Afterword

Thank you very much for buying this book.

Hello to all of you, I'm Kei Kunisaki.

This story was produced while I was hectically working on a different book.

My intention was to provide the best I could with what limited time I had.

I hope you appreciate this work, even if just a little.

Besides, I believe the guys from Mujin Comics are doing their best at commercializing their books as well.

Therefore I would feel glad if you enjoyed reading their works too.
