Seriously!?

You've gotta be kidding...

Hey, Yuuki... you stopped talking...

You know I can't, right...?

I just can't stop...!

Oh, god... I have to go to sleep, but...

But tomorrow is when I get paid, so we'll finally get to have some real fun...!

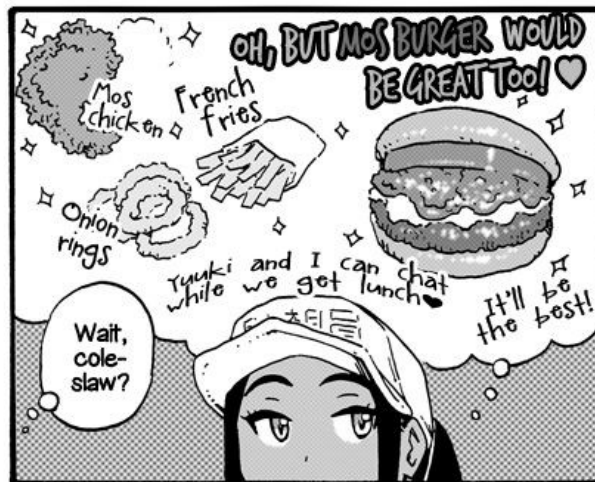

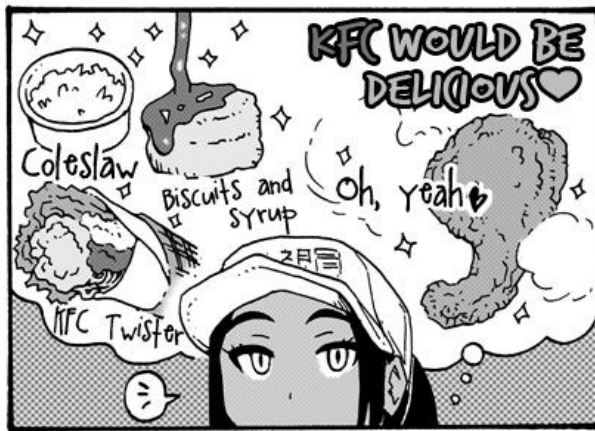

The two of us were just getting more and more sexually frustrated.

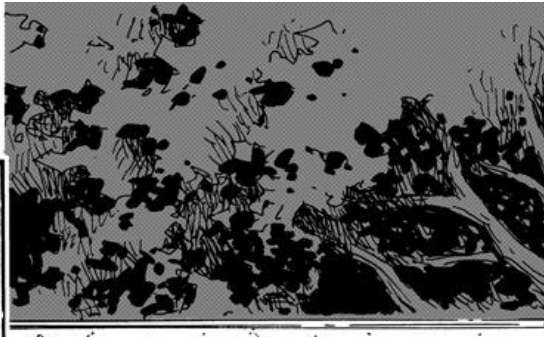

Crap, it's already three AM...

I can only do this for five more minutes, Kana...

The day before payday, even though I got to be with Yuuki, we didn't have the money to rent a room anywhere.

X: Coleslaw
O: Course rope

Sorry...

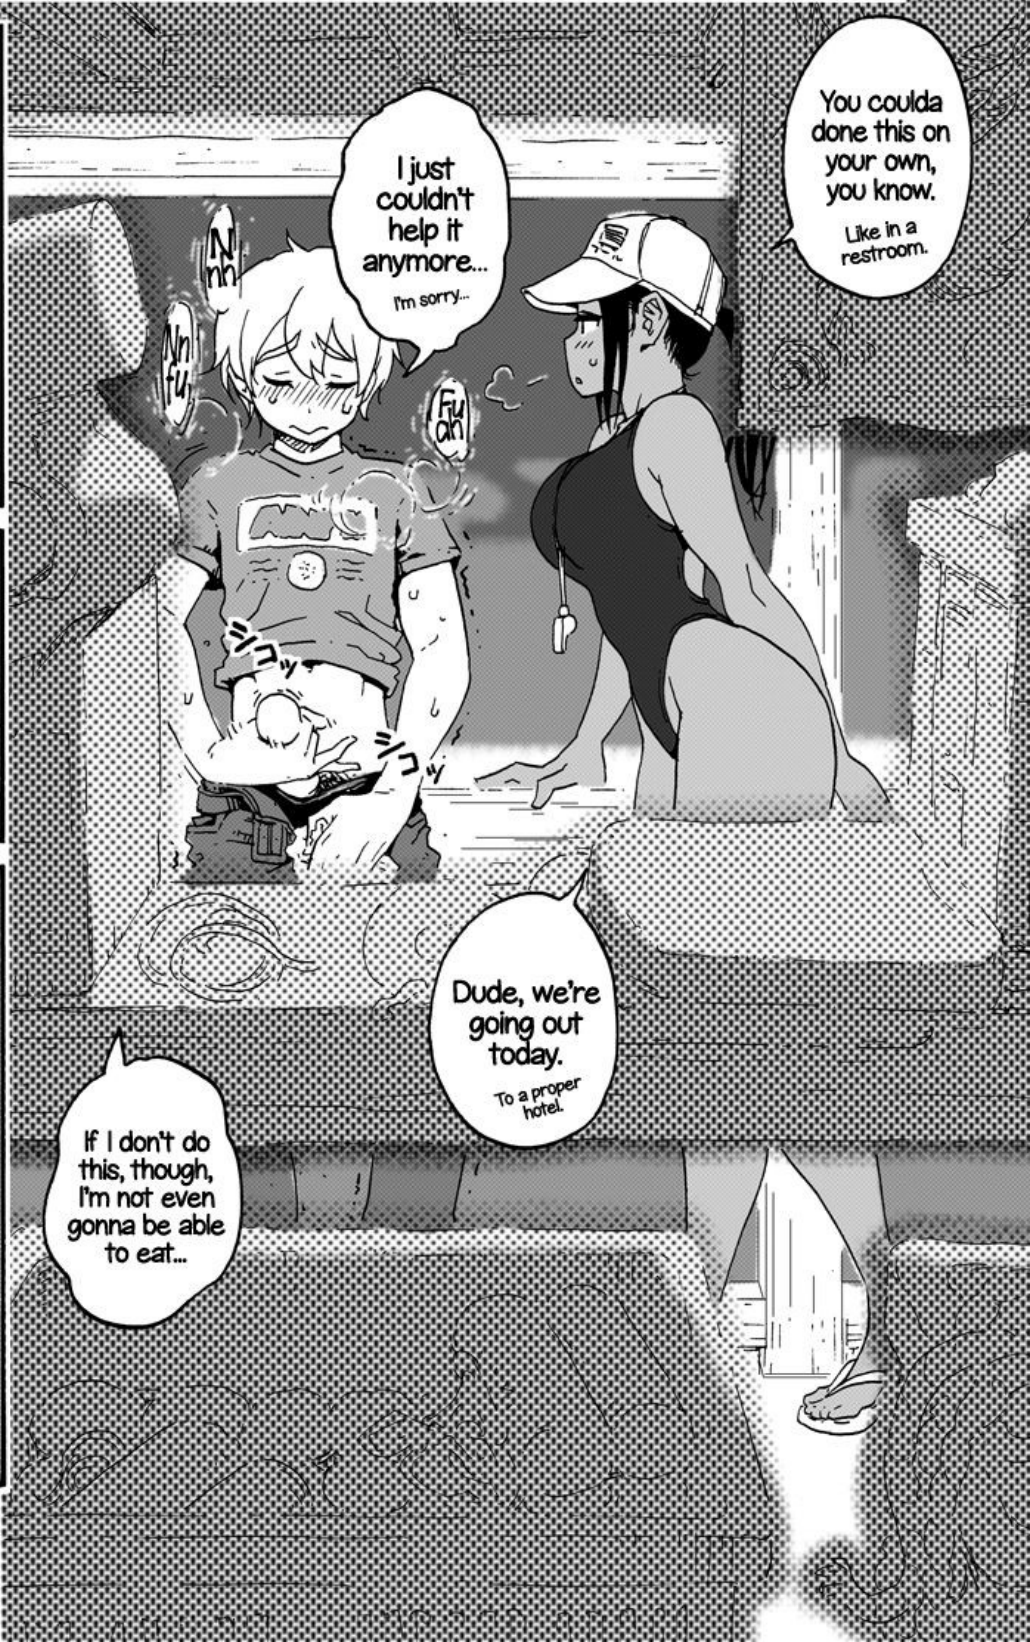

If I'd waited where we planned, I'd have...

I thought you were about to dump me or something.

Nnh...

I just couldn't help it anymore...
I'm sorry...

You coulda done this on your own, you know.
Like in a restroom.

Dude, we're going out today.
To a proper hotel.

If I don't do this, though, I'm not even gonna be able to eat...

Sorry... just one more time.

I'll be done in like two minutes.

うん...

Nnh... Alright already...

...

Wow... Those breasts... and those thighs...

She's getting kind of pissed, huh...
She's just staring.

Just one more time...

Afterword

Thank you very much for buying this book.

Just like last time, this story also takes place in the middle of summer.
Even though it's November right now, all I want to think about is summer, sweat, and jumping in a pool!

When I wrote Kana, I wanted to imbue her with a sense of comedy. You know, as an artist, I'm always worried about coming up with a half-assed comic, but being able to draw Kana for this winter event made me pretty happy.

I came out of my kotatsu.
The Comiket timing this year was pretty good, so I felt like emerging.

A: No, just busy.
