WAIT, TH- THAT'S...

...That's how I thought I could play it off as just fooling around,

I know he's at an age where he starts taking an interest in sex, but...

I have to teach him the terror of screwing around with an adult!

right into the furthest reaches of his ass.

but then I had to go and eject my entire fucking load

I still can't stop cumming...

I can't believe my nephew's ass feels this good...

Comments: I loved the trap's playful personality in this. And the color pages. Gonna be doing several Hanamaki Kaeru translations in quick succession. Unless you're reading this right after it's released, they're probably out already. Check 'em out if you liked this one.
