The boy who fought for such a world.

For a world where humans and demi-humans can join hands together and be with each other.

Although, that hardly matters, this is a story about kissing and flirting with these nee-sans and the boy.

The two powerful women who were feared for being demi-human, but were attracted to the boy from the bottom of their hearts.

So we thought about doing a different kind of play. ♡

Fufuh ♡ Did we surprise you? Today is our wedding anniversary. ♡

Thou art going to be spoiled ♡ plenty by us both. ♡

Darling's exclusive Demi-Human Meat Wives soup harem. ♡
