OF A YOUNG FUTANARI
GIRL...

SHE'S KNOWN AS
"THE TENTACLE MASTER"

THINKING IT WOULD
BE A PIECE OF CAKE,
BUT THEY ENDED UP
BEATEN AT THEIR
OWN GAME...

CAPTURE
HER!

AND BRING
HER BACK
TO ME!

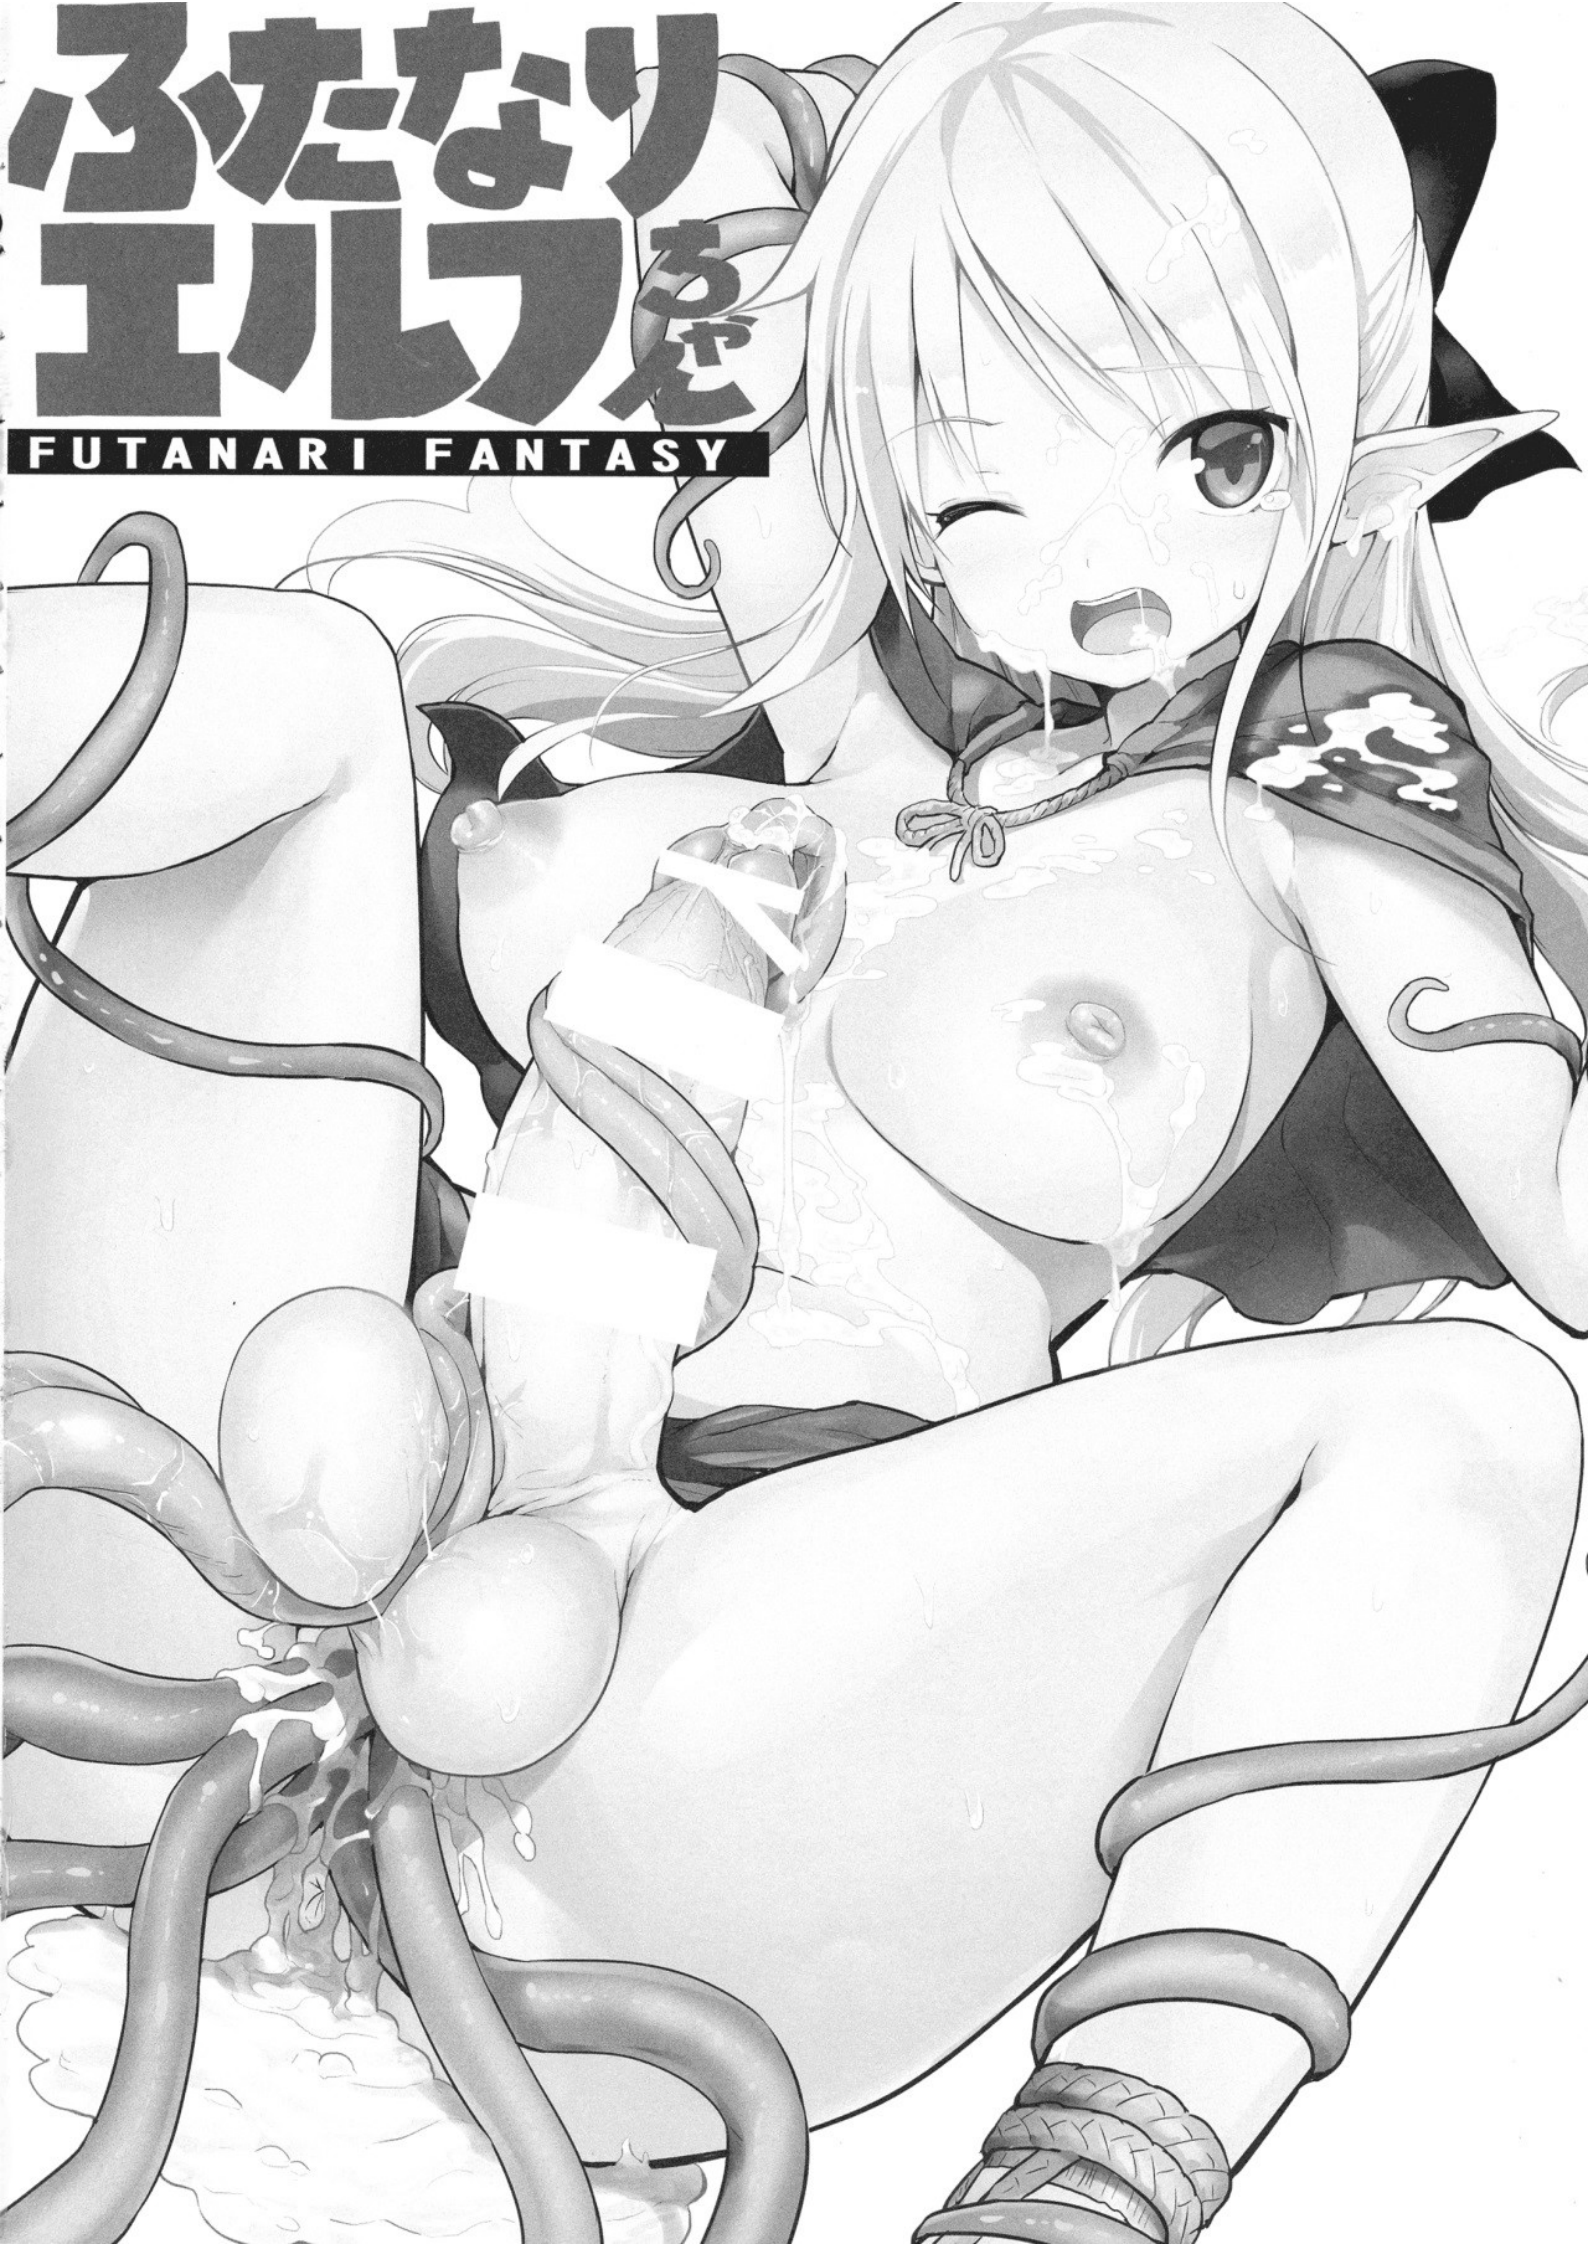

SO...

BEFORE
SHE GETS
SLAINED BY

FUTANARI FANTASY

ザッ

YAY!
I FINALLY
ARRIVED!

THIS PLACE
IS NAMED
"THE FOREST
FAR AWAY
FROM THE
CITY".

IT'S KIND
OF A
POETIC
NAME!

I SEE...
THIS ROAD IS
OCCASIONALLY
FREQUENTED
BY TRAVELERS.

THIS IS
A GREAT
SPOT FOR
THAT
"TENTACLE
MASTER"
TO HUNT
DOWN
WEAK
PREYS!

HUN!

Name : Futanari-Elf chan
Profession : Demon Hunter

A Futanari Elf travelling all over the world and whose real name is unknown. Hunting down monsters allows the girl to pay for her travelling expenses.

THERE IS
SO MUCH
VEGETATION
BLOCKING
THE WAY!
IMPOSSIBLE
TO GO
FURTHER IN
...

I GUESS
ADVENTURERS
ARE USING
THIS PLACE
TO SET UP
CAMPPFIRES
...

I CAN SEE
A HIDDEN
STAIRWAY
OVER THERE.
I SUPPOSE
THIS IS A
VESTIGE OF
AN ANCIENT
CITY.

THIS IS
THE PERFECT
HUNTING
GROUND!

MY FUTANARI URINE HAS
AN INTENSE ODOR WHICH
PROVOKES EXCITEMENT
FOR MOST SPECIES
REGARDLESS OF THEIR
GENDER.

SO THERE IS A HIGH
CHANCE SHE GETS
ATTRACTED BY
THAT SMELL...

AS FAR
AS I KNOW,
THIS "TENTA-
CLE MASTER"
SHARES THE
SAME ATTRI-
BUTES AS
NYMPHS OR
SUCCUBUS
TYPE-
MONSTERS.

MY FORE-
SKIN IS ALL
STUCK!

Futanari-Elf Chan's Pee

Her urine is flowing out from her urethra and is then directly evacuated by the tip of her penis.

This urine contains strong pheromones that have attractive effects on both male or female gender.

Futanari-Elf Chan's Penis

The penis Futanari-Elf Chan received was a blessing from the goddess of fertility. It is gifted with incredible senses such as a delightful taste, a pleasant smell and is also extremely sensitive to the touch. This penis was designed to be a work of art presenting a foreskin as white as a ceramic pottery in contrast to the tip which is as red as a shining ruby.

Everything was composed for her penis to be the perfect object of desire.

**T-
TENTACLES!?**

EH!?

boing

GUSU!
I THOUGHT IT
WAS YOUR JOB
TO CAPTURE ME,
NOT THE

THAT FALLS
FOR THESE
LITTLE BAITS!?

KUH!

LOOK AT
THAT!
ANOTHER
MONSTER
HUNTER
CAUGHT!

"Tentacle Master" Humanoid - Succubus Type

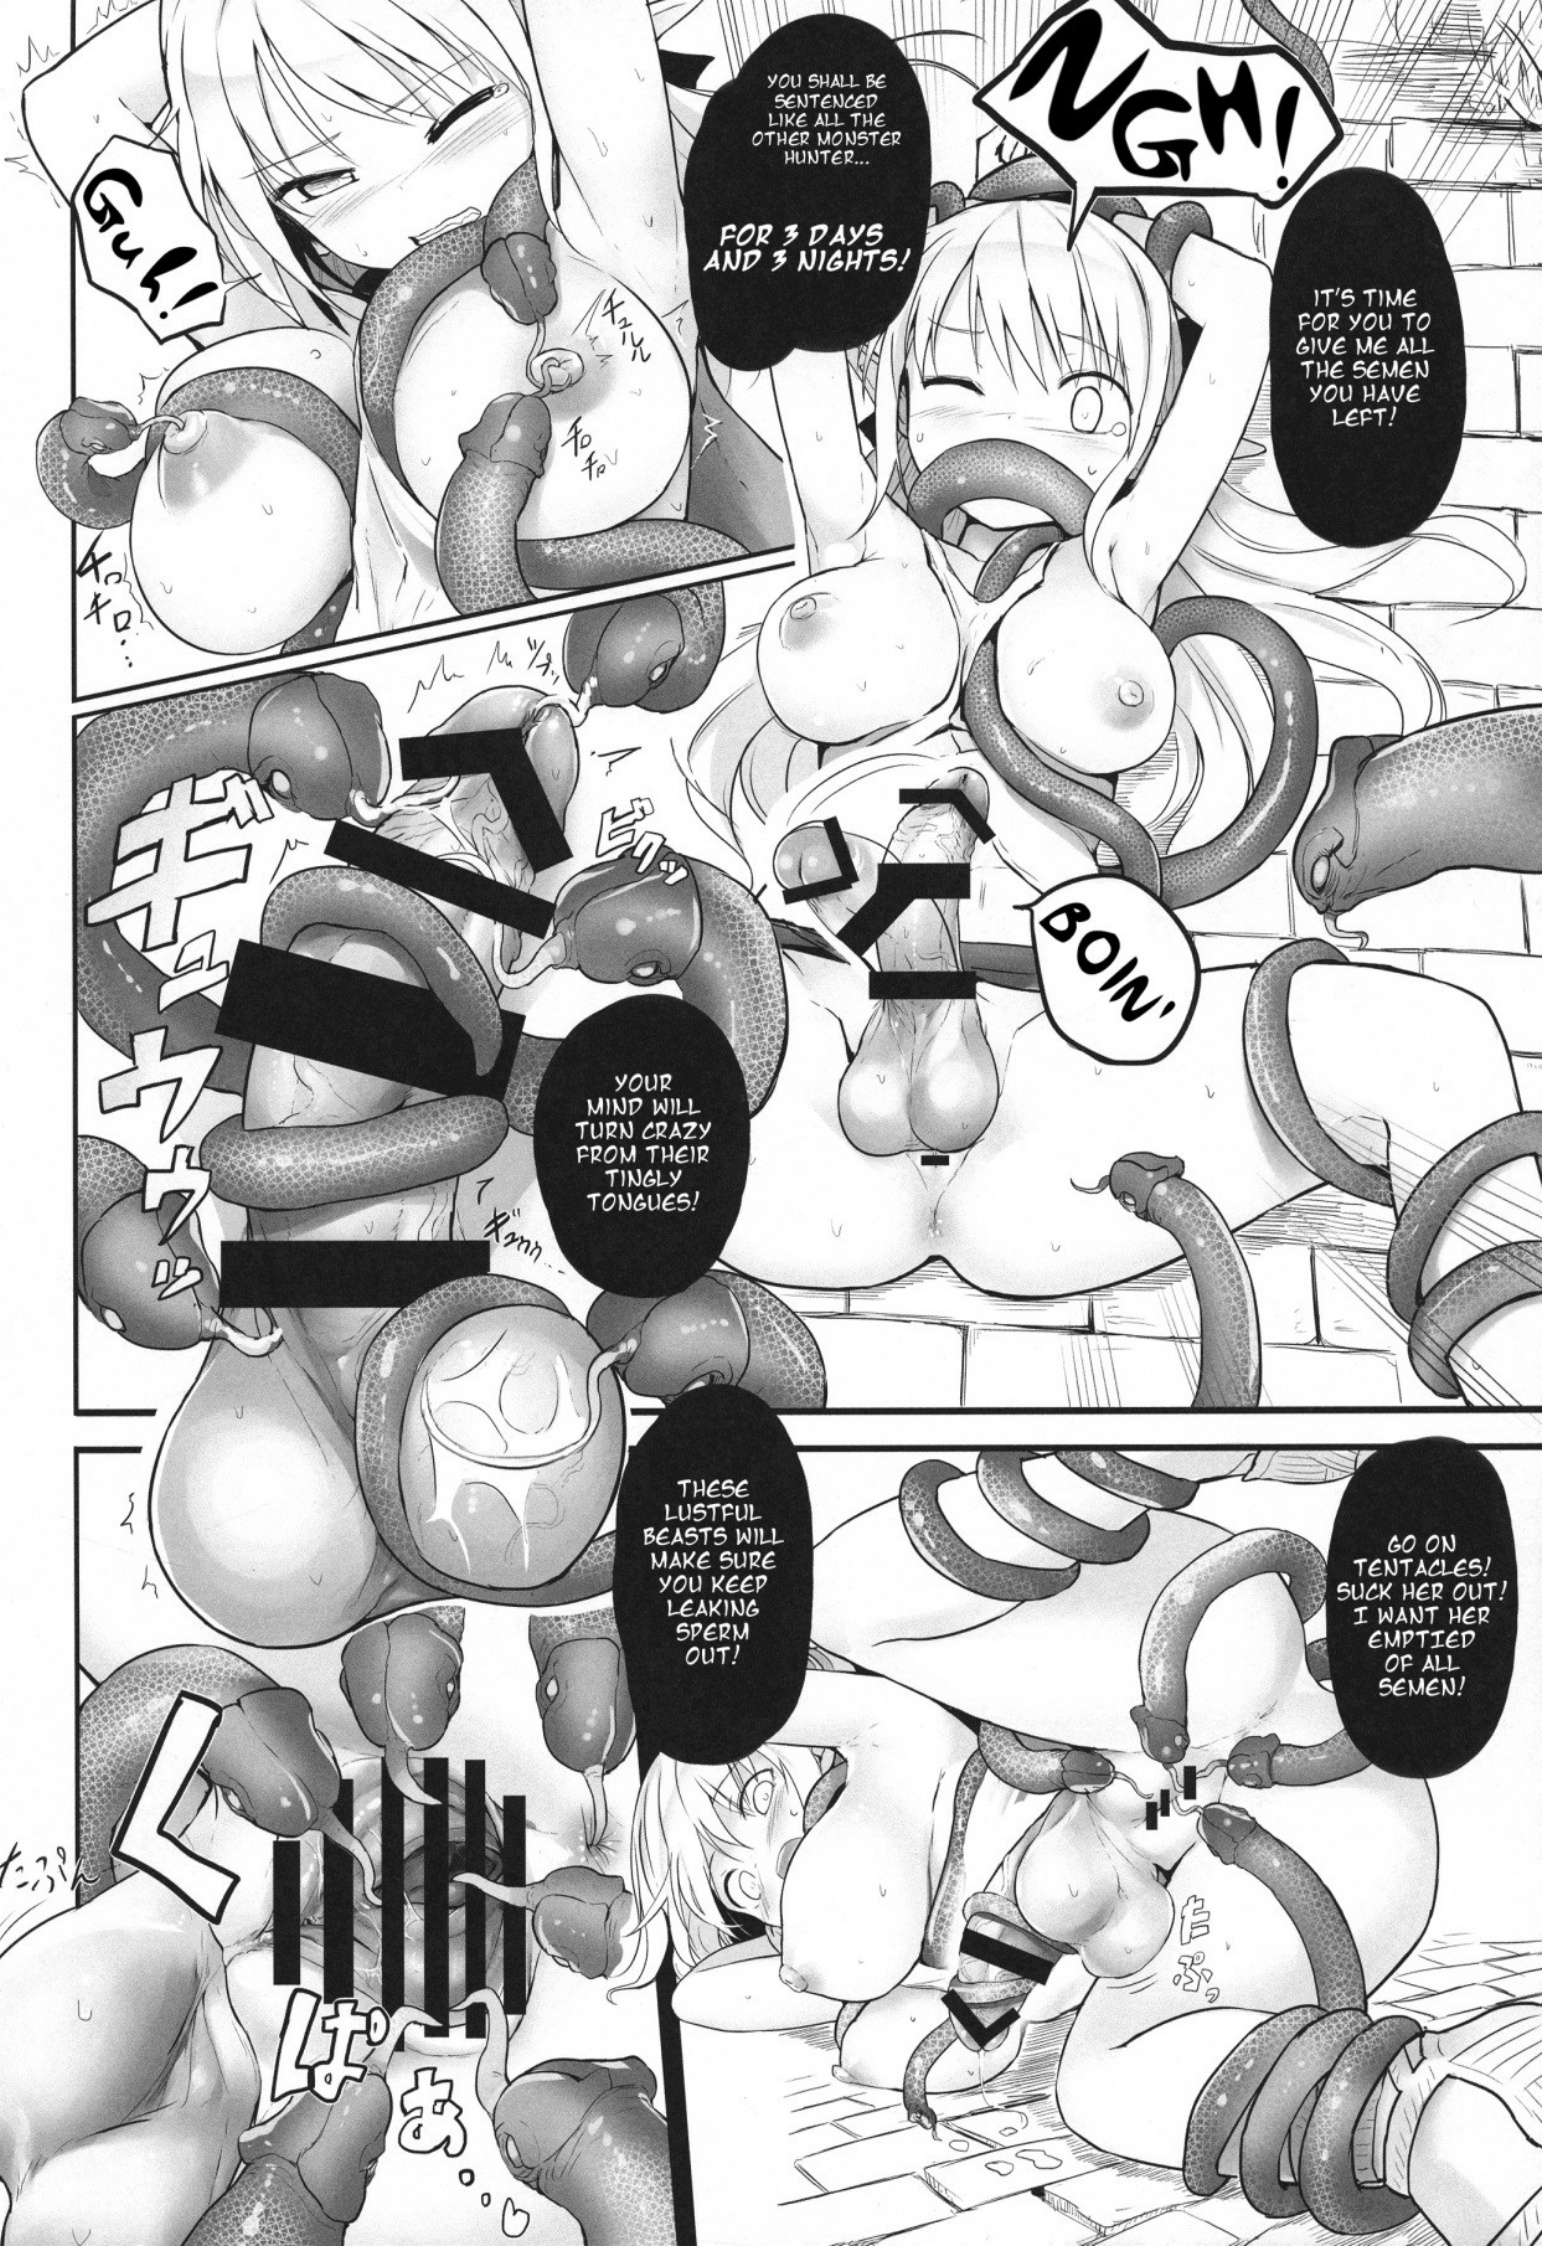

A monster girl followed by a lot of snake-like tentacles at her command. She takes the form of a young futanari girl, but is in fact, a fine adult.

These tentacles work in a symbiotic relation with her. The girl acts as their master by offering her body for the tentacles to lay their eggs in. As a compensation, these tentacles have to stay loyal to the girl.

Just like in a weird magical dream, she absorbs nutriments by incemination.

Despite her look, it's a dangerous creature that attacks unprepared merchants and travelers who dare take the path through the forest.

Guh!!

YOU SHALL BE SENTENCED LIKE ALL THE OTHER MONSTER HUNTER...
FOR 3 DAYS AND 3 NIGHTS!

UGH!

IT'S TIME FOR YOU TO GIVE ME ALL THE SEMEN YOU HAVE LEFT!

BOIN!

YOUR MIND WILL TURN CRAZY FROM THEIR TINGLY TONGUES!

THESE LUSTFUL BEASTS WILL MAKE SURE YOU KEEP LEAKING SPERM OUT!

GO ON TENTACLES! SUCK HER OUT! I WANT HER EMPTIED OF ALL SEMEN!

Gourd of "Holy Wine"

This is the wine version of the so-called "Holy Water". If any monster drinks this liquor, they end up in a drunk state within the blink of an eye.

It is particularly effective against snake-type monsters.

By drinking it beforehand, the user can give the same effects as alcohol to its body fluids for a short while.

Used that way, it is a great strategy to counter suction type enemies such as the "Tentacle Master".

YOU ACTED
A LITTLE BIT
TOO FAST,
DIDN'T YOU?

FEELING
A BIT DIZZY?
YOU JUST HAD
A TASTE OF
WHAT I CALL THE
"HOLY WINE".

IT'S MADE OF
PURE WINE MIXED
WITH SWEET
FUTANARI SEMEN!
IT IS SO STRONG
THAT THIS LIQUOR
WAS BANNED BY
THE GOD OF WINE
HIMSELF, BACCHUS!
