Kichikawa Yuzuki

Akihiro's wife. She secretly used to work at a cosplay massage parlor part-time to save up funds for their marriage.

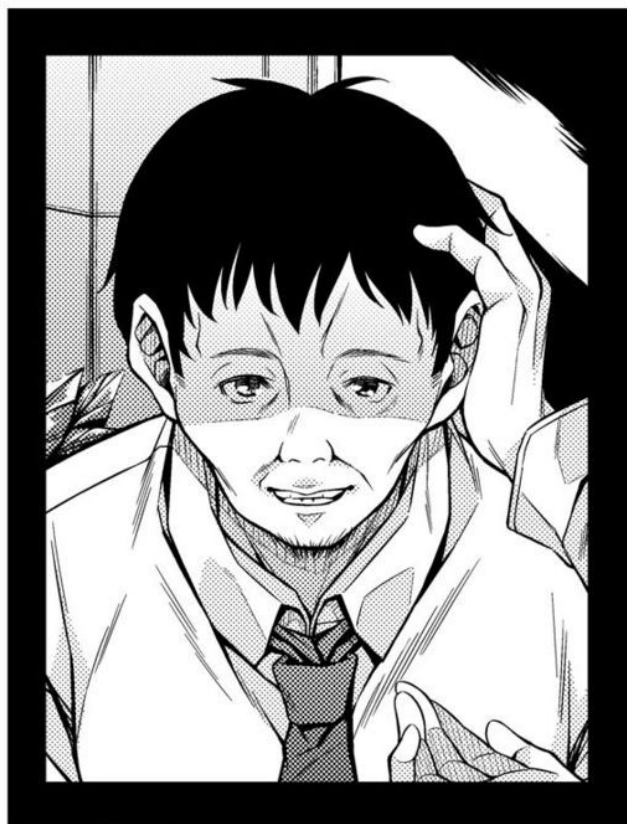

After starting life as a newly-wed, she recognized the face of Akihiro's superior that he introduced to her...

This man Horii used her past job to blackmail her, and he had his way with her right in front of Akihiro's passed out form all night long.

Kichikawa Akihiro

Yuzuki's husband, and Horii's subordinate. He got drunk and fell asleep, allowing Horii to have his way with Yuzuki. He's overworked and underpaid.

Horii Masaya

A former regular customer of Yuzuki's at her old part-time job, and Akihiro's superior. When he found out she was Akihiro's new wife, he blackmailed her.

No,
not at all.
I can't go
home today
either.
Senpai,
can't you do
anything
to help?

Kichi-
kawa-
kun,
has your
overtime
calmed
down?

Very
well
...

Hang in
there and
get that
overtime
done! It's
for your
wife's
sake too!

Oh
...
Wait!

Puh

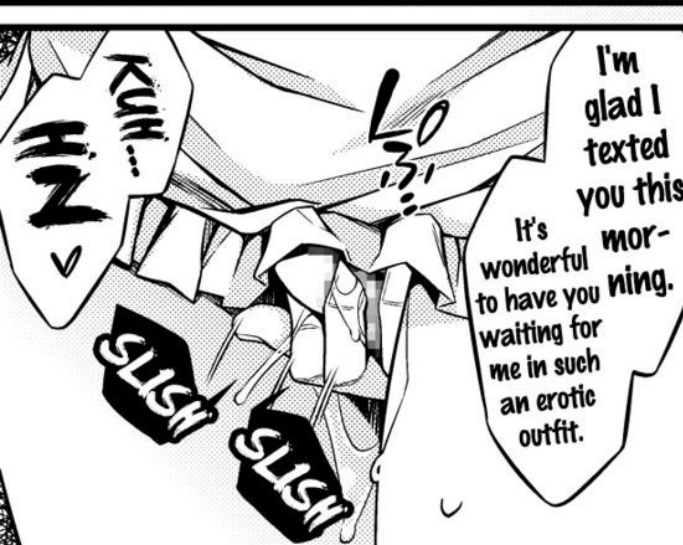

Hmm.

Huh?
You attend
something
like that

Well,
I guess I'll
have no
choice but
to handle
everything
myself.

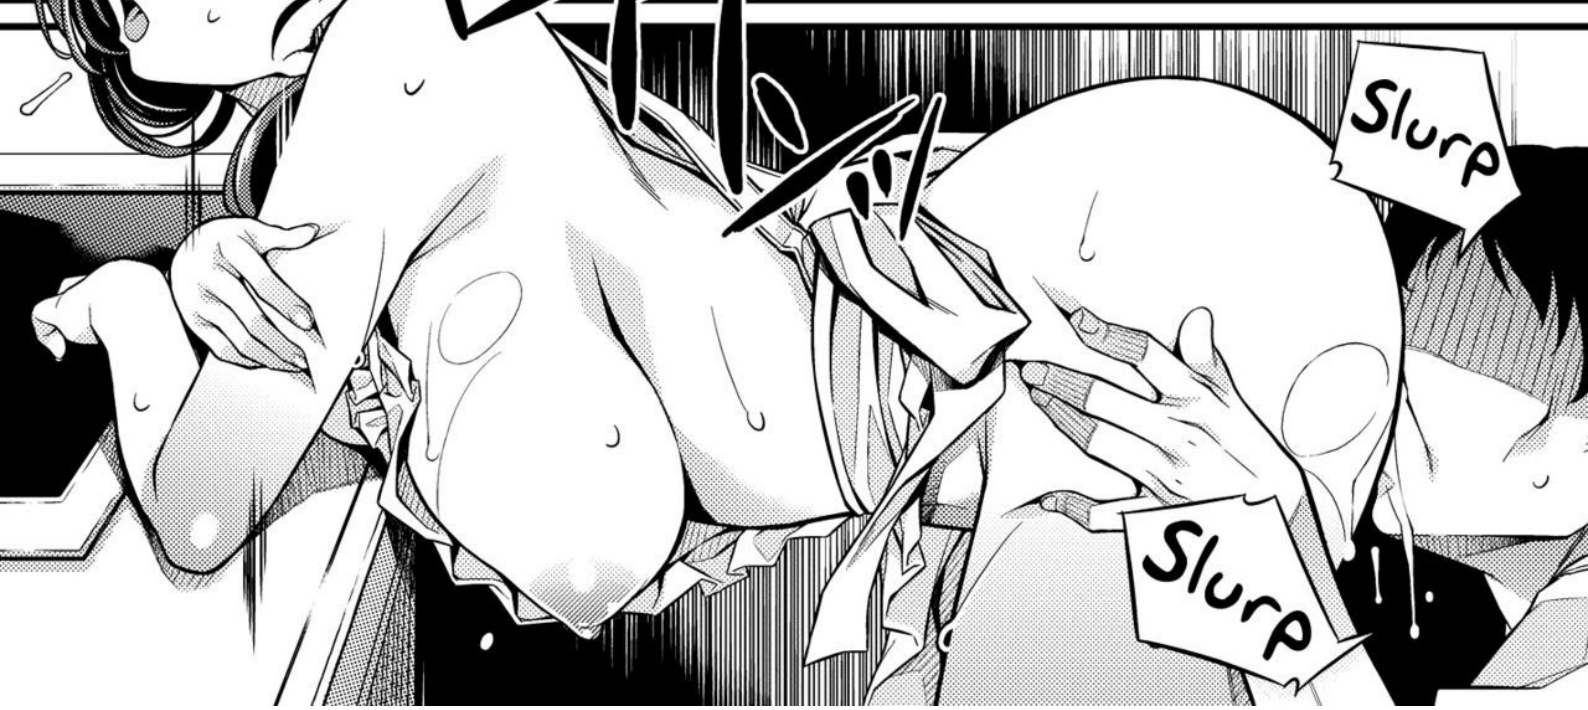

Well,
today I
have a
cooking
class.

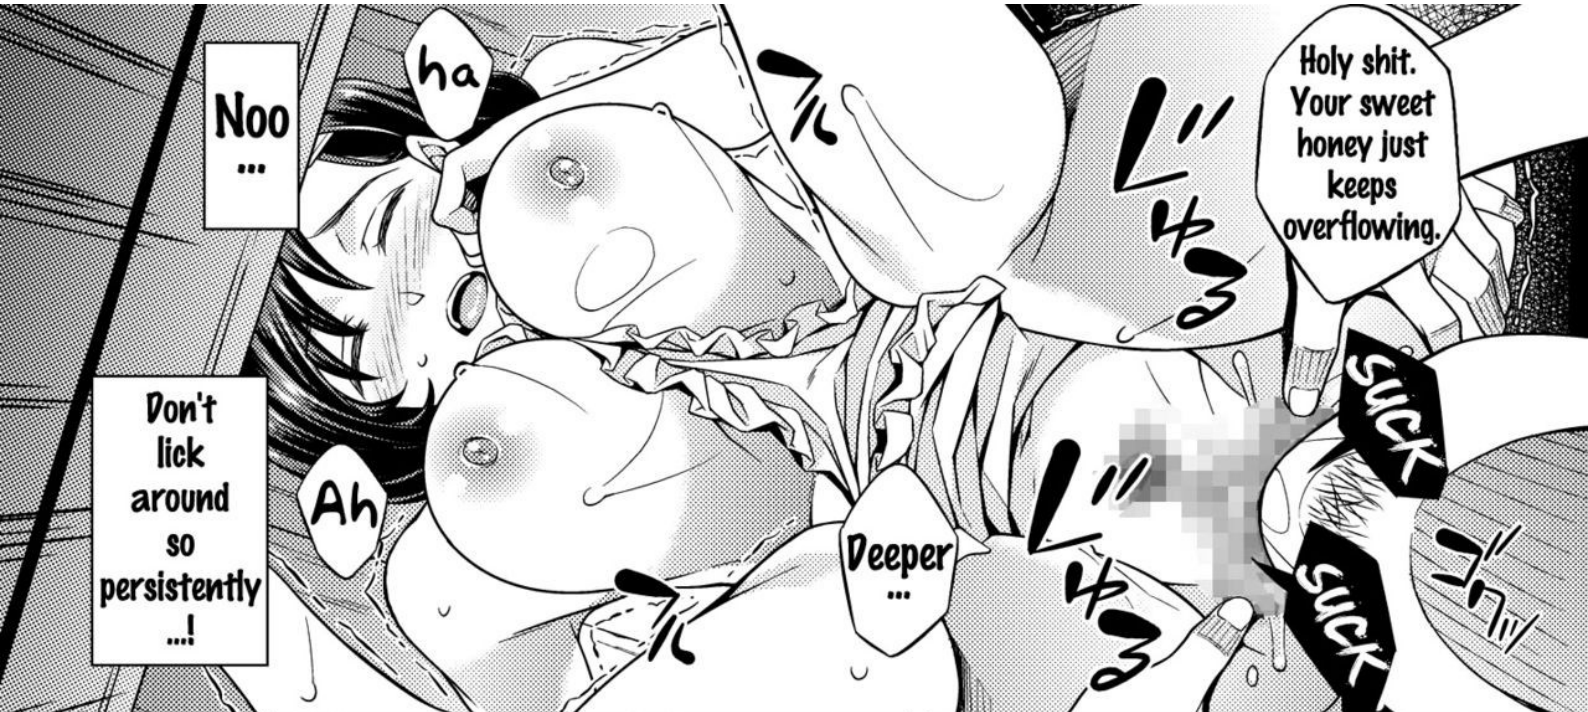

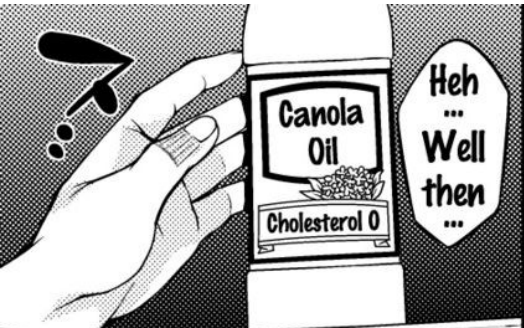

Ever since that day, I've been forced to obey Horii.

When Akihiro isn't around, he goes after me and forces me to secretly meet with him.

Heh ...
Well then ...

Kya!
Wait ...!

I guess
I'll have
to keep
exploring
every inch
of you.

It seems
I found
another
one of your
weak
points.

hah

hah

L...
It's
nothing ...

Akihiro
knows
my body
way
better ...!

Squirt

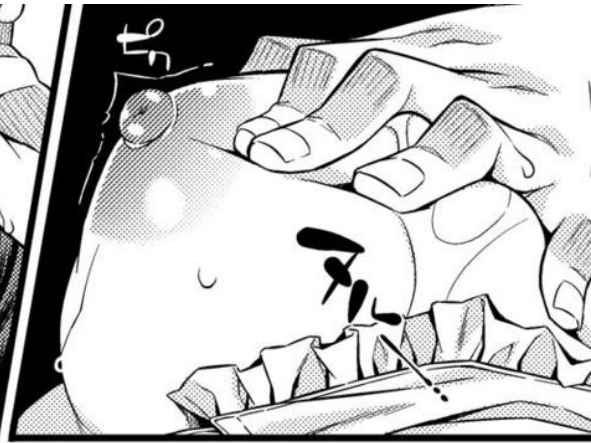

I'll put
plenty
of oil on
the fresh
ingre-
dients ...

First ...

Today,
I'll cook
for you.

Pop

Eek!
It's
cold ...

Your shoulders must get real stiff with such huge tits.

It feels nice and meaty with my cock between there...!

Slush

I'll rub it in your cleavage with this!

fu

hn

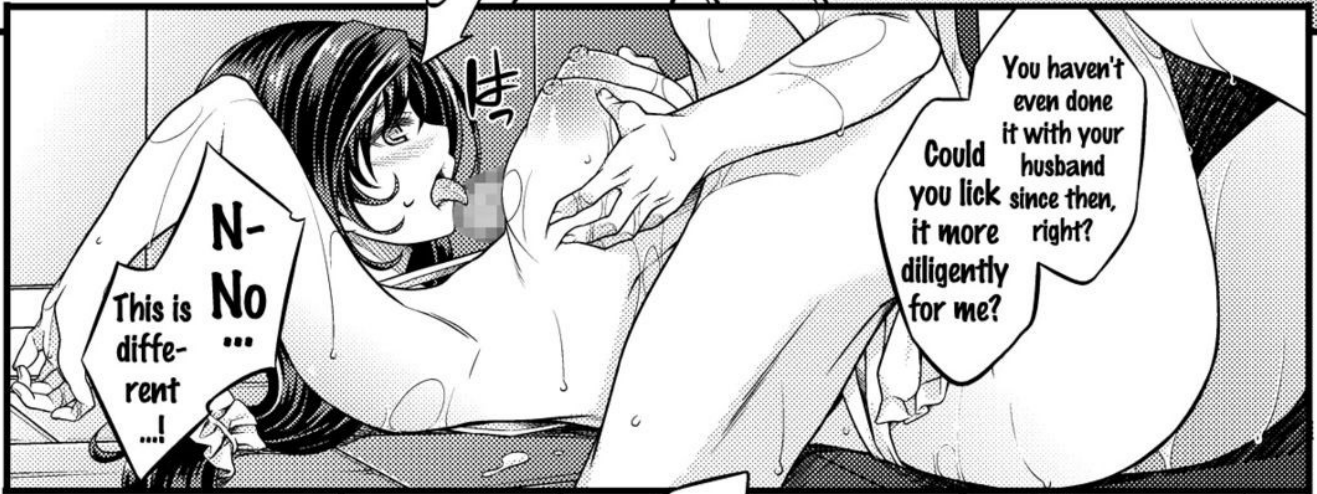

Oh my ...!

It's twitching between my breasts.

And the lewd wet noises are turning me on ...

drip...

I've gotta give you a good massage.

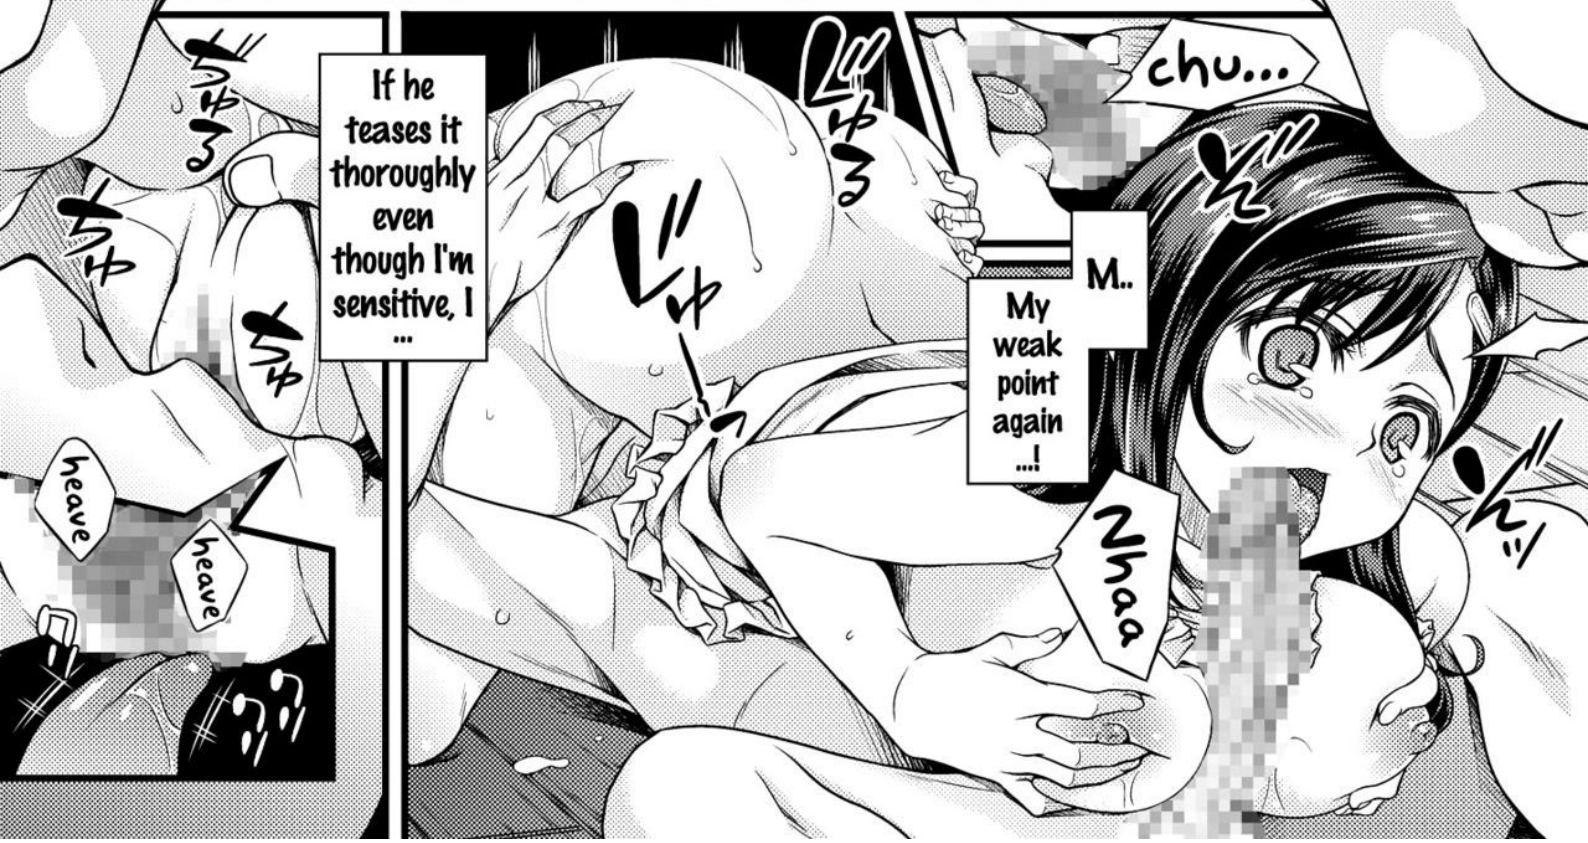

Whoa ...
It's heaving
even deep
inside,
Yuzuki-
chan.

I'll rub
plenty
in here
too.

If he
teases it
thoroughly
even
though I'm
sensitive, I
...

My
weak
point
again
...!

Nhaa

heave

heave

!...

You better not let any of it spill.

If you don't want your husband to find out ...

What a huge load ...

The oil and cum are mixing in my mouth ...

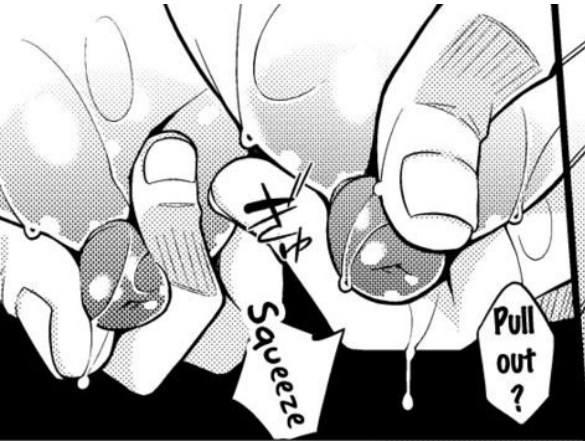

Gulp

Gulp

Every time I attack her with my tongue, she responds by constricting her lips ...

Oh, she's guzzling my cum.

S-
Sorry.
I.. I'm
getting a
massage
right
now!

Some-
thing's
odd.
...You
okay?

Ooph...

Yuzuki
...
What's
wrong
?

Wow.
He really
knows
what he's
doing
...!

Yeah!
That place!
The guy
that works
there is
amazing
...!

A
massage?
That's
unusual.

Oh!
At that
parlor that
recently
opened up
in the neigh-
borhood?

Oh...
Is it
that
good?

Y-
Yeah.

Heh.
So it
is that
good.

ha...

From
below
too
...!

I...!

P-
Perhaps
so.

It feels
...
incre-
dibly
good.

Have you
been getting
exhausted
from making
dinner
everyday
?

She's
talking on
the phone
while working
her hips
herself.

Hello.
Yuzuki
?

Oh god
...
If he
strokes
me that
roughly,
I...!

I can't
hear
you very
well
...

Hmm?
Oh.

What's that... all of the sudden !?

Don't you want children soon ?

Wha.. What ...?

Hey, I have something important to say ...

Kuh

Yeah, we didn't talk about it before.

But I think we should start making plans soon.

heave

rub

rub

rub

... Are they talking about having kids?

Yeah... Babies ...!

Y...

We're right in the middle of baby-making bareback sex though ...

What do you think, Yuzuki?

Y-Yeah. I want 'em too ...!

But let's
really take
our time
and have a
discussion
next time.

Oh,
well
we're
on the
phone.

I'll be
waiting
for you
with
dinner
ready
...!

squeeze

If she
wants a
kid that
badly,

I'll pour
it all the
way deep
inside.

Squeeze

Let's
talk
a lot
when
you get
home!

I want
'em too
...!
Next time
we'll take
our time
...!

Y-
Yeah!
You're
right!

Oh,
she's
already
at her
limit.

SPURRT

SPURRT

Oh...
She still
hasn't
had
enough
?
Guess
I'll go for
a second
pop now.

Puh...

Hello
...

Huh...?
Hello.
Heeello?

Today's
seed
sowing is
complete
...

Heey.
Yuzuki
?

I've started accepting various acts that I've never even shown in front of Akihiro.

After that, Horii started coming to the house for sure every week... to observe how my body's response was changing.
