

SAYURI.

YOU'RE AT MY HOUSE, REMEMBER...?

YOU CAME HERE STRAIGHT FROM SCHOOL...?

I THINK YOU SHOULD HEAD BACK HOME SOON. YOUR PARENTS MUST BE REALLY WORRIED ...

LET'S HAVE SEX ONE MORE TIME.

JUST BEING ALLOWED TO TOUCH YOU IN THIS WAY IS PLENTY FOR ME...

THE END

This drawing
was originally
in colour, which
is why she looks
tanned here.

SAYURI

There were some pages left after all.

Shitty 4-panel comics

Ending Words

Another afterword with nothing to write about!

I've already made almost twenty middle schooler books.
Huh!? Twenty...? Is that for real...? It doesn't really feel like that many...
There are still plenty of girls and stories I plan to draw, so I do think
that number's going to grow much larger. Still, it has to end one day...

By the way, I held a popularity poll way back, and Chika and Sayuri
came out on top. I was quite moved. I do feel a little sad sometimes
after I finish drawing, knowing I'll probably never get to draw that
girl again, but at the same time, I feel like new girls deserve to be
loved as well.

Now, is "Shouju no C" coming out next?
I hope so~
