Yankii-kun and  
Marshmallow Papa

ヤンキーくんとマシュマロパパDL版/星凧

When you're not stealing or speeding, you're loafing like a parasite.

Finally caught, huh, you fresh piece of punk?

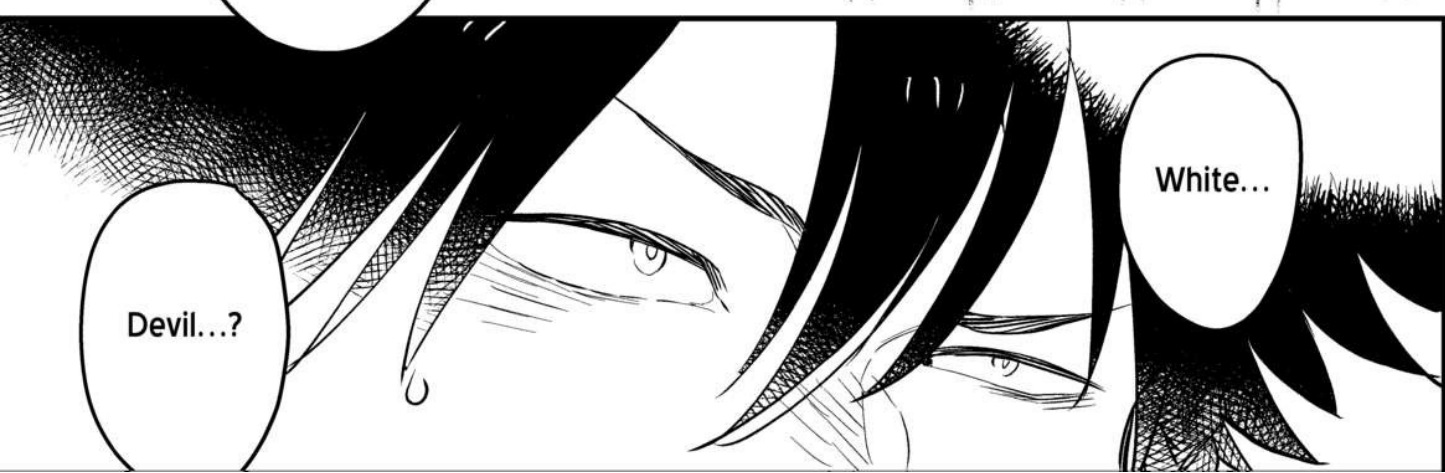

**Fuck you!**

There ain't a single bleedin' heart that gives a damn about your rotten arse. Go ahead an' think about how, why, and where you fucked up.

Every single one of you brats ends up sent to juvy's **White Devil**.

Looks like you're finishing life just as unwanted as you started! What's gonna happen to you, eh?

Devil...?

White...

everyone who goes in comes out as lovely, helpful members of the human race.

You'll be getting "peer support" at this "rehab"... I ain't got a clue about whatever horrors you'll witness there, but

Who're these guys trying to scare with this "devil" crap?

Tch...

**Special  
Counselling office**

Guess they're treated as gently as humanly possible, eh...!

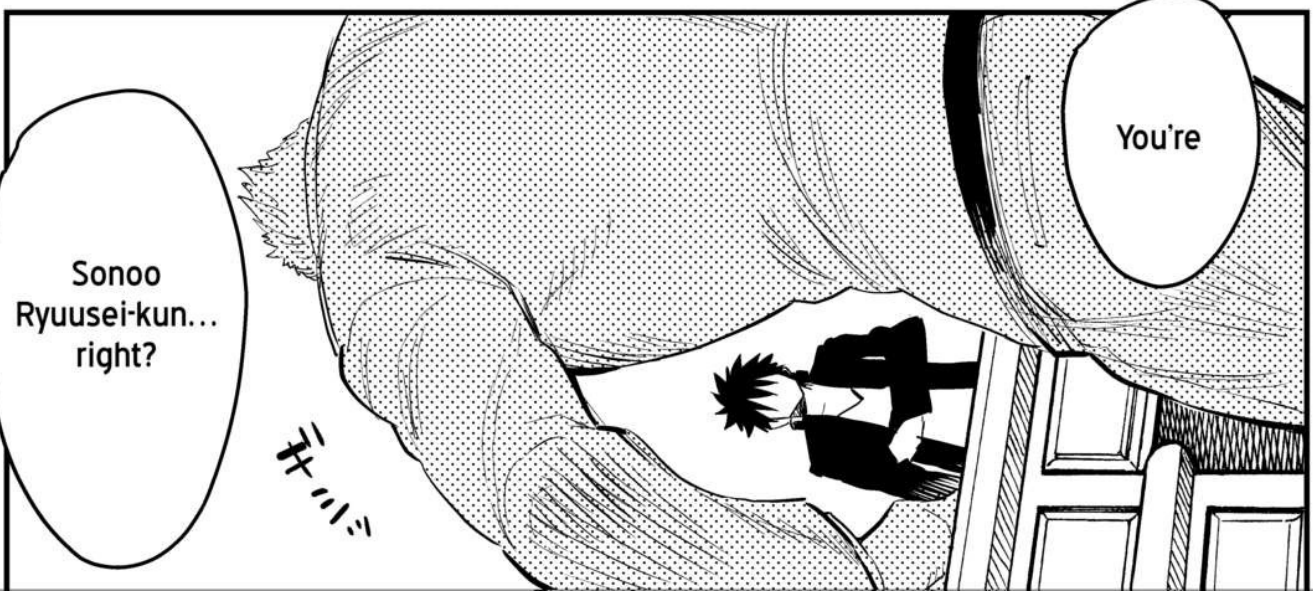

We've brought your new peer, Section Chief Yukikata.

カッ!

this guy

**You've  
come to  
the right  
place, my  
darling  
boy...!**

You've been crushed by this cruel this whole time... And all the while, you

were all alone, pushing back to save yourself, haven't you?

It was awful, wasn't it?

You stayed standing, didn't you?

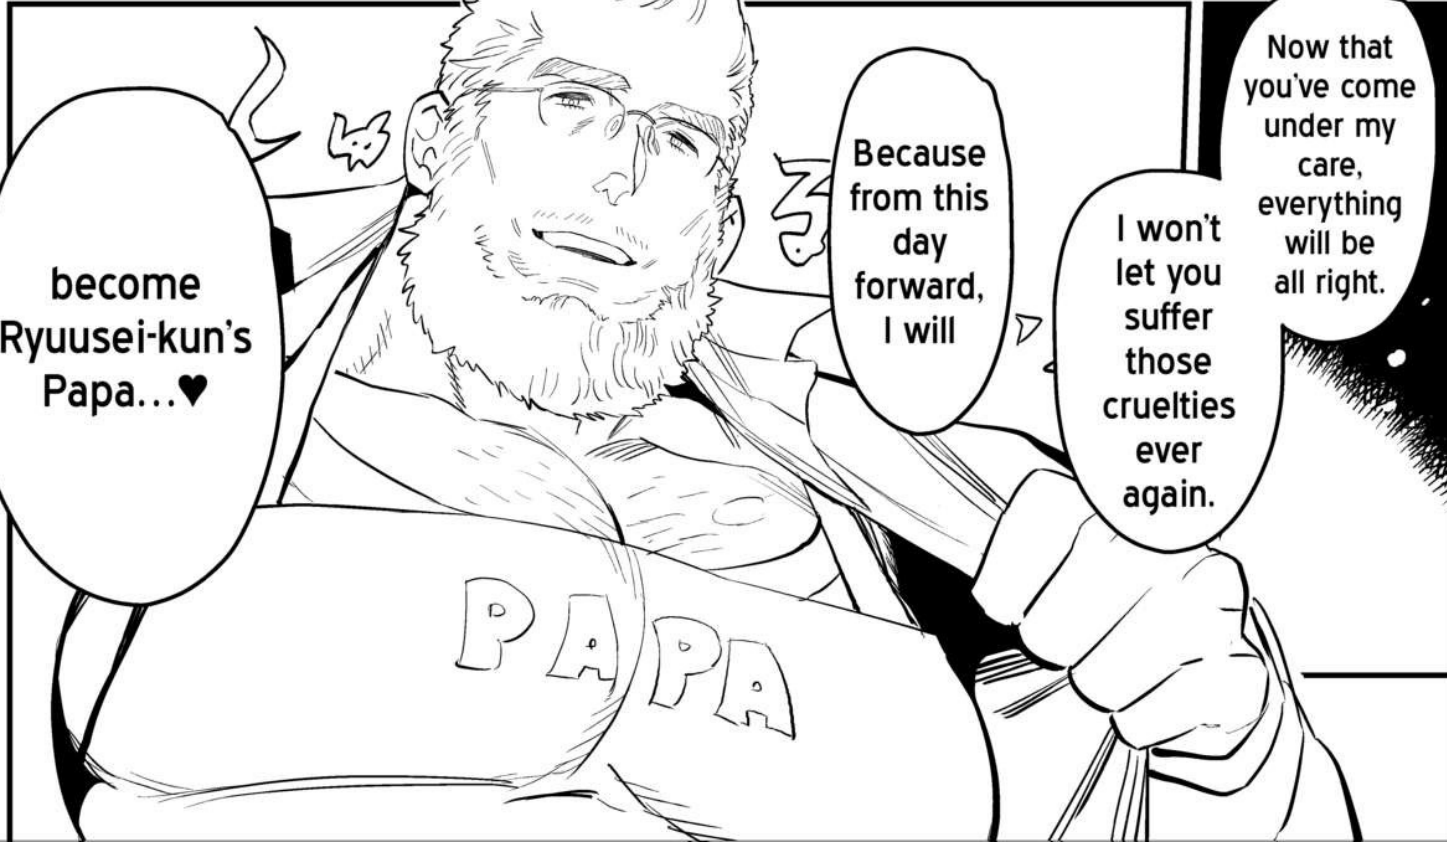

It's...

badump

You've been quite the rambunctious youngster, haven't you.

Hmhm, five larceny cases, eight batteries, and now reckless driving...

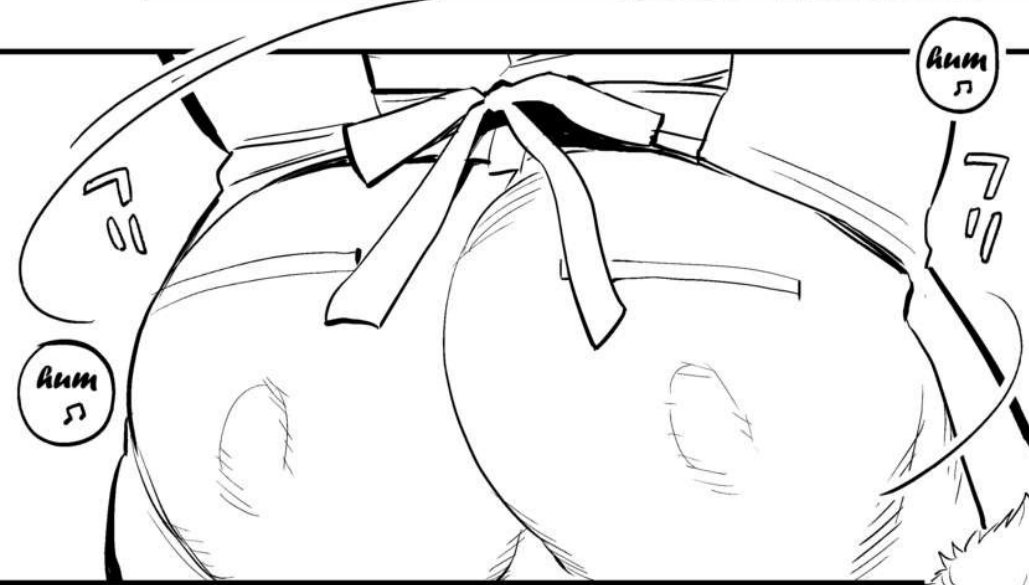

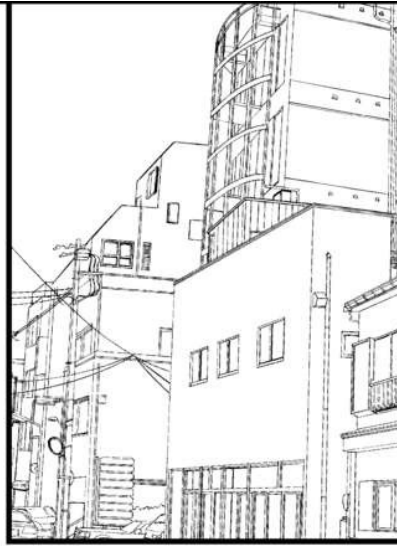

become Ryuusei-kun's Papa...♥

Because from this day forward, I will

I won't let you suffer those cruelties ever again.

Now that you've come under my care, everything will be all right.

PAPA

This is... the old man's place?

I knew I was gonna be his peer or some shit, but...

what hell is this?

And...

what was with that fake-ass hug?

His chest was...

He's like a gorilla on steroids

so why's he have tits as fluffy as a marshmallow's arse?

Ope!

All right.

Your curried beef burger, go ahead an' eat up.

Tsu...

....!

It's good...

This place is just for the two of us, for Papa and Ryuusei-kun.

No one has to posture here, nor scrap each other to keep their place. You can pursue what makes you happy, free of harshness, and fear of harshness.

It's delicious, because I mean it when I say we'll eat delicious things.

You can ask me for anything, because I mean it when I say I want to help.

So, it's perfectly fine for you to be honest about your own thoughts and feelings.

Because, you see, Papa will put all his heart into answering your heart.

Mm..

I'll teach you how to do whatever it is you want to do.

So that you can make what's real in your soul real in this world...

I'd like to see, what it looks like here...

Here... I'd like to feel it, more.

Th, then, if that's so...

All right, come close.

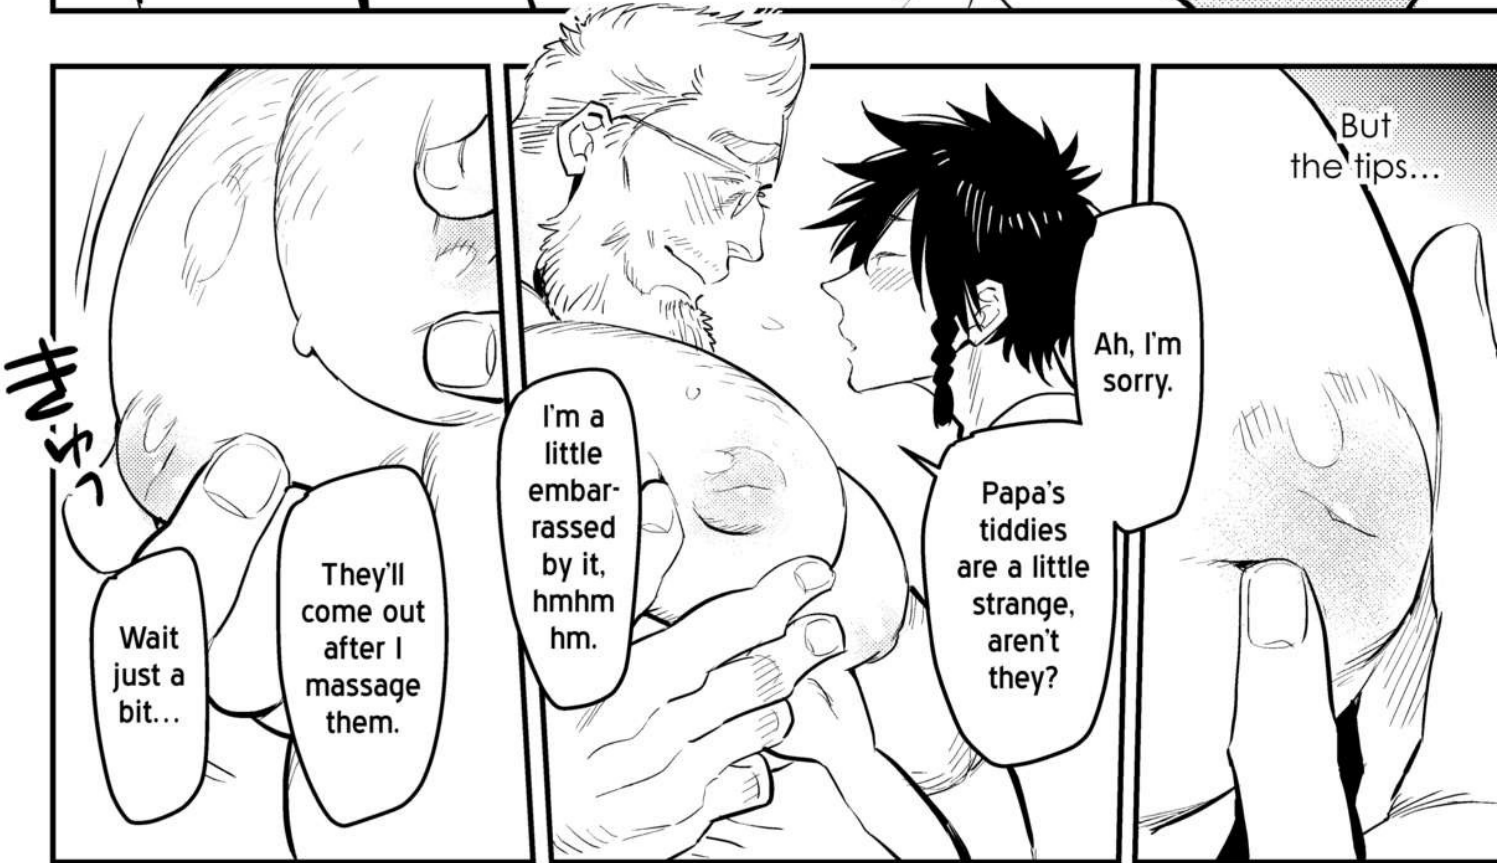

and soft

They're white, and super big

They'll come out after I massage them.

I'm a little embarrassed by it, hmhm hm.

Ah, I'm sorry.

Papa's tiddies are a little strange, aren't they?

But the tips...

But... My heart is pumping and I'm getting light-headed...

Let me do it.

I... I, want to do it.

What... The heck am I saying

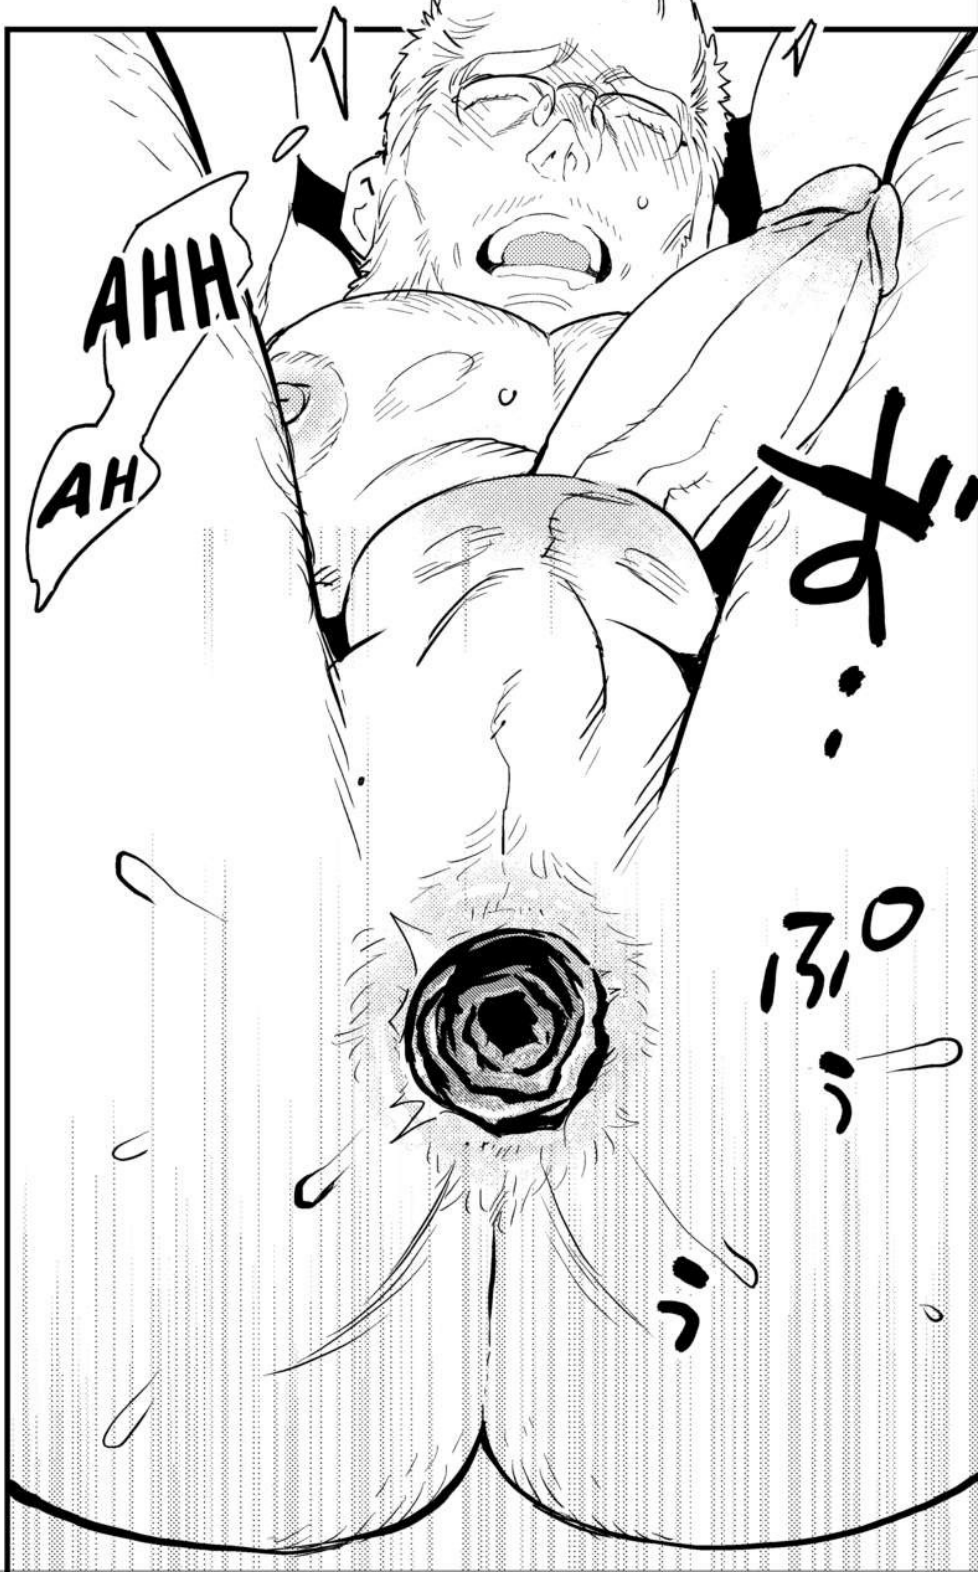

You're such a gentle child.

# Translator's Note

I took a few liberties with the translation in order to fit the text into small dialogue bubbles (damn the Japanese and their logograms!), and to make some dialogue more natural (the cops are now believable assholes).

And I redrew areas obscured by text and censor bars.
