You've always been my favorite.

Huh? It's nothing like that!

I don't even have a boyfriend!

Could it be that you're going to marry a boyfriend or something?

This isn't that sort of shop.

There you go again... I already said no!

... Hey, come on.

No. Then at least do it with your mouth...

Please, just let me hit it this once.

But after today, this name will be history... I've saved up enough funds to marry Akihiro.

"Mion"... is my name at this place. It's been a year since I got introduced to this work because the pay is good.

Excuse me.

Squish

Okay, time's up~.

Whah...

We're going to start living together next month. ♡

Geez, he's so annoying...

Hey... Is there nothing that will persuade I've been coming to this place just for your massage, Mion-chan.

...Come to think of it, Akihiro did say he wanted a new briefcase ...

Hmm... That's a surprising sum ...

I'll tip you nicely! Okay ?

Flash

Fine. Well, at least let me get a picture of those huge titties!

Beep

Hmm... Well, this is my last day ... Might as well earn some more!

Ugh... This is so embarrassing ...

Oh! Just a little bit, okay.

But I'm not showing you my nipples.

W-  
Wait  
...!

A-Are  
you still  
taking  
pictures  
...?

Hey...  
Come on,  
Mion-chan  
...  
Lemme  
have just  
a bit more  
...

Just a  
peek  
...!

Tug...

Thank  
you for  
visiting  
our  
store

So long,  
Mion-  
chan.  
I'll be  
enjoying  
these  
later

Okay.  
Time's  
up!

Aww!  
Damn.

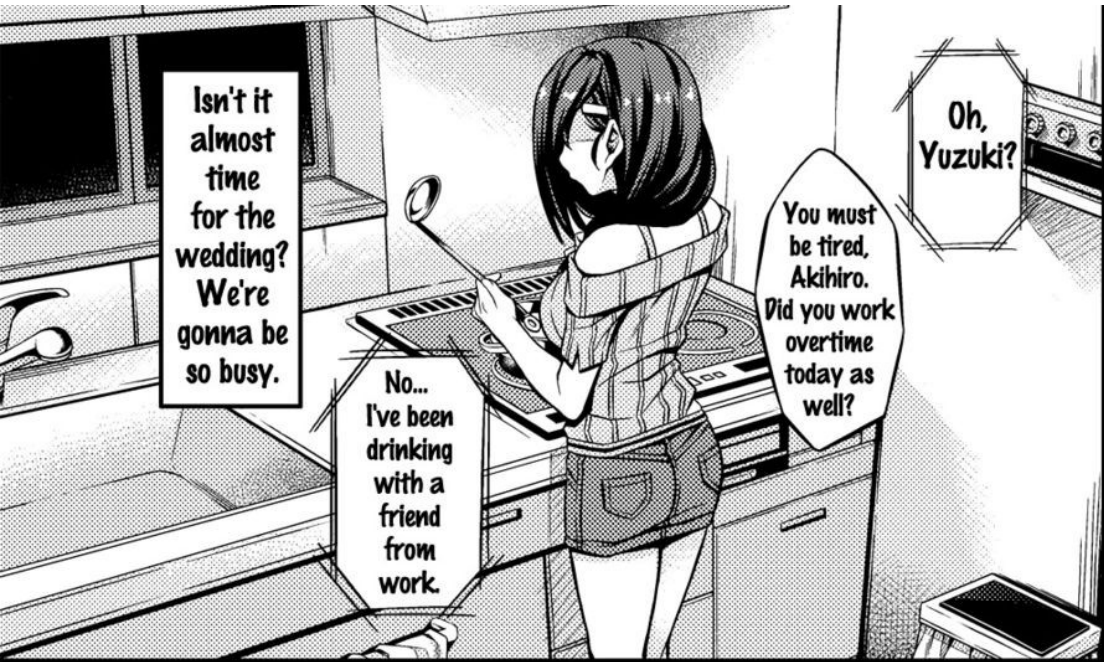

I wonder  
if Akihiro's  
off of  
work yet  
...?

Gross  
I'll get  
changed  
and go  
home.

# サグラレ 墜メ

Isn't it almost time for the wedding? We're gonna be so busy.

No... I've been drinking with a friend from work.

You must be tired, Akihiro. Did you work overtime today as well?

Oh, Yuzuki?

It's been two weeks since we started living together ... I've also met Akihiro's parents ...

Wait, Akihiro ...

Puh...

Alright, we'll be there soon!

He says he wants to come over, and he won't listen.

Huh!? Right now? There's nothing we can even offer him!

It's okay. It'll be fine. We're just gonna resume drinking.

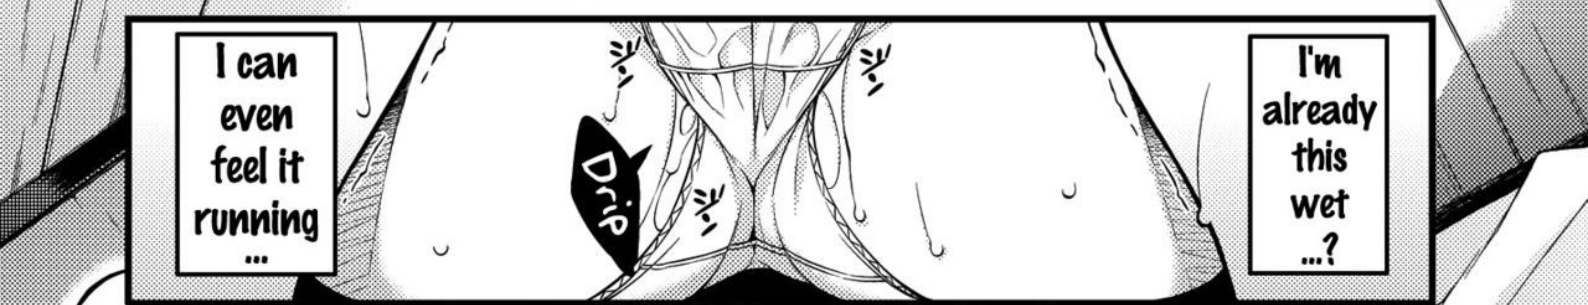

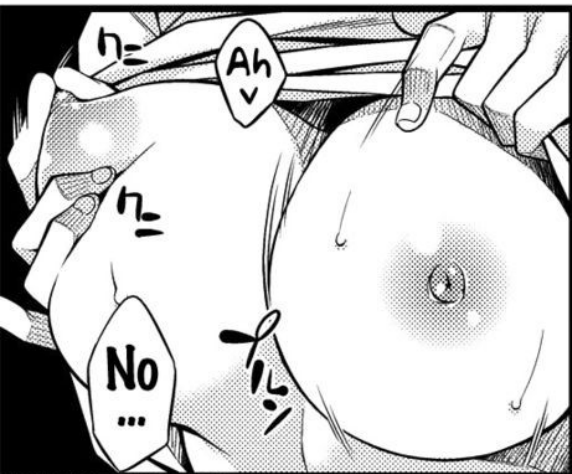

Pissed off ...

Geez! I thought we could spend some quality time alone together!

... Especially after yesterday ...

Geez ... I can't stand it ...

That was the first time we did it since we started living together, wasn't it ...?

I want it so bad ...

You're really wet, huh, Yuzuki ...?

giggle...

... Hey!

The phone? It startled me ...

Vrrr

Vrrr

Hya...!

... What am I gonna do about this

guh!

... Sorry, Yuzuki ...

There's trouble at work with the system. I have to go ...

Drip...

But whether or not I will after this, well ...

Slurp

Hey, it's alright. I haven't said anything to him.

ah...

P- Please... Not a word to Akihiro ...

You looked hot at the store, but your personal clothes are nice too.

Stop it ...

Rub

That all depends on you, Yuzuki-chan ...

I bet you two hardly have any time to fool around, right?

Sorry~ The work is so grueling at our company.

Snap

N-No ...

I can't believe you have such a lovely new wife, Kichikawa-kun.

But what a big surprise.

Not really ...

Pinch!

Rub

Rub

No ...  
I'm not ...

You're lovely. Isn't that nice, Yuzuki?

Drip

Say, why don't you do something to reduce my workload?

Hey~ Please don't joke like that, senpai.

But if you leave such a lovely wife alone,

somebody might take her from you, Kichikawa-kun.

Huh...? Mion...?

I'll get some snacks...!

Well, since you're a newlywed, you must be lonely after all, right?

Mion-chan

Squeeze

I must satisfy him quickly so he'll let me go ...!

Under construction...?

こんにちは、水原優です。このたびはモノクロ本「サグラレ墮メ」をご覧頂きありがとうございます。8月夏コミに出すはずが伸びに伸びこんなに遅くなってしまいました・・・。

当初のネームでは袖月さんは着替えさせられて夜通し弄ばれる予定でしたが、かなり長くなってしまったので省いた部分もまた別の形で出せたらいいなと思っております。モノクロ作画はあまり慣れておりませんが今後はカラー・モノクロ両方でオリジナル本を出せていけたらと思っておりますので生暖かく見守ってもらえたら幸いです。

では、また次回イベントでお会いいたしましょう
