## YO! DEAR READERS!

I've been wondering for a while: Can someone with no skill at drawing whatsoever create a hentai using Manga Maker Comicpo only (and its dlces)?

So in the end I decided: "Why wait?" I've been making suggestive one-shots for a while but now it's time for the real test! Exclusive for Faku only:

The True Story of the Red Riding Hood via Manga Maker!

Funny, I'm not even into animals myself but as soon as the story got stuck in my head it just had to be done.  
Guess lolis will have to wait for another time...

There isn't anyone actually reading this, is there?

Eeto...?  
Who are you?

Everyone! Fap  
responsibly-nyan!

Wuf?

Somewhere in the forest  
where grandma lives...

Oh come on!  
It's mating  
season!

I said no!  
3 years and  
not a single  
pig or human  
to eat!

But they're not  
easy to catch...

I can't believe  
my husband  
would be so  
worthless!  
I should have  
listened to my  
mother after all!

And I have  
seen the way  
you're looking  
at those young  
dog-girls!

Just dare go  
with another  
dog! See what  
happens!

And don't come  
back until you've  
eaten a human!

...if she will give me candy...

Fufufu...  
Grandma's bento is perfect as usual...

I wonder if she will give me candy...

I love her cake...

Hm? A dog?  
What happened?

I give up... Might as well just drop dead...

Are you hurt?

Doggie? Are you alright?!

Let me help you!

Hm?! A human?  
An angel?

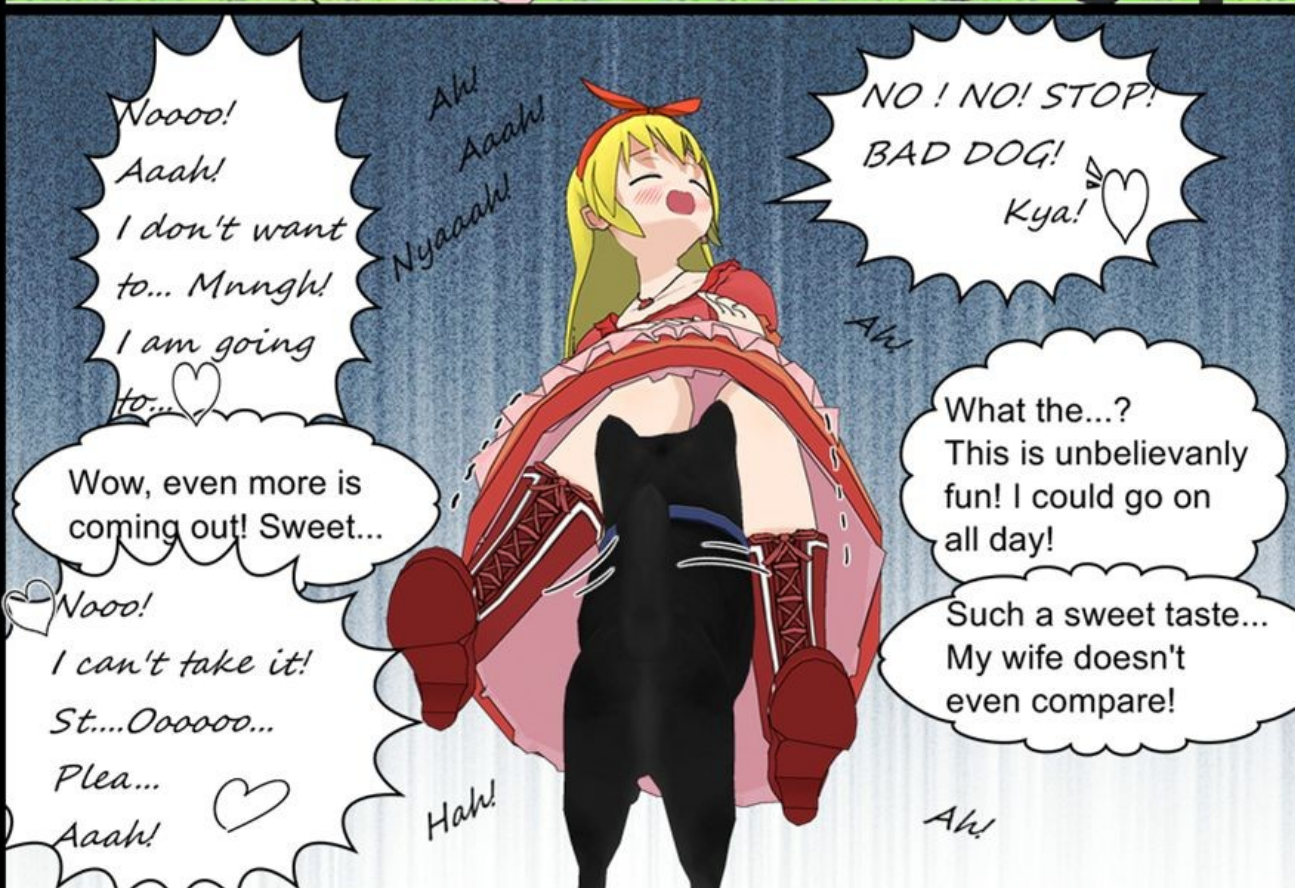

Must be a village girl... She looks cute...

Gotta love the red dress...

My wife is a bitch anyway...

Gee...

Haaaah!

Ah!

Haaaah!

Aaaaah!

This is bad...  
I can't... Anymore  
and...

Aaaaah...

♡

Aah!

What  
is this?  
It's  
amazing  
...

Haah!

N-no... I did...  
With a dog...

W-W-What are you  
doing now you  
perverted insane  
dog?

Woohoo!

Damn, this white  
thing is in the way.

Whatever, I'll just  
push fourth.

Hah...

I'm ruined for  
marriage...

Hah...

Hah...

Well, I think we're  
ready for phase two.

Time to bring out the  
big guns...

(Colored-blue so they  
can be spotted easier  
by the reader.)

No good...

I will die...  
I will die  
from  
embarras-  
ment!

My knees  
have lost  
their  
strength...

Hm? Her juices are  
stuck to that white thing..  
Pushing feels incredible!

It's so wet it's clinging  
to her! I can feel her  
shape! Awesome!

Oh man the smells!  
I could get hooked  
to this!

Boo

Crak

Nnooo!  
Stop thrusting  
already you  
stupid dog!

If you keep  
going like that,  
you really will...

Woohoo...!

Oops. The white  
thing just tore.

Eeeeh? My  
panties... Did  
they just...?

Whatever... I'll just  
keep thrusting...

Hn~

Hmm... She's  
crying nonstop...

Maybe this  
is too much  
for her? I'll  
take it slow...

Hn~

The head is in...

I really am being raped  
by a dog...

Doing it with a savage  
animal...

I want to die...

What did I do to  
deserve this?

Hn~

Hn~

She's sounding much  
happier now...

Lets keep at this  
pace...

If you go  
gentle now...

Hah!

Aaah...

Hah!

Eeh? You're going  
slower...?

NO!  
Stop you stupid  
filthy animal!  
You can't start  
going slow now!

Ho? She's starting to let out some nice moans.
