

"Sorry Proxy, but I've gotta make sure you're the right one for her! Nagi, pick whichever cock you like best— and if you blind pick mine over his.. then clearly this relationship isn't gonna work out!"

"S-Soukaku? Geez, what's gotten into you.."

"Sorry for such theatrics, babe.. Soukaku can be quite nosy with my love life, but she's really just a concerned little sister, don't mind her. W-we haven't even been intimate until now, but.. surely this one's yours, right Wise?"

"Blehh! Wrongg~ You really thought shrimpy over here was packing all that, ? The MEAT PILLAR you were drooling for's actually mine! Proxy here's smaller than your fucking pinky, silly Nagi!"

"MMNFGH?! <3"

**"Sucking your little sister's monster
cock so hungrily right
in front of your boyfriend~ what a naughty girl!
Oh, haha! Even sadder! Proxy's little dicklet is
leaking from seeing his precious
Yanagi stolen from him!"**

"MNGH~ <3 You're super duper good at deepthroats, Nagi! Such talents would've been wasted on proxy's little clit for a penis!"

"A-Another round, five even!~ Please Soukaku.. I need more of your oni spunk inside of your naughty mommy <3"

"Hmm~ sure! One condition though.. breakup with cuckie over here!"

"..Fuck off, Wise. We're done."

"Hehe, yayy! You heard the lady, proxy! Go home, and maybe use a bangboo to eavesdrop on our babymaking sisterly sex if you really want!"

"Holy cow, he actually set up a bangboo to watch us fuck! Haha, what a weirdo!"

"Don't mind him, Soukaku.. With a dick like that, he better get used to seeing all his girlfriends snatched up by more well endowed girls like you... I doubt a single girl in New Eridu would be satisfied with a pecker like that."

"Awww, poor proxyy~ it's not even been ten minutes and your ex is already trashing you so harshly <3 Ah, whatever, let's give you a baby bump for him to cry over by the end of tonight!"

"I've taught you so much over the years, Soukaku.. it's about time you repay the favor, isn't it?"

"I'll teach you all about how yummy your sister's cock is, Nagi- You better not even THINK about any shrimp-dicked boys after tonight!"

"AHH~ You better
drink every single
DROP of my
girljizz! It's bad to
waste food, Nagi!"

"Don't you worry
young lady, my
dinner tonight'll
**be your
sperm and
nothing else.."**

"Because my little sister's chickdick was ten times the size of his! <3 Miyabi, if you're looking for love, our little oni here has a LOT more to give than little Wise~"

"I heard Miyabi was also crushing on that proxy.. I can't have another agent fall victim to that shrimp dick, so I oughtta sway her opinion! Say cheese, Nagi! Tell Miyabi why you dumped that cuck!"

"See?
<3"

"Oh, bangboo's still here. You having fun pinching that clit of yours, proxy? I was just about to ask Nagi if she was CERTAIN she wanted to break up with you. Maybe she was overreacting, maybe size doesn't matte—"

"Soukaku! I raised you better than that, miss! You should never play with people's emotions like that, just say it to him straight instead! ...Ahem, Wise? Please, for every woman's sake, give up on love. Leave the romance and sex to REAL bulls who can fuck like Soukaku here.. Your genes are a complete waste to pass down."

"Well, you heard her, proxy! I learned a lot today-
cucks like you are best off letting
me claim whatever
crushes you've got! The next time
you're thinking of dating a girl,
just point her my way so she doesn't
have to suffer dealing with your tiny penis, 'kay?"

"S-SOUKAKU!!! <3"

**"Well, you heard her, proxy! I learned a lot today-

"S-Soukaku.. mmngh...
I know you see
me as your sister,
b-but.. could you refer
to me as your
mother, for tonight...?"

"..Sure thing,
mommy Nagi~"

"You're such a cute girl,
Soukaku.. I'm glad
to be your
cumdump of a mother~"

"I've always wanted a younger sibling.. you can help out with that, right mommy Nagi? You'll carry my oni sperm and pop out a sister for me to play with, yeah?~ Why stop at one, actually, I'll put a whole litter inside you full of brats like me!"

"Y-Yes... forget being an officer, I'll be a full-time mommy for your offspringg~ I'll teach them just like I did you.. without ever telling them the BALLS they came from were their own sister's~"

**"That's what I
wanna hear! I'll give you
quadruplets for sure, and here you are
fantasizing about raising
them! What a good girl~"**

**"Only for you,
Soukaku.. <3"**

**"W-What
big words..
my little
girl really
has grown
up, hasn't
she-"**

**"ONE LAST POTENT LOAD
FOR YOUR MOTHERLY WOMB, NAGI!!!
TAKE YOUR DAUGHTER'S
GIRLBATTER AND
BECOME HER CONCUBINE!"**

"Mmnnh~ first I get injected with oni blood, and now it's their sperm.. I can feel my future demon children swimming around in there~ Hopefully H.A.N.D doesn't mind a new litter of brats in Section 6.."

"To think the little girl I saved so long ago would grow up to be such a stud.. still, you better keep up with your studies from hereon, young lady, or this'll be the last time we pull this stunt!"

"Y-Yesh ma'am...~"

"Thouuugh, if you **spend more** money pulling to max **my Cinema,** I **MIGHT** just give you a footjob out of pity! Deal? <3"

"Hello there, Wise.. I'll **have to retire** from my agent duties for a few months due to... well, you have eyes don't you? Good luck finding someone to fill in, and be sure to keep them far away from Soukaku- otherwise **she might just knock them up too!** Maybe a cuck like you would like that, though, seeing all his agents he spent money on get stolen by a brat half his height."

"Well, there's your footjob, loser. Geez, look at your bank.. all dried up now cause you spent so much pulling my dupes..."

"I meant it as a joke, you know. But of course a shrimp dick like you would actually go and spend this much just for his ex to brush against his dick a little with her toes. Clean your watery cum off my feet, already.. Soukaku'll be here any minute. If you wanna get anywhere CLOSE to my pussy, how about you max out Soukaku next? I'm sure she'd be willing to fuck your holes right after breeding mine if you did that. We could even doll you up in womens clothing and the like, with a penis like that you might as well be a girl anyway."
