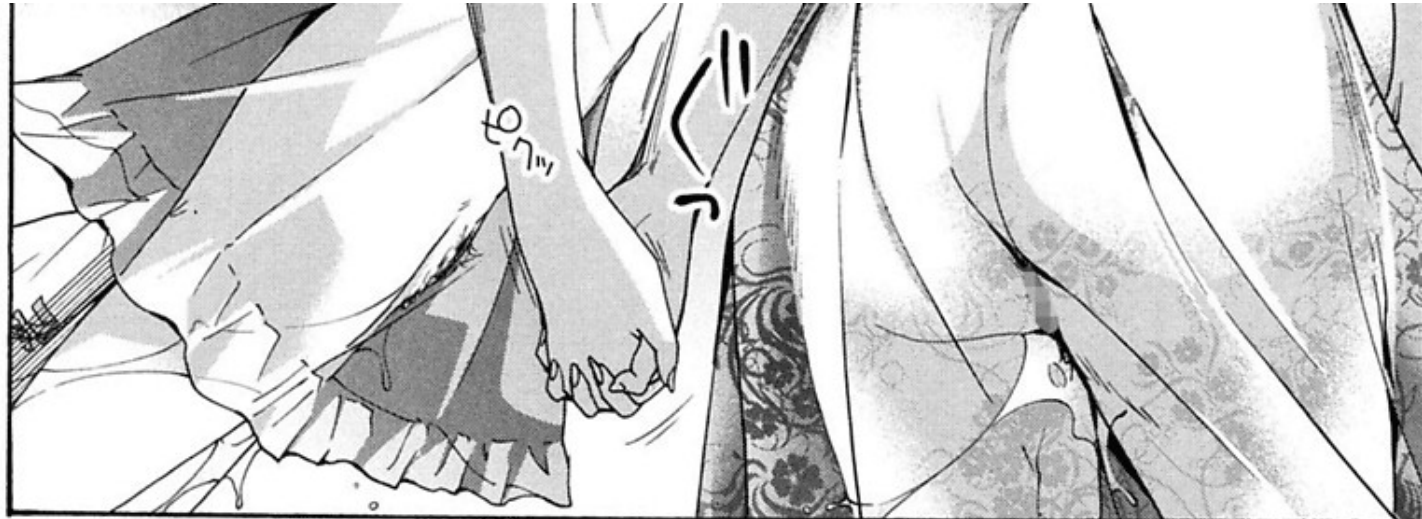

Thanks. I'm really happy.

あーあ、

After we
came back,
the rain
returned...

We've been
having

Feels
so
good!

I'm

to
her!

Raise
your
legs.

Huh?
This
position?

Ah...
No!

If you take
it that
deep... I'm
gonna...

Come
here.

Natsu...

Haruka...
You're
cumming?

Put
"N to H"
on it.

Would you
like to
have it
engraved?

Yes.

The
morning
after that,
the typhoon
had passed.

N-
Natsu!

Yes, it's
for her.

Is it for
your
lover?

...

I can't
wait,
Haruka.

きゅん

Come
back for
it in two
weeks.

Got
it.

Y-Yes!

I see, a

her?

I just want to make her happy...
