A close-up comic panel of a young woman with long brown hair and large red eyes. She is wearing a white hooded garment and is in the process of undressing, with her white bra pulled down to her waist. A tiny character with black spiky hair and a red mouth is peeking out from between the cups of her bra. The woman has a surprised expression. There are three speech bubbles: one on the left from an unseen character, one on the right from the woman, and one at the bottom from the tiny character.
