I think
Rie's is
really
pretty.

Not that
I've seen
anyone
else's
before.

Just
thought
it was
pretty.

Shizuka?
What is it?

But
I really
think that
way.

J-Jeez!
Don't stare at
it so much! It's
embarrassing
for me!

Is this why you space out sometimes...

and above it is a cute forest, rustled by the breeze.

It's like there's a straight little stream.

yes! ah

mnn...

The nectar from her stream...

No matter how much of it I drink,

ha...

ah!

spurt

spurt

It's done!

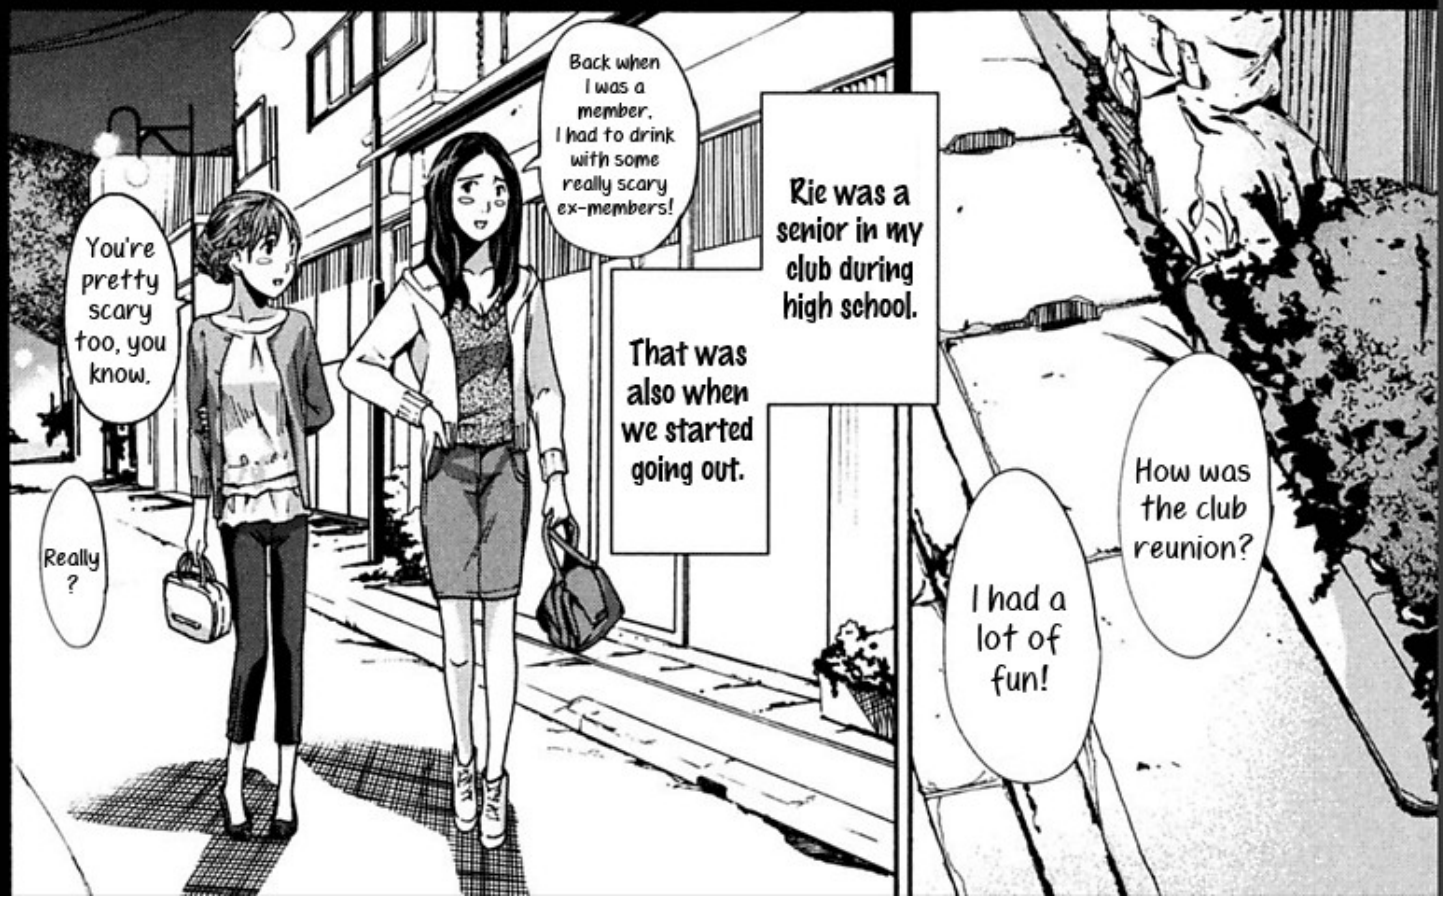

She just happens to go to school near me!

You're not bullying Shizuka, right?

Still doing tennis?

Oh... Yeah. I'm not on the team, though.

You're pretty scary too, you know.

Really?

Back when I was a member, I had to drink with some really scary ex-members!

That was also when we started going out.

Rie was a senior in my club during high school.

I had a lot of fun!

How was the club reunion?

Yeah...

Mm.
What
a nice
breeze.

Why do
I feel so
attached
to it?

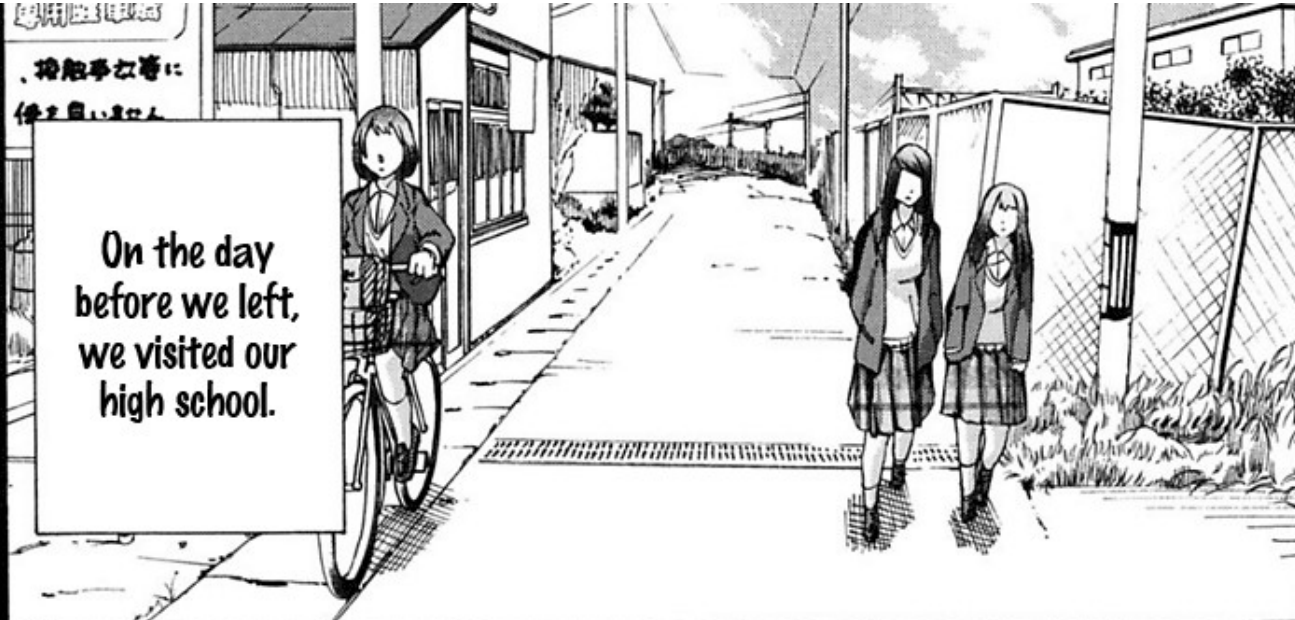

It's only
been a year
since we left
this town.

her warm
body and
breath,

No?

Hmm...

I remember
the heat
from the
sunlight,

Hm?

I have a
sheet
with me.

and the
pleasant
breeze.

I'm all ready to go.

Two girls, spreading their legs

It makes you feel so hot and dirty.

Just right... It's not like how we used to do it...

but I

right
now.

Ah!
Hey!

Hm?
Already?

Now hurry
up and go
to sleep.

Seems
like it'll
be hot
today.

The next
morning, the
passing breeze
held a hint of
summer.

I held her
hand
tightly

Hey, Rie,
did you
know?

to tell her,
"I love you."

After
spring,
comes
summer.
