I heard
they were a

it looks like
the only
thing they
got is
numbers.

seem to
be that
surprised
from the
size of
my dick.

Sheepai...!

Shen...

You actually
have the
nerve to
mess with
our under-
classmen?

Help
me...!

I hope you
don't think
you'll be
able to get
away with
this...

It seems
that
you'd at
least be
a better
toy than
this girl
over here.

Well, well...
Looks like you
actually might
be a worthy
opponent.

Oh?
♥

Thanks.

Go ahead, I'll just go around the building and look for something else to do.

Yeah, yeah. You want to do this on your own, right?

...Daia.

I'll make sure to fuck you up good for what you did to my underclassman.

It doesn't look like it's that stiff, but it's probably a big enough dick to at least entertain me for a bit. ♡

Anyway, I'll be your opponent.

Oh? You're going to take me on by yourself?

I suppose that's fine, just make sure you don't break on me too easily, okay?

たふさ

Yeah?
Here's
hoping
you're not
all talk!

Don't get
all cocky
just cuz
your dick
is a bit
bigger
than
average.

NOM

Ah!
♥ Ah!
♥
That's
it....
♥

It feels so
good when
you reach
into the skin
like that....!!
♥

Ahh!
♥
The way your
breasts are
squeezing
me is
amazing!
♥

Ahh...!
You're
sniffing
my dick
from
inside
the
skin!
♥

Mmm...
♥

Hahi!
I'm cumming!
I'm cumming!

Ngh...
Your
dick is
twitch-
ing, you
know?

Heh,
that was
easy-

Nya!

I bet you're
close to
cumming.

I'll squeeze you dry from over here next.

Aaah!

What a nice asshole, I just might be able to have a lot of fun with this!

With this, I'll be able to thrust my entire dick in without any restraint what-soever!

I wouldn't

have it...

any

other way!

Nnu!

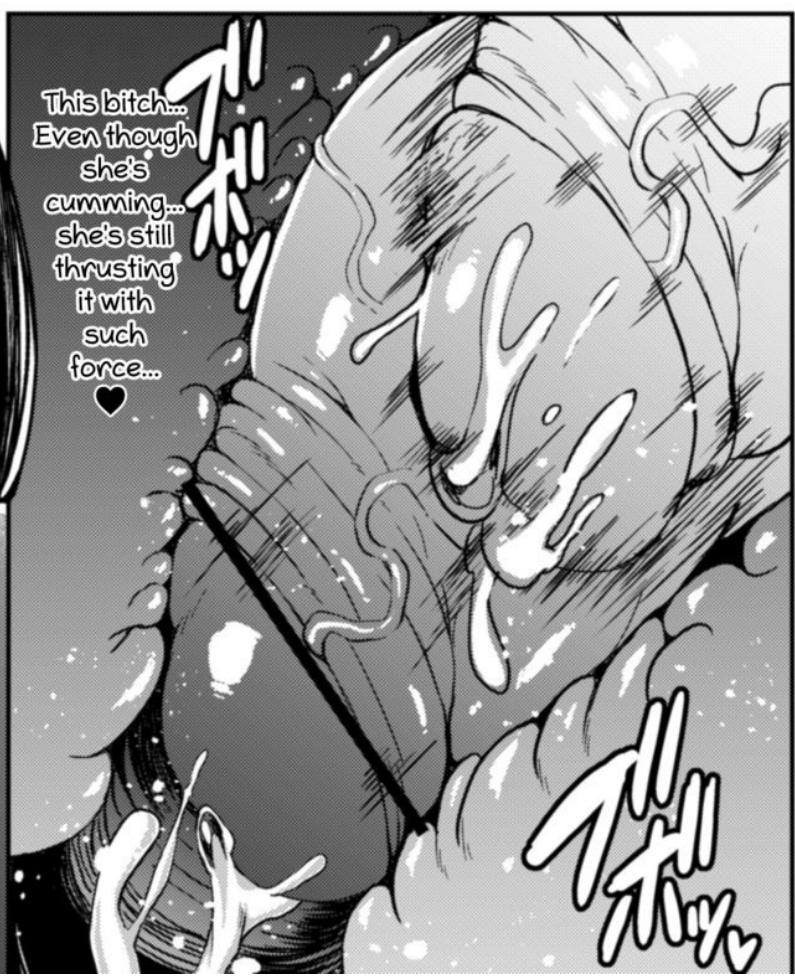

It's huge!

Ahh This is great! Let's start this off with my first load!!

You're... cumming already? You're such a....!

Ahn!

Ahn!

This bitch...
Even though
she's
cumming...
she's still
thrusting
it with
such
force...
♥

It feels
hella
good!!

This load's gonna be a lot bigger than the last one!

Ah!

S-Shit ...!

My asshole's beginning to love her cock! ♥

...I'm gonna cum.

That was a close one, she almost got me.

Shit...

N-Nah...

...Hahh...
Hahh...
Fuu...
You aren't broken just yet, are you?

Very well.

I suppose I'll do some modification for our next round.

The battle's just getting started.

There we go, it's gotten so lively!

Afterword

Thank you so much for taking the time to read this book.
I'm Teterun.

I was originally going to do a sequel to "The Demon Man",
but a new idea popped up in my head, and this is what it turned out to be.
If I just kept drawing without any proper planning,
the contents would reach to be more than 1 doujin could handle,
so I decided to have the rest of the story in a sequel.

There's a lot of stuff I've done that needs sequels to be honest,
but as long as they're doujins, I'll keep drawing them!
That's why I'll keep moving on at my own pace!
